EXPLANATORY STATEMENT TO THE NOTICE CONVENING THE 38th ANNUAL GENERAL MEETING (AGM NOTICE)

PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013, THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 AND THE SECRETARIAL STANDARDS ON GENERAL MEETINGS ISSUED BY THE ICSI

Item No. 3

The Board of Directors, on the recommendation of Nomination and Remuneration Committee (“NRC”) approved appointment of Mr. Mahendra Sharma (DIN: 10167061) as Additional Directors (in the capacity of Independent Directors) of the Company, who shall hold office as such till this Annual General Meeting (“AGM”). Further, Board of Directors has recommended the appointment of Mr. Mahendra Sharma (DIN: 10167061) as Independent Director for a term of five consecutive years i.e., upto May 16, 2028, for approval of the Members of the Company.

The Company follows a robust process for Board appointments and succession, which is a hallmark of a forward-thinking, future-ready and progressive board. The Board deliberates on various factors including current tenure of board members, anticipated vacancies in key board positions, skill matrix including skill-gaps, diversity, time-commitment and statutory requirements etc. The appointment of Mr. Mahendra Sharma has been made by the Board to address the long-term requirement of the Company and to ensure smooth transition in key board positions. In the opinion of the Board. Mr. Mahendra Sharma fulfils the conditions specified in the Companies Act, 2013 (the “Act”), rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (“Listing Regulations”) for appointment as Independent Directors of the Company.

Brief profiles of Mr. Mahendra Sharma is as follows:

He is Masters in Economics and is a member of Certified Associate of Indian Institute of Bankers (CIIAB). He has more than three decades experience of working in Dena Bank and has retired from the designation of General Manager of Dena Bank.

Mr. Mahendra Sharma has confirmed his eligibility for appointment as Independent Director of the Company under Section 164 of the Act and have given his consent to act as Independent Director. The Company has also received declaration from him confirming that he meets the criteria of independence as provided in Section 149(6) of the Act, rules made thereunder and Regulation 16(1)(b) of the Listing Regulations. In terms of Regulation 25(8) of the Listing Regulations, he has also confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge their duties as an Independent Director without any external influence. Further, he is neither disqualified from being appointed as a Director in terms of Section 164(2) of the Companies Act, 2013, not debarred from holding the office of director by virtue of any SEBI order or any other such authority and have successfully registered himself in the Independent Director’s data bank maintained by Indian Institute of Corporate Affairs.

In terms of Section 149, 150 and 152 read with Schedule IV and any other applicable provisions, if any of the Act and rules made thereunder and the Listing Regulations, it is proposed that Mr. Mahendra Sharma be appointed as Independent Director for a term of five consecutive years from the original date of their appointment i.e., May 17, 2023 upto May 16, 2028.

The requisite details and information pursuant to Regulation 36(3) of the Listing Regulations, the Act and Secretarial Standards, as on the date of Notice, are enclosed hereto.

The Board of the Directors firmly believes that Mr. Mahendra Sharma will bring immense value on account of his stature, professional competence and diversified experience, and accordingly, recommends, his appointment, as Independent Director of the Company for a term of five consecutive years i.e., upto May 16, 2028. The remuneration payable to Mr. Mahendra Sharma shall be governed by the Nomination and Remuneration policy of the Company.

Mr. Mahendra Sharma is interested in the resolution set out at item no. 3. Further, his relatives are also deemed to be interested in the respective resolutions, to the extent of their shareholding in the Company, if any. Save and except the above, none of the Directors, Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the proposed resolution.

The Board recommends the Special Resolution set out at item no.3 of the Notice for approval of the Members.

 - (c) Master Direction - Non-Banking Financial Company-Non-Systemically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016
 - (d) Master Direction- Non-Banking Financial Company Returns (Reserve Bank) Directions, 2016

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by the Institute of Company Secretaries of India.

I report that, during the year under review the Company has complied with the provisions of the all-applicable Act, Rules, Regulations, Guidelines, Standards mentioned above subject to the following observations:

- Submission of Statement of Investor Complaints as required under Regulation 13(3) of SEBI (LODR) Regulation, 2015 for the Quarter ended March 2022 was done under wrong head on BSE portal which was resubmitted under correct head on June 2, 2022.
- Delay in submission of Shareholding Pattern to BSE as required under Regulation 31(1) of SEBI (LODR) Regulation, 2015 for the quarter ended March 2022 by six days.
- Delay in filing of Certificate from a Practicing Company Secretary certifying that all certificates have been issued within thirty days of the date of lodgement for transfer, sub-division, consolidation, renewal, exchange or endorsement of calls/allotment monies as required under Regulation 40 (10) of SEBI (LODR) Regulation, 2015.
- Delay in filing of Certificate to BSE as required under Regulation 74(5) of SEBI (Depositories and Participants) Regulations 2018 for the Quarter ended March 2022

I further report that, there were no events/actions in pursuance of:

- (i) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- (ii) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; and
- (iii) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009.

