In accordance with the requirements of Ind AS 12 - Income Taxes, the Company has recognised tax expense amounting to ₹ 1,425 million in the quarter ended March 31, 2021 as the outcome on the difference between Goodwill as per the books of account and its updated tax base of NIL resulting from the aforementioned amendment, in addition to the current tax expense debited to the statement of profit and loss. This deferred tax liability is not expected to be a cash outflow in the future and its reversal is deemed unlikely as the value of its associated goodwill is expected by value in use.
