FORWARD LOOKING STATEMENTS

In this Annual Report, we have disclosed forward-looking information to enable investors to fully appreciate our prospects and take informed investment decisions. This report and other statements - written and oral - that we periodically make, contain forward-looking statements that set our anticipated results based on management plans and assumptions.

We have tried, where possible, to identify such statements by using words such as 'anticipate', 'expect', 'project', 'intend', 'plan', 'believe', and words of similar substance in connection with any discussion of future performance.

We cannot, of course, guarantee that these forward-looking statements will be realised, although we believe we have been prudent in our assumptions. Achievement of results is subject to risks, uncertainties, and potentially inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated, or projected. Readers should bear this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events, or otherwise.

Note:

The Hon'ble National Company Law Board ("NCLT"), Cuttack Bench, vide order dated November 30, 2021 has admitted the reference for initiation of Corporate Insolvency Resolution Process ("CIRP") under Insolvency and Bankruptcy Code 2016 ("IBC"). The Powers of the Board of Directors stands suspended since then. Further the Hon'ble NCLT, Cuttack Bench has appointed Mr. Uday Narayan Mitra as the Resolution Professional ("RP") to carry the day to day operations of the Company.

Directors' Report

To,
The Members of
ARSS Infrastructure Projects Limited,

Presentation on the 23rd Annual Report highlighting the business and operations of the Company on a standalone and consolidated basis and the audited financial statements for the financial year ended 31st March, 2023.

Pursuant to the Order dated 30th November, 2021 of the Hon'ble National Company Law Tribunal, Cuttack ("NCLT Order"), Corporate Insolvency Resolution Process ("CIR Process") has been initiated against the Company in accordance with the provisions of the Insolvency and Bankruptcy Code, 2016, ("Code") and related rules and regulations issued there under with effect from 30th November, 2021 (Corporate Insolvency Resolution Process Commencement Date). Mr. Uday Narayan Mitra (IBBI/IP A-001/IP-P00793/2017-18/11360) has been appointed as Interim Resolution Professional ("IRP") in terms of the NCLT Order. Subsequently COC has approved through e-voting dated 25.02.2022 as Resolution Professional ("RP") in conformity with sub section (2) of section 22 of the Insolvency and Bankruptcy Code, 2016.

The powers of Board of Directors of the Company stand suspended effective from the CIR Process commencement date and such powers along with the management of affairs of the Company are vested with the RP in accordance with the provisions of Section 17 and 23 of the Insolvency Code read with Regulation 15(2A) & (2B) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Resolution plan submitted by SRA i.e. Ocean Capital Market Limited which was approved by the COC with 76.67% votes which was not approved by Hon'ble NCLT, Cuttack Bench, Cuttack and liquidation was initiated against the Corporate Debtor.

However the Resolution Applicant has filed an appeal with Hon'ble NCLAT, New Delhi against the order rejecting the Resolution Plan. The Hon'ble NCLAT passed an order dated 25th April, 2023, directing for liquidation shall remain stayed and resolution professional shall continue to manage the affairs of the company as a going concern.

The Application has been allowed by the Hon'ble NCLAT, New Delhi vide its order dated 09-08-2023 by setting aside the order rejecting the resolution plan passed by the Hon'ble NCLT, Cuttack bench vide its order dated 18.04.2023 and allowed the Resolution Applicant to prepare an addendum as per the said order.

In terms of Section 25 of the Code, the Company is continuing to operate as a going concern. Further, since the application for approval of the Resolution Plan is pending adjudication before the Tribunal after reconsidering by COC, the financial statements are being presented on a going concern basis.

REPORT ON MANAGEMENT DISCUSSION AND ANALYSIS

1. 1.1 Global Economy

The global economic growth was estimated at a slower 3.2% in 2022, compared to 6% in 2021 (which was on a smaller base of 2020 on account of the pandemic effect). The relatively slow global growth of 2022 was marked by the Russian invasion of Ukraine, unprecedented inflation, pandemic-induced slowdown in China, higher interest rates, global liquidity squeeze and quantitative tightening by the US Federal Reserve.

The challenges of 2022 translated into moderated spending, disrupted trade and increased energy costs. Global inflation was 8.7% in 2022, among the highest in decades. US consumer prices decreased about 6.5% in 2022, the highest in four decades.

Gross FDI inflows – equity, reinvested earnings and other capital – declined 8.4% to \$55.3 billion in April-December. The decline was even sharper in the case of FDI inflows as equity: these fell 15% to \$36.75 billion between April and December 2022. Global trade expanded by 2.7% in 2022 (expected to slow to 1.7% in 2023).

The S&P GSCI TR (Global benchmark for commodity performance) fell from a peak of 4,319.55 in June 2022 to 3495.76 in December 2022.

1.2 Performance of major economies

United States: Reported GDP growth of 2.1% compared to 5.9% in 2021

China: GDP growth was 3% in 2022 compared to 8.1% in 2021

United Kingdom: GDP grew by 4.1% in 2022 compared to 7.6% in 2021

Japan: GDP grew 1.7% in 2022 compared to 1.6% in 2021

Germany: GDP grew 1.8% compared to 2.6% in 2021

1.3 Global Outlook

The global economy is expected to grow by 2.8% in 2023, primarily influenced by the ongoing Russia-Ukraine conflict. Concurrently, global inflation is projected to fall marginally to 7% during the same year. Notably, the largest economies such as China, the US, the European Union, India, Japan, the UK, and South Korea are not in a recession. Global inflation is further expected to decline to 4.9% in 2024. Interestingly, even as the global economy is projected to grow less than 3% for the next five years, India and China are projected to account for half the global growth.

(Source: IMF).

1.4 Indian economy Overview:

Even as the global conflict remained geographically distant from India, ripples comprised increased oil import bills, inflation, cautious government and a sluggish equity market. India's economic growth is at 7.2% in FY 2022-23. India emerged as the second fastest-growing G20 economy in FY 2022-23. India overtook UK to become the fifth-largest global economy. India surpassed China to become the world's most populous nation.

(Source: Budget FY24; Economy Projections, RBI projections)

India's auto industry grew 21% in FY23; passenger vehicle (UVs, cars and vans) retail sales touched a record 3.9 million units in FY23, crossing 3.2 million units in FY19. The commercial vehicles segment grew 33%. Two-wheeler sales fell to a seven year low; the three-wheeler category grew 84%.

Till Q3 FY23, India's current account deficit, a crucial indicator of the country's balance of payments position, decreased to \$18.2 billion, or 2.2% of GDP. India's fiscal deficit was estimated in nominal terms at ~ H17.55 lakh crore and 6.4% of GDP for the year ending March 31, 2023. (Source: Ministry of Trade & Commerce)

India's headline foreign direct investment (FDI) numbers rose from US\$74.01 billion in 2021 to a record \$84.8 billion in 2021-22, a 14% Y-o-Y increase, till Q3FY23. India recorded a robust \$36.75 billion of FDI. In 2022-23, the government was estimated to have addressed 77% of its disinvestment target (H50,000 crore against a target of H65,000 crore).

The country's retail inflation, measured by the consumer price index (CPI), eased to 5.66% in March 2023. Inflation data on the Wholesale Price Index, WPI (calculates the overall price of goods before retail) eased to 1.3% during the period. In 2022, CPI hit its highest of 7.79% in April; WPI reached its highest of 15.88% in May 2022. By the close of the year under review, inflation had begun trending down and in April 2023 declined below 5%, its lowest in months.

India moved up in the Ease of Doing Business (EoDB) rankings from 100th in 2017 to 63rd in 2022. As of March 2023, India's unemployment rate was 7.8 percent.

In 2022-23, total receipts (other than borrowings) were estimated at 6.5% higher than the Budget estimates. Tax-GDP ratio was estimated to have improved by 11.1 percent Y-o-Y in RE 2022-23.

The total gross collection for FY23 was H18.10 lakh crore, an average of H1.51 lakh a month and up 22% from FY22, India's monthly goods and services tax (GST) collections hit the second highest ever in March 2023 to H1.6 lakh crore.

Per capita income almost doubled in nine years to H172,000 during the year under review, a rise of 15.8 percent over the previous year. Despite headline inflation, private consumption in India witnessed continued momentum and was estimated to have grown 7.3 percent in 2022-23.

1.5 Indian Outlook

There are green shoots of economic revival, marked by an increase in rural growth during the last quarter and appreciable decline in consumer price index inflation to less than 5 per cent in April 2023. India is expected to grow around 6-6.5 per cent (as per various sources) in FY2024, catalysed in no small measure by the government's 35% capital expenditure growth by the government. This can benefit India's exports in general, benefiting several sectors. The construction of national highways in 2022-23 was 10,993 kilometres; the Ministry of Road Transport and Highways awarded highway contracts of 12,375 km in the last financial year.

(Source: IMF).

The global landscape favours India: Europe is moving towards a probable recession, the US economy is slowing, China's GDP growth forecast of 4.4% is less than India's GDP estimate of 6.8% and America and Europe are experiencing its highest inflation in 40 years.

India's production-linked incentive appears to catalyse the downstream sectors. Inflation is steady. India is at the cusp of making significant investments in renewable energy and other sectors and emerging as a suitable industrial supplement to China. India is poised to outpace Germany and Japan and emerge as the third-largest economy by the end of the decade.

1.6 Union Budget FY 2023-24 provisions

The Budget 2022-23 sought to lay the foundation for the future of the Indian economy by raising capital investment outlay by 33% to H10 lakh crores, equivalent to 3.3% of GDP and almost three times the 2019-20 outlay, through various projects like PM Gati Shakti, Inclusive Development, Productivity Enhancement & Investment, Sunrise Opportunities, Energy Transition and Climate Action, as well as Financing of Investments. An outlay of H5.94 lakh crore was made to the Ministry of Defence (13.18% of the total Budget outlay). An announcement of nearly H20,000 crores was made for the PM Gati Shakti National Master Plan to catalyse the infrastructure sector.

1.7 India's infrastructure sector

The infrastructure sector is a key driver for the Indian economy. In order to achieve its economic growth target of reaching US\$ 5 trillion by 2025, India must focus on enhancing its infrastructure. Under Budget 2023-24 the capital investment outlay for infrastructure is set to increase by 33%, reaching H10 lakh crore (equivalent to US\$ 122 billion). This represents a significant increase, almost three times the outlay in 2019-20, and will amount to 3.3% of India's GDP.

Sectors such as railways (12%), roads (18%), energy (24%) and urban development (17%), approximated ~71% of the projected infrastructure investments. India is expected to attract USD 100 billion foreign direct investment (FDI) in 2022-23.