I further report that, the compliance by the Company of applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts has not been reviewed in this audit since the same has been subject to review by statutory financial audit and other designated professionals.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meeting duly recorded and signed by the Chairman, the decision of the Board was unanimous and no dissenting views have been recorded.

I further report that, based on the information provided and representation made by the company and also on the review of the compliance reports of Company Secretary/Chief Financial Officer taken on the record by the Board of Directors of the Company, in my opinion there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and prescribed guidelines.

2. FORWARD – LOOKING STATEMENTS

This Report contains forward – Looking Statements. Any explanation that tends to form assumptions or forecasts about the future, including however not restricted to articulations about the Company's strategy and growth, product development, market position, expenditures and financial results, are forward looking statements. Forward looking statements are based on specific presumptions and assumptions for future development. The Company can't ensure that these presumptions are precise and will be realized. The Company's actual results, performance or achievements could in this way vary physically from those projected in any such forward-looking statements.

3. INDUSTRY STRUCTURE AND CURRENT SCENARI

Over the past few years, Non-Banking Financial Companies (NBFCs) have played a prominent role in the Indian financial system. They provide financial inclusion to the underserved section of the society that does not have easy access to credit. NBFCs have revolutionized the Indian lending system and have efficiently leveraged digitization to drive efficiency and provide customers with a quick and convenient financing experience. The plethora of services include vehicle financing, business financing, personal financing, and other retail segments The Government has consistently worked on the measures to strengthen the systemic importance of the NBFCs.

NBFCs have come a long way in terms of their scale and diversity of operations. They now play a critical role in financial intermediation and promoting inclusive growth by providing last-mile access of financial services to meet the diversified financial needs of less-banked customers. Over the years, the segment has grown rapidly, with a few of the large NBFCs becoming comparable in size to some of the private sector banks. The sector has also seen advent of many non-traditional players leveraging technology to adopt tech-based innovative business models.

4. OPPORTUNITIES & THREATS

On-going stress in public sector banks (PSUs) because of increasing bad debt, lending in rural areas deterioration has provided NBFCs with the opportunity to increase presence. The success of these NBFCs can be attributed to product lines, lower cost, wider and effective reach, strong risk management capabilities to check and control bad debts, and a better understanding of customer segments versus banks. NBFCs have witnessed success in the passenger and commercial vehicle finance segments as well as growing AUM in personal loan and housing finance sector. Additionally, improving macro-economic conditions, higher credit penetrations, consumption themes and disruptive digital trends have influenced NBFC credit growth. Stress in public sector units (PSUs), underlying credit demand, digital disruption for MSMEs and SMEs as well as increased consumption and distribution access and sectors where traditional banks do not lend are major reasons for the switch from traditional banks to NBFCs.

Growth of the Company's asset book, quality of assets and ability to raise funds depend significantly on the economy. The performance of capital market in India has a direct correlation with the prospect of economic growth and political stability. Despite great opportunities, there are significant factors presenting threats to our businesses: -

- Slowing economy and continued high inflation leading to decelerating investment demand;
- Regulatory changes across the world impacting the landscape of business;
- Attrition of employees caused by strong demand from ever increasing number of competitors

5. AREA & PRODUCT WISE PERFORMANCE

Company's AUM grew by almost 2.5 times in FY23 to INR 143 crores and AUM is well diversified across geographies and products thus lending stability to portfolio quality.

Amount in lakhs

6. SEGMENT WISE PERFORMANCE

The Company has only one line of business, i.e., Financing and Investment Activities during the year under review, hence no segment wise information is required. The Company has no activity outside India. Therefore, there is no geographical segment.

7. OUTLOOK

The NBFCs are being recognised as being vital for the growth of Indian economy. NBFCs are here to stay and play an important role in economic growth and financial inclusion. As India's economy grows, the requirement for credit will rise more than proportionately. We need both Banks and NBFCs to rise to the occasion and power the economy with free flowing credit lines. NBFCs with robust business models, strong liquidity mechanisms and governance & risk management standards are poised to reap the benefit of the market opportunity.

The Company is mainly engaged in the business of financing and investment in body corporate in order to yield greater revenue for its stakeholders. The Company is planning to expand and diversify the operational activities in the coming years ahead in order to tap higher revenues.

