KYIV, FEB 15 /--/Five people have died, including a child, and 18 people have been injured in a missile strike on the Russian city of Belgorod, regional governor Vyacheslav Gladkov said Thursday.

Five of the injured are children, he said on Telegram. The governor of the Kursk region, Roman Starovoit, said a shopping centre and a school stadium were hit in the missile attack."There are many casualties: dead and wounded," he said on Telegram.Russia's Ministry of Defense said air defense systems destroyed 14 missiles over the Belgorod region that were launched by Ukraine using a RM-70 Vampire multiple launch rocket system.

Meanwhile, Russia fired cruise and ballistic missiles at a broad area of Ukraine early Thursday, hitting multiple regions hours after a midnight strike in the country's northeast killed four people in an apartment authorities building, said.Inside Russia, officials said Ukraine fired rockets against the border city of Belgorod, where Russian state news agency RIA Novosti said a shopping mall was hit and at least two people were killed.Air defense systems destroyed 14 rockets over the wider Belgorod region on Thursday, Russia's Ministry of Defense said. It said Ukraine launched them from a RM-70 Vampire multiple launch rocket system around midday local

time. Belgorod city, 25 miles (40 kilometres) north of the

Ukrainian border, has been a regular target of Ukrainian fire, putting its residents on edge.Dozens of people were killed and injured in an attack there over Russia's New Year holiday weekend. Those assaults have undermined President Vladimir Putin's attempts to reassure Russians that life in the country is largely going on as normal.In Ukraine, five people were injured in the night time attack on the city of Chuhuiv, in the Kharkiv border region, regional Gov. Oleh Syniehubov said. (PTI)

### **Army chief Gen Pande** holds high-level professional discussions with US counterpart

DOHA, FEB 15 /--/ Prime Minister Narendra Modi on Thursday held talks with Qatari Emir Sheikh Tamim bin Hamad Al-Thani with a focus on shoring up bilateral ties, days after Qatar freed eight former

Indian Navy personnel who were sentenced to death after being arrested in August 2022. Modi arrived in this

Qatari capital city last night after concluding a two-day visit to the United Arab Emirates.Shortly after his arrival, Modi met Qatari Prime Minister Sheikh Mohammed bin Abdulrahman Al Thani. Abdulrahman is Qatar's minister as foreign well."The two leaders exchanged views on bilateral expanding

#### cooperation in sectors such trade, investment, as energy, finance, and technology," the Ministry of External Affairs (MEA) said.

"They also discussed recent regional developments in West Asia and emphasized the importance of upholding peace and stability in the region and beyond," it said. Following the meeting, the Qatari Prime Minister hosted a dinner for Modi.The Indian Prime Minister's second visit to Qatar came days after Qatar released the Indians. The Navv veterans were on

October 26 given death sentences by Qatar's Court of First Instance. The Court of Appeal in the Gulf nation on December 28

commuted the capital punishment and sentenced them to jail terms for varying durations.

In December, Prime Minister Modi met the Qatari Amir on the sidelines of the COP28 Summit in Dubai and discussed the "well-being of the Indian community" in Qatar. The former Indian Navy personnel apparently faced charges of espionage, but neither the Qatari authorities nor New Delhi made the charges against them public. The trade and energy ties between India and Qatar are on an upswing.Qatar is the largest supplier of LNG to India, accounting for over 48 per cent of India's global LNG imports. India's Petronet has renewed a contract to

PM Modi holds talks with Qatari Emir Tamim bin Hamad Al Thani buy 7.5 million tonnes of LNG from Qatar annually from 2029 for 20 years and it is being billed as the largestever extension of superchilled fuel in the world. The original 25-year deal was signed in 1999 and started supplies in 2004.India-Qatar cooperation has been steadily growing in diverse sectors over the last few years.PM Modi paid his first visit to Doha in June, 2016. The visit provided an

opportunity to both sides to engage at the highest level and impart fresh momentum to the bilateral ties. It was the highest-level visit from India to Qatar since the visit of then Prime Minister Manmohan Singh in November 2008.

## Israeli troops storm main hospital in southern Gaza Strip after ordering its evacuation

RAFAH, FEB 15/--/ The Gaza Health Ministry says Israeli forces were storming the main hospital on Thursday in the southern part of the territory after a prolonged standoff.