(Source: *ibef.org, pib.gov.in, economictimes.indiatimes.com*)

Roads: India road network is the second largest in the world, spanning 6.3 Million Km, covering over 90% of passenger traffic and 64.5% of freight traffic. The pace of construction of national highways in the country had reached a record high of 37 km per day in FY 2020-21, but had subsequently slowed down to 30.11 km per day in FY 2022-23.

In the Union Budget 2023-24, government proposed increased allocation for the central road fund by 19% to H2,95,150 crores (US\$ 38.86 million). The government aims to construct 23 new national highways by 2025. National Highway Authority of India (NHAI) is expected to generate H1 lakh crore (US\$ 14.30 billion) annually from toll and other sources in five years.

(Source: *ibef.org, pib.gov.in, economictimes.indiatimes.com*)

Railways: Indian Railways is the fourth-largest network worldwide, comprising 75,439 miles of total track spanning 67,368 km.

In FY 2022-23, 5,243 km of new lines, doubling and gauge conversion were achieved, compared to 2,909 km in FY 2021- 22.

Indian Railways electrified 58,812 Route Kilometers (RKMs) till March 31, 2023, about 90% of the total broad-gauge network (65,300 RKMs) of Indian Railways. Out of a total of 58,812 Route Kilometers (RKMs), the Central Organization for Railway Electrification (CORE) carried out the electrification of 45,912 Route Kilometers (RKMs) or roughly 78% of the electrification work of the entire Indian Railways.

The Indian Railways has planned to undertake 58 super critical and 68 critical projects worth more than H115,000 crore (US\$ 15.44 billion) over the next few years. As of now, 29 super critical projects, spanning 1,044 km and costing H11,588 crore (US\$ 1.5 billion), have been commissioned. While four projects worth H1,408 crore (US\$ 189.05 million) have been completed, remaining projects are scheduled to be completed by March 2024.

Roads and bridges: In the Union Budget FY 2023-24, H17,296.84 Crore was allocated for track renewals, H4,600 Crore for gauge conversion and H30,749 Crore for track doubling. H31,850 Crore was allocated for the construction of new railway lines. (Source: *financialexpress.com*)

3. Human Resources Development and Industrial Relations:

In 2022-23, with ARSS growing its order book, resource mobilization for new projects became a key HR imperative. With the growing number of projects, hiring was also done at the leadership levels in the areas of operations, engineering and design to strengthen the quality of project execution. New talent was also inducted at the middle and junior levels. While adequate number of people were hired for effective execution, there were strong budget controls imposed to effectively balance the twin objectives of growth and cost control.

New employee induction and training for the existing employees continued to remain focused on functional, technical and behavioral areas. Safety related training also remained an important area of intervention. With new projects getting awarded and many project managers being new to the ARSS system, an exhaustive induction program covering all functions and processes was developed and implemented. However, the objective of furthering operational efficiencies remained a common thread through these activities. The Company is actively working on developing a culture driven by the collective spirit of experience. Assignment, empowerment and accountability will be the cornerstone of the people led processes.

Since 2022-23 was a year of consolidation, the remuneration and benefits mostly remained unaltered. However, ground work started on rationalizing the compensation structure to make it more employees friendly and with a plan to implement the same in coming financial year. Safety related training also remained as one of the primary focus areas. In the area of Project Management, self and immediate superior's assessments were completed with an objective to roll out appropriate training programmes for the next financial year with special focus on project risk assessment and mitigation.

At ARSS, we provide employees a secure and supportive work environment. To enhance skills, we organize training programmes. As on March 31, 2023, we had 573 full time employees.

Labor relations at all work sites and at the headquarters of the Company continued to remain cordial throughout the year. There was no industrial dispute during the year under review.

4. Opportunities and Threats, Risks and concerns

Opportunities and threats

The Indian government made an announcement on larger outlays for infrastructure development. In the Budget 2023-24, the Indian government announced an outlay of INR 2.4 Lakh Crore for the Indian Railways directed to improve infrastructure. Volatile currency fluctuations in South Africa and Ghana may pose a threat to the margin and also might lead to some mark to market losses. (Source: *businessinsider.in*)

Outlook

The Indian Railways has undertaken several railway station redevelopment projects across the country. The Rail Land Development Authority (RLDA) has been entrusted with the responsibility to upgrade and modernise major railway stations across India.

The Government aims to transform India into a global sporting powerhouse by undertaking mega-sports infrastructure projects that will have a long-term impact on health, education and tourism. The Indian Government has proposed a sports budget of INR 3,397 crore for FY 2023-24. This is an increase of 11% over the previous year's budget.

There is increased optimism about the strong revival of the aviation industry. With many major international airports under construction across the country, the handling capacity across airports is expected to increase substantially in the next 2-3 years. Further investments are planned in the second half of FY 2023-24 by the Government and private players to augment the facilities and infrastructure of airports.

The budgetary support for the Roads and Bridges sector has witnessed a steady increase of more than 58% over the last 4 years. Out of the capex announced under the National Infrastructure Pipeline, 18% is earmarked for Roads and Bridges, which augurs well for this business. Over the last 7 years, the length of National Highways has gone up by 50% from 91,287 km (as of April 2014) to 144,634 km (till Jan 2023) and the length of expressways have expanded by 4,068 km during this period. Also, in view of the exponential increase in traffic over the years in urban areas, the Government has shifted its focus on developing many new Elevated Corridor / Flyover projects across major cities, with the primary aim of decongesting urban roads and highways.

Threats

The completion of the ongoing real estate projects continues to slow major challenge more particularly in view of the ongoing Corporate Insolvency Resolution Process (CIRP). It is expected that the projects will be completed according to the timelines of new Resolution Plan.

Risks and concerns

Besides the economic, regulatory, taxation and environmental risks and also the investment outlook towards Indian real estate sector, your company is currently exposed to liquidity risk. The banks are reluctant to provide credit to this industry due to rising NPAs and lower profit in property business.

5. Internal control systems and their adequacy

Management has put in place effective Internal Control Systems to provide reasonable assurance for:

- Safeguarding Assets and their usage.
- Maintenance of Proper Accounting Records and
- Adequacy and Reliability of the information used for carrying on Business Operations.

Key elements of the Internal Control Systems are as follows:

- Existence of Management information system updated from time to time as may be required.
- Existence of Long Term Business Plans.
- Existence of Internal Audit System.
- Periodical review of opportunities and risk factors depending on the Global / Domestic Scenario and to undertake measures as may be necessary.

ARSS has an adequate system of internal control to ensure that the resources of the Company are used efficiently and effectively, all assets are safeguarded and protected against loss from unauthorized use or disposition and the transactions are authorized, recorded and reported correctly, financial and other data are reliable for preparing financial information and other data and for maintaining accountability of assets. The internal control is supplemented by extensive programme of internal audits, review by management, documented policies, guidelines and procedures.

The Company has appointed an Independent Auditor to ensure compliance and effectiveness of the Internal Control Systems in place. The Audit Committee is regularly reviewing the Internal Audit Reports for the auditing carried out in all the key areas of the operations. Additionally the Audit Committee approves all the audit plans and reports for significant issues

raised by the Internal and External Auditors. Regular reports on the business development, future plans and projections are given to the Board of Directors. Audit Reports are regularly circulated for perusal of Senior Management for appropriate action as required. Normal foreseeable risks of the Company's assets are adequately covered by comprehensive insurance. Risk assessments, inspections and safety audits are carried out periodically.

6. Strategic Initiative:

The Company is well on its course to meet its growth targets despite increase competition. Effective business strategies have allowed the Company executing projects in a timely manner and economies on critical resources though joint venture in large projects.

The foray into high potential business of railways, roads and bridges has been successful during the year and boosted the order in flow. The Company is strengthening its manpower for execution of high value projects and adding assets for development of infrastructures to complete all contracts in time.

7. Cautionary Statement:

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a downtrend in the infrastructure sector, significant changes in political and economic environment in India, exchange rate fluctuations, tax laws, litigation, labour relations and interest costs.

Report on Corporate Governance

1. Corporate Governance

At ARSS Infrastructure Projects Limited (ARSS), Corporate Governance is viewed as a commitment backed by a fundamental belief of maximizing its stakeholders' value, ensuring transparency and accountability in functioning, and stimulating mutual trust at the very core of its basic character. It is observed not as a discipline imposed by a Regulator, but, as a culture that guides the Board, Management and Employees to conduct business in a manner that exemplifies, enhances and sustains growth in its stakeholders' value and meet stakeholders' aspirations and societal expectations at all times.

We are committed to make continuous efforts to adopt and adhere to the best practices of Corporate Governance. Corporate Governance is an integral part of the way we do business, which is reinforced at all levels within the Company and emanates from our attempts to constantly improve sustainable value creation for our stakeholders. Our corporate structure, business and disclosure practices have been aligned to our Corporate Governance Philosophy, disclosure of which is set out under different heads of this report:

2. Company's Philosophy on code of Corporate Governance

ARSS Infrastructure Projects Limited ('the Company' or 'ARSS') has always been committed to maintain sound corporate governance standards and ethical business practices.

This involves institutionalizing the Company's philosophy on corporate governance across business activities, which is based on the principles of accountability, transparency, responsibility and fairness in all aspects of its operations.

The Company has an active and Independent Board of Directors that provides supervisory, strategic advice and direction. Your Company believes that all actions and plans should be supported by adequate systems and procedures in order to ensure that the decision making process across different levels of management is well-informed and conforms to the highest standards of corporate behavior.

3. Corporate Insolvency Resolution Process (CIRP)

The Company remained under CIRP under the provisions of the Insolvency and Bankruptcy Code, 2016 (Insolvency Code) and the powers of the Board were vested in and were being exercised by IRP.

As per regulations 15(2A) and 15(2B) of Listing Regulations, regulations 17, 18, 19 and 20 of Listing Regulations which are related to Board of Directors, Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee respectively, shall not be applicable during the Insolvency Resolution Process period in respect of a listed entity which is undergoing CIRP under the Insolvency Code. Further the roles and responsibilities of Board of Directors and above mentioned committees as specified in regulations 17, 18, 19, 20 and 21 of Listing Regulations are fulfilled by IRP.

