## COMPANY SNAPSHOT

Kreon Financial Services Limited (KFSL) is a Non - Banking Finance Company established in the Finance industry for 29 years.

Our Company has emerged into a state-of-the-art Fintech Company leveraging digital technology and expertise in the financial industry. As a result, we were able to develop pan-India financial service which has provided our Company immense opportunity to aim for even higher.

The vast universe of financial borrowers in the country presents a colossal opportunity for lenders. This opportunity is compounded by the fact that a large proportion of these potential borrowers could be first-time borrowers. The sheer count of financial borrowers, powered to be first time credit takers by rapid urbanization, represents an immense opportunity for lenders.

KFSL follows the principle of extending credit where credit is due. As a lender, it is crucial that we manage risk effectively. To protect ourselves from internal or external factors, the Company has risk mitigation policies and structures, such as robust credit models and operational systems in place, to successfully manage these risks.

The process of receivables management is inherently exposed to various risks. To avoid or minimize these risks, debtors are closely monitored with regular reminders for collection. In addition, to mitigate the risk of volatile interest rates, KFSL maintains sufficient spreads, offers relatively short tenure loans and adopts lending rates from time to time.

### **OUTLOOK**

Since the Covid-19 pandemic, the Digital lending market has continued to grow multi-fold with advancements in technology and subsequent facilities required to avail these services. The customer base of StuCred, has shown a rapid increase in the current financial year, with an increase in disbursement by 272% from the previous financial year.

The financial performance of the Company has achieved an increase in revenue of 147% from the previous financial year compared to the revenue during this period in the previous financial year.

StuCred that prioritizes the customer's satisfaction, has gained a wider reach in the digital market resulting in the increased financial performance of the Company.

The country's demographics and stage of growth suggest that there is a vast unfulfilled demand in finance spaces. Sectors have been financially underserved or, in some ways, completely neglected by the formal financial sector. As a result, their development has struggled to keep pace.

Digital Lending Market is in its nascent stages of development in India especially in terms of reforms and regulations. It serves as an alternate source of credit and has greater scope in contributing towards financial inclusion.

The situation is fast changing as NBFCs, private banks and private equity have begun to flow into the sectors to tap into the vast potential that they offer. They have begun to approach these target customers with innovative and customized lending products. Leveraging data, information and technology, these Companies are also able to overcome issues of the past – such as creditworthiness, knowledge of customers, credit scores, etc.- that presented hurdles to the companies in the past.

The Government and RBI implement continuous measures to institute policy reforms that facilitate leading to these segments, in hopes to boost the safe consumption of credits through innovation.

### KREON FINANCIAL SERVICES LIMITED-AN OVERVIEW

Kreon Financial Services Limited is a Non-Banking Finance Company and with reforms being expected in the NBFC sector, the company is now poised to grow, building a reputation of quality, craftsmanship and expertise. Our Company which started as a conventional lending Company is moving into a state-of-the-art Fintech Company. Our Company is dedicated towards creating an open credit and financial services platform through Technology innovations by providing consumers and small businesses with convenient inclusive financial services. This philosophy originated from 20+ years of practice since the establishment of our financial business, as well as in realizing the realities of inclusive financial services in India.

Financial Inclusion is the spotlight of various reforms introduced in the financial sector at present. The rapid expansion of digital lending platform helps in achieving this goal. Our Company leverages cutting edge technologies to engineer lending products as the basis for providing financial services to the public. There is a very huge market to be served, which needs an efficient last mile delivery of credit, thus creating enormous opportunity for all the financial institutions and NBFCs in particular. Our Company continues to pursue the strategy of being multi-locational, thus giving the distinct edge from the risk management and scalability perspective. The focus of the product is to cater to all segments, which is the key driver of our economy.

Digital lending aids to provide instant loan disbursement, greater accessibility to credit, financial inclusion, hassle free and paperless borrowing to the consumers. In Sep 2022, RBI issued Digital Lending Guidelines with a comprehensive regulatory framework for digital loans to streamline Digital lending platforms and to address the grievance of Digital lending customers that lenders and other entities in the digital lending platform must adhere to. It aims at protecting the consumers by making it mandatory to disclose various terms of the loan to the borrowers through the key fact statements. These guidelines will help bring about greater transparency and ownership of regulated entities, helping lift customer confidence.

Organisations like Digital Lenders Association of India (DLAI) and FinTech Association for Consumer Empowerment (FACE) helps to integrate Fintech market players and monitors in adoption of industry best practices. Our Company has become an Associate member of FACE since December 2022.

