## ANNEXURE-III MANAGEMENT AND DISCUSSION ANALYSIS REPORT

### **Industry Structure and Developments:**

The operating environment for non-banking financial companies (NBFCs) seems to be improving. With the economy on the mend, loan disbursements have picked up in most segments, funding costs are economic down and several banks are facing capital constraints, giving these lenders a foot in the door.

The NBFC segment has witnessed considerable growth in the last few years and is now being recognized complementary to the banking sector due to implementation of innovative marketing strategies, introduction of tailor-made products, customer-oriented services and attractive rates of return on deposits and simplified products etc.

NBFCs have been at the fore front of catering to the financial needs and creating livelihood sources of the so called non-bankable masses in the rural and semi-urban areas. Through strong linkage at the grass roots level, they have created a medium of reach and communication and are very effectively serving this segment. Thus, NBFCs have all the key characteristics to enable the government and regulator to achieve the mission of financial inclusion in the given time.

### **Improving Macro-Economic Fundamentals:**

The cross-sectional distribution pattern of the industry is determined by the performance of the Company. The Macro-economic vulnerabilities at the domestic front have declined because of improvement in growth outlook, fall in inflation and recovery in industrial production data. With rising investor sentiment and business confidence, industry growth is likely to be fuelled by lending in the future.

### **Strong Regulatory Initiatives:**

The RBI has been tightening regulations to manage the risk in the sector and has been proposing higher capital and provisioning requirements. It has also been stressing higher disclosures to safeguard public money and prevent systematic shocks. In addition, the RBI has taken rapid preventive actions in addressing specific issues to manage systematic risk. It has issued an ombudsman scheme for NBFCs, offering a grievance redressal mechanism for their customers.

### **Outlook:**

NBFCs continue to be an integral part of the country's financial service ecosystem. The expected reforms and drive towards various core sectors will provide more opportunities to the NBFCs to create significant financial inclusion and employment opportunities across the country. In line with the government's vision to achieve inclusive growth, the next key step is to include the unbanked population in the formal financial system. This will empower them and result in a significant increase in the average per capita income. Government policies, combined with the financial services industry's efforts to look for growth, will argue for financial inclusion.

**Independent Auditors' Report**

To the Members of  
M/s. JMJ Fintech Limited

**Opinion**

We have audited the financial statements of M/s. JMJ Fintech Limited (“the Company”), which comprise the Balance Sheet as at 31 March 2023, and the Statement of Profit and Loss, the Statement of Changes in Equity and Cash Flow Statement for the year ended on that date, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2023, and profit for the year ended on that date.

**Basis for opinion**

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor’s responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### **Information other than the financial statements and auditors' report thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management for the Financial Statements**

The Company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting

records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

- a) Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.
- b) Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards will always detect a material misstatement when it exists.
- c) Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. And we also,
  - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on other legal and regulatory requirements**

As required by the **Companies (Auditor's Report) Order, 2020** ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The balance sheet, the statement of profit and loss and Cash Flow Statement dealt with by this report are in agreement with the books of account;

**Annexure B to The Independent Auditor’s Report to the Members of the Company on the  
Financial Statement for the year ended 31<sup>st</sup> March, 2023.**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls with reference to the Financial Statements of M/s. JMJ Fintech Limited (‘the Company’) as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls

over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these financial statements.

### **Meaning Of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has an internal financial controls system with reference to Ind AS financial statements which are operating effectively, design whereof needs to be enhanced to make it comprehensive. Based on verification of process control matrices, made available to us for the financial year under report and thereafter, in our opinion considering the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note, appropriate documentation thereof needs to be strengthened to make the same commensurate with the size of the Company and nature of its business.

The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results could differ from these estimates. Any revisions to accounting estimates are recognized prospectively in the current and future periods.

### **2.3 Inflation**

Assets and liabilities are recorded at historical cost to the company. These costs are not adjusted to reflect the changing value in the purchasing power of the company.

### **2.4 Property, Plant and Equipment**

All items of Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation/ amortization and impairment, if any. Cost includes purchase price, taxes and duties, labour cost and directly attributable overheads incurred up to the date the asset is ready for its intended use. However, cost excludes Excise Duty, Value Added Tax and Goods and Services Tax to the extent credit of the duty or tax is availed of.

Subsequent costs are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that future economic benefit associated with the item flows to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repair and maintenance are charged to Profit and Loss during the reporting period in which they are incurred.

## **2.5 Depreciation and Impairment of assets**

The useful life estimates prescribed in Part C of Schedule II to the Companies Act, 2013 are adhered to and depreciation is calculated on such assets on the basis of useful life estimates.

