7. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.niharinfo.in. The Notice can also be accessed from the website of the Stock Exchange i.e., BSE Limited at www.bseindia.com. The

**29th Annual General Meeting
F.Y. 2022- '23**

AGM Notice is also disseminated on the website of CDSL (agency for providing the remote e-voting facility and e-voting system during the AGM) i.e., www.evotingindia.com.

8. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA General Circular No. 20/2020 dated May 05, 2020, General Circular No. 02/2021 dated January 13, 2021, General Circular No. 19/2021 dated December 08, 2021, General Circular No. 21/2021 dated December 14, 2021, General Circular No. 02/ 2022 dated May 05, 2022 and General Circular No. 10/ 2022 dated December 28, 2022.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on **27th June, 2023** at 9.00 A.M. and ends on **29th June, 2023** at 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of **23rd June, 2023** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. F.Y. 2022- '23

with the existing Equity Shares of the Company in all respects (including with respect to dividend and voting rights) from the date of allotment thereof, and be subject to the requirements of all applicable laws and shall be subject to the provisions of the Memorandum of Association and the Articles of Association of the Company.

vii) The Warrants proposed to be allotted shall be subject to a lock-in to be determined in accordance with the provisions of the SEBI ICDR Regulations. The lock-in on the Equity Shares resulting from the exercise of the option under the Warrants shall be reduced to the extent the Warrants have already been locked-in.

viii) The issue of the Warrants as well as the Equity Shares, arising from the exercise of the option under the Warrants in the manner aforesaid shall be governed by the respective provisions of the Act, the Memorandum & Articles of Association of the Company and also the Regulations issued by SEBI or any other authority as the case may be, or any modifications thereof.

ix) The Company shall re-compute the price of the Warrants / Equity Shares issued on conversion of Warrants in terms of the provisions of ICDR Regulations, where it is required to do so and the differential price, if any, shall be required to be paid by such Warrant Holder to the Company in accordance with the provisions of ICDR Regulations;

x) The Warrants by itself, until exercise of conversion option and allotment of Equity Shares, does not give to the Warrant holders thereof any rights with respect to that of a shareholder of the Company;

The allotment of the Equity Shares pursuant to exercise of Warrants shall be completed within a period of 15 (Fifteen) days from the date of such exercise by the respective allottees.

L. Pricing of Preferential Issue:

The Board has fixed the price of Rs. 10/- per warrant in terms of regulation 165 of ICDR Regulations, 2018.

M. Basis on which the price would be arrived at:

The equity shares of Company are listed and the equity shares of the Company are frequently traded on Stock Exchanges, viz., Bombay Stock Exchange Limited ("BSE") in accordance with SEBI (ICDR) Regulations, 2018.

The issue price is determined in accordance with the Regulations as applicable for Preferential Issue as contained in Chapter V of the SEBI (ICDR) Regulations, 2018 as amended till date. Pursuant to applicable provisions of the Companies Act, 2013, Companies (Prospectus and Allotment of Securities) Rules, 2014 and the Companies (Share Capital and Debenture) Rules, 2014, and ICDR Regulations, the Company has obtained a Valuation Report dated 30th May, 2023 ("Valuation Report") from a Registered Valuer (copy enclosed), who have determined the fair value of the Equity Shares of the Company to be Rs. 6.81/- per share.

Justification for pricing of preferential issue:

As per Regulation 166A (1) of the SEBI (ICDR) Regulations

Any preferential issue, which may result in a change in control or allotment of more than five per cent of the post issue fully diluted share capital of the issuer, to an allottee or to allottees acting in concert, shall require a valuation report from an independent registered valuer and consider the same for determining the price. Provided that the floor price, in such cases, shall be higher of the floor price determined under sub regulation (1), (2) or (4) of regulation 164, as the case may be, or the price determined under the

29th Annual General Meeting
F.Y. 2022- '23

valuation report from the independent registered valuer or the price determined in accordance with the provisions of the Articles of Association of the issuer, if applicable.

The Articles of Association of the Company do not provide for any particular method of determination which results in a floor price higher than the determined under SEBI (ICDR) Regulations. However as proposed allotment is more than 5% of the post issue fully diluted Equity Share Capital of the Company, to the allottees the pricing of the Equity Shares shall be the higher of the following parameters.