8. RISK AND AREAS OF CONCERN

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company risk management framework. Company is exposed to specific risks that are particular to its business and the environment within which it operates including economic cycle, market risk, interest rate risk, liquidity risk, regulatory & compliance risk and credit risks. Managing risk effectively also helps in achieving the desired outcome, while fixing responsibility and accountability. The Company is especially focused on improving sensitivity to assessment of risks and improving methods of computation of risk weights.

9. CAPITAL MANAGEMENT

The Company's capital management strategy is to effectively determine, raise and deploy capital so as to create value for its shareholders. As on 31st March, 2023, the Capital to Risk Assets Ratio (CRAR) of your Company was 26.97% which is above the minimum requirement of 15% CRAR prescribed by the Reserve Bank of India.

Capital Trade Links diversified its funding sources by adding 7 new lenders in FY23 including the leading PSU Bank i.e. State Bank of India, taking the total lender count to 21 as of March 2023. New lenders in FY23 included- Faridabad Paper Mills Pvt Ltd, Goyal Achal Sampatti Vikas and Niyojan Nigam Limited, Pro Fin Capital Services Limited, Shivom Investment & Consultancy Limited, SIIA Advisory Private Limited, SKAEL Enterprises Private Limited. Total debt raised was INR 115.28 crore in FY23 which is phenomenal in terms of growth in leverage as compared to previous INR 15.85 in FY 22. Continued support from existing lenders and addition of 7 new lenders demonstrates the confidence of the lenders in Capital Trade Links's credit processes, asset quality, collection efficiency and the management team.

10. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has appointed CA Chiranjivi Abhishek, as its Internal Auditors, to conduct internal audit for various activities. The Company has developed adequate internal control system commensurate to its size and business. Personnel of the Internal Auditor conduct periodic audits in all the areas to ensure that the Company's control mechanism is properly followed and all statutory requirements are duly complied with. The reports of Internal Auditors are submitted to the Audit Committee which further reviews the adequacy of Internal Control System and submits its recommendation to Board of the company.

STRONG MANAGEMENT:

We are run by Board of Directors and dynamic team of professionals having diverse and senior level experience in Micro-loans industry, Company Law, Capital Markets & Financial Services. In addition to strong and dynamic management team, it has co-opted independent directors on its Board.

HUMAN RESOURCE DEVELOPMENT:

The Company attaches importance to the dignity of employee irrespective of position and highly values the cultural diversities of employees. Human Resource is valued as an extremely important and strategic resource and your Company believes in employee empowerment across the entire organization in order to achieve organizational effectiveness. As on March 31, 2023, the Company had 18 employees.

We ensured that all the rightful claims of the employees like salary, increments, and bonuses, are timely extended.

We consider our people as our biggest asset and hence we make sure we hire the right talent with the right skill set. All employees go through a rigorous interview and onboarding process. The senior management is personally involved in each and every hiring, giving the importance it deserves.

We are building an inclusive working culture which is based on trust, respect and transparency. We will continue to invest in our people through various training programs, providing growth opportunities in both functional and cross-functional roles and provide mentorship for shaping their careers.

Independent Auditor's Report

To the Members of Capital Trade Links Limited

Report on the Audit of the Indian Accounting Standard ('Ind AS') Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of Capital Trade Links Limited ("the Company"), which comprise the Balance sheet as at March 31 2023, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matters	How our audit addressed the key audit matter
<ul style="list-style-type: none"> Adoption of new accounting framework (Ind AS) Effective 1 April 2019, the Holding Company adopted the Indian Accounting Standards ('Ind AS') notified by the Ministry of Corporate Affairs with the transition date of 1 April 2018. <p>The following are the major impact areas for the Holding Company upon transition:</p> <ul style="list-style-type: none"> Classification and measurement of financial assets and financial liabilities - Measurement of loan losses (expected credit losses) Accounting for loan fees and costs Accounting for employee stock options <p>The migration to the new accounting framework (Ind AS) is a complicated process involving multiple decision points upon transition. Ind AS 101, First Time Adoption prescribes choices and exemptions for first time application of Ind AS principles at the transition date.</p>	<ul style="list-style-type: none"> Our key audit procedures included: <ul style="list-style-type: none"> Evaluated management's transition date choices and exemptions for compliance/acceptability under Ind AS 101. Understood the methodology implemented by management to give impact on the transition. Assessed the accuracy of the computations related to significant Ind AS adjustments Tested the select system reports with the help of our IT specialists to check the completeness and accuracy of the data and reports used to perform computations for giving effect to Ind AS transition adjustments. Confirmed the approvals of Audit Committee for the choices and exemptions made by the Company for compliance/acceptability under Ind AS 101. Assessed areas of significant estimates and management judgment in line with principles under Ind AS. Assessed the appropriateness of the disclosures made in the Financial Statements.
<p>(b) Impairment of financial assets (expected credit losses)</p> <ul style="list-style-type: none"> Recognition and measurement of impairment of loans involve significant management judgement. 	<p>Our audit procedures included:</p> <p>Design and operating effectiveness of controls</p> <ul style="list-style-type: none"> Evaluated the appropriateness of the impairment principles based on the requirements of Ind AS 109, our business understanding and industry practice.