Depreciation is charged over the estimated life of the fixed assets on written down value method at the rates and in the manner prescribed in Schedule II of the Companies Act, 2013. Items costing less than Rs.5,000/- are fully depreciated in the year of purchase. For assets purchased/ sold during the year, depreciation is provided on pro rata basis by the company.

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset or the Cash Generating Unit ('CGU'). If such recoverable amount of the asset of the CGU to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of the profit and loss. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the revised recoverable amount, subject to maximum of the depreciated historical cost.

<b>Particulars</b>	<b>Useful life as prescribed by Schedule II of the Companies Act, 2013</b>	<b>Useful life estimated by Company</b>
Office equipment	5 years	5 years
Computer	3 years	3 years
Electrical equipment	10 years	10 years

## **2.6 Employee Benefits**

Contribution to Provident Fund and Employees State Insurance Scheme are not applicable to the Company. Leave Encashment is accounted on actual liability basis. The liability in respect of Gratuity is not provided on actuarial valuation basis.

## **2.7 Revenue Recognition**

- i. Revenue on sale of securities is recognized and accounted for on sale of such shares.
- ii. Interest Income is recognized and accounted for on accrual of such Interest Income in accordance with the prudential norms guidelines issued by the Reserve Bank of India.

## **2.8 Cash Flow Statement**

Cash flow statement prepared under the indirect method forms part of the financial statement.

## **2.9 Contingencies and events occurring after the Balance Sheet date:**

There are no contingencies and events occurring after the Balance sheet date.

## **2.10 Net Profit or Loss for the period, prior period items and changes in accounting policies.**

Net profit for the period: All items of income and expenses in the period are included in the determination of net profit for the period, unless specifically mentioned elsewhere in the financial statements or is required by an Accounting Standard.

Prior period items — NIL.

Changes in accounting policies: There are no significant changes in accounting policies of the company from that of the previous period.

## **2.11 Segment Reporting**

Ind AS 108 Operating Segments is not applicable to the company as there are no identifiable segments.

## **2.12 Borrowing Cost**

Borrowing cost in respect of acquisition or construction of qualifying assets are capitalized as part of such assets. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. Interest so capitalized during the period is Nil.

## **2.13 Government Grants**

The Company has not received any grants from government during the year.

## **2.14 Cash and Cash equivalents**

For the purpose of presentation in the cash flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown in current liabilities in the balance sheet.

## **2.15 Trade receivables**

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. The Company applied the Expected Cash Loss (ECL) model in accordance with Ind AS 109 for recognizing impairment loss on financial assets. The ECL allowance is based on the credit losses expected to arise from all possible default events over the expected life of the financial asset ('Lifetime ECL') unless there has been no significant increase in the credit risk since origination, in which case, the allowance is based on the 12-month ECL. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is calculated on a collective basis, considering the retail nature of the underlying portfolio of the financial assets.

The impairment methodology applied depends on whether there has been a significant increase in credit risk. When determining whether the risk of default on a financial asset has increased significantly since initial recognition, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both qualitative and quantitative information and analysis based on a provision matrix which takes into account the Company's historical credit loss experience, current economic conditions, forward looking information and scenario analysis.

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no reasonable expectation of recovering the asset in its entirety or a portion thereof. This is generally the case when the Company determines that the debtor does not have assets or sources income that could generate sufficient flows to repay the amounts subject to the write-off. However, financial assets that are written-off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognized in profit or loss.

## **2.16 Taxation**

Tax expenses are the aggregate of the current tax and deferred tax charged or credited in the Statement of profit and loss for the year. The Company opted for New Tax Regime (u/s:115BAA) with effect from FY:2022-23. The current charge for income tax is calculated in accordance with the relevant tax regulations applicable to the company.

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable Income for the period. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward losses, deferred tax assets are recognized only if there is virtual certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date. Deferred Tax Asset and Liability are netted off and disclosed in the balance sheet under the Head "Deferred Tax Asset/Liability".

### **2.17 Provisions and Contingencies**

The Company recognizes provisions when there is present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. In cases where the available information indicates that the loss on the contingency is reasonably possible but the amount of loss cannot be reasonably estimated, a disclosure is made in the financial statements.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current management estimates. If it is no longer probable that the outflow of resources is not required to settle the obligation, the provision is reversed.

A disclosure of contingent liability is made when there is a possible obligation or a present obligation that may but probably will not require an outflow of resources.

When there is possible obligation or a present obligation in respect of which likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are not recognized in the financial statements.
