OPERATIONS AND PROSPECTS :

As we report today, we can thankfully say that we have finally put behind us the Covid-19 Pandemic and its related disruption, which for the last three years (2020-21 to 2022-23) has made us in every sphere to relook at various aspects of our functioning with a new and fresh perspective. We can thankfully put behind us a period in the history of mankind, fraught with fear, uncertainty and disruption. We, as a Company thankfully can look back with satisfaction to have navigated our enterprise through this period with no loss of lives amongst our employees and Doctors, no retrenchment or job losses for our employees, no losses in our books which remained healthy throughout, without practically any borrowings.

The long-term impact of Covid-19 pandemic and its related activities like Covid-19 vaccination have affected the company's operational revenues and profitability for the year. The year saw consolidation of our operations and operational revenues grew nominally. However, the company could achieve significant other income generated out of prudent churning of Investments as well as dividends from its portfolio.

N G INDUSTRIES LTD

We would not like to revisit details of Covid-19 related impact, which we have done in the past two year's reports / AGMs wherein we have explained as to how the Companies' operations, market outreach, product menu, doctor referral base, among other things were disrupted and that it has left us with some long-term challenges as well, which would mean rebuilding of business ecosystem once again in a new competitive environment, which will be our objective in the coming years.

The Company has embarked on this objective like efforts to create a new customer base, upgrading and adding new services, engaging with new corporates and consultants etc. Some of other steps underway in this direction are installation of higher end CT Scan Machine which would be operational from July 2023, investing in new upgraded CR Digitizer system from Agfa Healthcare India for upgraded Radiological services, procurement of Gastroscopy Unit for stepping up endoscopy / colonoscopy services etc.

Diagnostics business is also increasingly getting competitive with large pan-India players as well as online pharmacy companies and others jumping into the fray and price competitiveness at cost of quality just for sake of market share is an area of concern. This has happened in other sectors as well.

We had in our last year's report stated about Covid-19 vaccination operations and that it posed separate business risks with respect to unexpected turn of pandemic responses and accompanying government policy changes from time to time and uncertainties with respect to expiry period and dead stocks. Low demand for vaccines, even for booster shots, since October/November 2022 was at the root of the problem - specially after withdrawal of restrictions that made vaccination certificates mandatory. Plus, there has been no major outbreak since July last year. There was a sudden surge in Covid-19 vaccinations after December 22nd when the union health ministry had issued an advisory asking the state governments to be prepared for a fresh rise in cases. But the demand again fell after a few days. The sudden fall in the COVID -19 transmission, decline in positivity rates of RT PCR tests everywhere and most importantly the then prevalent Omicron variants having been found to be not leading to any severe symptoms, lead to the negation of the so-called 4th wave possibility and finally lead to an end of the Pandemic. This brought vaccination activities to a trickle and we had to carry stocks which on expiry, lead to losses in this activity, effecting profitability as well as revenue during the year. The vaccination activity, however, enabled thousands of additional, never before footfalls in our premises and has built up our goodwill and this will strengthen our Brand recall in future. We have also moved on to using our Vaccination infrastructure to pursue other Immunizations like Pneumonia, Influenza, HPV etc.

We consider your company's performance for the year 2022-23 as satisfactory in the context of the pandemic and vaccine related fallout and believe that the outlook of the company can be one of further recovery and consolidation and we hope the same to be achieved in the coming years.

MANAGEMENT DISCUSSION & ANALYSIS

Our discussion & analysis may be perceived as repetitive over the years but constitutes the essence of wisdom about our field of operations as assimilated by us over two decades of experience and experience during the ongoing pandemic.

A) INDUSTRY STRUCTURE & DEVELOPMENT:

Rising incomes in the hands of our citizens, increase in health awareness in society at large, increasing population of older citizens, new technologies in the sector, longer life expectancy, health insurance penetration and medical tourism are contributing to the growth in healthcare sector. The new health Insurance schemes announced by the Union Government, when fully implemented, as well as State Government having introduced health-card schemes will further increase penetration of insured healthcare in the country.

Covid-19 is an unprecedented, new, unknown, disruptive development which has hit globally as a whole including all countries, economies, sectors, companies and has affected in more ways than one can imagine. The Company has released separate disclosure regarding impact of the pandemic and the challenges it has posed and the same is available on our website under "Information & Circulars for Shareholders." We have also discussed it earlier in the Director's Report under 'Operations and Prospects" and more exhaustively in our last two year's Annual Report. As mentioned in the Directors report earlier herein, we have now put behind this unprecedented Pandemic and look ahead towards recovery and consolidation.

N G INDUSTRIES LTD

B) OPPORTUNITIES, THREATS, RISKS AND CONCERNS:

Opportunity for the Company is inherent in the sectors we operate in and are already covered in above paragraph (A).

Slowdown in economy, especially in the services or retail sector affects most businesses including healthcare. The healthcare business runs the risk of unfavorable publicity in case of unsuccessful treatment, translating into reduction of patient flow, risk of good professionals leaving the Company and it stands to lose years of, on job training and risk of independent Doctors beginning to refer patients elsewhere. Doctors use our Clinic Services and many Doctors whose patients frequently use our services due to locational proximity etc. Disruption of Doctors Clinics as it has happened significantly during Covid has meant rebuilding such outreach on continuous basis. At present we are in process of rebuilding once again.

Healthcare services being an area affecting the entire population is automatically politically sensitive and from time to time is subjected to threats of over regulation /tariff control measures etc. These have always proved to be counter productive the world over and the industry can only by expanding and using technology moderate costs and hope to get this message across to citizens as well as regulators.