With the applicability of Ind AS 109: Financial Instruments, credit loss assessment is now based on expected credit loss ('ECL') model. The Holding Company's impairment allowance is derived from estimates including the historical default and loss ratios. Management exercises judgement in determining the quantum of loss based on a range of factors.

The most significant areas are:

- Segmentation of loan book
- Loan staging criteria
- Calculation of probability of default / Loss given default
- Consideration of probability weighted scenarios and forward looking macro-economic factors
- Management overlays
- There is a large increase in the data inputs required by the ECL model. This increases the risk of completeness and accuracy of the data that has been used to create assumptions in the model. In some cases, data is unavailable and reasonable alternatives have been applied to allow calculations to be performed.

- We obtained understanding of the management's new / revised processes, systems and controls implemented in relation to impairment allowance process.
- Assessed the design and implementation of key internal financial controls over loan impairment process used to determine the impairment charge.
- We used our internal specialist to test the model methodology and reasonableness of assumptions used.
- We tested the management review controls over measurement of impairment allowances and disclosures in the Financial Statements.

Substantives tests

- We focused on appropriate application of accounting principles, validating completeness and accuracy of the data and reasonableness of assumptions used in the model.
- Test of details over calculation of impairment allowance to assess the completeness, accuracy and relevance of data.
- The appropriateness of management's judgments was also independently reconsidered in respect of calculation methodologies, segmentation, economic factors, the period of historical loss rates used and the valuation of recovery assets and collateral.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's

report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls. The company is however not having any internal audit system in place.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements for the financial year ended March 31, 2023 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. (A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- a. The Company does not have any pending litigation which would impact its financial position.
- b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.
- d. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts,
 - i. no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities 'Intermediaries', with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - ii. no funds have been received by the company from any person(s) or entity(ies), including foreign entities 'Funding Parties', with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - iii. Based on audit procedures carried out by us, that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- e. The Company has not declared or paid any dividends during the year and accordingly reporting on the compliance with section 123 of the Companies Act, 2013 is not applicable for the year under consideration.

(C) With respect to the matter to be included in the Auditor's Report under section 197(16) of the Act:

In our opinion and according to the information and explanation given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to director is not in excess of the limit laid down under section 197 of the Act.

Other Matters

We draw attention to Note no.17.1 of the statement regarding 'Equity' Company has already passed resolution for consolidation of Share in the AGM held as on 23.09.2021, by virtue of which face value of each equity share of the company has been changed from Re. 1/- to Rs. 10/-. As on 08.12.2022, the abovementioned resolution was rescinded by the shareholders of the company by way of postal ballot. Consequently, the Capital clause of the MOA was amended and nominal value of each equity of the company was altered from Rs.10 to Rs.1, with effect from 08.12.2022.

Notes to the financial statements

1 General Information

Capital Trade Link Limited is a Non-Banking Finance Company ("NBFC"), holding a Certificate of Registration from the Reserve Bank of India ("RBI") dated 19/11/2001, domiciled in India with CIN L51909DL1984PLC019622, and was incorporated on 19/12/1984.

2 Summary of significant accounting policies

2.1 Statement of compliance

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015. The Company has adopted Ind AS from April 1, 2019 with effective transition date as April 1, 2018. These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 (the "Act"). The transition was carried out from Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

2.2 Presentation of financial statements

The Balance Sheet, Statement of Profit and Loss and Statement of changes in Equity are prepared and presented in the format prescribed in the Division III of Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS. Amounts in the financial statements are presented in Indian Rupees.

2.3 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services at the time of entering into the transaction.

Measurement of fair values:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. Fair value for measurement and/or disclosure purposes for certain items in these financial statements is determined considering following methods:

Items	Measurement Basis
Certain financial assets and liabilities (including derivatives instruments)	Fair value
Net defined benefit (asset)/liability	Fair value of planned assets less present value of defined benefit obligations
Property plant and equipment	Value in use under Ind AS 36

Fair value measurements under Ind AS are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at measurement date
- Level 2: inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3: inputs are unobservable inputs for the valuation of assets or liabilities that the Company can access at measurement date.

2.4 Use of estimates and judgment

The preparation of financial statements requires the management of the Company to make judgments, assumptions and estimates that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses for the reporting period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in the financial statements have been disclosed as applicable in the respective notes to accounts. Accounting estimates could change from period to period. Future results could differ from these estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Judgments:

Information about judgments made in applying accounting policies that have a most significant effect on the amount recognized in the consolidated financial statements is included following notes:

Classification of financial assets: assessment of the business model within which the assets are held and assessment of whether the contractual terms of the financial asset are solely payments of principal and interest on the principal amount outstanding.

