ECONOMIC AND INDUSTRY OVERVIEW GLOBAL ECONOMY

OVERVIEW

India to remain the fastest-growing major economy in the world. Recovering from pandemic-induced contraction, Russian-Ukraine conflict and inflation, Indian economy is staging a broad based recovery across sectors, positioning to ascend to the pre-pandemic growth path in FY23. India's GDP growth is expected to remain robust in FY23 at 7 per cent (in real terms). This follows an 8.7 per cent growth in the previous financial year. GDP forecast for FY24 to be in the range of 6-6.8 %, depending on the trajectory of economic and political developments globally. Economic Survey 2022-23 projects a baseline GDP growth of 11 per cent in nominal terms and 6.5 per cent in real terms in FY 24. India's recovery from pandemic was relatively quick, and growth in the upcoming year will be supported by solid domestic demand and a pick-up in capital investment. Aided by healthy financials, incipient signs of a new private sector capital formation cycle are visible and, more importantly, compensating for the private sector's caution in capital expenditure, the government raised capital expenditure substantially.

India is third largest economy in PPP (purchasing power parity) terms, fifth largest in terms of exchange rate. Private consumption as a per cent of GDP stood at 58.5 per cent in Q2 of FY23, the highest among the second quarters of all the years since FY15, supported by a rebound in contact-intensive services such as trade, hotel

and transport. Growth driven by private consumption, higher capex, strengthening corporate balance sheet, credit growth to small businesses and return.

COVID-19 IMPACT ON THE INDIAN INDUSTRY

The operations of the Company were largely unaffected by COVID-19 related impact in FY 2022-23.

Fiscal 2023 was the first 'normal' year post-pandemic. Consumption rebounded in specific sectors. The performance of two sectors – agriculture and construction – stood out in the fourth quarter. A stronger than expected fourth quarter lifted India's growth to 7.2% in FY 23, exceeding the 7% cited in the second advance estimates released in February, underscoring the country's economic resilience in the face of multiple challenges. Data released by NSO showed growth in January-March – the fourth quarter of the 2022-23 fiscal – was 6.1%, higher than the upwardly revised 4.5% in the previous quarter, which helped India retain the fastest growing major economy tag. The better-than-expected growth in Q4 FY 23 is encouraging and is reflective of the sustained strength in domestic demand amid gloomy global outlook. The fall in commodity prices also helped lift growth, reducing the drag from net exports. It also charts the course of action for businesses so they can fully leverage the benefits of rapid economic expansion. It shows sustained economic momentum combined with macroeconomic, financial and fiscal stability.

OPPORTUNITIES AND THREATS AND FUTURE OUTLOOK GLOBAL ECONOMIC CONDITIONS

After COVID-19, the demand-supply dynamics have undergone volatile changes. In the financial year 2022-2023, there was a slowdown in demand due to a cooling down of the pent-up demand seen post covid. The raw material (cotton) prices went to extraordinarily high levels in the first half of the FY 2022-2023 which led to very high production costs and a slowdown in demand in the second half of the last financial year. The effect of an increase in capacities by the Indian manufacturers post Covid to fulfill pent-up demand also aggravated the impact of the slowdown in demand. There is also potential fear of the impact of likely recession in FY 2023-2024 due to financial tightening by the central banks of the world. All these factors suggest that the demand recovery will be gradual although it is felt that the worst is over in the industry. During the last six months, the prices of cotton yarn have cooled down to normal levels which is a positive development. The overall impact of a mixture of good and bad factors is considered that will result in gradual improvement in the performance of the company.

BUSINESS OVERVIEW

India is expecting another year of solid economic performance. The investment momentum was solid through the fourth quarter and should continue this fiscal, driven by public investments and a gradual pick-up in private investments aided by the PLI scheme. Government Capex, led by infrastructure, is budgeted for a sharp rise. This fiscal, private consumption is expected to continue to face crosscurrents. While lower inflation will be supportive, higher interest rates may curtail sectors such as automobile and housing. The economists predict growth to slow in FY24 as global conditions weigh down the economy. Growth is likely to moderate, in part, due to normalization of base effect.

