Q3FY22 & 9MFY22 **INVESTOR PRESENTATION** 

3<sup>rd</sup> February 2022

# Saksoft Limited

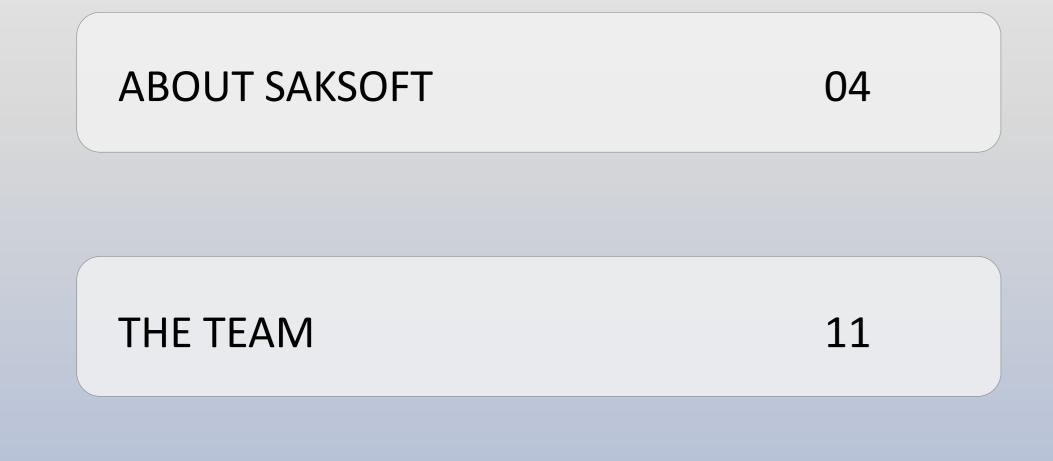

### Safe Harbor

This presentation and the accompanying slides (the "Presentation"), which have been prepared by **Saksoft Limited** (the "Company"), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment what so ever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded

Certain matters discussed in this Presentation may contain statements regarding the Company's market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the industry in India and world-wide, competition, the company's ability to successfully implement its strategy, the Company's future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cash flows, the Company's market preferences and its exposure to market risks, as well as other risks. The Company's actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third party statements and projections.

FOCUS ON EMERGING SECTORS

Addressing the sweep of digitisation to help clients enhance operational efficiency

> INCH- WIDE AND MILE-DEEP STRATEGY

Addressing target markets with services that differentiate from competition and emerging as one of the fastest-growing and most profitable across our verticals

BEING NIMBLE

We are a mid-tier company with few decision making layers, enhancing our agility

STRING OF PEARL'S STRATEGY

Our Focused Strategy of growth 000

BUILDING A STRONG TEAM By building high performance teams focused on sustainable growth

#### VALUE OVER VOLUME

## 22

#### CONSOLIDATING FRONT END

Consolidating marketing front-end to reach more clients, accounts, trades and systems with the objective to squeeze growth from our platforms at minimal costs Address unoccupied territories represented by projects with higher profitability

Engage in business complementing M&As that constitute a 'string of pearls' strategy that enhances our competence immediately following acquisition without corresponding gestation
