Dear Sir

Sub:- Submission of Presentation made to analysts / Investors

We are enclosing herewith a copy of the presentation made to analysts /Investors on un-audited Standalone and Consolidated Financial Results of the Company for the quarter and nine months ended December 31, 2015.

Thanking you,

Yours faithfully, For NATCO Pharma Limited

MANarayana

M.Adinarayana Company Secretary & V.P.(Legal & Corp. Affairs)

## **Natco Pharma Limited**

Feb 2016 Strictly Private and Confidential

### **Important Disclosure**

This presentation has been prepared by Natco Pharma Limited (the "Company") solely for information purposes without regard to any specific objectives, financial situations or informational needs of any particular person. This presentation should not be construed as legal, tax, investment or other advice. This presentation is confidential, being given solely for your information and for your use, and may not be copied, distributed or disseminated, directly or information. Any such extraneous or inconsistent information or representation, if given or make any representation which is not contained in, or is inconsistent with, this presentation. Any such extraneous or inconsistent information in certain jurisdictions may be restricted by law. Accordingly, any persons in possession of this presentation should inform themselves about and observe any such restrictions. Furthermore, by reviewing this presentation, you agree to be bound by the trailing restrictions regarding the information disclosed in these materials. This presentation contains statements that constitute forward-looking statements. These statements include descriptions regarding the intent, belief or current expectations of the Company or its directors and officers with respect to the results of operations and financial condition of the Company. These statements can be recognized by the use of words such as "expects," "plans," "will," "estimates," "projects," or other words of similar meaning. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those specified in such forward-looking statements as a result of various factors and assumptions. The risks and uncertainties relating to these statements include, but are not limited to, (i) fluctuations in learning, (ii) the Company's ability to manage growth, (iii) competition, (iv) government policies and regulations, and (v) political, economic, legal and social conditions in India. The Company does not undertake

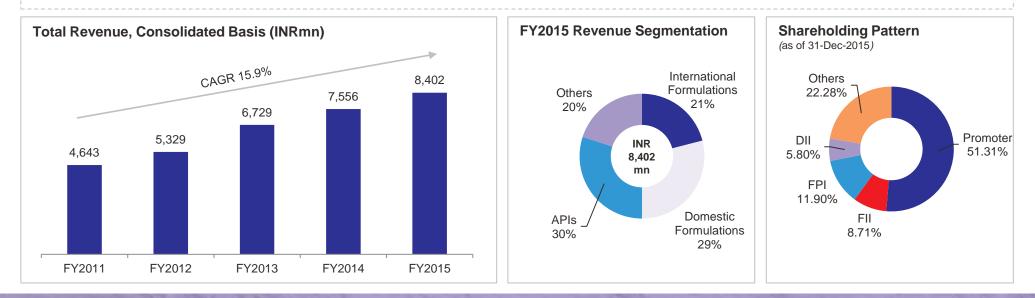

The information contained in this presentation is only current as of its date and has not been independently verified. The Company may alter, modify or otherwise change in any manner the contents of this presentation, without obligation to notify any person of such revision or changes. No representation, warranty, guarantee or undertaking, express or implied, is or will be made as to, and no reliance should be placed on, the accuracy, completeness, correctness or fairness of the information, estimates, projections and opinions contained in this presentation. None of the Company or any of its affiliates, advisers or representatives accept any liability whatsoever for any loss howsoever arising from any information presented or contained in this presentation. Please note that the past performance of the Company is not, and should not be considered as, indicative of future results. Potential investors must make their own assessment of the relevance, accuracy and adequacy of the information contained in this presentation as they may consider necessary or appropriate for such purpose. Such information and opinions are in all events not current after the date of this presentation.

None of the Company, any placement agent or any other persons that may participate in the offering of any securities of the Company shall have any responsibility or liability whatsoever for any loss howsoever arising from this presentation or its contents or otherwise arising in connection therewith. This presentation does not constitute or form part of and should not be construed as, directly or indirectly, any offer or invitation or inducement to sell or issue, or any solicitation of any offer to purchase or subscribe for, any securities of the Company by any person in any jurisdiction, including in India or the United States, nor shall it or any part of it or the fact of its distribution form the basis of, or be relied on in connection with, any investment decision or any contract or commitment therefore. Securities of the Company may not be offered or sold in the United States absent registration or an applicable exemption from registration under the United States Securities Act of 1933, as amended. This presentation is not a prospectus, a statement in lieu of a prospectus, an offering circular, an advertisement or an offer document under the Companies Act, 2013, as amended, the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended, or any other applicable law in India.