Nasser Hospital in the city of Khan Younis has been largely cut off by fighting for weeks.On Wednesday, thousands of displaced Palestinians who had been sheltering there began departing after Israel said it had opened up a corridor for them to flee. Israel i forces fired into the main hospital in southern Gaza early on Thursday, killing a patient and wounding six others, according to medics, as the army sought to evacuate thousands of displaced people from the medical complex. Israeli airstrikes, meanwhile killed at least 13 people in southern Lebanon on Wednesday, 10 civilians mostly women and children and three fighters from the Lebanese militant group Hezbollah, an ally of Gaza's Hamas militants. The strikes came just hours after a rocket attack from Lebanon killed an Israeli soldier in what was the deadliest of daily exchanges offire along the border since the October 7 start of the war in Gaza. It also underscored the risks of a broader conflict.Negotiations over a cease-fire in Gaza appear to have stalled, and Israeli Prime Minister Benjamin Netanvahu has vowed to continue the offensive until Hamas is destroyed and scores of hostages taken during the October 7 attack that sparked the war are returned. Nasser Hospital, in the southern city of Khan Younis, has been the latest focus of operations that have gutted Gaza's health sector as it struggles to treat scores of patients wounded in daily bombardments. Israel accuses Hamas of using hospitals and other civilian structures to shield its fighters. Video of the aftermath of the strike showed medics scrambling to wheel patients on stretchers through a corridor filled with smoke or dust. A medic used a cellphone flashlight to illuminate a darkened room where a wounded man screamed out in pain as gunfire echoed outside. The Associated Press could not authenticate the videos but they were consistent with its reporting. Dr Khaled Alserr, one of the remaining surgeons at Nasser Hospital, told the AP that the seven patients hit early Thursday were already being treated for past wounds. On Wednesday, a doctor was lightly wounded when a drone opened fire on the upper stories of the hospital, he said."The situation is escalating every hour and every minute." he said. The Israeli military said Wednesday that it had opened a secure corridor for displaced people to leave the hospital but would allow doctors and patients to remain there. Videos circulating online showed scores of people walking out of the facility on foot carrying their belongings on their shoulders. (AP)

# Shehbaz Sharif's nomination as Pak PM ignites speculation if Nawaz's political career is over

LAHORE, FEB 15 /--/ The surprise nomination of Shehbaz Sharif as Pakistan's next Prime Minister is being seen here as a likely end of his elder brother Nawaz Sharif's political career after he failed to secure the coveted post for a record fourth time.

Shehbaz Sharif, 72, is expected to become Prime Minister after a post-poll alliance of leading political parties led by the two brothers struck a deal with other parties to form a coalition government after last week's elections resulted in a hung Parliament. If everything goes as planned, the six-party coalition government is likely to take the reins early next month in the coup-prone country.None of the three major parties, the Pakistan Muslim League-Nawaz, the Pakistan People's Party, or the Pakistan Tehreek-e-Insaf have won the necessary seats in the February 8 general elections to secure a majority in the National Assembly and, therefore, will be unable to form a government on their own.

Shehbaz Sharif has prevailed over 74-year-old Nawaz Sharif in the race to grab the coveted post apparently with the blessings of the powerful military establishment, sources said. Pakistani media has been reporting that the powerful stakeholders are more comfortable working with Shehbaz than Nawaz though they facilitated his return from London in October last year, ending a four-year self-imposed exile. However, Nawaz Sharif's daughter Maryam Nawaz was quick to dismiss speculation about her father's political career."Nawaz Sharif wanted to become PM for a fourth time but after the split mandate, he withdrew from the top slot. Maryam, the frontrunner for the post of Punjab chief minister, posted on X on Wednesday.

(PTI)

Rejecting reports that her father's political career is over, the 50-year-old, considered to be the political heir of Nawaz Sharif, said: "My father's political career is not over yet. There is also no truth in the inference that Nawaz has decided to quit politics. He will supervise the federal and Punjab governments and play his due role." She said when Nawaz Sharif was in power on the three previous occasions, he had the majority in the National Assembly, but now the Pakistan Muslim League-Nawaz (PML-N) did not get a simple majority."Those who know Nawaz are also aware that he is not interested in leading a coalition government," Maryam, also senior vice president of the PML-N, said.

"Shehbaz and I are his soldiers, bound to follow his command. We will work under his leadership and supervision," Maryam added. (PTI)
