Hence we have applied to change the name of the Company from "ANUBHAV INFRASTRUCTURE LIMITED" to "KAIZEN AGRO INFRABUILD LIMITED" which is due to be approved by the Ministry of Corporate Affairs (MCA). We are also planning to expand our existing infrastructure based business which we are doing since last 17 years. We have a collective group of knowledge of around 30 years into the said infrastructure business. As India is a growing economy and with our honorable Prime Minister's "Shri Narendra D. Modi" vision of promoting "Make in India" strategy, we are aggressively trying to move ahead and expand our existing infrastructure business in India and also enter into a new business of agro based product trading. We are well versed that Agriculture constitute an important part of Indian economy and considered as a primary source of income in rural areas. Agriculture is the primary source of livelihood for about 58% of India's population. It contributes 17% of India's GDP. Indian food and grocery market is the world's sixth largest, with retail contributing 70 per cent of the sales. Contrary to popular understanding, the 1991 liberalisation completely bypassed the agricultural sector. Agriculture continues to remain one of the most regulated sectors in India. Agri-marketing is one of the weakest links in the system. Government has multiple initiatives for the agricultural sector considering the strategic nature and also the number of people associated with it. We as an aggregator and trader wants to encash this opportunity available in the India's primary source of Income."

Agriculture is the primary source of livelihood for about 58% of India's population. It contributes 17% of India's GDP. Indian food and grocery market is the world's sixth largest, with retail contributing 70 per cent of the sales. Contrary to popular understanding, the 1991 liberalisation completely bypassed the agricultural sector. Agriculture continues to remain one of the most regulated sectors in India. Agri-marketing is one of the weakest links in the system. Government has multiple initiatives for the agricultural sector considering the strategic nature and also the number of people associated with it. We as an aggregator and trader wants to encash this opportunity available in the India's primary source of income

**"Annexure B" to the Independent Auditor's Report****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **M/s. ANUBHAV INFRASTRUCTURE LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).