Assumptions and estimation uncertainties :

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2023 is included in the following notes:

Note 22 – impairment of financial instruments: assessment of whether credit risk on the financial asset has increased/ (Decreased) significantly since initial recognition and incorporation of forward-looking information in the measurement of ECL

Note 22 – determination of the fair value of financial instruments with significant unobservable inputs.

Notes 15– recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources

Note 22 – impairment of financial instruments: key assumptions used in estimating recoverable cash flows.

Note 10- impairment test of non-financial assets: key assumption underlying recoverable amounts

Note 10 - useful life of property, plant, equipment and intangibles

2.5 Interest

Interest income are recognized using the Flat/Reducing Interest rate method or as per the agreement . Rate of Interest on segment are as follows:

Personal Loan: 12% to 36% or as mentioned in the agreement

Business Loan: 9% to 24% or as mentioned in the agreement

Commercial Vehicle Loan: 17% to 36%

Consumer Loan: 20% to 36%

2.6 Financial Instruments

Financial assets and financial liabilities are recognized in the Company's balance sheet on settlement date when the Company becomes a party to the contractual provisions of the instrument. Recognized financial assets and financial liabilities are initially measured at fair value. Transaction costs and revenues that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs and revenues directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognized immediately in the Statement of Profit or Loss.

If the transaction price differs from fair value at initial recognition, the Company will account for such difference as follows:

a) if fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets, then the difference is recognized in profit or loss on initial recognition (i.e. day 1 profit or loss);

b) in all other cases, the fair value will be adjusted to bring it in line with the transaction price (i.e. day 1 profit or loss will be deferred by including it in the initial carrying amount of the asset or liability).

After initial recognition, the deferred gain or loss will be released to profit or loss on a rational basis, only to the extent that it arises from a change in a factor (including time) that market participants would take into account when pricing the asset or liability.

a) Financial assets

Classification

On initial recognition, depending on the Company's business model for managing the financial assets and its contractual cash flow characteristics, a financial asset is classified as measured at;

- 1) amortized cost;
- 2) fair value through other comprehensive income (FVTOCI); or
- 3) fair value through profit and loss (FVTPL).

Initial recognition and measurement

Financial asset is recognized on trade date initially at cost of acquisition net of transaction cost and income that is attributable to the acquisition of the financial asset. Cost equates the fair value on acquisition. Financial asset measured at amortized cost and Financial measured at fair value through other comprehensive income is presented at gross carrying value in the Financial statements. Unamortized transaction cost and incomes and impairment allowance on Financial asset is shown separately under the heading "Other non-financial asset", "Other non-financial liability" and "Provisions" respectively.

Impairment of Financial Asset

Impairment approach

The Company is required to recognize expected credit losses (ECLs) based on forward-looking information for all financial assets at Amortized cost, lease receivables, debt financial assets at fair value through other comprehensive income, loan commitments and financial guarantee contracts. No impairment loss is applicable on equity investments. At the reporting date, an allowance (or provision for loan commitments and financial guarantees) is required for the 12 month ECLs. If the credit risk has significantly increased since initial recognition (Stage 1), an allowance (or provision) should be recognized for the lifetime ECLs for financial instruments for which the credit risk has increased significantly since initial recognition (Stage 2) or which are credit impaired (Stage 3). The measurement of ECL is calculated using three main components: (i) probability of default (PD) (ii) loss given default (LGD) and (iii) the exposure at default (EAD). The 12 month ECL is calculated by multiplying the 12 month PD, LGD and the EAD. The 12 month and lifetime PDs represent the PD occurring over the next 12 months and the remaining maturity of the instrument respectively. The EAD represents the expected balance at default, taking into account the repayment of principal and interest from the balance sheet date to the default event together with any expected drawdown's of committed facilities. The LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realized and the time value of money. . The Company applies a three-stage approach to measure ECL on financial assets accounted for at amortized cost and FVOCI. Assets migrate through the following three stages based on the change in credit quality since initial recognition.

1. Stage 1:

12-months ECL For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognized. Exposures with days past due (DPD) less than or equal to 29 days are classified as stage 1. The Company has identified zero bucket and bucket with DPD less than or equal to 29 days as two separate buckets.