Members may note that pursuant to an application made by State Bank of India, the Hon'ble National Company Law Tribunal, Cuttack Bench ("Adjudicating Authority"), vide its order dated 30th November 2021, had ordered the commencement of the corporate insolvency resolution process ("CIRP") in respect of your company under the provisions of the Insolvency and Bankruptcy Code, 2016 (the "Code") and related rules and regulations issued thereunder with effect from 30th November, 2021 (Corporate Insolvency Resolution Process Commencement Date). Mr. Uday Narayan Mitra (IBBI/IP A-001/IP-P00793/2017-18/11360) has been appointed as Interim Resolution Professional ("IRP") in terms of the NCLT Order. Subsequently COC has approved through e-voting dated 25.02.2022 as Resolution Professional ("RP") in conformity with sub section (2) of section 22 of the Insolvency and Bankruptcy Code, 2016.

The powers of Board of Directors of the Company stand suspended effective from the CIR Process commencement date and such powers along with the management of affairs of the Company are vested with the RP in accordance with the provisions of Section 17 and 23 of the Insolvency Code read with Regulation 15(2A) & (2B) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Resolution plan submitted by SRA i.e. Ocean Capital Market Limited which was approved by the COC with 76.67% votes has been rejected by Hon'ble NCLT, Cuttack Bench, Cuttack and liquidation has been initiated against the Corporate Debtor.

However the Resolution Applicant has filed an appeal with Hon'ble NCLAT, New Delhi against the order rejecting the resolution plan. The Hon'ble NCLAT passed an order dated 25th April, 2023, directing for liquidation shall remain stayed and resolution professional shall continue to manage the affairs of the company as a going concern.

The Application has been allowed by the Hon'ble NCLAT, New Delhi vide its order dated 09-08-2023 by setting aside the order rejecting the resolution plan passed by the Hon'ble NCLT, Cuttack bench vide its order dated 18-04-2023 and allowed the Resolution Applicant to prepare an addendum as per the said order.

In terms of Section 25 of the Code, the Company is continuing to operate as a going concern. Further, since the application for approval of the Resolution Plan is pending adjudication before the Tribunal, the financial statements are being presented on a going concern basis.

This Chapter reports the Company's compliance with the provisions of Section 134(3) of the Companies Act, 2013 and the Regulation 34(3) read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as SEBI Listing Regulations) as given below:

4. Board of Directors

4.1 Status of the Company

As the powers of the Board stood suspended with effect from 30th November, 2021 and Mr. Uday Narayan Mitra was appointed as the Interim Resolution Professional ("IRP") to manage the affairs of the Company. Subsequently, the Committee of Creditors ("CoC") appointed the same Mr. Uday Narayan Mitra as the Resolution Professional (RP) to manage the day to day affairs of the Company. Prior to commencement of CIRP the Board of Directors was the apex body constituted by the shareholders for overseeing the Company's overall functioning. The RP/Board provides and evaluates the Company's strategic direction, management policies and their effectiveness and ensures that the stakeholders' long term interests are being served.

4.2 The suspended Board of our Company consists of persons with considerable professional expertise and experience in technical, commercial, legal, finance, business administration and other related fields.

Our Company's Board represents diversity in terms of various parameters including academic qualifications, technical expertise, regional and industry knowledge, experience, age etc., in order to enable it to discharge its duties and responsibilities effectively.

4.3 Composition, Category and size of the Board:

Pursuant to Regulation 24 of the SEBI Listing Regulations, the Minutes of the Board Meetings and a statement of all significant transactions and arrangements entered into by the Company's Unlisted Subsidiary Company is placed before the Board. The Company has also formulated a Policy for determining "Material Subsidiaries" which is available on the website of the Company.

(xii) Post meeting follow up

The Important decision taken at the Board/Committee meetings are communicated to the department concerned promptly.

(xiii) Code of Conduct for Board members and Senior Management

The Board of Directors has laid down the code of conduct for all the Board members and members of the Senior Management of the Company. Additionally all independent directors of the company shall be bound by duties of independent directors as set out in the Companies Act, 2013 read with the Schedules and Rules there-under. All the Board members and Senior Management personnel have affirmed compliance with the code of conduct. The Code of Conduct is available on the website of the Company.

(xiv) Formulation of Policy for Selection and Appointment of Directors and Their Remuneration

The Nomination and Remuneration Committee discussed and thereafter decided upon the policy for selection of appointment of directors and their remuneration. The highlights of this policy are as follows:

A. Criteria of selection of Non-Executive Directors.

- a) The Non-Executive Directors shall be of high integrity with relevant expertise and experience so as to have a diverse Board with Directors having expertise in the fields of manufacturing, marketing, finance, taxation, law, governance and general management.
- b) In case of appointment of Independent Directors, the Committee shall satisfy itself with regard to the independent nature of the Directors *vis-à-vis* the Company so as to enable the Board to discharge its function and duties effectively.
- c) The Committee shall ensure that the candidate identified for appointment as a Director is not disqualified for appointment under Section 164 of the Companies Act, 2013.
- d) The Committee shall consider the following attributes / criteria, while recommending to the Board the candidature for appointment as Director.
 - Qualification, expertise and experience of the Directors in their respective fields;
 - Personal, Professional or business standing;
 - Diversity of the Board.
 - In case of re-appointment of Non Executive Directors, the Board shall take into consideration the performance evaluation of the Director and his engagement level.

B. Remuneration to Non-Executive Directors

The Non-Executive Directors shall be entitled to receive remuneration by way of sitting fees for participation in the Board / Committee meetings and commission as detailed hereunder:

- a) A Non Executive Director shall be entitled to receive sitting fees for each meeting of the Board or Committee meeting attended by him/her at his/her discretion of such sum as may be approved by the Board of Directors within the overall limits prescribed under the Companies Act, 2013 and The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014;
- b) The Committee may recommend to the Board, the payment of commission on uniform basis, to reinforce the principles of collective responsibility of the Board.
- c) The payment of such commission would be at the discretion of board only and shall not exceed 1% of the net profit of the Company;
- d) The Independent Directors of the Company shall not be entitled to participate in the Stock Option Scheme of the Company, if any, introduced by the Company.

C. Chairman/ Managing Director & Whole Time Director - Criteria for selection / appointment

For the purpose of selection of the Managing Director or Whole Time Director, the Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendation, if any, received from any member of the Board. The Committee will also ensure that the incumbent fulfills such other criteria with regard to age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

D. Remuneration for the Chairman/ Managing Director or Whole Time Director

- a) At the time of appointment or re-appointment, the Chairman, Managing Director or Whole Time Director may be paid such remuneration as may be mutually agreed between the Companies (which includes the nomination & Remuneration Committee and the Board of Directors) and the Chairman, Managing Director or Whole Time Director within the overall limits prescribed under the Companies Act, 2013.

- b) The remuneration shall be subject to the approval of the Members of the Company in General Meeting.
- c) The remuneration of the Chairman, Managing Director or Whole Time Director may be broadly divided into fixed and variable components. The fixed component shall comprise salary, allowances, perquisites, amenities and retrial benefits. The variable component shall comprise performance bonus.
- d) In determining the remuneration (including the fixed increment and performance bonus) the Committee shall ensure / consider the following:
 - the relationship of remuneration and performance benchmarks is clear;
 - balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals;
 - Responsibility required to be shouldered by the Managing Director or Whole Time Director, the industry benchmarks and the current trends.

(xv) Remuneration Policy for the Senior Management Employees

In determining the remuneration of the Senior Management Employees (i.e. KMPs and senior officers just below the board level) the Committee shall ensure / consider the following:

- the relationship of remuneration and performance benchmark is clear;
- the balance between fixed and incentive pay reflecting short and long term performance objectives, appropriate to the working of the Company and its goals;
- the remuneration is divided into two components viz. fixed component comprising salaries, perquisites and retirement benefits and a variable component comprising performance bonus;
- The remuneration including annual increment and performance bonus is decided based on the criticality of the roles and responsibilities, the Company's performance *vis-à-vis* the annual budget achievement, individuals' performance and current compensation trends in the market.

The Chairman, Managing Director or Whole Time Director will carry out the individual performance review based on the standard appraisal matrix and shall take into account the appraisal score card and other factors and thereafter shall recommend the annual increment and performance incentive to the Committee for its review and approval.

(xvi) Performance Evaluation

In terms of SEBI (Listing Obligations and Disclosure Requirements) (Third Amendment) Regulations, 2018, a company undergoing CIR Process is not required to comply with the requirement of conducting evaluation of the independent directors. Therefore, subsequent to commencement of the CIR process the evaluation of the independent directors of the Company was not required to be carried out under the provisions of the Regulation 17(10) of the SEBI LODR Regulations. Further, in accordance with Rule 8(4) of Companies (Accounts) Rules, 2014, the board of directors of a company are required to evaluate its own performance and that of its committees and individual directors. However pursuant to commencement of the CIR process, the powers of the board of directors stand suspended and are exercised by the interim resolution professional or the resolution professional, as the case may be, in accordance with the provisions of the Code.

5. Independent Directors :

The Company has complied with the definition of Independence as per SEBI (LODR) Regulations, 2015 and according to the Provisions of section 149(6) Companies Act, 2013. The Company has also obtained declarations from all the Independent Directors pursuant to section 149 (7) of the Companies Act, 2013.

The Company issued formal letters of appointment to Independent Directors in the manner as provided in the Companies Act, 2013. The appointment letters of Independent Directors has been placed on the Company's website at <http://arssgroup.in/IndependantDirectors.html>

In the course of the financial year under review, Pursuant to commencement of the CIR process of the Company, the powers of the Board stand suspended and are exercised by the interim resolution professional or resolution professional,

as the case may be, in accordance with the provisions of the Code. The requirement of appointing women director under the Companies Act, 2013 and the rules framed thereunder is not maintainable on account of suspension of the powers of the Board of the Company. Further, in terms of the SEBI LODR Regulations, a company undergoing CIR process is not required to comply with Regulation 17(1)(a) of the SEBI LODR Regulations dealing with the requirement of appointing a women director on the board of a listed company.

Recently, SEBI vide its notification dated 9th May, 2018 has amended Regulation 17 of SEBI (LODR), 2015 effective from 1st April, 2019. In view of the same Company is also complying the recent amendments in Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018.

(i) Training & Induction of Independent Directors:

Whenever new Non-executive and Independent Directors are inducted in the Board they are introduced to our Company's culture through appropriate orientation session and they are also introduced to our organization structure, our business, constitution, board procedures, our major risks and management strategy.

(ii) Performance Evaluation of non-executive and Independent Directors

The Board evaluates the performance of Non-executive and Independent Directors every year. All the Non-executive and Independent Directors are eminent personalities having wide experience in the field of business, industry and administration. Their presence on the Board is advantageous and fruitful in taking business decisions.

(iii) Independent Directors Meeting

In view of the Company continuing to remain under CIRP, No Independent Directors Meetings were held during the financial year 2022-23.

