# Management Comment

**Commenting on the performance, Mr. Abhyuday Jindal, Managing Director, Jindal Stainless Ltd. said:**

*“Our performance in the first quarter indicates our strong financial position. The outlook for the business remains positive with the outlay of significant investments by the government in the union budget for Railways and infrastructure.*

*However, we continue to face a challenge from high levels of imports, particularly from FTA countries like Indonesia and Vietnam. In the wake of these emerging business challenges, we have carried out an internal restructuring to sharpen our key focus areas. We have created a centralised team to serve as a knowledge bank, carve out new stainless steel applications through conversion from other materials, and develop new markets”.*