### INDUSTRY OVERVIEW

NBFCs had steadily increased their market share till recent years, with AUM accounting for as much as 18% of the overall credit pie in March 2019, up from 12% in March 2008. The growth of neobanking platforms spurred by the need for on-demand and easier-to-access financial solutions by a young and increasingly digitally savvy demographic have eased availability and provided access to financial services to MSMEs and underbanked customers and areas. To fuel the next phase of FinTech growth, the Government of India is developing GIFT IFSC as the nerve centre of all FinTech activities.

The pandemic provided the opportunity for fintech companies to reach the underserved and provide cost-effective financial services at ease. According to Economic survey 2022-23, India took the lead with the fintech adoption rate of 87 percent, substantially higher than the world average of 64 percent as per the latest Global Fintech Adoption Index. India has gained the 3rd place in digital payments only after

## Annual Report 2022-2023

US and China, signifying that India has an untapped market. These untapped opportunities, along with the favourable ecosystem, creates a large growth potential for FinTechs in India. It also said Digitalising documents has also played a pivotal role in giving further impetus, as digital became the way of life for a while. Growth of digital adoption in India is reflected in the rise in the RBI digital penetration index from 100 in March 2018 to almost 350 in March 2022.

In digital lending, there is a lot of focus on data storing/sharing and usability issues across the globe. In addition, the credit underwriting models adopted by digital lenders have been constantly evolving and will need continual honing in the future as well, given the nature of the business. As financial institutions become more reliant on technology, cybersecurity and fraud prevention will become even more critical.

KFSL's Digital lending division is witnessing sustainable growth as we continue to register increased adoption of our lending product. KFSL is also continuously expanding the lending business with more disbursements and greater user engagement across the country. The Digital lending business has witnessed growth in the disbursement as well as revenue with the help of technology development and dedicated team support.

### INTERNAL CONTROL SYSTEM AND ADEQUACY

KFSL constantly strives to improve its internal control systems and operational efficiencies to ensure that assets are safeguarded, and all transactions are authorized, recorded and correctly reported. The top management and the Audit Committee of the Board review the findings and recommend to the Board, improvement on the same and to enhance the quality of its portfolio still further. Realizing that the impact of internal risks could easily outweigh those of external risk the internal control at KFSL is a constantly evolving process.

The other significant internal control at KFSL comprises constant monitoring of operational expenditure with an endeavour to bring it down through better efficiencies rather than just focusing on curtailing the expenditure. The adequacy of internal controls and their execution are driven by an ethos of constantly endeavoring to improve.

### RISK MANAGEMENT

Our Company is exposed to various risks that are an inherent part of any financial service business. Traditionally, credit, operational and liquidity risks have always been seen as the top-tier risks. However, given the evolving landscape, risks around digital lending and information security would also form an integral aspect of risk management.

### RISK + CONCERN

High dependence on regulatory compliances

With the digital lending industry at a nascent stage, government organisations are playing catchup in terms of enforcing regulations for the better management of the industry. Therefore, there has been a history of ad-hoc changes in compliance without proper due time given to collect feedback from all stakeholders. Though we are extremely bullish over the long-term placement of our company in the industry, the volatility of government regulations and compliances may reflect in the revenues of StuCred.

### LOW FINANCIAL LITERACY

Financial literacy has a massive impact on every individual's life, yet the obvious importance of the topic has not translated to serious attempts at altering this reality. Individuals with low financial literacy face a conundrum in what they know vs what they should know. We combat this at StuCred by investing heavily in financial literacy for all visitors to our platform.

### MEASURES

The Company's risk management framework is well dimensioned and managed based on a clear understanding of various risks, disciplined risk assessment, measurement procedures and continuous monitoring. The Board of Directors has awareness on all risks assumed by the Company. These risks have the potential to impact on the financial strength, operations and reputation of our Company. Keeping this in mind, our Company has a Board approved Risk Management Framework in place.

With an initiative by the Central Government, the Ministry of Human Resource Development has established a great support system to systematically foster the culture of innovation amongst all Higher Education Institutions. KFSL has approached various educational institutions to host workshops on financial literacy and create financial awareness in young minds.

## Annual Report 2022-2023

Our Company is committed towards creating an environment of increased risk awareness at all levels. As a measure of growth, KFSL also aims at constantly upgrading the appropriate security measures, including cyber security measures, to ensure avoidance and mitigation of various risks and achieve an optimised balance of return.

### CUSTOMER SERVICE

KFSL's Credit-lending processes marked a defining trend being fully digital during the pandemic. With an increased focus on providing its customers with a seamless experience, the Company is pushing the pedal on quicker loan application processes and swift disbursements. KFSL and its employees efficiently serviced its customers in spite of remote working.

KFSL has built a dedicated and friendly customer support system, with real-time support to ease the lending process and resolve the issues faced by the needy customers. The team also ensured timely collection and disbursement of loans. The front-end and back-end systems were strengthened to improve credit quality and minimize losses due to default.