- (i) Price determined as per provisions of the Regulation 164(1) of the SEBI (ICDR) Regulations (frequently traded shares): The shares of the Company are frequently traded shares, so as per Regulation 164(1) of SEBI (ICDR) Regulations, the price calculated is Rs. 6.81/- per share.
- (ii) Price determined as per provisions of the Regulation 166A (1) of the SEBI (ICDR) Regulations: In terms of Regulation 166A(1) of the SEBI (ICDR) Regulations, the Company has taken Valuation Report dated 30th May, 2023 from Mr. Hitesh Jhamb, an Independent Registered Valuer- Securities and Financial Assets, having Registration No: IBBI/RV/11/2019/12355, arriving at Rs. 6.81/- and the copy of the same has been hosted on the website of the Company which can be accessed at <https://niharinfo.in>.

The issue price for this Preferential Issue is Rs. 10/- per equity share (Face Value Rs. 10/- each. Since the Shares of the Company are frequently traded shares; price is determined in accordance with Regulation 164(1) of SEBI (ICDR) Regulations by Registered Valuer.

There is no change in the management or control of the Company pursuant to the aforesaid issue and allotment of the equity shares and therefore there is no requirement of a reasoned recommendation from a committee of independent directors of the issuer.

The Board has fixed the floor price as Rs. 10/- per equity share and equity share warrant and the said price fixed by the Board is highest of the above two prices calculated in terms of the ICDR Regulation and other applicable provisions.

N. Name and address of valuer who performed valuation-

Mr. Hitesh Jhamb, Chartered Accountants, Registered valuer having Office Unit No. 116, L-1 Tower, First Floor, Cloud 9, Sector 1, Vaishali, UP-201014

O. The justification for the allotment proposed to be made for consideration other than cash together with valuation report of the registered valuer:

Not Applicable, as the Company has not proposed to issue the shares for consideration other than cash.

O. Relevant Date:

In terms of the provisions of Chapter V of the ICDR Regulations, relevant date for determining the floor price for this Preferential Allotment of Equity Shares is 30th May, 2023 being the 30 days prior to the date of Annual General Meeting.

P. Change in control if any consequent to preferential issue:

The existing Promoters of the Company will continue to be in control of the Company and there will not be any change in the management or control of the Company as a result of the proposed preferential issue.

However, the percentage of shareholding and voting rights exercised by the shareholders of the Company will change in accordance with the change in the shareholding pattern pursuant to the Preferential Allotment.

Q. No. of persons to whom allotment on preferential basis has already been made during the year, in terms of number of securities as well as price:

The Company has not made any preferential allotment during the current Financial Year 2023-24.

R. Lock-in period

The Equity shares and Equity Share Warrants upon conversion shall be subject to Lock-in as provided under the provisions of ICDR Regulations. The entire pre preferential shareholding of the above allottees, if any, shall be locked-in from the relevant date up to the period of 90 trading days from the date of trading approval as per Regulation 167 of the ICDR Regulations.

S. Certificate from Statutory Auditors of the Company:

The certificate from NSVR & ASSOCIATES LLP, Chartered Accountants (Firm Registration No.: 008801S/S200060), being the Statutory Auditors of the Company, certifying that the issue of equity shares on preferential basis is being made in accordance with requirements of Chapter V of the SEBI ICDR Regulations, 2018 shall be available for inspection at the Registered office of the Company on all working days (excluding Saturdays and Sundays) during 10:00 A.M. to 6:00 P.M. up to the date of Annual General Meeting and all also be available during the Annual General Meeting.

The said Certificate will be uploaded on the website of the Company i.e. <https://niharinfo.in> before the Annual General Meeting.

T. Details of the Directors, Key Managerial Persons or their relatives, in any way, concerned or interested in the said resolution:

The Convertible Equity Share Warrants are being offered to Mr. Divyesh Nihar Boda, Mrs. Boda Vijaya Lakshmi who belong to the category of Promoters of the Company, and are the directors of the Company as well, intend to participate/subscribe to the Convertible Warrants. Apart from above, none of the Directors, Key Managerial Personnel and their relatives is concerned or interested in the resolution, except as holders of Shares in general or that of the companies, firms, and/or institutions of which they are directors, partners or members and who may hold shares in the Company.

U. Disclosures as per Regulation 163(1)(j) pertaining to the Current and Proposed Status of the Allottee(s) post Preferential Issue namely, Promoter or Non-Promoter:

There will be no change in the status of the allottees post the preferential issue. They shall remain to be the same i.e. Promoters and Non-Promoter/ Public Shareholders.