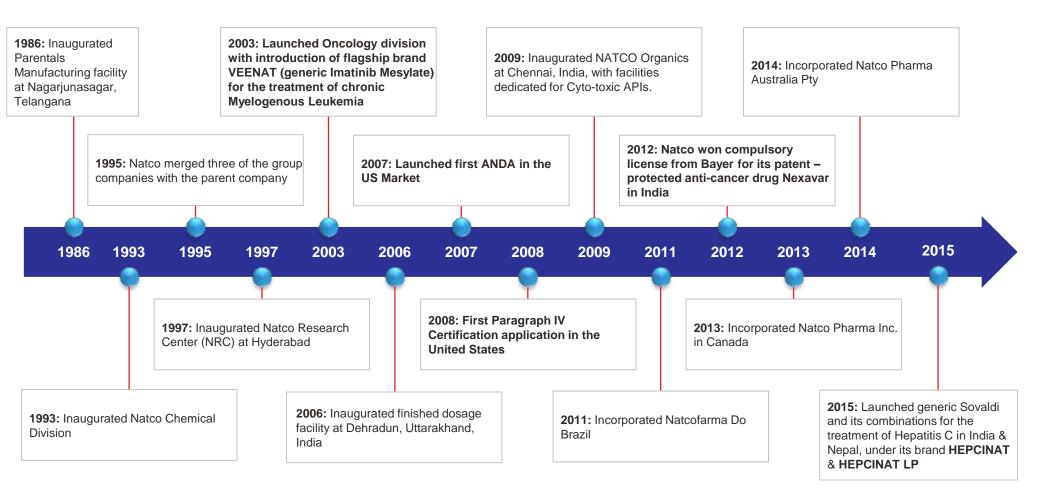

### Natco Pharma at a Glance

- Vertically integrated pharmaceutical company with focus on niche therapeutic areas and complex products in Finished Dosage Formulations ("FDF") and Active Pharmaceutical Ingredients ("APIs")
- Diversified business model with presence across segments including Domestic & International formulations, API manufacturing and drug discovery
- Products marketed in over 40 countries
- Portfolio of 38 niche ANDA filings in the US including 16 Para IV filings and 31 USDMFs filings (as of 31-Dec-2015)
- Strong position in domestic oncology segment with presence in Gastroenterology and Orthopaedics
  - Portfolio of 26 products (as of 31-Dec-2015) catering to various oncology diseases including breast, brain, bone, lung and ovarian cancer
  - Launched the generic version of Gilead's Sovaldi, under its brand HEPCINAT for the treatment of Hepatitis C
- Strong R&D capabilities supported by two well equipped research centres and seven approved manufacturing facilities (five formulations and two APIs)
- Incorporated in 1981 and headquartered in Hyderabad currently employs over 3,300 employees across all locations

# De-risked Business Model through Partnership with Global Pharmaceutical Players

Mitigation Strategy						
US Market reach and Regulatory Challenges	<ul> <li>Adopted and successfully implemented partnership strategy for international formulations product</li> <li>Has product specific partnerships with global generic players at different stages of a potential ANDA filing</li> <li>Entered into de-risked arrangements with marketing partner whereas the partner undertakes the responsibility of lengthy and complex litigation and regulatory issues and securing the ANDA approval</li> <li>Global generic pharmaceutical companies have significant insight into global legal procedures and protocols enabling us to draw on their experience to successfully obtain the necessary regulatory approvals and effectively commercialize our products.</li> </ul>

## Leading Position in Domestic Oncology Segment

## Leading Position In Domestic Oncology Segment (Cont'd)

## **Expanding Presence in Domestic Specialty Pharma Segment**

#### **Domestic Specialty Pharma**

- Portfolio of 13 products catering primarily to Gastroenterology, Orthopaedics and Critical Care/CNS
- Currently products in oral and injectables dosage forms
- Select contract manufacturing assignments