### HUMAN RESOURCES:

KFSL believes that our people are our most important asset. We compete on the strength of our people, being united by our core values of pride, integrity, discipline and ambition.

As part of our strategy to surround ourselves with exceptional talent, we have promoted a "Step-Up" drive which aims to internally promote talent who are future ready and upskilled through our "Education, Exposure and Experience" principles.

Equality – We don't look at gender in hiring, but we hire the best candidate for that role. Incidentally, this is our gender diversity.

## Annual Report 2022-2023

Team size and structure- KFSL as a growing company in the Fintech industry, we are proud to be a lean team with dedicated and focused group of employees. Hiring may be easy but timing the hire has been a key difference.

### **STATUTORY COMPLIANCE:**

## INDEPENDENT AUDITORS' REPORT

### To the Members of KREON FINANCIAL SERVICES LIMITED

#### Opinion

We have audited the accompanying standalone financial statements of **Kreon Financial Services Limited, Chennai**, which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2023; and its Profit, Total Comprehensive Income, the changes in Equity, and Cash Flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

2	Completeness in identification, accounting and disclosure of related party transactions in accordance with the applicable laws and financial reporting framework.	We have assessed the systems and processes laid down by the company to appropriately identify, account and disclose all material related party transactions in accordance with applicable laws and financial reporting framework. We have designed and performed audit procedures in accordance with the guidelines laid down by ICAI in the Standard on Auditing (SA 550) to identify, assess and respond to the risks of material misstatement arising from the entity's failure to appropriately account for or disclose material related party transactions which includes obtaining necessary approvals at appropriate stages of such transactions as mandated by applicable laws and regulations.

### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's report, Management discussion and analysis and Report on corporate governance, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

## Annual Report 2022- 2023

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

## Annual Report 2022- 2023

- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the “Annexure A” a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) A. As required by Section 143 (3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those;
  - c) the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of accounts;
  - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

## Annual Report 2022- 2023

- e) On the basis of written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- B. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations, if any, on its financial position in its standalone financial statements.
  - ii. The Company has made provision, as required under the applicable law and Accounting standards, for material foreseeable losses, if any, on long-term contracts.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the investor’s education and protection fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
  - v. The Company has not declared or paid any dividend during the year, hence compliance with provision of section 123 is not applicable for the year.
  - vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the Company only w.e.f. 01 April 2023, reporting under this clause is not applicable.

**Annual Report 2022- 2023**

- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act: In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

  - (b) Based on our examination and the information and explanations given to us, in respect of investments/ guarantees/ securities/ loans/ advances in nature of loan, in our opinion, the terms and conditions under which such loans were granted/ investments were made/ guarantees provided/ security provided are not prejudicial to the Company’s interest.
  - (c) In respect of the loans/ advances in nature of loan, the schedule of repayment of principal and payment of interest has been stipulated by the Company. Considering that the Company is a non-banking financial company engaged in the business of granting loans majorly to retail customers, the entity-wise details of the amount, due date for payment and extent of delay (that has been suggested in the Guidance Note on CARO 2020 issued by the Institute of Chartered Accountants of India for reporting under this clause) have not been reported because it is not practicable to furnish such details owing to the voluminous nature of data generated in the normal course of the Company’s business. Further, except for the instances where there are delays or defaults in repayment of principal and/ or interest, the parties are repaying the principal amounts, as stipulated, and are also regular in payment of interest, as applicable. The Company has recognized provisions against the above loans, in accordance with the principles of Indian Accounting Standards (Ind AS) and the guidelines issued by the Reserve Bank of India (“RBI”) for Income Recognition and Asset Classification.

## Annual Report 2022- 2023

- (d) In respect of the loans/ advances in nature of loans, the total amount overdue for more than ninety days as at March 31, 2023 is Rs.567.00 Lakhs. In such instances, in our opinion, based on information and explanations provided to us, reasonable steps have been taken by the Company for the recovery of the principal amounts and the interest thereon.
  - (e) This Company is registered with the Reserve Bank of India (RBI) under section 45-IA as a non-banking financial company, and its principal business is to give loans. Accordingly, the provisions of clause 3(iii)(e) of the Order are not applicable to the Company.
  - (f) The loans/advances in nature of loans granted during the year, including to promoters/related parties had stipulated the scheduled repayment of principal and payment of interest and the same were not repayable on demand.
- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and sub-section (1) of Section 186 of the Act in respect of the loans and investments made and guarantees and security provided by it. The provisions of sub-sections (2) to (11) of Section 186 are not applicable to the Company as it is a non-banking financial company registered with the RBI engaged in the business of giving loans.
- v) The Company has not accepted any deposits from public during the year hence the directives issued by RBI and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules 2015, are not applicable.
- vi) The Company is not required to maintain cost records pursuant to the Rules made by the Central Government for maintenance of Cost Records under sub-section (1) of section 148 of the Act.
- vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, value added tax, cess, and other material statutory dues, as applicable, with the appropriate authorities.  
According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess and any other statutory dues were outstanding as at March 31, 2023 for a period of more than six months from the date they became payable.