(iv) Familiarisation Programme of Independent Directors

At the time of appointing a Director, a formal letter of appointment is issued to the concerned director. Each newly appointed Independent Director is taken through a formal familiarisation program providing information relating to the Company, Business Divisions, industry, business model of the Company, geographies in which Company operates, etc. The programme also provides awareness to the Independent Directors on their roles, rights, responsibilities towards the Company. Further, the Familiarisation Programme also provides information relating to the financial performance of the Company and budget and control process of the Company.

The Director is also explained in detail the compliance required from him under the Companies Act, 2013, SEBI LODR Regulations, and other relevant regulations and affirmation taken with respect to the same.

As required under Schedule V of SEBI LODR Regulations, the following web link will provide details of familiarisation programmes imparted to Independent Directors. <http://arssgroup.in/PDF/ArssPolicy/Familiarisation%20Programme%20of%20the%20Independent%20Directors.pdf>

(v) Board Committees:

The terms of reference of Board Committees are determined by the Board from time to time. Presently the Company has four committees i.e Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee and Corporate Social Responsibility Committee. All the decisions pertaining to the constitution of the Committees, appointment of members, and fixing of terms of reference for committee members are taken by the Board of Directors. Details on the role and composition of these committees, including the number of meetings held during the financial year and the related attendance, are provided below:

6. Audit Committee:

i) Terms of reference:

The terms of reference of the Audit Committee are in conformity with the requirements of Regulation 18 of SEBI (LODR) Regulations, 2015 and Section 177(4) of the Companies Act, 2013. Further, the Audit Committee has powers which are in line with the SEBI Listing Regulations. The Audit Committee reviews the audit reports submitted by the Auditors, financial results, effectiveness of internal audit processes and the Company's risk management strategy. It reviews the Company's established systems and governed by a Charter which is in line with the regulatory requirements mandated by the Companies Act, 2013 and SEBI Listing Regulations.

ii) Composition, Name of Members and attendance during the year:

b) Details of non-compliance by the Company, penalties, and strictures imposed on the Company by the stock exchange or SEBI or any other Statutory Authority, on any matter related to Capital Markets, during the last three years.

There were no instances of non-compliances nor have any penalties, strictures been imposed by Stock Exchanges or SEBI or any other statutory authority during the last three years on any matter related to the capital markets, except – (i) The SEBI vide its Order no WTM/AB/IVD/ID19/47675/2021-22 dated 25.11.2021 has debarred to the Company and executive director/KMP (Mr. Subash Agarwal, Mr. Rajesh Agarwal and Mr. S. K. Pattanaik) from accessing the securities market and further prohibited from buying, selling or otherwise dealing in securities, directly or indirectly, or being associated with the securities market in any manner, whatsoever, for a period of one year, from the date of coming into force of this order i.e. 25.11.2021; and Non executive director were restrained for six months. The SEBI also levied the penalty to the Company INR 25 lacs, to the executive directors INR 7.50 lacs each, to S. K. Pattanaik (CFO) INR 3 lacs and to non executive directors INR 1.50 lacs each. However the Directors and KMP has applied for appeal to Securities Appellate Tribunal, Mumbai (SAT) by depositing the equivalent amount of fine with SAT and a stay order was passed by SAT against SEBI order. SAT after opportunity of being heard passed an order dated 11.04.2023 stating that there is no disproportionate gain to anyone nor created any unfair advantage to the appellant nor any specific loss was caused to any investors and, therefore Tribunal in opinion the direction of debarment and penalty imposed for violation of the LODR Regulations appears to be harsh and excessive and they direct that period undergone towards debarment by the appellants is sufficient for the aforesaid violation. Penalties imposed upon the independent directors who had no role to play cannot be justified. Consequently, the penalty was set aside and Hon'ble Tribunal also reduce the penalty imposed upon Mr. Subash Agarwal and Mr. Rajesh Agarwal from INR 7.5 lakh each to INR 4 lakh each and for the appellant Mr. Soumendra Keshari Pattanaik, the penalty is reduced from INR 3 lakh to INR 1 lakh.

 - (g) The Securities and Exchange Board of India(Delisting of Equity Shares) Regulations, 2021 (Not Applicable during the period under review);and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (Not Applicable during the period under review);
- (vi) The Employees Provident Fund and Miscellaneous Provisions Act, 1952 and other applicable Labour Laws:

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India.
- (ii) The new Listing Agreement under SEBI (LODR) Regulations, 2015 entered into by the Company with Bombay Stock Exchange Limited on 2nd day of December, 2015 & National Stock Exchange of India Limited on 2nd day of December, 2015.

During the period under review the company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc., mentioned above.

We further report that, there are various pending legal cases by and against the Company, the impact & contingency of which are not reasonably ascertained in our Report. However after initiation of CIRP against the Company, moratorium has been granted to the Company.

We further report that, after initiation of CIRP against the meeting, Resolution Professional was appointed and COC was formed. The COC meetings were held to consider the Resolution Plan. During the period under review thirteen meetings of COC was held to consider and approve the resolution plan. Voting for the resolution plan started on 30.11.2022 and ended on 04.01.2023 and the Resolution Plan submitted by Ocean Capital Market Limited was approved by COC with 76.67 % majority.

Hon'ble NCLT, Cuttack bench rejected the resolution plan in its order pronounced on 18th April, 2023 and ordered for liquidation of the Company.

The Resolution Applicant has moved against the order of NCLT, Cuttack bench and filed an appeal before NCLAT, New Delhi. Hon'ble NCLAT, New Delhi in its order dated 09/08/2023 has set aside the liquidation order of NCLT, Cuttack bench, and passed order to place an addendum to the Resolution Plan before COC and in the event if addendum is approved by COC then RP shall place the Resolution Plan as well as addendum for approval before adjudication authority for their consideration expeditiously.

We further report that the concern directors and CFO of the Company had filed an appeal before Securities Appellate Authority, Mumbai against the order of SEBI dated 25.11.2021 debaring the Company and the Directors from accessing stock market and imposing penalty. The Securities Appellate Authority, Mumbai in its order pronounced on 11/04/2023 has lifted the debarment from accessing Stock market and reduced the penalty imposed by SEBI on Mr. Subash Agarwal, Mr. Rajesh Agarwal and Mr. S. K Pattanaik. Further the penalty imposed on Independent directors has been set aside by the SAT. After initiation of CIRP against the Company, moratorium has been granted to the Company, hence the Company has not filed any appeal against the SEBI order.

We further report that the Compounding applications under various provisions of the Companies Act, have been filed with Registrar of Companies and Regional Director, Eastern Regions. The applications are not yet disposed off.

We further report that The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. **However the Company does not have a Woman Independent Director.** Now since the Board has been suspended, no appointment of Director can be made. After initiation of CIRP against the Company, moratorium has been granted to the Company.

The Directors have complied with the disclosure requirements in respect of their eligibility of appointment, there being independent and compliance with the Code of Business Conduct & Ethics for Directors and Management Personnel;

Since the Board has been suspended, no board meetings were held during the year. The quarterly results are approved by Resolution Professional in valid called and held meetings.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31-Mar-2023

[Pursuant to Rule 24A of SEBI (LODR) (Amendment) Regulations 2018]

To,
 The Members
ARSS Damoh – Hirapur Tolls Private Limited
 Plot No. 38, Sector A, Zone D,
 Mancheswar Industrial Estate,
 Bhubaneswar -751 010.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by ARSS Damoh – Hirapur Tolls Private Limited, (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minutes books, forms, and returns filed and other records maintained by the Company and also the information provided by the company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2023 complied with the statutory provisions listed hereunder and also that the company has proper Board-processes listed and compliance –mechanism in place to the extent in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms, and returns filed and other records maintained by ARSS Damoh – Hirapur Tolls Private Limited ("the company") for the financial year ended on 31st March, 2023 according to the provisions of:

- (i) The Companies Act , 2013 (the Act) and the rules made thereunder :
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder (not applicable to the Company);
- (iii) The Depositories Act , 1996 and the Regulations and Bye-laws framed thereunder (not applicable to the Company);
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; (not applicable to the Company during the period under review)
- (v) The Regulations and Guidelines prescribed under the Securities and Exchange Board of India , 1992 ('SEBI Act') (are not applicable to the Company as it is a Private Limited Company):-

We have also examined compliance with the applicable clauses of the following:

- (a) Secretarial Standards issued by the Institute of Company Secretaries of India.

During the period under review the company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc., mentioned above;

We further report that, there are various pending legal cases by and against the Company, the impact & contingency of which are not reasonably ascertained in our Report.

We further report that, Form for appointment of Directors was filed after due date with payment of additional fees.

We further report that, there has been no commercial activities in the Company since last few years and therefore there has been no regular employees working under it. Hence the company has not been depositing any amount in Provident Fund towards employer as well as employee contributions.

We further report that, enquiry of books of accounts of the Company under the provisions of Section 206 of the Companies Act, 2013 was done by the Registrar of Companies, Cuttack. As per their findings, they have initiated prosecution against the Company, Mr. S. K. Pattanaik (CFO) of the Company and its Statutory Auditor for violation of Section 137 and Section 129 of the Companies Act, 2013. The prosecution has been initiated for the financial statement not depicting true and fair view and also the

Cash Flow statement is not showing true and fair view of the transactions of the Company. The company, CFO and Statutory Auditors have filed compounding application before the Regional Director, Eastern Region, Kolkata. The hearing of compounding application is yet to be complete. Therefore the impact on the Company is not reasonably ascertained in our Report.

We further report that The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

The Directors have complied with the disclosure requirements in respect of their eligibility of appointment, there being independent and compliance with the Code of Business Conduct & Ethics for Directors and Management Personnel.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board meetings are generally carried unanimously and dissenting members' views, if any are captured and duly recorded in the minutes Book.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

This report is to be read with our letter of even date which is annexed as Annexure A and form an integral part of this report.

Basis for Qualified Opinion

- a) In absence of relevant records, Contract-wise surplus/loss has neither been ascertained nor recognized in compliance with IND AS-115 'Revenue from contract with customers.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company’s Annual Report, but does not include the financial statements and our auditors’ report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if,

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Evaluate the appropriateness and reasonableness of disclosures made by the management and Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- v. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- vi. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- vii. Obtain sufficient appropriate audit evidence regarding the Standalone Financials Results of the Company to express an opinion on the Standalone Financial Results.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure-A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:
- a. We have sought and obtained, except for the matter described in the sub para 'a' of the 'Basis for Qualified Opinion' paragraph above, all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. Except for the possible effect of the matter described in the 'Basis for Qualified Opinion' paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. Except for the possible effect of the matter described in the 'Basis for Qualified Opinion' paragraph above, in our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-B".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 9 and Note 57 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act; in our opinion and according to the information and explanations given to us, no remuneration has been paid by the Company to its Director during the current year.