2. Stage 2:

Lifetime ECL – not credit impaired For credit exposures where there has been a significant increase in credit risk since initial recognition but that are not credit impaired, a lifetime ECL is recognized. Exposures with DPD equal to 30 days but less than or equal to 89 days are classified as stage 2. At each reporting date, the Company assesses whether there has been a significant increase in credit risk for financial asset since initial recognition by comparing the risk of default occurring over the expected life between the reporting date and the date of initial recognition. The Company has identified cases with DPD equal to or more than 30 days and less than or equal to 59 days and cases with DPD equal to or more than 60 days and less than or equal to 89 days as two separate buckets

3. Stage 3:

Lifetime ECL – credit impaired Financial asset is assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For financial asset that have become credit impaired, a lifetime ECL is recognized on principal outstanding as at period end. Exposures with DPD equal to or more than 90 days are classified as stage

3. A loan that has been renegotiated due to a deterioration in the borrower's condition is usually considered to be credit-impaired unless there is evidence that the risk of not receiving contractual cash flows has reduced significantly and there are no other indicators of impairment. ECL is recognized on EAD as at period end. If the terms of a financial asset are renegotiated or modified due to financial difficulties of the borrower, then such asset is moved to stage 3, lifetime ECL under stage 3 on the outstanding amount is applied.

The Company assesses when a significant increase in credit risk has occurred based on quantitative and qualitative assessments. Exposures are considered to have resulted in a significant increase in credit risk and are moved to Stage 2 when: 1. Quantitative test: Accounts that are 30 calendar days or more past due move to Stage 2 automatically. Accounts that are 90 calendar days or more past due move to Stage 3 automatically. 2. Qualitative test: Accounts that meet the portfolio's 'high risk' criteria and are subject to closer credit monitoring. High risk customers may not be in arrears but either through an event or an observed behavior exhibit credit distress. 3. Reversal in Stages: Exposures will move back to Stage 2 or Stage 1 respectively, once they no longer meet the quantitative criteria set out above. For exposures classified using the qualitative test, when they no longer meet the criteria for a significant increase in credit risk and when any cure criteria used for credit risk management are met.

The definition of default for the purpose of determining ECLs has been aligned to the Reserve Bank of India definition of default, which considers indicators that the debtor is unlikely to pay and is no later than when the exposure is more than 90 days past due. The Company continues to incrementally provide for the asset post initial recognition in Stage 3, based on its estimate of the recovery.

In line with the above policy, the Company has thus fully provided for/ written off the entire receivables in the current financial year as per table below:

Product	Overdue criteria
Commercial Vehicle, Equipment	12 Month
Personal Loan	12 Month
Business Loan	12 Month
Consumer Loan	12 Month
E- Rickshaw	06 Month

The measurement of all expected credit losses for financial assets held at the reporting date based on historical experience, current conditions and reasonable and supportable forecasts. The measurement of ECL involves increased complexity and judgment, including estimation of PDs, LGD, a range of unbiased future economic scenarios, estimation of expected lives, and estimation of EAD and assessing significant increases in credit risk.

Presentation of ECL allowance for financial asset:

Type of Financial asset	Disclosure
Financial asset measured at amortized cost	shown separately under the head "provisions" and not as a deduction from the gross carrying amount of the assets
Financial assets measured at FVTOCI	
Loan commitments and financial guarantee contracts	shown separately under the head "provisions"

Where a financial instrument includes both a drawn and an undrawn component and the Company cannot identify the ECL on the loan commitment separately from those on the drawn component, the Company presents a combined loss allowance for both components under "provisions"

2.7 Financial liability, Equity and Compound Financial Instruments

"Financial liabilities and equity

Debt and equity instruments that are issued are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

Financial liabilities

A financial liability is a contractual obligation to deliver cash or another financial asset or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavorable to the Company or a contract that will or may be settled in the Company's own equity instruments and is a non-derivative contract for which the Company is or may be obliged to deliver a variable number of its own equity instruments, or a derivative contract over own equity that will or may be settled other than by the exchange of a fixed amount of cash (or another financial asset) for a fixed number of the Company's own equity instruments.

Classification

The Company classifies its financial liability as "Financial liability at amortized cost" except for financial liability at fair value through profit and loss (FVTPL).

Initial recognition and measurement

Financial liability is recognized initially at cost of acquisition net of transaction costs and incomes that is attributable to the acquisition of the financial liability. Cost equates the fair value on acquisition. Company may irrevocably designate a financial liability that meet the amortized cost as measured at FVTPL if doing so eliminates or significantly reduces an accounting mismatch (referred to as the fair value option).

De-recognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in profit or loss.