Slowdown in external demand and some waning of pent-up demand will also result in growth moderation. India is expected to retain its tag of the fastest-growing major economy. The International Monetary Fund

(IMF) has forecast 5.9% growth while the RBI sees a higher 6.5% rise. Some drag to growth is expected from weaker manufacturing and slowing exports given external headwinds, but the robust domestic demand is anchoring economic growth. India's growth trajectory is supportive of increased commodity trade and the appeal of financial investments.

RISK MANAGEMENT

The Board of Directors of the Company has formed a Risk Management Committee to frame, implement and monitor the risk management plan for the Company. The Committee is responsible for reviewing the risk management plan and ensuring its effectiveness. The Committee considers the risks that impact mid- to long-term objectives of the business, including those reputational in nature. The Company has an elaborate risk charter and risk policy defining risk management governance model, risk assessment and prioritisation process. The Risk Management Committee reviews and monitors the key risks and their mitigation measures periodically and provides an update to the Board on Company's risks outlined in the risk registers. The Audit Committee has additional oversight in the area of financial risks and controls. Additionally, a third-party organisation has benchmarked the Company's risk management practice with various companies in India and globally and pronounced it as a leader in FMCG category.

21. Risk Management:

The Company has in place a Risk Management Policy pursuant to Section 134 of the Companies Act. It establishes various levels of accountability and overview within the Company, while vesting identified managers with responsibility for each significant risk.

This risk management process, which is facilitated by internal audit, covers risk identification, assessment, analysis and mitigation. Incorporating sustainability in the process also helps to align potential exposures with the risk appetite and highlights risks associated with chosen strategies. The major risks forming part Risk Management process are linked to the audit.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of
ATHARV ENTERPRISES LIMITED

Report on the Financial Statements for the F.Y. 2022-23

Opinion

We have audited the accompanying standalone financial statements of **ATHARV ENTERPRISES LIMITED** which comprise the standalone Balance Sheet as at **31st March, 2023**, and the standalone Statement of Profit and Loss (Including Other Comprehensive Income), standalone Cash Flow Statement and the standalone statement of Changes in Equity for the year ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information. (Here in after referred to as "Standalone Ind AS financial Statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

There are no Key Audit Matters Reportable as per SA 701 issued by ICAI.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss, other comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards specified under section 133 of the Companies Act and the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Director are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements.

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's report to the related disclosures in the standalone financial statements, or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“ANNEXURE 2” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph (2)g under ‘Report on Other Legal and Regulatory Requirements’ in our Independent Auditor’s Report of even date, to the members of the Company on the Financial statements for the year ended 31st March, 2023

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of the Company as of Atharv Enterprises Limited as on 31st March, 2023 in conjunction with our audit of the financial statement of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023.

NOTE 1: NOTES FORMING PART OF THE FINANCIAL STATEMENTS:

SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation of financial statements

The Company maintains its accounts on accrual basis following the historical cost convention in accordance with generally accepted accounting principles ["GAAP"] in India. GAAP comprises mandatory accounting standards as prescribed under section 133 of Companies Act, 2013 (the Act) read with Rule 7 of Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified). Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

B. Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialize.

C. Revenue Recognitions

- Income from sales is recognized as and when sales are complete during the accounting year.
- Revenue in respect of all other income is recognized when a reasonable certainty as to its realization exists.

D. Employee Benefits

All Employees benefits falling due wholly within twelve month of rendering the services are classified as short term employee benefits which include benefits like salary, wages, short term compensated, absences and performance incentives and are recognized as expense in the period in which the employee renders the related services.

E. Material events after balance sheet date

Events which are of material nature after the balance sheet date are accounted for in the accounts.

F. Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

The Company creates a provision when there is a present obligation as a result of past event that probably requires and outflows of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of obligation cannot be made.

G. Taxes on income

Income tax comprises current and deferred income tax. Income tax expense is recognized directly in equity or in other comprehensive income. Provision for Current Tax is made after taking into consideration benefits admissible under the provisions of Income Tax Act, 1961.

H. Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations.

I. Cash Flow Statements

Cash Flow Statement has been prepared in accordance with Accounting Standard 3 issued by Institute of Chartered Accountants of India.

J. Segment Reporting

The Company operates in a single segment and there are no separate reportable segments as defined in Accounting Standard, AS-17.