Other Matters

1. The figures for the quarter ended March 31, 2023 and the corresponding quarter ended in the previous year as reported in the Statements are the balance figures between audited figures in respect of the full financial year ended on March 31, 2023 / March 31, 2022 and the published year to date figures upto the end of the third quarter of the current year and previous financial year respectively. Also, the figures up to the end of the third quarter of the current year and previous financial year had only been reviewed by us as required under the Listing Regulations and not audited.
2. These results are based on the audited standalone financial statements of the company for the year ended March 31, 2023 on which we issue a Qualified audit opinion vide our Audit report dated May 24, 2023.

‘Annexure A’ to the Independent Auditors’ Report

Referred to in paragraph 1 under ‘Report on other legal and regulatory requirements’ section of our report to the members of **ARSS Infrastructure Projects Limited** of even date:

1. In Respect of Property Plant & Equipment

- a. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right of use assets.
 - b. The Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all the assets in phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c. Based on our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - d. The Company has not revalued any of its Property, Plant and Equipment (including right to use assets) and intangible assets during the year.
 - e. No proceedings have been initiated during the year or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
2. The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. According to the information and explanations given to us, no material discrepancies were noticed on such verification, discrepancies of less than 10% in aggregate for each class of inventory were noticed.
 3. The Company has not availed working capital limit in excess of ₹ 5 Crore during the year, in aggregate from banks and financial institution on the basis of security of current assets.
 4. The Monthly Statements have not been filed as the financial creditors have moved to NCLT court and their application has been accepted by the Hon’ble court and RP has been appointed for the company and now all powers have been vested in RP.
 5. According to the information and explanations given to us, the company has granted loan, secured or unsecured to Companies, firms, limited liability partnerships or other parties covered in the register required under section 189 of the Companies Act, 2013.

 - b. In the case of the loans granted to the body corporate listed in the register maintained under section 189 of the Act, the borrowers have not been regular in the payment of the interest, if any applicable; and repayment of principal on demand. The terms of arrangements do not stipulate any repayment schedule and the loans are repayable on demand.
 - c. There is no overdue amount for more than 90 days in respects of the loan granted to body corporate listed in the register maintained under section 189 of the Act.

6. In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security given to directors or any other person in whom the director is interested.
7. In our opinion and according to the information and explanations given to us, the company has not accepted any deposits and accordingly paragraph 3 (v) of the order is not applicable.
8. As informed to us, the maintenance of Cost Records is applicable to company based on required criteria for applicability on the company under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company. We have broadly reviewed the books of account and other records maintained by the company relating to utilisation of Material, Labour and other items of cost as applicable for manufacturing under the section sub-section (1)(d) of Section 148 of the Act and the rules made there under. As in our opinion prima facie the required records have been maintained, however we have not made detailed examination of such accounts and records.
9. In respect of statutory dues:
- According to information and explanation given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, goods and service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues have been generally regularly deposited during the year by the company with the appropriate authorities.

‘Annexure – B’ to the Independent Auditor’s Report

[Referred to in paragraph 2(f) under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the standalone financial statements of the Company for the year ended March 31, 2023.]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/s. ARSS Infrastructure Projects Limited** (‘the Company’), as of 31 March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles including Ind AS. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles including Ind AS, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended 31st March, 2023

1) Company Overview

ARSS infrastructure Projects Limited (the Company) is a Public Limited Company incorporated and domiciled in India. The Company has its primary listings on the BSE Limited and National Stock Exchange of India Limited, in India. The Company is engaged in execution of contracts of various infrastructure projects including road work, bridge work, railway tracking and irrigation projects.

2) SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation

(i) Compliance with Ind AS :

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

(ii) Historical cost convention :

The financial statements have been prepared under the historical cost convention, except for the following:

- a) Certain financial assets and liabilities that is measured at fair value;
- b) Net Defined Obligations
- c) Assets held for sale

(iii) Current And Non -Current Classification

All assets and liabilities have been classified as current and non-current as per the Company's operating cycle and other criteria set out in the Division II of Schedule III to the Companies Act 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classifications.

2.2 Property, plant and equipment, Intangible Assets and Capital Work-in-progress

i) Recognition and Measurement

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the assets's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted as a separate asset is derecognized when replaced. All other repairs and maintainance are charged to profit and loss during the reporting period in which they are incurred.

The cost of Property, plant and equipment not available for use as on each reporting date are disclosed under capital work-in-progress.

ii) Depreciation methods, estimated useful lives and residual value

- a) Depreciation is calculated using the Straight Line Method (SLM) to allocate their cost, net of their residual values over their estimated useful life. The useful life has been determined based on the technical evaluation done by the independent experts.
- b) Any asset whose aggregate actual cost does not exceed five thousand rupees has been fully charged off in the year of addition.
- c) The residual values are not more than 3% (in case of vehicles) and 5% (in fixed assets other than vehicles) of the original cost of the assets. The assets's residual values and useful life are reviewed and adjusted at the end of each reporting period.
- d) Depreciation on assets purchased/acquired during the year is charged from the date of purchase of the assets. Assets that are acquired during the year are depreciated on pro rata basis from the date of such addition or, as the case may be, upto the date on which such assets has been derecognized.
- e) An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

- f) Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).
- g) Leasehold land has been amortized over corresponding lease period.

2.3 Revenue recognition :

The Company account for revenue from a contract with a customer only when all of the following criteria are met:

- i) the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;
- ii) the Company can identify each party's rights regarding the goods or services to be transferred;
- iii) the Company can identify the payment terms for the goods or services to be transferred;
- iv) the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and.
- v) it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer.

2.4 Other Incomes

- i) Insurance claims has been recognized as revenue on cash basis.
- ii) Dividends shall be recognised as revenue when the shareholder's right to receive payment is established.
- iii) Interest shall be recognised as revenue using the effective interest method as set out in Ind AS 109.
- iv) Revenue other than above is recognised only when it is probable that the economic benefits associated with the transaction will flow to the entity. However, when an uncertainty arises about the collectibility of an amount already included in revenue, the uncollectible amount or the amount in respect of which recovery has ceased to be probable is recognised as an expense, rather than as an adjustment of the amount of revenue originally recognised.

2.5 Inventories :

Raw materials, Stores and spares, Semi-finished goods, traded and finished goods

Inventories are valued as under –

- i) Raw materials, Stores spares, loose tools and Erection materials are valued at cost or net realisable value;
- ii) Finished goods are stated at lower of Cost or Net Realisable Value; and
- iii) Saleable scraps, whose cost is not identifiable, are valued at estimated realisable value.
- iv) Cost of raw materials and stores comprises cost of purchase. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition.
- v) Net realizable value is the estimated selling price in the ordinary course of business after deduction of the estimated cost of completion and the estimated costs necessary to make the sale.

2.6 Financial Instruments

Financial assets and liabilities are recognized when the company becomes a party to the contractual provisions of the instrument.

Financial Assets

(i) Trade Receivables

Trade Receivables are recognized initially at fair value and subsequently measured at amortized costs less provisions for impairment.

(ii) Other Financial Assets

a) Classifications

The Company classifies its financial assets into the following categories:

#Those to be measured subsequently at fair value (either through other comprehensive income or through profit and loss)

#Those measured at amortized costs

The classification depends upon the business model for managing the financial assets and contractual characteristics of the cash flows.

b) Measurements

Initial Recognition:

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognized in profit or loss.

Subsequent Measurement:

There are three subsequent measurement categories into which the company classifies its debt instrument financial assets:

measured at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

measured at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income, if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

measured at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or fair value through other comprehensive income on initial recognition.

Equity instruments :

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognised at the proceeds received net off direct issue cost.

All equity instruments classified under financial assets are subsequently measured at fair value. The Company has made an irrevocable election at the time of initial recognition to account for the equity instrument at fair value through other comprehensive income.

c) Impairment of Financial Assets :

The Company assesses on forward looking basis the expected credit losses associated with its assets carried at amortized costs. The impairment methodology applied depends on whether there has been a significant increase in credit risks.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109, "Financial Instruments", which requires expected life time losses to be recognized from initial recognition of the receivables.

d) Derecognition of Financial Assets :

A financial asset is derecognized only when :

The company has transferred the rights to receive cash flows from the financial assets or retains the contractual rights to receive the cash flows of the financial assets but assumes a contractual obligation to pay the cash flows to one or more recipients.

2.7 Financial Liabilities

i) Borrowings :

a) Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method.

b) Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been

extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

- c) Borrowings are classified as current liabilities unless the entity has an unconditional right to defer, settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

ii) Trade and other payables :

These amounts represent liabilities for goods and services provided to the entity prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 45 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortized cost using the effective interest method.

iii) Other Financial Liabilities

Financial liabilities are measured at amortized cost using effective interest method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Interest bearing loans and borrowings are subsequently measured at amortized cost using effective interest rate method. Gain and losses are recognized in profit and loss when the liabilities are derecognized.

iv) Offsetting of Financial Instruments:

A financial asset and a financial liability shall be offset and the net amount shall be presented in the balance sheet when, and only when, an entity:

- (a) currently has a legally enforceable right to set off the recognised amounts; and
- (b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

2.8 Employee benefits :

(i) Short-term employee benefit obligations

Liabilities for wages and salaries, including non-monetary benefits, that are expected to be settled wholly within 12 months, after the end of the period, in which the employees render the related service, are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

All Short term employee benefits such as salaries, incentives, special award, medical benefits which fall due within 12 months of the period in which the employee renders related services, which entitles him to avail such benefits and non accumulating compensated absences (like maternity leave and sick leave) are recognized on an undiscounted basis and charged to Profit and Loss Statement.

(ii) Post-employment obligations

The entity operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity, Super annuation and
- (b) defined contribution plans such as provident fund.

Provident fund obligations

Contribution to the provident fund, which is a defined contribution plan, made to the Regional Provident Fund Commissioner is charged to the Profit and loss Statement on accrual basis.

Gratuity obligations

The liability or assets recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligations denominated in INR is determined by discounting the estimated future cash flows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the term of related obligations.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expenses in statement of profit and loss.

Re-measurements gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

2.9 Foreign currency translation :

(i) Functional and presentation currency

Each items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions i.e. Revenue, expense and cash-flow items denominated in foreign currencies are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Non monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. Translation differences on assets and liabilities carried at fair value are reported as part of fair value gain or loss.

