Oaktree makes cash offer of ₹20,000 crore for DHFL

Piramal offers ₹15,000 cr for retail book; Adani offers ₹3,000 cr for SRA, construction fin books

DEWANCHAREJ Mumbai, 20 October

The lenders to Dewan Housing Finance Corporation (DHFL) have received a cash offer of ₹20,000 crore from US-based asset management company Oaktree Capital for the entire company.

Oaktree has offered to pay an additional ₹8,000 crore over the next few years, with interest to be paid on the balance in the interim period.

Oaktree's ₹20,000 crore is pitted against the ₹15,000 crore offer by Piramal Enterprises for the retail portfolio and the ₹3,000 crore put on the table made by Adani Group for the construction finance and slum re-development area projects.

"The banks will have to take a call on whether to accept the offers of Oaktree or those of Piramal and Adani Groups," said a source close to the developers.

"Oaktree will offer ₹8,000 crore over the next few years, which is close to the G-sec and is not attractive to the

DEWAN HOUSING FINANCE CORP

In February this year, the lenders to DHFL had sought offers for the company. Almost 21 companies had shown an interest in DHFL. They included Airtel Capital, Adani Capital, Hero FinCorp, KKR Credit Advisors, Oaktree, Morgan Stanley, Goldman Sachs Group Inc, Deutsche Bank AG, Warburg Pincus, S&P Capital, Edelweiss, Lone Star, and Blackstone. All backed out barring the bids.

The bids for the company were muted also to a foreign audit report by Grant Thornton, which revealed a ₹14,300-crore hole in DHFL's books.

The report, which has been submitted to the National Company Law Tribunal (NCLT), has said there is a ₹9,320-crore hole in the wholesale books, a ₹1,777-crore loss on the SRA count, and another diversion of ₹3,000 crore in retail loans.

Recovering these loans is doubtful, the report said. Indian lenders, mutual funds, and infrastructure funds, have an exposure of ₹88,000 crore to the company. Of this, State Bank of India has an exposure of ₹10,000 crore.

Moody's places Vedanta's CFR under review

ADITI DIWAKAR Mumbai, 20 October

Moody's Investors Service on Tuesday placed Vedanta Resources' B1 corporate financial rating (CFR) under review for downgrade.

Concurrently, Moody's has placed under review for downgrade the B3 ratings on senior unsecured bonds issued by Vedanta and those issued by its wholly-owned subsidiary, Vedanta Resources Finance II Plc, and guaranteed by Vedanta, affecting \$4.2 billion in outstanding debt. The ratings outlook was changed to ratings under review from negative.

"The review follows an increase in refinancing risk and significant funding needs at the holding company level, following Vedanta Resources' failure to

acquire the balance shareholding in key subsidiary Vedanta Limited. This would have improved access to group cash," the report by Kaustubh Chhabhal, a Moody's vice-president and senior credit officer, said. On October 10, the company said its voluntary delisting offer — to acquire the balance shareholding in Vedanta Limited and then delisting it from the stock exchange — had failed at the reverse book building stage.

The total number of shares tendered by Vedanta Limited's public shareholders fell 7 per cent short of the mandatory minimum 90 per cent for successful delisting.

Moody's had viewed the proposed delisting as a credit positive and a step forward in simplifying the group's complex shareholding structure. It would