V. Other disclosures:

In accordance with SEBI ICDR Regulations,

- i. The Company has not allotted Equity Shares on preferential basis in the financial year 2023-24.
- ii. Neither the Company nor any of its Promoters and Directors has been declared as a wilful defaulter or a fraudulent borrower or a fugitive economic offender.
- iii. The pre- preferential allotment of the person holding the shares are in dematerialized form.
- iv. The issue of Equity Shares shall be made in accordance with the provisions of the Memorandum and Articles of Association of the Company, the Companies Act, 2013 and relevant regulations of SEBI (ICDR) Regulations and shall be made in a dematerialized form only.

The Board of Directors of the Company believes that the proposed preferential issue is in the best interest of the Company and its members. The Board of Directors recommends the passing of the resolutions as set out in Item No. 3 & 4 as special resolution for your approval.

Except Mr. Divyesh Nihar Boda, Mrs. Boda Vijaya Lakshmi and Mrs. A Naga Krishna Praneetha and their relatives, none of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 & 4 of this Notice except to the extent of their shareholding in the Company

ITEM NO. 4:

INCREASE IN AUTHORISED SHARE CAPITAL OF THE COMPANY:

Presently, the Authorised Share Capital of the Company from Rs. 14,00,00,000 (Rupees Fourteen Crore Only) divided into 1,40,00,000 (One Crore Forty Lakhs) Equity Shares of Rs. 10/- (Rupees Ten Only).

In order to facilitate the future requirements of the Company, it is proposed to increase the Authorized Share Capital to Rs. 16,00,00,000 (Rupees Sixteen Crores Only) divided into 1,60,00,000 (One Crore Sixty Lakhs) Equity Share of Rs. 10/- (Rupees Ten Only). The increase in the Authorized Share Capital as aforesaid would entail consequential alteration of the existing Clause V of the Memorandum of Association of the Company and Article No. 3 of and Articles of Association of the Company.

The increase in the Authorized Share Capital and consequential alteration to Clause V of the Memorandum of Association and Articles of Association of the Company require Members approvals in terms of Sections 13, 61 and 64 of the Companies Act, 2013 and any other applicable statutory and regulatory requirements.

ANNEXURE – II

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Company operates in the areas like e-Commerce, Software Development, B2B / Bulk Sales, Corporate Sales and Audio Visual Systems.

Opportunities

e-Commerce has been one of the sectors which is seeing continuous Disruption and Consistent Growth for the last few years. With the Rise of ONDC, the eCommerce Market is still innovating and addressing every challenge in the eCommerce Sector. ONDC hopes to disrupt digital commerce by unbundling the building blocks of transactions, making it interoperable and inviting everyone to participate in the growth. The vision is that just as UPI revolutionized financial transactions, ONDC will transform e-commerce.

To take advantage of ONDC, The Company has also launched Two D2C brands in the Healthcare and Lifestyle Categories namely www.Onvo.in and www.Life108.in. The Company has launched some limited SKUs and plans to add more products under these D2C Brands. The Company will soon integrate these eCommerce Portals with ONDC.

Threats, Risks and Concerns

Logistics and Delivery still play a vital role in the ecommerce sector and the new Internet Users demand for quicker deliveries, which is still a challenge in terms of geographical expansion of the eCommerce services.

Competitive Pressures

eCommerce has been Competitive from the beginning and with the ONDC roll out from Government of India, we will all see a level playing field very soon and a win win situation for all service providers. The Company will soon have all its product portfolio integrated with ONDC and reach more customers across India.

Talent Supply Constraint

Talent is sought by eCommerce Companies in key areas IT, Digital Marketing and Operations. The Company has to ensure that it acquires good talent and retains it in order to constitute its major competitive edge. The Company maintains an excellent work environment and competitive package for this purpose.

Technology Obsolescence

These are the days when technology takes no time to become obsolete. Most of the Technologies have become Plug and Play now-a-days. Thus, to be at par with its competitors the Company has to ensure that it constantly updates and upgrades its technology.

**29th Annual General Meeting
F.Y. 2022-23**

Government Policies

With the implementation of ONDC by the Government of India, all e-commerce companies in India will have to integrate with ONDC and soon it will be made mandatory. ONDC is a Not-for-Profit, Open eCommerce Platform that aims to provide a level playing field for all types of Sellers. This will bring relief to many online sellers and also bring a lot of Transparency in the eCommerce Ecosystem.