2.10 Income tax :

- i. The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.
- ii. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.
- iii. Current income tax expense comprises taxes on income from operations in India and is determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) is paid in accordance with the tax laws, which gives rise to future economic benefits in the form of tax credit against future income tax liability. The Company offsets on a year on basis, the current tax assets and liabilities, where it intends to settle such assets and liabilities on a net basis. The current tax expense recognized in the financial statements is net off MAT credit utilized during the period.
- iv. Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.
- v. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.
- vi. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.
- vii. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.11 Cash and cash equivalents :

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of twelve months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

2.12 Borrowing costs :

- i) General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.
- ii) Other borrowing costs are expensed in the period in which they are incurred.

2.13 Provisions & Contingent Liabilities:

- i) A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. Contingent assets are not recognized.
- ii) Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

2.14 Contributed equity :**i) Equity:****Equity shares are classified as equity.**

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

ii) Dividends :

Provisions is made for any amount of dividend declared , being appropriately authorized and no longer at the discretion of the entity, on or before the end of reporting period but not distributed at the end of the reporting period.

2.15 Earning Per Share**i) Basic Earning Per Share**

Basic Earning Per Share is calculated by dividing the profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year.

ii) Diluted Earning Per Share

Diluted Earning Per Share adjusts the figures used in the determination of the basic earning per share to take into account the after income tax effect of interests or other finance costs associated with the dilutive potential equity shares and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.16 Segment Reporting

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. The Company's operations predominantly relate to providing end-to-end business solutions to enable clients to enhance business performance. Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments. Accordingly, information has been presented both along business segments and geographic segments. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments, and are as set out in the significant accounting policies.

Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment. Revenue for “all other segments” represents revenue generated from customers located in India. Allocated expenses of segments include expenses incurred for rendering services. Certain expenses such as depreciation, which form a significant component of total expenses, are not specifically allocable to specific segments as the underlying assets are used interchangeably. Management believes that it is not practical to provide segment disclosures relating to those costs and expenses, and accordingly these expenses are separately disclosed as “unallocated” and adjusted against the total income of the Company.

Assets and liabilities used in the Company’s business are not identified to any of the reportable segments, as these are used interchangeably between segments. Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

Geographical information on revenue and business segment revenue information is collected based on individual customers invoiced or in relation to which the revenue is otherwise recognized.

2.17 Rounding of amounts :

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Division II of Schedule III to the Act, unless otherwise stated.

3) Recent Accounting Pronouncement :

Accounting Pronouncement Issued but not effective :

i) Ind AS 116 Leases :

Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019.

On completion of evaluation of the effect of adoption of Ind AS 116, the Company is proposing to use the ‘Modified Retrospective Approach’ for transitioning to Ind AS 116, and take the cumulative adjustment to retained earnings, on the date of initial application (April 1, 2019). Accordingly, comparatives for the year ended March 31, 2019 will not be retrospectively adjusted. The Company has elected certain available practical expedients on transition.

ii) Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments:

Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible methods of transition - i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives.

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives.

The effect on adoption of Ind AS 12 Appendix C would be insignificant in the standalone financial statements.

iii) Amendment to Ind AS 12 – Income taxes

On March 31, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, ‘Income Taxes’, in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the

income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the standalone financial statements.

iv) Amendment to Ind AS 19 – plan amendment, curtailment or settlement-

Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

4) Critical Estimates and Judgements:

i) Use of Estimates :

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

ii) Critical Accounting Estimates :

a) Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life is based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

b) Income Taxes :

The Company's major tax jurisdictions is India. Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

c) Defined benefit obligation

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

d) Impairment of trade receivables

The Company estimates the uncollectibility of accounts receivables by analysing historical payment patterns, customer concentrations, customer credit worthiness and current economic trends. If the financial condition of customer deteriorates, additional allowances may be required.

NOTE 41 : Risk exposure of Defined Benefits Obligations

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility :

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is maintained with LIC India. These are subject to interest rate risk and the fund manages interest rate risk to minimize risk to an acceptable level.

Changes in Bond yields :

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plan funds maintained with the SBI Life.

Inflation risks :

In the gratuity plans, the payment are not linked to inflation, so there is less material risk.

(ii) Fair value hierarchy:

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are

- recognized and measured at fair value, and
- measured at amortized cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the Ind AS 113 "Fair Value Measurements ". An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value - recurring fair value measurements At March 31, 2023	Level 1	Level 2	Level 3	Total

Level 1 : This hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments(including bonds) which are traded in the stock exchange is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2 :Fair value of financial instruments that are not traded in an active market (for example, traded bonds, over the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument as observable, the instrument is included in level 2.

Level 3 : If one or more of the significant inputs is not based on observable data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification assets.

(iii) As per Ind AS 107 “Financial Instrument: Disclosure”, fair value disclosures are not required when the carrying amounts reasonably approximate the fair value. Accordingly fair value disclosures have not been made for the following financial instruments:-

1. Trade receivables
2. Cash and cash Equivalent

3. Loans
4. Borrowings
5. Trade payables
6. Capital creditors
7. Other payables

Note No. 53 : Financial risk management

The company's few portion of activities are exposed to variety of financial risks i.e. market risk, credit risk and liquidity risk. The company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk :

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables and other financial instruments, financial assets measured at amortized cost.	Ageing analysis Credit rating	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

(A) Credit risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily trade receivables from customers other than government entities. These Trade receivables are typically unsecured and are derived from revenue earned from domestic and foreign customers. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the company uses expected credit loss model to assess impairment loss or gain. the company uses a matrix to compute the expected credit loss allowance for trade receivable.

Credit risk management

Credit risk is managed on instrument basis. For Banks and financial institutions, only high rated banks /institutions are accepted. For other financial instruments, the company assesses and maintains an internal credit rating system. The finance function consists of a separate team who assess and maintain internal credit rating system.

(B) Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the company treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at local level in accordance with practice and limits set by the company. These limits vary by locations to take into account the liquidity of the market in which the entity operates. In addition, the company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Note No. 54: Capital management**(a) Risk management**

The company's objectives when managing capital are to;

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders; and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return on capital to shareholders or issue new shares. The company monitors capital using gearing ratio, which is net debt divided by total Equity. Net debt comprises of long term and short term borrowings less cash and bank balances. Equity includes equity share capital and reserves that are managed as capital. The gearing at the end of reporting period was as follows:

(₹ in Lakhs)		
Particulars	As at March 31, 2023	As at March 31, 2022

NOTE - 65**Recognition of Corporate Guarantee as Financial Liability**

Financial guarantee is a contractual right of the lender to receive cash from the guarantor, and a corresponding contractual obligation of the guarantor to pay the lender, if the borrower defaults. The contractual right and obligation exist because of a past transaction or event (assumption of the guarantee), even though the lender's ability to exercise its right and the requirement for the guarantor to perform under its obligation are both contingent on a future act of default by the borrower. A contingent right and obligation meet the definition of a financial asset and a financial liability, even though such assets and liabilities are not always recognized in the financial statements. Based on the measurement principles laid down under Ind AS 109 "Financial Instrument :Recognition and Measurement", the fair value of all those financial guarantee contracts reasonable below to the materiality threshold limit set by the company. Accordingly the entity has made appropriate disclosure in Note 54 without additionally recognizing any financial assets or liability.

Reg.No IBBI/IPA-001/IP-P00793/2017-18/11360)

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of **ARSS Infrastructure Projects Limited** ("the Company"), which comprise the Balance Sheet as at March 31st, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements") being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (Listing Regulations).

The Hon'ble National Company Law Tribunal, Cuttack Bench (NCLT) under the provisions of the Insolvency and Bankruptcy Code, 2016 has admitted the petition of the Financial Creditors vide the order no. CP(IB) No. 34/CB/2021 dated November 30, 2021. Pursuant to the order, the powers of the Board of Directors stand suspended and are vested with Mr. Uday Narayan Mitra (having Reg. No IBBI/IPA-001/IP-P00793/2017-18/11360), has been appointed as Resolution Professional (RP). In view of the on-going CIRP and suspension of powers of Board of Directors and as explained to us, the powers of adoption of the statements vests with RP.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate audited Financial statements / financial information of the Subsidiaries / Joint Ventures, the aforesaid Consolidated financial results:

- a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard.
- b. except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities as at March 31st, 2023, the consolidated loss, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

1. In absence of relevant records, Contract-wise surplus/loss has neither been ascertained nor recognized in compliance with Ind AS-115 'Revenue from contract with customers'.
2. In the absence of audited books of accounts of ARSS-SIPS JV, ARSS-Technocom Priyashi Aashi JV, ARSS-BMS JV, ARSS-KKMPL JV and ARSS-NTLLP JV, financial data from these entity have not been included in consolidation of financial statements

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the group, its associates and jointly controlled entities in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter:	How our audit addressed the key audit matter:
<p>1. Claim receivable amounting to ₹ 122490.10 Lakhs are under dispute/ arbitration. Same are subject to the outcome of arbitration and/ or reconciliation proceedings arising out of various contractual obligations. Recognition and measurement of the same is based on management evaluation. [Refer note to Note 9: Other Financial Assets]</p>	<ul style="list-style-type: none"> ➤ Evaluate the reasonableness of management’s assessment and judgement considering the relevant sector and industry specific phenomenon. ➤ Assessed the individual project wise and case wise outstanding claim receivable. ➤ Discussed the status of significant arbitration claims with the Company’s in house legal counsel and other senior management personnel and assessing their responses. ➤ Verified documentation of claim receivable under arbitration. ➤ Checked the arithmetical accuracy of the essential calculations of the management estimate and judgement. ➤ Reviewed the adequacy of disclosures made in the financial statements with this regard. ➤ Based on the above procedures performed by us, we considered the management’s assessment of recoverability of claims receivable to be reasonable.

Emphasis of Matter Paragraph:

We draw attention to para - 2 of the statement, Corporate Insolvency Resolution Process under section-7 of the Insolvency and Bankruptcy Code 2016 has been initiated against the company by State Bank of India (Financial Creditor) has been admitted against the company vide the order no. CP(IB) No. 34/CB/2021 dated November 30, 2021 of the Hon’ble National Company Law Tribunal, Cuttack Bench (NCLT) under the provisions of the Insolvency and Bankruptcy Code, 2016. Pursuant to the order, the powers of the Board of Directors stand suspended and are vested with Mr. Uday Narayan Mitra (having Reg. No. IBBI/IPA-001/IP-P00793/2017-18/11360), has been appointed as Resolution Professional (IRP). The Company continues to operate as a going concern.