Healthcare establishments have faced mob violence and damage to property, increased litigation for award of compensation on sometimes frivolous grounds; doctors have been taken to Medical Council for action on grounds of negligence etc. This challenge will have to be met by all, with more transparent and diligent services. The pandemic also added to the major challenges in terms of employee attrition as well as professional changes being adopted by doctors as well as paramedical professionals. The company however recognizes these issues as concerns. Governments have also strengthened regulatory oversight systems as well as enabled more punitive measures to tackle lawlessness at hospitals.

The Company mitigates these risks, through adopting ethical practices, transparent dealings with patients and explaining to them, in plain layman's language, the pros and cons of the treatment with realistic assessments of recovery. Quality surveillance and adherence to strict protocols also mitigates risks. The Company provides its professionals, a very good and challenging environment with continuous growth and also looks out to induct new and good professionals to keep strengthening its team. The Company has also adopted external quality audits as well as accreditations. To face competition, the Company keeps close interaction with doctors and strives to keep services at levels meeting their standards. The Company is also continuously investing in newer technologies and equipment to stay ahead, in offering value added and superior quality of tests at affordable tariffs.

Short term adverse impact of Covid-19 has already been dealt with, in our disclosures available on our website under "Information & Circulars for Shareholders" as well as earlier in the Director's Report under 'Operations and Prospects.'" in both this as well as past two years Annual reports.

N G INDUSTRIES LTD

C) OUTLOOK:

Our Company operates in an industry which is increasingly getting more competitive and yet we state with conviction that the long-term outlook of your Company looks good on account of our adherence to quality of services, affordable tariffs and trust earned through, over two decades of diligent service to citizens. The Company is facing all challenges through consistent, credible and transparent dealings and greater communications with patient's families on all aspects of treatment. Covid-19 impact has been indicated in the "Company Disclosures" released separately earlier and our experience during the year will further help us reorient our strategies and adapt ourselves to the current status of the pandemic as well as for post Covid-19 ecosystem. Our, over two decades of trust and goodwill will help us move ahead and get the Company's operations back on track soon. Our vaccination outreach we hope, has earned us significant goodwill and exposure and we continue this activity as well. Details with regard to Covid-19 have already been dealt with in our disclosures available on our website under "Information & Circulars for Shareholders" as well as earlier in the Directors Report under 'Operations and Prospects" in both this as well as past two years Annual Report.

The number of employees of the Company at the end of the year was 73 (excluding whole-time director). Pandemic has led to some employees to leave their jobs out of resulting compulsions and even many Doctors chose not to continue Clinics at our premises.

F) FINANCIAL AND OPERATIONAL PERFORMANCE:

This has already been detailed earlier in this report.

CORPORATE GOVERNANCE :

The Corporate Governance Report forms an integral part of this Report and has been set out as a separate annexure to this Report. INDEPENDENT AUDITORS' REPORT

To
The Members of
N G INDUSTRIES LIMITED
Report and Opinion on the Audit of Financial Statements

I. Report on the Audit of the Financial Statements

1. Opinion

A. We have audited the accompanying Financial Statements of N G Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss for the year ended on that date, cash flow statement as on 31st March, 2023 and a summary of the significant accounting policies and other explanatory informations (hereinafter referred to as "the Financial Statements").

B. In our opinion and to the best of our informations and according to the explanations given to us, the aforesaid Financial Statements give the informations required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021. ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit for the year ended on that date.

2. Basis for Opinion

We have conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidences that we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

4. Information other than the Standalone Financial Statements and Auditor's Report thereon

A. The Company's Board of Directors is responsible for the preparation and presentation of its report (herein after called as "Board Report") which comprises various informations required under section 134(3) of the Companies Act 2013 but does not include the financial statements and auditor's report thereon.

Our opinion on the financial statements does not cover the Board Report and we do not express any form of assurance or conclusion thereon.

- B. In connection with our audit of the financial statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement in this Board Report; we are required to report that fact. We have nothing to report in this regard.

4. Management's Responsibility for the Financial Statements

- A. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- B. In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are responsible for overseeing the Company's financial reporting process.

5. Auditor's Responsibilities for the Audit of the Financial Statements

- A. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
- B. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- ii) Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control systems.
 - iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidences obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidences obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - v) Evaluate the overall presentation, structure and contents of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation
- C. Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.
- D. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.
- E. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

II. Report on Other Legal and Regulatory Requirements

 - f) On the basis of the written representations received from the directors as on March 31, 2023 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - g) In our opinion, the provisions of Section 143(3)(i) with regard to opinion on internal financial controls with reference to financial statements and operating effectiveness of such controls is not applicable to the company.
2. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our informations and according to the explanations given to us:

- Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries; and
- c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that representations under sub clause (a) and (b) contain any material mis-statement.
- v. The Company has neither declared nor paid any dividend during the year and has not contravened any provisions of section 123 of the Companies Act, 2013.
- vi. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act, in our opinion and according to the informations and explanations given to us, the permissible managerial remuneration paid by the company to its, directors are within the limits specified under section 197 of the companies act 2013 and there is no violation on this account.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of N G Industries Limited ('the Company') as at and for the year ended 31 March 2023, we have audited the internal financial controls with reference to standalone financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

6. A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Unless otherwise stated all income and expenditure are accounted for on accrual basis.

(d) Measurement of fair values

Certain accounting policies and disclosures of the Company require the measurement of fair values, for both financial and non financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

The valuation team regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows

The impairment loss recognised in a prior accounting period is reversed if there has been a change in the estimate of recoverable amount

(e) Inventories

Inventories of medical consumables, drugs, and stores and spares are valued at lower of cost or net realizable value. Cost is determined on weighted average basis. Net realizable value represents the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

(f) Earnings per share

Earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders, by the weighted average number of equity shares outstanding during the period.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation.