Downturn Industries being served

Any downturn in the industry being served could have an impact on the Company's business.

Company's Outlook

The Company has a positive outlook for the coming years and endeavors to achieve a steady business performance in the coming years. We anticipate a higher percentage of gross profits from the launch of the new D2C Brands during the coming years.

Internal Control System

The Company has a professional and an adequate internal control system and procedure commensurate with the size of organization and nature of business. This provides adequate safeguards and effective monitoring of the transactions. All areas of Company's operations are covered by such internal control systems.

Financial Performance

The information under this head is given in the Directors' Report.

Human Resources

The management continues to lay emphasis on identifying and developing talent of human resources with a view to retain them and impart further training to those capable of handling additional responsibilities. This works to increase employee satisfaction and within the organization, by providing employees with fresh challenges, developing people and harnessing their ideas is the high priority for the company.

Cautionary Statement

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the financial statements and Auditor's Report thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, for example, Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. The other information as stated above is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

- We have obtained sufficient appropriate audit evidence regarding the financial information of the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the financial statements of which we are the independent auditors. For the other entities included in the financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("The Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure-B**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, The Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) n the basis of the written representations received from the directors as on 22nd May, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - e) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - f) Managerial remuneration has been provided for the year ended 31st March, 2023 and the same is in accordance with the provisions of section 197 read with schedule V of the Companies Act, 2013.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements.

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared any dividend during the year.
- vi. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only with effect from 1 April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **M/s. NIHAR INFO GLOBAL LIMITED** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

We have audited the internal financial controls over financial reporting of **M/s. NIHAR INFO GLOBAL LIMITED** (“the Company”) as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of internal financial Controls over Financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purpose in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of M/s. NIHAR INFO GLOBAL LIMITED of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of the Company's Property, Plant and Equipment:

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The company has maintained proper records of intangible assets showing full particulars.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant, and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

(c) The company is not having any immovable properties. Hence, reporting under this sub-clause is not applicable.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.

According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

ii. (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable, and procedures and

coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.

- (b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions. Hence, reporting under this clause is not applicable to the company.
- iii. The Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties listed in the register maintained under Section 189 of the Companies Act, 2013. Consequently, reporting under the provisions of clauses iii (a), (b) (c),(d),(e) and (f) of the order are not applicable to the Company.
- iv. The company has not advanced any loans, guarantees to directors of the company. Hence, reporting under this clause is not applicable to the company.
- v. The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable. Accordingly, reporting requirements under this clause is not applicable.
- vi. As per information & explanation given by the management, the Central Government of India has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the services rendered by the Company. Accordingly, paragraph 3(vi) of the order is not applicable to the Company.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company is regular in depositing undisputed statutory dues including provident fund, employees state insurance, income tax, sales tax, service tax, Goods and Services Tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues as applicable to the appropriate authorities have generally been regularly deposited during the year by the Company with the appropriate authorities.

(b) According to the information and explanations given to us, there are no material dues of income tax or sales tax or service tax or Goods and Services Tax or duty of customs or duty of excise or value added tax which have not been deposited by the company on account of dispute.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the

Income Tax Act, 1961. Accordingly, reporting requirements under this clause is not applicable.

- ix. According to the information and explanations given to us and on the basis of our examination of the records of the Company
- a. The Company has not defaulted in repayment of Loans or borrowings from any lender. Hence reporting under clause 3(ix) (a) of the Order is not applicable.
 - b. The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - c. The company has not obtained any term loans during the year. Hence reporting under clause 3(ix) (c) of the Order is not applicable.
 - d. On an overall examination of the financial statements, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - e. On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures (as defined under the Act) during the year ended 31 March 2023.
 - f. We report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies (as defined under the Act) during the year ended 31 March 2023.
- x. a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x) (a) of the Order is not applicable.
- b) During the year, the Company has made preferential allotment of equity shares amounting to Rs. 1,05,00,000 to its existing shareholders. And the company complied with the provisions of section 62(1)(c) of the Companies Act 2013.
- xi. a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit
- b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.

c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of our audit procedures

xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.

xiv.

(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi.

a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) (a) of the Order is not applicable.

b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.

c) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

- xvii. The Company has not incurred any cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been resignation of the statutory auditors during the year and we have taken into consideration the issues, objections or concerns raised by the outgoing auditors.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx. In our opinion and according to the information and explanations given to us the compliance of CSR obligations is not applicable to this company as per the provisions of Section 135 of The Companies Act, 2013. Hence, reporting under this clause is not applicable.