In case of M/s. ARSS Damoh-Hirapur Tolls Private Limited, the capital work in progress valued at ₹ 66.95 crores (P/Y ₹ 66.95 Crores) has now been classified into ‘ Other Current Assets’ as the company’s claim was pending with MPRDC authority. So therefore, there is no need of verification of Capital Work in Progress.

Our opinion is not modified in respect of the above matter.

Information Other than the Consolidated Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company’s Annual Report, but does not include the financial statements and our auditors’ report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the state of affairs, consolidated financial position, consolidated profit or loss, consolidated financial performance including consolidated other comprehensive income, consolidated changes in equity and consolidated cash flows of the group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, the respective board of directors of the company included in the group are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors are also responsible for overseeing the Financial reporting process of the group.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary which are incorporated in India has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Evaluate the appropriateness and reasonableness of disclosures made by the management and Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
5. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group to cease to continue as a going concern.

6. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
7. Obtain sufficient appropriate audit evidence regarding the financial information of the entity or business activities of the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure-A' of Standalone Independent Auditors Report a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained, except for the matter described in the sub para '1 to 2' of the 'Basis for Qualified Opinion' paragraph above, all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. Except for the possible effect of the matter described in the 'Basis for Qualified Opinion' paragraph above, in our opinion, proper books of account as required by law relating to preparation of the consolidated statement have been kept by the Company so far as it appears from our examination of those books.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. Except for the possible effect of the matter described in the 'Basis for Qualified Opinion' paragraph above, in our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors of the company and its subsidiaries incorporated in India and reports of the statutory auditors of the subsidiary company incorporated in India, none of the directors of group incorporated in India is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and its subsidiary company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure-A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.

- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its Consolidated Financial Position in its Financial Statements – Refer Note 9 and Note 57 to the Consolidated Financial Statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its subsidiaries incorporated in India.
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act; in our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.

Other Matters

The figures for the quarter ended March 31, 2023 and the corresponding quarter ended in the previous year as reported in the Statements are the balance figures between audited figures in respect of the full financial year ended on March 31, 2023 / March 31, 2022 and the published year to date figures upto the end of the third quarter of the current year and previous financial year respectively. Also, the figures up to the end of the third quarter of the current year and previous financial year had only been reviewed by us as required under the Listing Regulations and not audited.

These results are based on the audited consolidated financial statements of the company for the year ended March 31, 2023 on which we issue a Qualified audit opinion vide our Audit report dated May 24, 2023.

‘Annexure – A’ to the Independent Auditor’s Report

[Referred to in paragraph 2(f) under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the Consolidated Financial Statements of the Company for the year ended March 31, 2023.]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of **M/s. ARSS Infrastructure Projects Limited** (‘the Company’), and its subsidiary company which are incorporated in India as of 31 March 2023.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the company and its subsidiary Companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles including Ind AS. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles including Ind AS, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

All assets and liabilities have been classified as current and non-current as per the Company's operating cycle and other criteria set out in the Division II of Schedule III to the Companies Act 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classifications.

2.2 Property, plant and equipment, Intangible Assets and Capital Work-in-progress

i) Recognition and Measurement

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the assets's carrying amount or recognized as a separate asset ,as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted as a separate asset is derecognized when replaced. All other repairs and maintainance are charged to profit and loss during the reporting period in which they are incurred.

The cost of Property, plant and equipment not available for use as on each reporting date are disclosed under capital work-in-progress.

ii) Depreciation methods, estimated useful lives and residual value

- a) Depreciation is calculated using the Straight Line Method (SLM) to allocate their cost ,net of their residual values over their estimated useful life. The useful life has been determined based on the technical evaluation done by the independent experts.
- b) Any asset whose aggregate actual cost does not exceed five thousand rupees has been fully charged off in the year of addition.

- c) The residual values are not more than 3% (in case of vehicles) and 5% (in fixed assets other than vehicles) of the original cost of the assets. The assets's residual values and useful life are reviewed and adjusted at the end of each reporting period.
- d) Depreciation on assets purchased/acquired during the year is charged from the date of purchase of the assets. Assets that are acquired during the year are depreciated on pro rata basis from the date of such addition or, as the case may be, upto the date on which such assets has been derecognized.
- e) An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.
- f) Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).
- g) Leasehold land has been amortized over coresponding lease period.

2.3 Revenue recognition :

The Company account for revenue from a contract with a customer only when all of the following criteria are met:

- i) the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations;
- ii) the Company can identify each party's rights regarding the goods or services to be transferred;
- iii) the Company can identify the payment terms for the goods or services to be transferred;
- iv) the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and.
- v) it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer.

2.4 Other Incomes

- i) Insurance claims has been recognized as revenue on cash basis.
- ii) Dividends shall be recognised as revenue when the shareholder's right to receive payment is established.
- iii) Interest shall be recognised as revenue using the effective interest method as set out in Ind AS 109.
- iv) Revenue other than above is recognised only when it is probable that the economic benefits associated with the transaction will flow to the entity. However, when an uncertainty arises about the collectibility of an amount already included in revenue, the uncollectible amount or the amount in respect of which recovery has ceased to be probable is recognised as an expense, rather than as an adjustment of the amount of revenue originally recognised.

2.5 Inventories :

Raw materials, Stores and spares, Semi-finished goods, traded and finished goods

Inventories are valued as under –

- i) Raw materials, Stores spares, loose tools and Erection materials are valued at cost or net realisable value;
- ii) Finished goods are stated at lower of Cost or Net Realisable Value; and
- iii) Saleable scraps, whose cost is not identifiable, are valued at estimated realisable value.
- iv) Cost of raw materials and stores comprises cost of purchase. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition.
- v) Net realizable value is the estimated selling price in the ordinary course of business after deduction of the estimated cost of completion and the estimated costs necessary to make the sale.

2.6 Financial Instruments

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument.

Financial Assets

(i) Trade Receivables

Trade Receivables are recognized initially at fair value and subsequently measured at amortized costs less provisions for impairment.

(ii) Other Financial Assets

a) Classifications

The Company classifies its financial assets into the following categories:

- # Those to be measured subsequently at fair value (either through other comprehensive income or through profit and loss)
- # Those measured at amortized costs

The classification depends upon the business model for managing the financial assets and contractual characteristics of the cash flows.

b) Measurements

Initial Recognition:

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets (other than financial assets at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets. The transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are immediately recognized in profit or loss.

Subsequent Measurement:

There are three subsequent measurement categories into which the Company classifies its debt instrument financial assets:

- # measured at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

- ## measured at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income, if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

- ### measured at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or fair value through other comprehensive income on initial recognition.

Equity instruments :

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised at the proceeds received net off direct issue cost.

All equity instruments classified under financial assets are subsequently measured at fair value. The Company has made an irrecoverable erection at the time of initial recognition to account for the equity instrument at fair value through other comprehensive income.

c) Impairment of Financial Assets :

The Company assesses on forward looking basis the expected credit losses associated with its assets carried at amortized costs. The impairment methodology applied depends on whether there has been a significant increase in credit risks.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109, "Financial Instruments", which requires expected life time losses to be recognized from initial recognition of the receivables.

d) Derecognition of Financial Assets :

A financial assets is derecognized only when :

The Company has transferred the rights to receive cash flows from the financial assets or retains the contractual rights to receive the cash flows of the financial assets but assumes a contractual obligation to pay the cash flows to one or more recipients.

2.7 Financial Liabilities

i) Borrowings :

- a) Borrowings are initially recognized at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in profit or loss over the period of the borrowings using the effective interest method.
- b) Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).
- c) Borrowings are classified as current liabilities unless the entity has an unconditional right to defer, settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

ii) Trade and other payables :

These amounts represent liabilities for goods and services provided to the entity prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 45 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortized cost using the effective interest method.

iii) Other Financial Liabilities

Financial liabilities are measured at amortized cost using effective interest method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Interest bearing loans and borrowings are subsequently measured at amortized cost using effective interest rate method. Gain and losses are recognized in profit and loss when the liabilities are derecognized.

iv) Offsetting of Financial Instruments:

A financial asset and a financial liability shall be offset and the net amount shall be presented in the balance sheet when, and only when, an entity:

- (a) currently has a legally enforceable right to set off the recognised amounts; and
- (b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

2.8 Employee benefits :

(i) Short-term employee benefit obligations

Liabilities for wages and salaries, including non-monetary benefits, that are expected to be settled wholly within 12 months, after the end of the period, in which the employees render the related service, are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

All Short term employee benefits such as salaries, incentives, special award, medical benefits which fall due within 12 months of the period in which the employee renders related services, which entitles him to avail such benefits and non accumulating compensated absences (like maternity leave and sick leave) are recognized on an undiscounted basis and charged to Profit and Loss Statement.

(ii) Post-employment obligations

The entity operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity, Super annuation and
- (b) defined contribution plans such as provident fund.”

Provident fund obligations

Contribution to the provident fund, which is a defined contribution plan, made to the Regional Provident Fund Commissioner is charged to the Profit and loss Statement on accrual basis.

Gratuity obligations

The liability or assets recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligations denominated in INR is determined by discounting the estimated future cash flows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the term of related obligations.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expenses in statement of profit and loss.

Re-measurements gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

2.9 Foreign currency translation :

(i) Functional and presentation currency

Each items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions i.e. Revenue, expense and cash-flow items denominated in foreign currencies are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Non monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. Translation differences on assets and liabilities carried at fair value are reported as part of fair value gain or loss.

2.10 Income tax :

- i. The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.
- ii. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.
- iii. Current income tax expense comprises taxes on income from operations in India and is determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) is paid in accordance with the tax laws, which gives rise to future economic benefits in the form of tax credit against future income tax liability. The company offsets on a year on basis, the current tax assets and liabilities, where it intends to settle such assets and liabilities on a net basis. The current tax expense recognized in the financial statements is net off MAT credit utilized during the period.
- iv. Deferred income tax is provided in full, using the balance sheet approach, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.
- v. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.
- vi. Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.
- vii. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.11 Cash and cash equivalents :

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of twelve months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

2.12 Borrowing costs :

- i) General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.
- ii) Other borrowing costs are expensed in the period in which they are incurred.

2.13 Provisions & Contingent Liabilities:

- i) A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. Contingent assets are not recognized.
- ii) Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

2.14 Contributed equity :

i) Equity:

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

ii) Dividends :

Provisions is made for any amount of dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of reporting period but not distributed at the end of the reporting period.

