NOTES:

1. The Ministry of Corporate Affairs (“MCA”) has vide its General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated April 13, 2020, Circular Nos. 20/2020 dated May 5, 2020, Circular No. 02/2021 dated January 13, 2021, Circular No. 19/2021 dated December 08, 2021, Circular No. 21/2021 dated December 14, 2021 and Circular No. 2/2022 dated May 05, 2022 and subsequent circulars issued in this regard, the latest being 10/2022 dated December 28, 2022 (collectively referred to as “MCA Circulars”) in relation to “Clarification on holding of annual general meeting (AGM) through Video Conferencing (VC) or Other Audio Visual Means (OAVM)”, (collectively referred to as “MCA Circulars”) permitted the holding of the Annual General Meeting (“AGM”) through Video Conferencing (“VC”) or Other Audio Visual Means (“OAVM”), without the physical presence of the Members at a common venue, during the calendar year 2023. In compliance with the provisions of the Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and MCA Circulars, the 32nd AGM of the Company is being held through VC / OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.
2. Pursuant to the provisions of the Act, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.
3. The attendance of members attending the AGM through VC / OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of Companies Act, 2013.
4. Pursuant to Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Secretarial Standards on General Meetings (SS-2), the information regarding the Directors proposed to be appointed / re-appointed at the Annual General Meeting is given in the Annexure to the notice.
5. The Register of Members and the Share Transfer Books of the Company will be closed from September 9, 2023 to September 15, 2023 (both days inclusive).
6. In accordance with, the circulars issued by MCA and Securities and Exchange Board of India (‘SEBI’), owing to the difficulties involved in dispatching of physical copies of the Annual Report of the Company and the Notice of AGM, the same are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depository Participants (DP).
7. Members who have not registered their e-mail addresses so far are requested to register the same with their DPs in case the shares are held by them in electronic form and with the Registrar & Share Transfer Agent in case the shares are held by them in physical form for receiving all communication including Annual Report, Notices, etc. from the Company electronically.

8. Members are requested to furnish their bank account details, change of address and all other required details to the Registrar & Share Transfer Agent in respect of shares if held in physical form. In case of shares held in electronic form, these details should be furnished to the respective Depository Participants (DPs).
9. The Securities and Exchange Board of India (“SEBI”) has mandated the submission of Permanent Account Number (“PAN”) by every participant in the securities market. Members holding shares in electronic form are therefore, requested to submit their PAN card numbers / copies of PAN card to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company/Registrar and Share Transfer Agent, M/s. Purva Sharegistry (India) Private Limited.
10. The Securities and Exchange Board of India (“SEBI”) has mandated that transfer of securities would be carried out in dematerialized form only w.e.f. 5th December, 2018. In view of the same and to avail various benefits of dematerialization, members are requested to dematerialize shares held by them in physical form
11. Members can avail of the facility of nomination in respect of shares held by them in physical form pursuant to the provisions of Section 72 of the Companies Act, 2013. Members desiring to avail of this facility may send their nomination in the prescribed Form No. SH-13 duly filled in to M/s. Purva Sharegistry (India) Private Limited at the Registered Office of the Company. Members holding shares in electronic form may contact their respective Depository Participants for availing this facility.
12. Members may please note that Notice of the 32nd Annual General Meeting and Annual Report for the year ended 31st March, 2023 will be available on the Company’s website www.nexusmed.co.in for their download. The Notice can also be accessed from the website of BSE Limited at www.bseindia.com and the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com. For any communication, the members may also send requests at Company’s email id: nexuscomm92@gmail.com.
13. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules 2014 as amended from time to time and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the 32nd AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
14. The Members can join the AGM in the VC / OAVM mode 15 minutes before and after the scheduled time of the commencement of the meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available to atleast 1,000 members on first come first served basis. This will not include large shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

15. M/s. Nitesh Chaudhary & Associates, Practicing Company Secretary, Membership No. F10010, COP 16275, has been appointed as the Scrutinizer to scrutinize the remote e-voting process and e-voting at the AGM in a fair and transparent manner.

MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)

Indian Economy

India's growth continues to be resilient despite some signs of moderation in growth, says the World Bank. A conducive domestic policy environment and the Government's sustained focus on structural reforms have kept India's economic activity robust despite global headwinds. Emerging as a beacon of resilience in the global economy, despite a drop in growth rate projections, India continues to be the world's fastest-growing economy in the world, as reported by the World Economic Outlook report by the International Monetary Fund (IMF). India is expected to maintain its position as one of the fastest growing G-20 nations in the foreseeable forthcoming years. Stabilizing inflation trajectory, rising disposable income and the Government's growing investment in capital expenditure will augur well for India's sustainable development and long-term growth. India's efforts in leveraging digitalization to overcome the challenges posed by the pandemic, has not only helped the country weather the storm but also created new opportunities for growth and employment. Overall, demand circumstances in India remain favorable for economic growth. India enters the new fiscal year with optimism bolstered by underlying and overall macroeconomic stability

Overall Review:

The COVID-19 pandemic permanently changed global health care, from accelerating the adoption of new technology and care delivery models to increasing the focus on sustainability and resiliency. At the same time, it accentuated existing workforce challenges and the global disparities of health equity. The sector now faces critical questions that will shape its future in 2023 and beyond. In the coming year, health care providers, other sector participants, governments, and regulators must ask themselves how they can:

- Translate lessons about virtual health delivery during the pandemic into improved access and treatment.
- Leverage technology to reduce costs and demands on health workers while improving care for patients.
- Reduce their carbon footprint and thereby help to mitigate some of the environmental threats to public health.
- Ease the burdens on an increasingly stressed workforce by reshaping the scope of job requirements, allowing more remote work, and providing better support such as mental health services.
- Better prepare facilities, supply chains, and partnerships for future pandemics, public health events, or natural disasters.

COVID-19 has not disappeared from the global stage, but public health professionals are increasingly optimistic that the pandemic is becoming endemic, meaning that while the virus is still present, it is becoming more manageable and predictable - more like the seasonal flu. While several hundred thousand new infections - and hundreds of deaths - were being reported daily worldwide at the end of 2022, new vaccines have reduced the number of deaths dramatically.

During 2022, no new strains were declared a “variant of concern” by the World Health Organization. Health care stakeholders should remain alert, nimble, flexible, and prepared for spikes and valleys in COVID-19 cases as well as other communicable diseases. At the same time, COVID taught health professionals how to adapt to remote working, virtual doctor visits and shortages of medical supplies, personnel, and services. Indeed, the lasting impact of COVID-19 may be one of opportunity in which the health sector has a chance to reinvent itself and capitalize on trends that were emerging even before the pandemic, such as shifting consumer preferences, changes in patient behaviors, and rapidly evolving technology.

The sector also should continue to explore clinical innovation and new care delivery models - some of which, like telemedicine, were successfully used on a widespread basis during the pandemic. If the health sector takes advantage of these opportunities, it could transform care delivery, the patient experience, and ways of working at hospitals and other facilities, while also reducing inequities and boosting resiliency.

Government Initiatives

The Government of India has placed significant emphasis on driving Oral Health in the nation. In order to deliver comprehensive and integrated oral healthcare services, the Indian government has established the National Oral Health Programme (NOHP). This aims to enhance oral health determinants, decrease morbidity associated with oral diseases, integrate oral health promotion and preventive services into the overall healthcare system, and foster public private partnerships (PPP) to achieve improved oral health outcomes. To accomplish these goals, the Indian government has provided assistance to state governments in delivering dental care alongside other existing health programs at different levels of the primary healthcare system.

Industry Outlook

Outlook provides insights to investors on the state of industry subsectors. It incorporates the latest data about 2022 deal making as well as findings from a nationwide survey of company leaders who reflected on the past year’s activity and described their plans for 2023.

After strong years propelled by rapid innovation and strong demand during the height of the COVID-19 pandemic, most companies faced business and economic headwinds during 2022, and deal making in several subsectors dropped back toward pre-pandemic levels. Another winter surge of COVID-19 cases at the beginning of the year continued to strain the resources of hospitals and physician practices, which faced employee shortages, supply chain delays, and rapidly rising costs, while life sciences companies faced their own daunting uncertainties. Chief among those was passage of the Inflation Reduction Act (IRA), which opens the door for price negotiation for best-selling drugs. The invasion of Ukraine, surging inflation, and rapid interest rate hikes that led to steep increases in borrowing costs added further complications.

Yet these are changed industries, with advances achieved at remarkable speed during the pandemic now shaping the way forward in many areas. From telehealth and decentralized diagnostic testing to cell and gene therapies and digital therapeutics, rapid innovation continues, leading to strategic repositioning by companies in many subsectors. Despite the extraordinary challenges of 2022, deal making continued, often in the form of smaller acquisitions, partnerships, and licensing agreements. Looking ahead to 2023, respondents to our investor survey expect more deals this year than in 2022. We also believe that a projected decline in industry valuations could be a catalyst for strategic and financial investments.