NIHAR INFO GLOBAL LIMITED

NOTES TO THE FINANCIAL STATEMENTS

DESCRIPTION OF THE COMPANY AND SIGNIFICANT ACCOUNTING POLICIES

1) General Information

Nihar Info Global Limited was incorporated on 12th January, 1995 as a Public Limited Company. Company is engaged in the business of Software and e-Commerce. It is listed on Bombay Stock Exchange. The company undertakes development and/or trade in sale, import or exports of computer software and carry out on the business of Research and development, designing, manufacturing, trading and deal in all type of computer software and hardware and render consultancy services in the field of software development and turnkey projects and solutions.

2) Significant Accounting Policies

2.1 Basis of preparation and presentation of Financial Statements

Statement of compliance

The financial statements of Nihar Info Global Limited have been prepared and presented in accordance with the Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules 2015, as amended and as per other relevant provisions of the Act. The presentation of financial statements is based upon Ind AS Schedule III of Companies Act,2013.

a. Basis of Measurement

These financial statements have been prepared on the historical cost convention and on an accrual basis, except for the following material items in the balance sheet:

- 1) Certain financial assets are measured either at fair value or at amortized cost depending on the classification;
- 2) Employee defined benefit assets/(liability) are recognized as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation, and

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1,2,or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

- Level 3 inputs are unobservable inputs for the asset or liability

All assets and liabilities are classified into current and non-current based on the operating cycle of less than twelve months or based on the criteria of realization/settlement within twelve months period from the balance sheet date.

b. Use of estimates and judgment

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, the areas involving critical estimates or Judgment are:

i. Depreciation and amortization

Depreciation and amortization is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets.

ii. Employee Benefits

The present value of the employee benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) includes the discount rate, wage escalation and employee attrition. The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of the obligations.

iii. Provision and contingencies

Provisions and contingencies are based on the Management's best estimate of the liabilities based on the facts known at the balance sheet date.

iv. Fair valuation

Fair value is the market based measurement of observable market transaction or available market information. All financial instruments are measured at fair value as at the balance sheet date, as provided in Ind AS 109 and 113. Being a critical estimate, judgment is exercised to determine the carrying values. The fair value of financial instruments that are unlisted and not traded in an active market is determined at fair values assessed based on recent transactions entered into with third parties, based on valuation done by external appraiser's etc. as applicable.

v. Deferred taxes

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

c. Functional and presentation currency

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest Thousands.

d. Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1, presentation of financial statements.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- a. It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is expected to be realized within twelve months after the reporting date; or
- d. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- a. It is expected to be settled in the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is due to be settled within twelve months after the reporting date; or
- d. The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification

Current assets/ liabilities include the current portion of non-current assets/ liabilities respectively. All other assets/ liabilities are classified as non-current. Deferred tax assets and liabilities are always disclosed as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

e. Foreign Currency Transaction

Transactions in foreign currencies are translated to the respective functional currencies of entities within the Company at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date. Non-monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Non-monetary

items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in the statement of profit and loss in the period in which they arise.

f. Property Plant & Equipment

Recognition and measurement

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment loss, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset i.e., freight, duties and taxes applicable and other expenses related to acquisition and installation. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Borrowing costs that are directly attributable to the construction or production of a qualifying asset are capitalized as part of the cost of that asset.

Directly attributable costs include:

- a. Cost of Employee Benefits arising directly from Construction or acquisition of PPE.
- b. Cost of Site Preparation.
- c. Initial Delivery & Handling costs.
- d. Professional Fees and
- e. Costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling any item produced while bringing the asset to that location and condition (such as samples produced when testing equipment).

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within the statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part will be derecognized. The costs of repairs and maintenance are recognized in the statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are

measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of the asset given up.

Depreciation

Depreciation is recognized in the statement of profit and loss on a written down value basis over the estimated useful lives of property, plant and equipment based on the Companies Act, 2013 (“Schedule II”), which prescribes the useful lives for various classes of tangible assets. For assets acquired or disposed off during the year, depreciation is provided on pro rata basis. Land is not depreciated.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate.

The estimated useful lives are as follows:

Type of Asset	Estimated useful life in years
Furniture & Fixtures	10
Computers	6

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date is disclosed as capital advances under other non-current assets. The cost of property, plant and equipment not ready to use before such date are disclosed under capital work-in-progress. Assets not ready for use are not depreciated.