#### Hepatitis C Opportunity

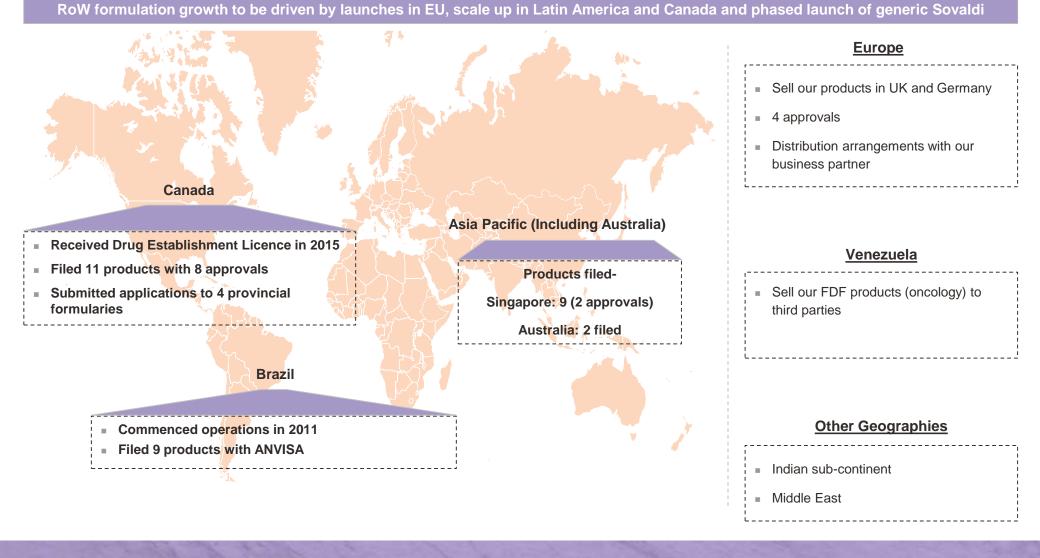

- Launched generic Sovaldi and its combinations for the treatment of Hepatitis C in India & Nepal under its brand HEPCINAT & HEPCINAT LP
  - Medicine used for chronic hepatitis C infection and sold globally by Gilead Sciences, Inc., under its brand Sovaldi
- Non-exclusive licensing agreement with Gilead Sciences for 101 countries including India
- Launched generic Daclatasvir in India under its brand Natdac

#### **Overview of Key Products**

	Products	Active Ingredient	Dosage Form	Therapeutic Area
	Natzold	Zoledronic Acid	Infusion Solution	Orthopaedics, Supportive Care
N.	Glatimer	Glatiramer Acetate	Injection	Multiple Sclerosis
	Teravir	Tenofovir	Tablets	Hepatitis-B

## Expanding Europe & RoW Presence

NATCO

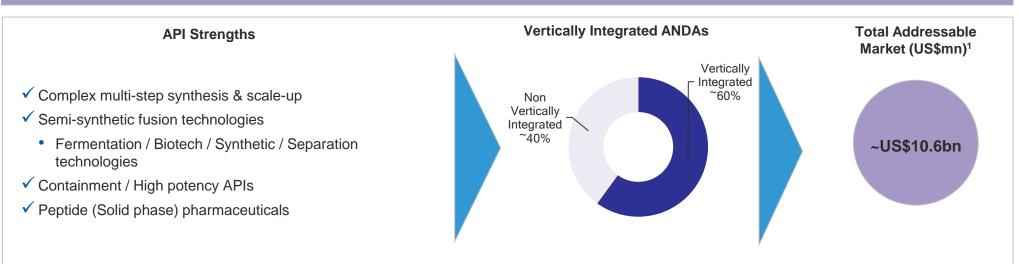

## Strong In-House API Development with Vertical Integration for Key **Formulation Products**

Vertical integration for several APIs a key competitive advantage

FY2011 FY2012 FY2013 FY2014 FY2015

#### Strategic Advantage with Backward Integration in Critical APIs

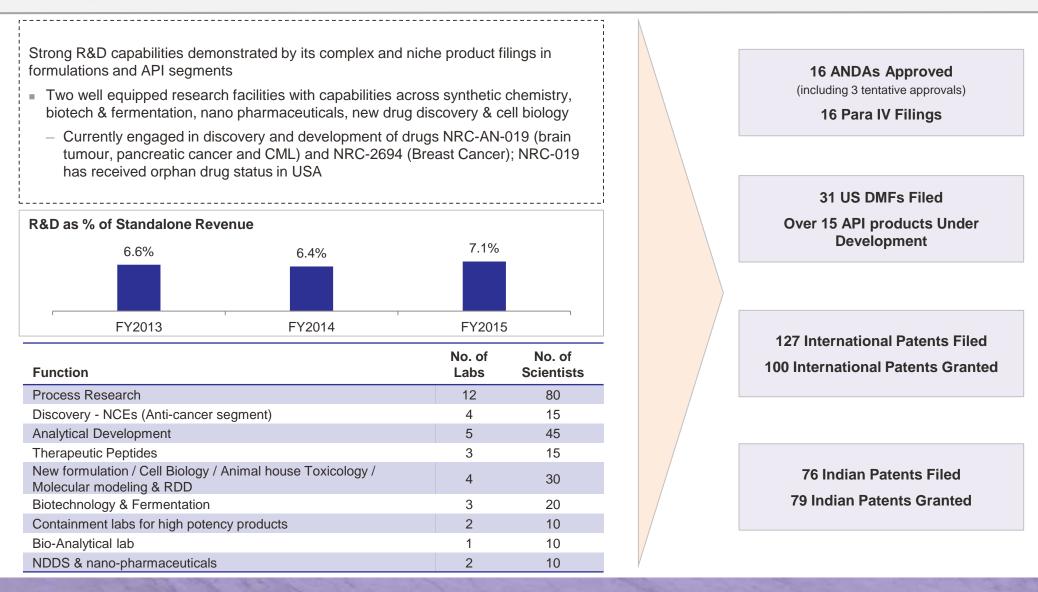

(1) Source: IMS. Denotes size of FDF markets of vertically integrated ANDAs

2.571

### Strong Research & Development Capabilities

## Commitment to Manufacturing Excellence with a Culture of Quality and Compliance

#### **API Manufacturing Facilities**

#### Mekaguda Facility

- Key Regulatory Approvals: GMP, USFDA, German Health Authority, PMDA (Japan), Cofepris (Mexico)
- Last USFDA audit approval: January 2015

Key Regulatory Approvals: GMP
