- Verigold China has just signed a contract to launch Enchanted Disney Fine Jewelry with Lao Feng Xiang, the second largest retailer in China with 3,700 stores and annual revenues more than \$ 6.5 billion.

Commenting on the signing Mr. Sumit Shah, Vice Chairman, Renaissance Global Limited says “With an established retail partner like LFX, we are situated to expand sales in the Chinese market, drawing on our strong design and product development capabilities. This will further increase the geographic diversification of our sales and decrease the importance and the risks associated with any individual market.”

- Hallmark Moments has been rolled out to over 2000 stores now and will contribute meaningfully to revenue growth this year
- The Company launched brand “IRASVA” in the Indian market through a joint venture with Bennett, Coleman and Company Limited. IRASVA’s gold and diamond jewellery is a confluence of two shared ideologies that the modern woman lives by, a love for self and a love for expression. The first store was launched in Mumbai in May 2019 and the company plans to open 25 more stores in the next 5 years. The IRASVA Essentials start at Rs. 15,000 while the Gifting Collection is priced at Rs. 8,000 upwards. IRASVA plans to open 3 more stores in Q1 FY21.
- Revenues for the full financial year are expected to be muted against last financial year 2019 due to us exiting the ‘Simply’ business in July 2019 and also on account of slowdown in the Dubai Gold business impacted by the rise in gold prices. However, as we increase our share in the high margin branded jewellery business, we expect EBITDA to grow at 16-20% for the year.
