## Council of Ministers brainstorm on vision document 'Viksit Bharat 2047', detailed action plan for next 5 years: Sources

NEW DELHI : Prime Minister Narendra Modi along with the Council of Ministers held a meeting on Sunday where they brainstormed on the vision document 'Viksit Bharat 2047' and also held deliberations on a detailed action plan for the next five years, Government of India sources said.

During the meeting, a 100-day agenda for immediate steps were also worked upon for quick implementation after the formation of the new government in May 2024, sources further added.

The roadmap for Viksit Bharat is a result of more than 2 years of intensive preparation.

According to sources, it involved a whole-government approach involving all ministries & wide-ranging consultations with State governments, academia, industry bodies, civil society, scientific

organisations and the mobilisation of youth to seek their ideas, suggestions and inputs.

More than 2700 meetings, workshops and seminars were held at various levels. Suggestions from more than 20 lakh youth were received, they added.

Sources further mentioned that the roadmap for 'Viksit Bharat' has a comprehensive blueprint with a clearly articulated national vision, aspirations, goals and action points.

Its goals include areas like economic growth, SDGs, ease of living, ease of doing business, infrastructure, social welfare, etc, they added. The meeting holds significance, as the BJP-led ruling National Democratic Alliance has expressed confidence in retaining power at the Centre for a third term.

## NCPCR seeks action from govt against Ullu App for distributing "obscene, objectionable" material

NEW DELHI : The National Commission for Protection of Child Rights (NCPCR) recommended the government to inquire and take appropriate action against the Ullu App alleging that the App is distributing obscene and objectionable material through its content to its subscribers.

NCPCR wrote to the Ministry of Electronics and Information and requested to provide information in regard to the regulations and policy certification governing such apps.

"The National Commission for Protection of Child Rights (NCPCR) (hereinafter referred to as 'the Commission') is a statutory body constituted under Section 3 of the Commission for Protection of Child Rights (CPCR) Act, 2005 to protect the child rights and other related matters in the Country. The Commission is

further mandated to monitor the Proper and effective implementation of the Protection of Children from Sexual Offences (POCSO) Act, 2012; Juvenile Justice (Care and Protection of Children) Act, 2015 and the Right to Free and Compulsory Education (RTE) Act, 2009,"

the NCPCR letter said.

"The Commission has received a complaint from gems of Bollywood alleging that the 'Ullu App', accessible on both Play Store and iOS mobile platforms, contains extremely obscene and objectionable content secretly to its subscribers, including

children. The App is easily accessible on Google and Apple and does not seem to have any KYC requirement for downloading or viewing any content it makes available to its private group," it added.

Alleging that there are specific shows that target

school kids with explicit sexual scenes and plotlines, NCPCR said, "It has further been alleged that there are specific shows that target school kids with explicit sexual scenes and plotlines. Screenshots of one of the shows have also been annexed by the complainant where sexual intercourse has been depicted between the school children. A copy of the complaint is enclosed which is self-explanatory."

"It has been observed that these applications lack KYC or any other age verification system, making explicit content easily accessible to minors. Such accessibility is deemed to be a direct violation of Section 11 of the Protection of Children from Sexual Offences (POCSO) Act, 2012," it added.

Taking cognizance of the complaint, the Commission said, "The Commission has

taken cognizance of the complaint w/s. 13(1) G) of CPCR Act, 2005. Considering the gravity of the situation, the Commission wis. 13 of CPCR Act, 2005 recommends your good office to inquire into the present matter and take appropriate action against the Ullu App, Google Play Store and iOS as per the law. Additionally, you are also requested to provide information regarding the regulations and policy certification governing such apps." "Furthermore, it is also requested that stringent measures be implemented to 'mandate Know Your Customer (KYC) procedures for all such applications streaming these types of videos available on Google Play Store and iOS as per the law to protect the children from accessing such Apps," it added.

## UP govt to pay compensation to farmers for damaged crops due to recent strong winds, hailstorms

LUCKNOW : Uttar Pradesh Chief Minister Yogi Adityanath has directed an immediate assessment of the crop damage caused by the recent strong winds and hailstorms in the state, starting from late Friday night. The collected data is to be promptly submitted to the relevant department, ensuring that compensation is swiftly transferred to the affected farmers' accounts within a 24-hour timeframe, the UP government statement said.

CM Yogi has also warned the officers of strict action in case of any of kind of negligence in helping the affected farmers out.

On the instructions of Chief Minister Yogi Adityanath, Principal Secretary Revenue P. Guru Prasad has instructed all the District Magistrates, SDMs and Tehsildars of the state to conduct a survey on-the-spot. Also, instructions have been given to upload the survey report on the department's portal as soon as possible, it added.

## "BJP tarnishing Karnataka's image for political gains": Deputy CM DK Shivakumar

BENGALURU : Karnataka Deputy Chief Minister DK Shivakumar on Sunday slammed the Bharatiya Janata Party (BJP) for tarnishing the image of Karnataka for petty political gains over the Rameshwaram Cafe incident.