The Company assesses at each balance sheet date, whether there is objective evidence that an asset or a group of assets is impaired. An asset’s carrying amount is written down immediately to its recoverable amount if the asset’s carrying amount is greater than its estimated recoverable amount. Recoverable amount is higher of the value in use or fair value less cost to sell.

g. Intangible assets

Acquired computer software is capitalized on the basis of the costs incurred to acquire and bring to use the specific software. The Intangible assets that are acquired by the Company and that have finite useful lives are measured at cost less accumulated amortization and accumulated impairment losses.

Amortization

Amortization is recognized in the statement of profit and loss on a written down value basis over the estimated useful lives of intangible assets or on any other basis that reflects the pattern in which the asset’s future economic benefit are expected to be consumed by the entity. Intangible assets that are not available for use are amortized from the date they are available for use. The estimated useful lives are as follows:

Type of Asset	Estimated useful life
<u>Intangible Assets:-</u> Computer Software	3

The amortization period and the amortization method for intangible assets with a finite useful life are reviewed at each reporting date.

h. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

Debt instrument at FVTPL

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss. The Company has not designated any debt instrument as at FVTPL.

Investment in Preference Shares and Unquoted trade Investments

Investment in Preference Shares and Unquoted trade Investments are measured at amortized cost using Effective Rate of Return (EIR).

Investment in equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the

amounts from OCI to the statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Investments in subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e., removed from the Company's balance sheet) when:

- a. The rights to receive cash flows from the asset have expired, or
- b. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Impairment of trade receivables

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18. Expected credit loss model takes into consideration the present value of all the cash shortfalls over the expected life of a financial instrument. In simple terms, it is weighted average of credit losses with the respective risks of default occurring as weights. The credit loss is the difference between all contractual cash flows that are due to an entity as per the contract and all the contractual cash flows that the entity expects to receive, discounted to the effective interest rate. The Standard presumes that entities would suffer credit loss even if the entity expects to be paid in full but later than when contractually due. In other words, it simply focuses on DELAYS in collection of receivables.

For the purpose of identifying the days of delay, the Company took into consideration the weighted average number of delays taking into consideration the date of billing, the credit period and the collection days.

b. Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value i.e., loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Fair value measurement

Fair value of financial assets and liabilities is normally determined by references to the transaction price or market price. If the fair value is not reliably determinable, the Company determines the fair value using valuation techniques that are appropriate in the circumstances and for which sufficient data are available, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

i. Inventories

Inventories consists of Finished goods. Inventories are carried at lower of cost and net realisable value. Cost of finished goods produced includes direct material and labour cost and a proportion of overheads.

j. Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite lives or that are not yet available for use, an impairment test is performed each year at March 31.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflow of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognized in the statement of profit and loss if the estimated recoverable amount of an asset or its cash-generating unit is lower than its carrying amount. Impairment losses recognized in respect of cash-generating units are allocated first to reduce the carrying amount of any

goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit on a pro-rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

k. Cash & Cash Equivalents

Cash and bank balances comprise of cash balance in hand, in current accounts with banks, demand deposit, short-term deposits, Margin Money deposits and unclaimed dividend accounts. For this purpose, "short-term" means investments having maturity of three months or less from the date of investment. Bank overdrafts that are repayable on demand and form an integral part of our cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows. The Margin money deposits, balance in dividend accounts which are not due and unclaimed dividend balances shall be disclosed as restricted cash balances.

l. Employee Benefits

a. Short term employee benefits

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service

b. Defined Contribution Plan

The company's contribution to superannuation fund, considered as defined contribution plans are charged as an expense in the Statement of Profit and Loss based on the amount of contribution required to be made and when services are rendered by the employees.

c. Defined Benefit Plans

For defined retirement benefit plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Re measurement recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on

curtailments and Settlements);

- Net interest expense or income; and
- Re measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognized in the Balance Sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form reductions in future contributions to the plans

d. Termination benefits

Termination benefits are recognized as an expense when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognized as an expense if the Company has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

e. Other long-term employee benefits

Other Long-term employee benefit comprise of Leave encashment which is provided for based on the actuarial valuation carried out as at the end of the year.

Liabilities recognized in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date

m. Provisions, contingent liabilities and contingent assets

Provisions

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

n. Revenue Recognition

Sale of services

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

The Company identifies the performance obligations in its contracts with customers and recognises revenue as and when the performance obligations are satisfied. The specific recognition criteria described below must also be met before revenue is recognised.

