Dear Sir/Madam,

The additional details required for disclosure in terms of Regulation 30 read with Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is as below:

1. Insurance amount claimed and realized by the listed entity for the loss/damage.

No Insurance amount has been claimed and realized, as the Farmer's Sangathan Agitation did not lead to any insured event.

2. The actual amount of damage caused due to the natural calamity or other force majeure events.

The actual amount of damage caused is negligible and the overall production during the season has remained unaffected.

3. Details of steps taken to restore normalcy and the impact of the natural calamity/other force majeure events on production or service, financials of the entity.

The Company along with other Companies, sought assistance from the district administration to address the issue. Multiple discussions were conducted with

the protesting Farmer's Sangathan in Maharashtra to reach an amicable resolution. There is no substantial financial effect of the same.

Hope this clarifies the matter.