Speaking to reporters at his Sadashivanagar residence, he said, "The police have been given a free hand to investigate the blast case and they are investigating it. The government has taken serious note of it and we will do whatever it takes to protect the reputation of Bengaluru. The police are looking into all possible angles. The police will do whatever it takes to find out the perpetrators."

"The BJP is exploiting the opportunity to gain political mileage. They are tarnishing the image of Bengaluru and

ble position will talk like that."

Meanwhile, Karnataka Chief Minister Siddaramaiah also asked the opposition BJP not to indulge in politics over this matter.

Reacting to BJP leaders' allegations that such incidents are happening due to appeasement of minorities, Siddaramaiah said, "A bomb exploded in their time too. What did they do when the Mangalore cooker bomb exploded? Was it appeasement even then?"

Urging the opposition not to politicize the matter, Siddaramaiah said, "A serious investigation is underway. BJP should not play politics in this matter. Mangalore blast and Bengaluru explosion are not related. The blast is still under investigation and appropriate action will be taken after the

report."

As many as 10 people were injured after an explosion occurred at Bengaluru's popular Rameshwaram cafe in the Whitefield area on Friday.

Meanwhile, a team of Karnataka Police reached the explosion site on Sunday morning as part of its ongoing investigation.

This comes after CM Siddaramaiah said on Saturday that the complete truth regarding the Rameshwaram Cafe incident has to come out.

He instructed senior police officers to use technology effectively in investigations. CM Siddaramaiah suggested providing protection to the people and directed officials to identify densely populated areas and increase police patrolling in such areas.

The Prime Minister donated Rs 2,000 to the BJP party fund.

"I am happy to contribute to @BJP4India and strengthen our efforts to build a Viksit Bharat. I also urge everyone to be a part of #DonationForNationBuilding through the NaMoApp," the Prime Minister posted on X.

The call to donate money comes after the Supreme Court in February delivered a unanimous verdict, striking down the Electoral Bonds scheme as unconstitutional. While the Opposition parties hailed the Apex court decision, the ruling BJP said that the scheme was brought in for transparency in electoral funding. The CJl while reading out his judgement said that the Supreme Court holds that anonymous electoral bonds are violative of Right to Information and Article 19(1)(a).

The Supreme Court said that information about corporate contributors through Electoral Bonds must be disclosed as the donations by companies are purely for quid pro quo purposes.

The purpose of curbing black money is not a sufficient justification to anonymise the identities of donors and the details of the contributions in the Electoral Bonds scheme, the SC said while striking down the Centre's Electoral Bonds scheme.

An Electoral Bond is an instrument in the nature of a promissory note or bearer bond which can be purchased by any individual, company, firm or association of persons provided the person or body is a citizen of India or incorporated or established in India. The bonds are issued specifically for the purpose of contributing funds to political parties.

## Union Minister Sonowal dedicates first-ever Made-in-India ASTDS tug

NEW DELHI : Sarbananda Sonowal, Union Minister of MoPSW & AYUSH inaugurated the 60T bollard pull tug named 'Ocean Grace' and the Medical Mobile Unit (MMU), virtually on 2nd March, 2024.

According to a press statement from the Ministry of Ports, Shipping and Waterways, the Ocean Grace is the first make in India ASTDS Tug developed by the Cochin Shipyard Limited under MoPSW. The Medical Mobile Unit (MMU) is part of port's commitment to corporate social responsibility. This initiative highlights 'Aatmanirbhar Bharat' initiative of Prime Minister Narendra Modi.

The event was attended virtually by dignitaries namely Shripad Naik, Union MoS of MoPSW and Tourism; Shantanu Thakur, Union MoS of MoPSW; T.K. Ramachandran, Secretary, MoPSW and others.

During the event Sonowal said, "Paradip Port stands as a shining example of progress and growth. With each passing year, it sets new benchmarks in EXIM traffic management, symbolizing Ministry's commitment to efficiency and excellence."

[86e2b446-5332-4d8e-9520-58993aacac52:intrad-m i n / A N I - 20240303154231.jpeg]

"Under the visionary leadership of PM Modi, MoPSW is making efforts to fulfil Atmanirbhar Bharat initiatives. The 'Ocean Grace' built at a cost of Rs. 45 crores, stands as a pinnacle of maritime engineering, equipped with cutting-edge technology and boasting a remarkable bollard pull of 60 tonnes. Its imminent inauguration heralds a significant leap forward in our pursuit of maritime infrastructure excellence, promising years of uninterrupted and flawless port operations ahead" added Sonowal.

According to the press statement, the first ASTDS

tug is powered by NIGATA main engines and a Power Z-Peller ZP Propulsion engine, this tug is meticulously designed for optimal efficiency and reliability, guaranteeing seamless navigation and proficient vessel assistance, especially for large vessels like VLCCs and ULCCs.