Sale of products:

Revenue is recognised upon transfer of control of promised products to customer in an amount that reflects the consideration which the Company expects to receive in exchange for products.

Revenue from the sale of products is recognised when products are delivered to customer. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, rebates, scheme allowances, price concessions, incentives, and returns, if any, as specified in the contracts with the customers.

Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

Other Income

Interest Income

Interest income should be recorded using the effective interest rate (EIR). However, Interest income is recognized when the Company's right to receive is established.

Dividend

Dividend income is recognized when the Company's right to receive dividend is established.

o. Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing cost also include Exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

p. Tax Expenses

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

Current tax expense comprises taxes on income from operations in India and foreign tax jurisdictions. Tax expense related to India is determined on the basis of the Income Tax Act, 1961 and quantified at the amount expected to be paid to the taxation authorities using the applicable tax rates. Tax expense relating to overseas operations is determined in accordance with the tax laws applicable in countries where such operations are domiciled.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax for the year

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized or the year ended 31 March 2023.

In other comprehensive income or directly in equity respectively, Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

q. Earnings Per Share

The Company presents basic and diluted earnings per share (“EPS”) data for its ordinary shares. Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

r. Trade receivables

Trade receivables are initially recognized at fair value and subsequently measured at amortized cost using effective interest method, less provision for impairment, if any.

s. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

t. Determination of fair values

The Company’s accounting policies and disclosures require the determination of fair value, for certain financial and non-financial assets and liabilities. Fair values have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability. A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

(i) Property, plant and equipment

Property, plant and equipment, if acquired in a business combination or through an exchange of non-monetary assets, is measured at fair value on the acquisition date. For this purpose, fair value is based on appraised market values and replacement cost.

(ii) Intangible assets

The fair value of brands, technology related intangibles, and patents and trademarks acquired in a business combination is based on the discounted estimated royalty payments that have been avoided as a result of these brands, technology related intangibles, patents or trademarks being owned (the “relief of royalty method”). The fair value of customer related, product related and other intangibles acquired in a business combination has been determined using the multi-period excess earnings method after deduction of a fair return on other assets that are part of creating the related cash flows.

(iii) Inventories

The fair value of inventories acquired in a business combination is determined based on its estimated selling price in the ordinary course of business less the estimated costs of completion and sale, and a reasonable profit margin based on the effort required to complete and sell the inventories.

(iv) Investments in equity and debt securities and units of mutual funds

The fair value of marketable equity and debt securities is determined by reference to their quoted market price at the reporting date. For debt securities where quoted market prices are not available, fair value is determined using pricing techniques such as discounted cash flow analysis.

In respect of investments in mutual funds, the fair values represent net asset value as stated by the issuers of these mutual fund units in the published statements. Net asset values represent the price at which the issuer will issue further units in the mutual fund and the price at which issuers will redeem such units from the investors.

Accordingly, such net asset values are analogous to fair market value with respect to these investments, as transactions of these mutual funds are carried out at such prices between investors and the issuers of these units of mutual funds.

u. Segment Reporting: -

The Managing Director of the company has been identified as being the Chief Operating Decision Maker (CODM). In the opinion of the management, the company operates in three segments. They are rendering of services, sales of goods through e-commerce and trading activities. Accordingly, disclosure of segment information as prescribed in the Indian accounting standard 108 “Operating segments” is applicable.

v. Note on “Code on Security, 2020”

The Indian Parliament has approved the Code on Social Security, 2020 (“the Code”) which would impact the contributions by the company towards Provident Fund and Gratuity. The purpose of the Code on Social Security, 2020 is to amend and consolidate the laws relating to social security with the goal to extend social security to all employees and workers either in the organized or unorganized or any other sectors and for matters connected therewith or incidental thereto. The Code was passed by the Lok Sabha on

September 22, 2020 and subsequently, by the Rajya Sabha on September 23, 2020 with a view to amalgamate, simplify and rationalize the relevant provisions of the nine central labour enactments relating to social security. The Code is yet to receive assent of the President of India. The Code shall come into force on such date as the Central Government may, by notification appoint and different dates may be appointed for different provisions of the SS Code. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

w. New Accounting pronouncements

The Ministry of Corporate Affairs (MCA) vide notification dated 23 March 2022 issued the Companies (Indian Accounting Standards) Amendment Rules, 2022. These rules notify certain amendments to Indian Accounting Standards (Ind AS). These amendments are effective from 1 April 2022.

Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets

As per Ind AS 37, a contract is ‘onerous’ when the unavoidable costs of meeting the contractual obligations (i.e. the lower of the costs of fulfilling the contract and the costs of terminating it) outweigh the economic benefits. Ind AS 37 did not define what are the costs of fulfilling a contract.

The amendments have clarified the types of costs a company can include as the ‘costs of fulfilling a contract’ while assessing whether a contract is onerous as under:

- (a) The incremental costs of fulfilling that contract—for example, direct labour and materials; and
- (b) An allocation of other costs that relate directly to fulfilling contracts—for example, an allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling that contract among others.

The amendments apply for annual reporting periods beginning on or after 1 April 2022 to contracts existing at the date when the amendments are first applied. At the date of initial application, the cumulative effect of initially applying the amendments is recognised as an opening balance adjustment to retained earnings or other component of equity, as appropriate. The comparatives are not required to be restated.

Ind AS 103, Business Combinations

The amendments have given reference of Conceptual Framework for Financial Reporting under Ind AS for definition of assets and liabilities without changing the accounting requirements for business combinations.

This amendment is applicable to business combinations for which acquisition date is on or after 1 April 2022.

Ind AS 16, Property, Plant and Equipment

Amendments to Ind AS 16 have clarified the accounting treatment for sale proceeds of items produced by PPE while preparing it for its intended use.

These amendments have clarified that excess of net sale proceeds of items produced over the cost of testing, if any, would not be recognised in the statement of profit or loss, but deducted from the directly attributable costs considered as part of cost of an item of PPE.

The amendments are effective for annual reporting periods beginning on or after 1 April 2022

The aforesaid amendments do not have any material impact on the financial statements of the Company.

30.8 Financial instruments and fair value

All assets and liabilities for which fair value is measured or disclosed in the Ind AS financial statements are categorised within the fair value hierarchy, as below, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The carrying value and fair value of financial instruments as at 31 March 2023 and 31 March 2022 were as follows:

(All Amounts rupees in thousands)

Particulars	As of March 31, 2023		As of March 31, 2022	
	Total carrying value	Total fair value	Total carrying value	Total fair value

Total	17,581.14	17,581.14	31,723.90	31,723.90

There has been no transfers between levels during the year. The fair values of derivatives are based on derived mark-to-market values. The management has assessed that the carrying values of financial assets and financial liabilities for which fair values are disclosed, reasonably approximate their fair values because these instruments have short-term maturities.

30.9 Financial Risk Management:

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include investments, trade and other receivables, cash and cash equivalents, bank balances, security deposits and derivatives that are out of regular business operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's risk management is carried out by a treasury department under policies approved by the Board of Directors. The Board of Directors provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

a. Credit Risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company has the

following categories of financial assets that are subject to credit risk evaluation.

Trade Receivables: The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Financial assets that are neither past due nor impaired - None of the Company's cash equivalents, including deposits with banks, were past due or impaired as at 31st March 2023. Of the total trade and other receivables, impairment loss is provided for Rs. Nil and Nil as at 31st March 2023 and at 31st March 2022.

Other than trade receivables, the Company has no significant class of financial assets that are past due or impaired as at 31st March, 2023.

On account of adoption of Ind AS 109, the Company uses Expected Credit Loss (ECL) model for assessing the impairment loss. For this purpose, it is weighted average of credit losses with the respective risks of default occurring as weights. The credit loss is the difference between all contractual cash flows that are due to an entity as per the contract and all the contractual cash flows that the entity expects to receive, discounted to the effective interest rate.

b.Liquidity Risks:

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements at all times. The Company relies on a mix of borrowings and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium/long term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

The table below summarises the maturity profile of the Company's financial liabilities on undiscounted basis:

Total	27,580.58	4,143.32	-	-	31,723.90

c. Market Risks

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk are deposits with Banks.

The analysis excludes the impact of movements in market variables on: the carrying values of gratuity and other postretirement obligations; provisions; and the non-financial assets and liabilities.

The following assumptions have been made in calculating the sensitivity analysis:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities i.e. Cost of material which is denominated in a foreign currency though the same is payable in INR

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company has no outstanding bank borrowings. The company believes that the working capital available is sufficient to meet its current requirements. The company's exposure to interest rate risk arises primarily from deposits with Banks.
