# Nafed issues order for supply of 15,000 tonne imported onions

PRESS TRUST OF INDIA New Delhi, November 6

CO-OPERATIVE NAFED ON Friday said it has finalised bidders and issued orders for timely supply of 15,000 tonne of imported onions, which will help boost domestic availability and check price rise.

Since imported onions will be delivered at port cities, state governments have been asked to indent their quantity for faster dispatch of the commodity, it said.

Nafed plans to float regular tenders for supply of additional supplies of imported onions, it added.

"Yesterday (Thursday), Nafed received a good response in the tenders with offers

to supply at Tuticorin and Mumbai. Nafed very swiftly has issued confirmation to successful bidders last evening itself so that timely releases are made in the market," an official statement said.

This time, Nafed insisted the quality and size of onion match the choice of Indian consumers who generally prefer medium sized onions whereas in overseas origins the sizes are bigger up to 80 mm, it said. Unlike last year when MMTC had directly imported yellow, pink and red onions from Turkey and Egypt, this year private importers have been offered to supply. This may ensure quality supply in minimal time, it added.

Nafed, on the directions of the central government, had floated tenders on October 31 for supply of 15,000 tonne of imported red onions at port towns.

Onion prices are showing steady decline in wholesale and retail markets, Nafed said.