The goal of the Green Tug Transition Programme (GTTP) is to convert at least 50 per cent of all tugs into Green Tugs by 2030 and to have Green Tugs operating at all major ports. JNPA, DPA, PPA, and VoCPA will purchase two brand-new green tugs (battery-electric powered) from Cochin Shipyard by 2027 as part of the first phase. Today, PPA fulfilled the vision by coming up with India's first ASTDS Tug. By implementing measures to reduce greenhouse gas emissions, domestic/short sea shipping ferries, port vessels (tugs/crafts/dredgers), and OSVs/PSVs aim to achieve a remarkable reduction of 50 per cent by 2030 to 70 per cent by 2047.

Under the Maritime Amrit Kaal Vision 2047, in the coming years' the Decarbonisation Cell is set to pioneer the development of cutting-edge technology vessels, initiating pilot runs across various categories. This ambitious initiative includes the introduction of five electric water taxis, two hybrid electric Ro-Ro ferries, and two hybrid LNG electric cargo carriers. Furthermore, the plan entails deploying a hybrid tug at JNPA, along with three dual-fuel container Ro-Ro ferries.

The endeavour extends to incorporating green hydrogen and ammonia-powered tugs at four major ports. Additionally, the vision encompasses the deployment of a green hydrogen or ammonia-propelled coastal cargo bulk carrier, along with an offshore vessel, showcasing a dedicated commitment towards sustainable mar-

itime practices and environmental stewardship.

In the state of Odisha, the Sagarmala Programme has been instrumental in driving significant infrastructural development along its coastal areas. Currently, 53 projects valued at approximately Rs. 54,500 Cr are being monitored, with 21 projects already completed, amounting to Rs. 12,700 Cr. An additional 32 projects, valued at Rs. 41,800 Cr, are in various stages of implementation.

Notably, 7 projects, partially funded by MoPSW, are underway, with one completed and six in progress. Furthermore, under the Holistic Development of Coastal Districts initiative, nine projects, totalling Rs. 157 Cr, have been identified, focusing on fisheries, skill development, tourism, and urban water transportation. Ongoing endeavours include the transformation of the Paradip fishing harbour into a world-class facility, with a budget of Rs. 108 Cr, and the upskilling of 2860 candidates through the Skill Development Program - Phase II. Looking ahead, upcoming projects aim to uplift the fishermen community by establishing a fishing harbour at Chandipur and improving ferry services between Satapada and Jahnukuda, with a focus on enhancing local connectivity and preserving ecological balance amidst climate change challenges.

Paradip Port significantly contributes to Corporate Social Responsibility (CSR) activities, encompassing education, environment, healthcare, sanitation, electricity, sports, and culture. The inauguration of the Medical Mobile Unit (MMU) exemplifies this commitment. Costing around Rs 48LPA to operate, the MMU reflects the port's dedication to providing accessible healthcare to underprivileged communities nearby. Staffed with skilled

medical professionals, including doctors, nurses, technicians, and pharmacists, the MMU offers various services like maternal and paediatric care, disease management, and health awareness programs. Its mobility ensures healthcare reaches those in need across Paradip and its surrounding areas.

It is noteworthy that Paradip Port's expansion is at centre stage now. The Western Dock project worth Rs 3,004.63 crore is a crucial step towards enhancing its capacity to over 300MTPA in next two years. The project encompasses the creation of a new dock, equipped with state-of-the-art infrastructure and handling facilities, tailored to accommodate various dry bulk cargoes. Moreover, the project includes deepening the inner harbour .

## NIA chargesheets two more accused in Naxal Magadh Zone revival case

NEW DELHI : The National Investigation Agency (NIA) has chargesheeted two more accused, including a prominent Politburo member of the banned outfit, in the CPI (Maoist) or Naxal Magadh zone revival case, the agency on Sunday.

In its supplementary chargesheet filed before the NIA Special Court, Patna, Bihar, the agency has named Pramod Mishra alias Sohan Da alias Vanbihari Ji alias Doctor Saab alias Janardan alias Dada alias Baba Ji, of Aurangabad district, and Anil Yadav alias Ankush alias Lavkush of Gaya district of Bihar.

On February 2, the NIA chargesheeted two other persons in the case relating to attempts by the proscribed organisation to revive violent naxalism in the Magadh zone.

In the present chargesheet, Pramod Kumar, a key Politburo member, has been charged under sections 120B, 121A of Indian Penal Code and Sections 17, 18, 18(B), 20, 38 and 40 of Unlawful Activities (Prevention) Act 1967, while his associate, Anil Yadav, has been charged under sections 120B, 121A of IPC and Sections 17, 18, 20, 38 and 40 of UA (P) Act 1967.

Both have criminal cases registered against them under various sections of the IPC, Explosive Substances Act, Arms Act and UA (P) Act. Pramod Mishra had 39 cases registered against him in various Police Stations in districts of Aurangabad and Gaya, in addition to six cases in Jharkhand and two in Kaimur area. Anil Yadav had six cases against him in various police stations in the districts of Aurangabad and Gaya. NIA investigations have revealed that Mishra was involved in promoting and propagating Maoist ideology, for which he was also motivating and recruiting.