Equity

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

No gain/loss is recognized in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments"

Cash, Cash equivalents and bank balances

Cash, Cash equivalents and bank balances include fixed deposits, margin money deposits, and earmarked balances with banks are carried at amortized cost. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.8 Property, plant and equipment

a. Tangible

Tangible property, plant and equipment (PPE) acquired by the Company are reported at acquisition cost less accumulated depreciation and accumulated impairment losses, if any. The acquisition cost includes any cost attributable for bringing asset to its working condition net of tax/duty credits availed, which comprises of purchase consideration, other directly attributable costs of bringing the assets to their working condition for their intended use. PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

b. Capital work-in-progress

PPE not ready for the intended use on the date of the Balance Sheet are disclosed as "capital work-in-progress" and carried at cost, Comprising direct cost, related incidental expenses and attributable interest.

c. Intangible

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortization and cumulative impairment. Administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalized as a part of the cost of the intangible assets. Expenses on software support and maintenance are charged to the Statement of Profit and Loss during the year in which such costs are incurred.

d. Intangible assets under development

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

e. Depreciation and Amortization

Depreciable amount for tangible property, plant and equipment is the cost of an asset, or other amount substituted for cost, less its estimated residual value. The residual value of each asset given on Operating lease is determined at the time of recording of the lease asset. If the

residual value of the Operating lease asset is higher than 5%, the Company has a justification in place for considering the same. Depreciation on tangible property, plant and equipment deployed for own use has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of Buildings, Computer Equipment networking assets, electrical installation and equipment and Vehicles, in whose case the life of the assets has been assessed based on the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, etc. Depreciation on tangible property, plant and equipment deployed on operating lease has been provided on the straight-line method over the primary lease period of the asset.

Depreciation method is reviewed at each financial year end to reflect expected pattern of consumption of the future economic benefits embodied in the asset. The estimated useful life and residual values are also reviewed at each financial year end with the effect of any change in the estimates of useful life/residual value is accounted on prospective basis. Depreciation for additions to/deductions from, owned assets is calculated pro rata to the remaining period of use.

Depreciation charge for impaired assets is adjusted in future periods in such a manner that the revised carrying amount of the asset is allocated over its remaining useful life. All capital assets with individual value less than Rs. 5,000 are depreciated fully in the year in which they are purchased.

Purchased software / licenses are amortized over the estimated useful life during which the benefits are expected to accrue, while Goodwill if any is tested for impairment at each Balance Sheet date. The method of amortization and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis. Amortization on impaired assets is provided by adjusting the amortization charge in the remaining periods so as to allocate the asset's revised carrying amount over its remaining useful life.

Estimated useful life considered by the Company are:

Assets	Estimated useful life
Furniture and Fixtures	10 Years
Office Equipment	5 Years
Buildings	60 Years
Plant & Machinery	10 Years
Computers such as, desktops, laptops, etc.	3 Years

2.9 Employee Benefits

Defined Employee benefits include provident fund, superannuation fund, employee state insurance scheme, Defined contribution benefits includes gratuity fund, compensated absences, long service awards and post-employment medical benefits.

2.10 Securities premium account

The Company records premium on account of

1. On issuance of new equity shares;

The issue expenses of securities which qualify as equity instruments are written off against securities premium account.

2.11 Operating Segments

The Company's main business is financing by way of loans for Commercial Vehicle Loan, Personal Loan, Consumer and Equipment Loan and Business Loan and Trading in India. The Company's operating segments consist of "Financing Activity only in lending and borrowing.

This in the context of Ind AS 108 – operating segments reporting are considered to constitute reportable segment. Operating segment disclosures are consistent with the information reviewed by the CFO.

An operating segment is a component of the company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the company's other components, and for which discrete financial information is available. Accordingly all operating segment's operating results of the Company are reviewed regularly by the Board of Directors to make decisions about resources to be allocated to the segments and assess their performance.

Revenue and expense directly attributable to segments are reported under each operating segment. Expenses not directly identifiable to each of the segments have been allocated to each segment on the basis of associated revenues of each segment. All other expenses which are not attributable or allocable to segments have been disclosed as un-allocable expenses.

Assets and liabilities that are directly attributable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as un-allocable.

2.12 Earnings per share

Basic earnings per share has been computed by dividing net income by the weighted average number of shares outstanding during the year. Partly paid up shares are included as fully paid equivalents according to the fraction paid up. Diluted earnings per share has been computed using the weighted average number of shares and dilutive potential shares, except where the result would be anti-dilutive

2.13 Taxation

Income Tax

Income tax expense comprises current and deferred taxes. Income tax expense is recognized in the Statement of Profit and Loss except when they relate to items that are recognized outside profit or loss (whether in other comprehensive income or directly in equity), in which case tax is also recognized outside profit or loss.

Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax law) enacted or substantively enacted by the reporting date.

