Bajaj Finserv Limited

Investor Presentation – Q1 FY17

Disclaimer

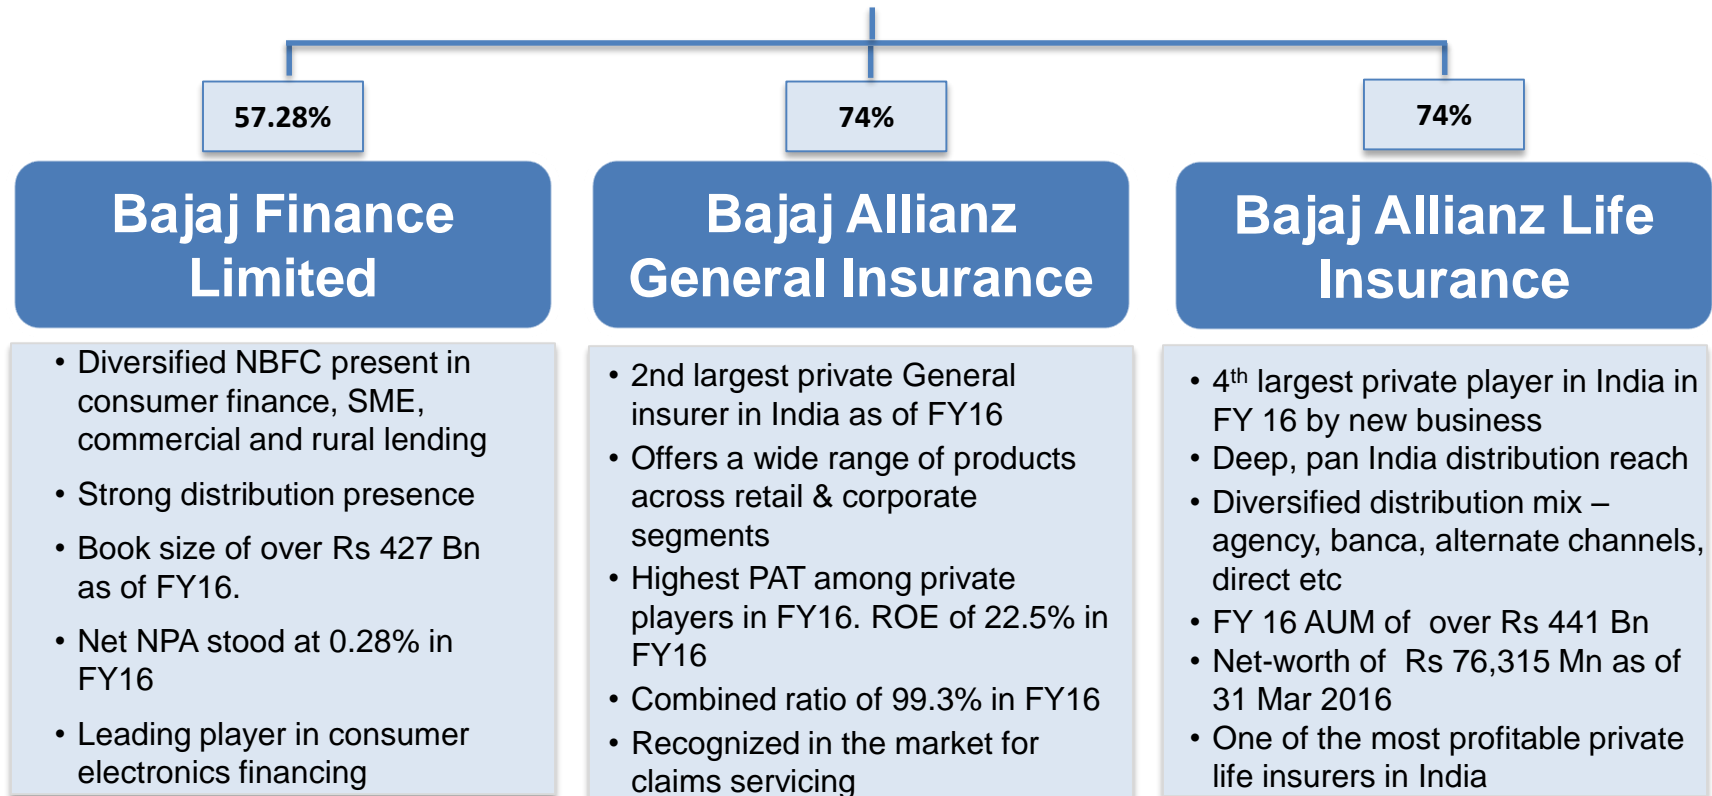

This presentation has been prepared by Bajaj Finserv Limited (the “Company”) solely for your information and for your use. This presentation is for information purposes only and should not be deemed to constitute or form part of any offer or invitation or inducement to sell or issue any securities, or any solicitation of any offer to purchase or subscribe for, any securities of the Company, nor shall it or any part of it or the fact of its distribution form the basis of, or be relied upon in connection with, any contract or commitment therefor. The financial information in this presentation may have been re-classified and reformatted for the purposes of this presentation. You may also refer to the financial statements of the Company available at www.bajajfinserv.in, before making any decision on the basis of this information.

This presentation contains statements that may not be based on historical information or facts but that may constitute forward-looking statements. These forward looking statements include descriptions regarding the intent, belief or current expectations of the Company or its directors and officers with respect to the results of operations and financial condition of the Company. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ from those in such forward-looking statements as a result of various factors and assumptions which the Company presently believes to be reasonable in light of its operating experience in recent years but these assumptions may prove to be incorrect. Any opinion, estimate or projection constitutes a judgment as of the date of this presentation, and there can be no assurance that future results or events will be consistent with any such opinion, estimate or projection. The Company does not undertake to revise any forward-looking statement that may be made from time to time by or on behalf of the Company.

No representation, warranty, guarantee or undertaking, express or implied, is or will be made as to, and no reliance should be placed on, the accuracy, completeness, correctness or fairness of the information, estimates, projections and opinions contained in this presentation. Potential investors must make their own assessment of the relevance, accuracy and adequacy of the information contained in this presentation and must make such independent investigation as they may consider necessary or appropriate for such purpose. This presentation does not constitute and should not be considered as a recommendation by the Company that any investor should subscribe for, purchase or sell any of Company's securities. By viewing this presentation you acknowledge that you will be solely responsible for your own assessment of the market and the market position of the Company and that you will conduct your own analysis and be solely responsible for forming your own view of the potential future performance of the business of the Company. None of the Company, book running lead managers, their affiliates, agents or advisors, the placement agents, promoters or any other persons that may participate in any offering of any securities of the Company shall have any responsibility or liability whatsoever for any loss howsoever arising from this presentation or its contents or otherwise arising in connection therewith.

This presentation and its contents are confidential and should not be distributed, published or reproduced, in whole or part, or disclosed by recipients directly or indirectly to any other person.
