Premium Player – Cables and Wires Industry

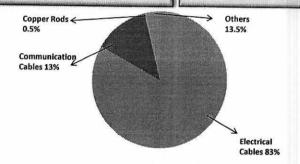

Finolex gets people together

Electrical Cables and Wires

- Leader in the electrical housing wires segment and commands a premium over its peers
- Strong brand positioning and superior product quality enabled the company to achieve higher margins
- This segment accounts for 80% of the company's revenues and offers a wide range of products in each of the segments
- Reported 83% in electrical W&C segment.

Communication Cables

- Revenues growth was led by ramp up of its communication cables business.
- Rising volume of mobile data traffic coupled with government's thrust on digitization has led to a surge in demand.
- OFCs accounts for 49% of communication cables and is largely B2B business.
- Finolex is increasing its OFC capacity by 60% as its current unit is operating close to capacity.

Emerging Player - FMEG

Gets people together

Finolex entered the FMEG segment to capitalize on the strong brand recall and sales network

- The company first entered the electrical switches and lighting segment, leveraging its widespread distribution network in the country. The company than introduced switchgears, fans and water heaters
- New products within FMEG sector grew by more than 10% y-o-y each in FY19
- These products have been well accepted, along with that the distributors have expanded and continued presence in visual media have contributed to the Finolex brand recognition.