Current tax asset and liabilities are offset only if there is a legally enforceable right to set off the recognized amounts and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

Deferred Tax

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carry-forwards and tax credits. Such deferred tax assets and liabilities are computed separately for each taxable entity. Deferred tax assets are recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized. Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

2.14 Goods and Services Input Tax Credit

Goods and Services tax input credit is accounted for in the books in the period in which the supply of goods or service received is accounted and when there is no uncertainty in availing/utilizing the credits.

2.15 Provisions, contingent liabilities and contingent assets

Provisions are recognized only when:

- (i) an entity has a present obligation (legal or constructive) as a result of a past event; and
- (ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (iii) a reliable estimate can be made of the amount of the obligation

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognized only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- (i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- (ii) a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognized and measured as a provision.

Contingent assets are not recognized in the financial statements.

2.16 Write off

The gross carrying amount of a financial asset is written-off (either partially or in full) to the extent that there is no reasonable expectation of recovering the asset in its entirety or a portion thereof. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off.

2.17 Leases

The Company has adopted Ind-AS 116 - Leases and applied it to all lease contracts entered. Based on the same and as permitted under the specific transitional provisions in the standard, the Company is not required to restate the comparative figures.

All leases are accounted for by recognizing a right-of-use asset and a lease liability except for:

- Leases of low value assets; and
- Leases with a duration of 12 months or less

The following policies applied-

Lease liabilities are measured at the present value of the contractual payments due to the lessor over the lease term, with the discount rate determined by reference to the rate inherent in the lease unless (as is typically the case) this is not readily determinable, in which case the Company's incremental borrowing rate on commencement of the lease is used. Variable lease payments are only included in the measurement of the lease liability if they depend on an index or rate. In such cases, the initial measurement of the lease liability assumes the variable element will remain unchanged throughout the lease term. Other variable lease payments are expensed in the period to which they relate.

Right-of-use assets are initially measured at the amount of the lease liability, reduced for any lease incentives received, and increased for:

- initial direct costs incurred; and
- the amount of any provision recognized where the Company IS contractually required to dismantle.

Subsequent to initial measurement lease liabilities increase as a result of interest charged at a constant rate on the balance outstanding and are reduced for lease payments made. Right-of-use assets are amortized on a straight-line basis over the remaining term of the lease or over the remaining economic life of the asset if, rarely, this is judged to be shorter than the lease term.

2.18 Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealized foreign currency gains and losses, and undistributed profits of associates and joint ventures; and
- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

3 IMPACT OF COVID-19

In the financial year 2019-20, in accordance with RBI Guidelines We have made Write off E Rickshaw Loan to protect the book against the impact of Covid-19. However there is no such requirement in current financial year viz: 2022-23

Terms / rights attached to equity shares

The Company has only one class of equity shares having par value of Re. 1/- per share . Each holder of equity shares is entitled to one vote per share.

In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

* Note :-Shareholders of the company in their general meeting held as on September 23, 2021 passed resolution for consolidation of shares of the company, thereby altering the nominal value of each equity share from Re. 1 (Rupee One only) to Rs. 10 (Rupees Ten only). As on December 08, 2022, the abovementioned resolution was rescinded by the shareholders of the company by way of postal ballot. Consequently, the Capital clause of the Memorandum of Association was amended and nominal value of each equity share of the company was altered from Rs. 10 (Rupees Ten only) to Re. 1 (Rupee One only), with effect from December 08, 2022.

Qualitative Information

The Company has implemented the guidelines on Liquidity Risk Management Framework prescribed by the Reserve Bank of India requiring maintenance of Liquidity

Coverage Ratio (LCR), which aim to ensure that an NBFC maintains an adequate level of unencumbered HQLAs that can be converted into cash to meet its liquidity needs for a 30 calendar day time horizon under a significantly severe liquidity stress scenario LCR = Stock of High-Quality Liquid Assets (HQLAs)/Total Net Cash Outflows over the next 30 calendar days HQLAs comprise of Cash*, Investment in Central and State Government Securities, and highly-rated Corporate Bonds and Commercial papers, including those of Public Sector Enterprises, as adjusted after assigning the haircuts as prescribed by RBI.

* Cash would mean cash on hand and demand deposits with Scheduled Commercial Banks. Total net cash outflows are arrived after taking into consideration total expected cash outflows minus total expected cash inflows for the subsequent 30 calendar days. As prescribed by RBI, total net cash outflows over the next 30 days = Stressed Outflows - [Min (stressed inflows; 75% of stressed outflows)]. Total expected cash outflows (stressed outflows) are calculated by multiplying the outstanding balances of various categories or types of liabilities and off-balance sheet commitments by 115% (15% being the rate at which they are expected to run off further or be drawn down). Total expected cash inflows (stressed inflows) are calculated by multiplying the outstanding balances of various categories of contractual receivables by 75% (25% being the rate at which they are expected to under-flow).