2.15 Earning Per Share

i) Basic Earning Per Share

Basic Earning Per Share is calculated by dividing the profit attributable to owners of the company by the weighted average number of equity shares outstanding during the financial year.

ii) Diluted Earning Per Share

Diluted Earning Per Share adjusts the figures used in the determination of the basic earning per share to take into account the after income tax effect of interests or other finance costs associated with the dilutive potential equity shares and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.16 Segment Reporting

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. The Company's operations predominantly relate to providing end-to-end business solutions to enable clients to enhance business performance. Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments. Accordingly, information has been presented both along business segments and geographic segments. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments, and are as set out in the significant accounting policies.

Revenue and identifiable operating expenses in relation to segments are categorized based on items that are individually identifiable to that segment. Revenue for “all other segments” represents revenue generated from customers located in India. Allocated expenses of segments include expenses incurred for rendering services. Certain expenses such as depreciation, which form a significant component of total expenses, are not specifically allocable to specific segments as the underlying assets are used interchangeably. Management believes that it is not practical to provide segment disclosures relating to those costs and expenses, and accordingly these expenses are separately disclosed as “unallocated” and adjusted against the total income of the Company.

Assets and liabilities used in the Company’s business are not identified to any of the reportable segments, as these are used interchangeably between segments. Management believes that it is currently not practicable to provide segment disclosures relating to total assets and liabilities since a meaningful segregation of the available data is onerous.

Geographical information on revenue and business segment revenue information is collected based on individual customers invoiced or in relation to which the revenue is otherwise recognized.

2.17 Rounding of amounts :

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Division II of Schedule III to the Act, unless otherwise stated.

3) Recent Accounting Pronouncement :

Accounting Pronouncement Issued but not effective :

i) Ind AS 116 Leases :

Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019.

On completion of evaluation of the effect of adoption of Ind AS 116, the Company is proposing to use the ‘Modified Retrospective Approach’ for transitioning to Ind AS 116, and take the cumulative adjustment to retained earnings, on the date of initial application (April 1, 2019). Accordingly, comparatives for the year ended March 31, 2019 will not be retrospectively adjusted. The Company has elected certain available practical expedients on transition.

ii) Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments:

0 Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible methods of transition - i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives.

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives.

The effect on adoption of Ind AS 12 Appendix C would be insignificant in the standalone financial statements.

iii) Amendment to Ind AS 12 – Income taxes

Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the standalone financial statements.

iv) Amendment to Ind AS 19 – plan amendment, curtailment or settlement-

Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

4) Critical Estimates and Judgements:

i) Use of Estimates :

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

ii) Critical Accounting Estimates :

a) Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful life and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end. The life is based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

b) Income Taxes :

The Company's major tax jurisdictions is India . Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

c) Defined benefit obligation

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

d) Impairment of trade receivables

The company estimates the uncollectibility of accounts receivables by analysing historical payment patterns, customer concentrations, customer credit worthiness and current economic trends. If the financial condition of customer deteriorates, additional allowances may be required.

NOTE 41 : Risk exposure of Defined Benefits Obligations

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

Asset volatility :

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is maintained with LIC India. These are subject to interest rate risk and the fund manages interest rate risk to minimize risk to an acceptable level.

Changes in Bond yields :

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plan funds maintained with the SBI Life.

Inflation risks :

In the gratuity plans, the payment are not linked to inflation, so there is less material risk.

(ii) Fair value hierarchy:

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are

- recognized and measured at fair value, and
- measured at amortized cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the Ind AS 113 "Fair Value Measurements". An explanation of each level follows underneath the table.

Financial assets and liabilities measured at fair value - recurring fair value measurements At March 31, 2023	Level 1	Level 2	Level 3	Total

Derivatives				
Foreign exchange forward contracts	-	-	-	-
Foreign currency options	-	-	-	-
Interest rate swaps	-	-	-	-
Total	-	-	-	-

Level 1 : This hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchange is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2 : Fair value of financial instruments that are not traded in an active market (for example, traded bonds, over the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument as observable, the instrument is included in level 2.

Level 3 : If one or more of the significant inputs is not based on observable data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification assets.

(iii) As per Ind AS 107 "Financial Instrument: Disclosure", fair value disclosures are not required when the carrying amounts reasonably approximate the fair value. Accordingly fair value disclosures have not been made for the following financial instruments:-

1. Trade receivables
2. Cash and cash Equivalent
3. Loans
4. Borrowings
5. Trade payables
6. Capital creditors
7. Other payables

Note No. 53 : Financial risk management

The company's few portion of activities are exposed to variety of financial risks i.e. market risk, credit risk and liquidity risk. The company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk :

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables and other financial instruments, financial assets measured at amortized cost.	"Ageing analysis Credit rating"	Diversification of bank deposits, credit limits and letters of credit
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

(A) Credit risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily trade receivables from customers other than government entities. These Trade receivables are typically unsecured and are derived from revenue earned from domestic and foreign customers. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the company uses expected credit loss model to assess impairment loss or gain. the company uses a matrix to compute the expected credit loss allowance for trade receivable .

Credit risk management

Credit risk is managed on instrument basis. For Banks and financial institutions, only high rated banks / institutions are accepted. For other financial instruments, the company assesses and maintains an internal credit rating system. The finance function consists of a separate team who assess and maintain internal credit rating system.

(B) Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, the company treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at local level in accordance with practice and limits set by the company. These limits vary by locations to take into account the liquidity of the market in which the entity operates. In addition, the company's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Note No. 54: Capital management**(a) Risk management**

The company's objectives when managing capital are to;

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders; and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return on capital to shareholders or issue new shares. The company monitors capital using gearing ratio, which is net debt divided by total Equity. Net debt comprises of long term and short term borrowings less cash and bank balances. Equity includes equity share capital and reserves that are managed as capital. The gearing at the end of reporting period was as follows:

Particulars	(₹ in Lakhs)	
	As at March 31, 2023	As at March 31, 2022

Recognition of Corporate Guarantee as Financial Liability

Financial guarantee is a contractual right of the lender to receive cash from the guarantor, and a corresponding contractual obligation of the guarantor to pay the lender, if the borrower defaults. The contractual right and obligation exist because of a past transaction or event (assumption of the guarantee), even though the lender's ability to exercise its right and the requirement for the guarantor to perform under its obligation are both contingent on a future act of default by the borrower. A contingent right and obligation meet the definition of a financial asset and a financial liability, even though such assets and liabilities are not always recognized in the financial statements. Based on the measurement principles laid down under Ind AS 109 "Financial Instrument :Recognition and Measurement", the fair value of all those financial guarantee contracts reasonable below to the materiality threshold limit set by the company. Accordingly the entity has made appropriate disclosure in Note 54 without additionally recognizing any financial assets or liability.

- Bigshare Services Pvt. Ltd. shall reverse the frozen folios to normal status upon:
- a) receipt of all the aforesaid documents/details
 - b) dematerialization of all the securities in such folios.
- (x) Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/ CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division/split of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, members are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website at http://arssgroup.in/shi_others.html and on the website of Bigshare Services Pvt. Ltd. at <https://www.bigshareonline.com/Resources.aspx>. It may be noted that any service request can be processed only after the folio is KYC Compliant.

- (xi) SEBI vide its Notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or Bigshare Services Pvt. Ltd., for assistance in this regard.
11. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the notice will also be available for electronic inspection without any fee by the members from the date of circulation of this notice up to the date of AGM, i.e. 26th September, 2023 during business hours. Members seeking to inspect such document may send a request on the email id cs@arssgroup.in atleast 2 working day before the date on which they intend to inspect the document.
12. As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the other tab under Shareholder information section available on the Company's website under Investor relation. Members are requested to submit the said details to their Depository Participants in case the shares are held by them in electronic form and to the Company's Registrar and Transfer Agent ('RTA') in case the shares are held by them in physical form, quoting your folio number.
13. Members may please note that Securities and Exchange Board of India (SEBI) has made Permanent Account Number (PAN) as the sole identification number for all participants transacting in the securities market, irrespective of the amount of such transactions.
- Members may please note that SEBI has also made it mandatory for submission of PAN in the following cases, viz (i) Deletion of name of the deceased shareholder(s) (ii) Transmission of shares to the legal heir(s) and (iii) Transposition of shares.
- Members holding shares in electronic form are, therefore, requested to submit their PAN details to their depository participants. Members holding shares in physical form are requested to submit their pan details to the company's RTA.
14. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's RTA, the details of such folios together with the share certificates along with the requisite KYC documents for consolidating their holdings in one folio. Request for consolidation of share certificates shall be processed in dematerialized form.
15. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.
16. Non-Resident Indian members are requested to inform the Company's RTA immediately of:
- Change in their residential status on return to India for permanent settlement.
 - Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.
17. Members holding shares in dematerialised mode are requested to intimate all changes pertaining to their bank details/ NECS/ mandates, nominations, power of attorney, change of address / name, Permanent Account Number ('PAN') details, etc. to their Depository Participant only and not to the Company's RTA. Changes intimated to the Depository Participant will then be automatically reflected in the Company's records which will help the Company and its RTA provide efficient and better service to the members.
- In case of members holding shares in physical form, such information is required to be provided to the Company's RTA in physical mode, after restoring normalcy or in electronic mode at investor@bigshareonline.com, as per instructions mentioned in the form. The said form can be accessed at link <https://bigshareonline.com/InvestorRegistration.aspx>
18. As per Regulation 40 of the SEBI Listing Regulations, as amended, transfer of securities would be carried out in dematerialised form only with effect from April 1, 2019, except in case of transmission or transposition of securities. However, members

can continue to hold shares in physical form. In view of the same and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company's RTA for assistance in this regard.

19. Members are requested to support "Green Initiative" by registering / updating their e-mail address(es) with the Depository Participant(s) (in case of Shares held in dematerialized form) or with Bigshare (in case of Shares held in physical form). Pursuant to Sections 101 and 136 of the Companies Act, 2013 read with the relevant Rules framed thereunder, companies can serve Annual Reports and other communications through electronic mode to those Members who have registered their e-mail address either with the Company or with the Depository Participant(s). Members holding shares in dematerialized form are requested to register (or update, in case of any change) their e-mail address with their Depository Participant(s), if not already registered / updated and Members holding shares in physical form are requested to register (or update, in case of any change) their e-mail address with Bigshare on its website (on <https://bigshareonline.com/InvestorRegistration.aspx>). In case of any queries / difficulties in registering the e-mail address, such Members may write to investor@bigshareonline.com (www.bigshareonline.com), to enable the Company to send electronic communications.