Segment-wise/Product-wise Performance:

The Company is engaged mainly in trading activities of medical supplies and as such there are no other reportable segments as defined by Indian Accounting Standard 108 on "Operating Segments" issued by the Institute of Chartered Accountants of India.

Outlook:

In the future of health, we expect six key areas - data sharing, interoperability, equitable access, empowered consumers, behavior change, and scientific breakthrough—to collectively transform ` health system from treatment-based reactionary care to prevention and well-being. India's public expenditure on healthcare touched 2.1% of GDP in FY 2023 and 2.2 % in FY 22, against 1.6% in FY 2021, as per the Economic Survey 2022-23.

In the Union Budget 2023-24, the government allocated Rs. 89,155 crore (US\$10.76 billion) to the Ministry of Health and Family Welfare.

Risks, Concerns and Threats:

INDEPENDENT AUDITOR'S REPORT

To the Members of
Nexus Surgical and Medicare Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Nexus Surgical and Medicare Limited ("the Company"), which comprise the balance sheet as at March 31, 2023, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2023, its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and

for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of

accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on basis of such checks of books and records of the company as we considered appropriate and according the information and explanations given to us, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2 As required by Section 143(3) of the Act, we report that:
 - (i) We have sought and obtained all the information and explanations which to the

best of our knowledge and belief were necessary for the purposes of our audit.

- (ii) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (iii) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (iv) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 subject to the possible effects of the matters described in the Basis for Qualified Opinion paragraphs.
- (v) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- (vi) With respect to the adequacy of the internal financial controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate report in Annexure "B".
- (vii) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a) The Company does not have any pending litigations which would impact its financial position.
 - b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries;
(ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or

entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(iii) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

e) The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

(viii) With respect to the matter to be included in the Auditors’ Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

NEXUS SURGICAL AND MEDICARE LIMITED**ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Nexus Surgical and Medicare Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Overview and notes to Standalone Financial Statements

General Information

Nexus Surgical and Medicare Limited ('the Company') is a public limited company incorporated and domiciled in India and has its registered office at Vasai, Palghar, Maharashtra, India. The company is listed on Bombay Stock Exchange (BSE).

Note 1: Significant Accounting policies

1.1 Statement of Compliance

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value, the provision of Companies Act, 2013 (the Act) (to the extent notified) and the guidelines issued by Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to existing accounting standards required a change in the accounting policies hitherto in use.

1.2 Inventories

The inventories are valued at lower of cost or market value.

1.3 Taxes on Income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the separate financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognized in profit or loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

1.4 Property, plant & equipment:

All Property, Plant & Equipment's are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalized until the assets are ready for use and include freight, duties, taxes and expenses incidental to acquisition and installation.

Subsequent expenditures related to an item of Property, Plant & Equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company and cost can be reliably measured.

Losses arising from the retirement of, and gains or losses arising from disposal of Property, Plant and Equipment are recognized in the Statement of Profit and Loss.

Depreciation is provided on a pro-rata basis on the straight line method ('SLM') over the estimated useful lives of the assets specified in Schedule II of the Companies Act, 2013.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

1.5 Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and recognized when it is probable that the economic benefits associated with the transaction will flow to the entity.

**1.6 Financial Instruments
Initial Recognition**

The company recognizes financial assets & financial liabilities when it becomes a party to the contractual provision of the instruments. All financial assets & liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction cost that are directly attributable to the acquisition or issue of financial assets & liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for a trade date.

Subsequent measurement

Financial assets at amortized cost: Financial assets having contractual terms that give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding and that are held within a business model whose objective is to hold such assets in order to collect such contractual cash flows are classified in this category. Subsequently, these are measured at amortized cost using the effective interest method less any impairment losses

1.7 Employee Benefits

The Company follows the policy of accounting for the same only on crystallization of the liability.

1.8 Earnings Per Share

Basic Earnings per share is computed by dividing the net profit attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

1.9 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

1.10 Leases

Policy Applicable from April 1, 2019

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease by lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any

reassessment or lease modifications or to reflect revised in -substance fixed lease payments. The company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re -measurement in statement of profit and loss.

Short-term leases having a lease term of 12 months or less and low value leases are accounted for in the statement of profit and loss as a revenue item.