## Annual Report 2022- 2023

### **“ANNEXURE B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Kreon Financial Services Limited**

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of M/s Kreon Financial Services Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

## Annual Report 2022- 2023

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India and jointly controlled companies, which are companies incorporated in India, as of that date.

**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED MARCH 31, 2023**

(All amounts are in Indian Rupees, unless otherwise stated)

**1. CORPORATE INFORMATION**

"Kreon Financial Services Limited (the company) is a public company domiciled in India and incorporated under the provision of Companies Act, 1956 on 23rd November 1994. Its shares are listed on Bombay Stock Exchange ("BSE") in India. The Company is primarily engaged in the business of retail loan lending through its digital platform "StuCred". It also lends the money for other business purposes.

The Company is registered with the Reserve Bank of India (RBI) as Non-Deposit Taking NBFC and Classified as NBFC - Investment and Credit Company (NBFC- ICC) and Ministry of Corporate Affairs. The registration details are as follows:"

RBI	B-07-00023
Corporate Identity Number (CIN)	L65921TN1994PLC029317

"During the year, the Company changed its registered office from Old No. 12, New No.29, Mookathal Street, Pурсaiwalkam, Chennai - 600 007 to No. 26, 22nd Street, Rathinam Nagar, Thiruvanmiyur, Chennai - 600 041.

The financial statements of the Company for the year ended March 31, 2023 were approved for issue in accordance with the resolution of the Board of Directors on 19th May, 2023."

**2. BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS**

*Preparation:*

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015, as amended by the Companies (Indian Accounting Standards) Rules, 2016, notified under the Section 133 of the Companies Act, 2013 ('the Act'). The financial statements have been prepared under the historical cost convention, as modified by the application of fair value measurements required or allowed by relevant accounting standards and other relevant provisions of the Companies Act 2013, guidelines issued by the RBI as applicable to a NBFCs and other accounting principles generally accepted in India. Any application guidance / clarifications / directions issued by RBI or other regulators are implemented as and when they are issued / applicable.

The accounting policies adopted in the preparation of financial statements are consistent with those of the previous year, except provided otherwise.

The financial statements are presented in Indian Rupees in Lakhs which is also the functional currency of the Company, and all values are rounded to the nearest lakhs, except when otherwise indicated."

## Annual Report 2022-2023

### *Presentation:*

The financial statements of the Company are presented as per Schedule III (Division III) of the Companies Act, 2013 applicable to Non-banking Finance Companies (NBFCs), as notified by the MCA. The Statement of Cash Flows has been presented as per the requirements of Ind-AS 7 Statement of Cash Flows. The Company classifies its assets and liabilities as financial and non-financial and presents them in the order of liquidity.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only where Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis were permitted by Ind AS."

### *Use of Estimates and Judgements:*

The preparation of financial statements in conformity with Indian Accounting Standards requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods."

## **2.1 Summary of Significant Accounting policies**

### **a) Financial instruments:**

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognises the financial instruments on settlement date.

### *1) Financial Assets:*

**Initial Measurement:** All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss. Generally, the transaction price is treated as fair value unless proved to the contrary.

**Subsequent measurement:** For the purpose of subsequent measurement, financial assets are classified into the following categories as per the Company's Board approved policy:

- a. Debt instruments at amortised cost
- b. Equity instruments designated under FVOCI

## Annual Report 2022-2023

### Debt instruments at amortised cost:

The Company measures its debt instruments at amortised cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

To make the SPPI assessment, the Company applies judgement and considers relevant factors such as the nature of portfolio, the period for which the interest rate is set and other factors which are integral to a lending arrangement.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model but incorporates such information when assessing newly originated financial assets going forward.

The business model of the Company for assets subsequently measured at amortised cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios on the books of the Company, it may enter into immaterial and infrequent transactions to sell these portfolios to banks and/or asset reconstruction companies without affecting the business model of the Company. After initial measurement, such financial assets are subsequently measured at amortised cost on Effective Interest Rate (EIR)

### Equity Instruments designated under FVOCI:

All equity investments in scope of Ind AS 109 'Financial instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognised in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

Derecognition: The Company derecognises a financial asset (or, where applicable, a part of a financial asset) when:

- "• The right to receive cash flows from the asset has expired; or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. "

Once the asset is derecognised, the Company does not have any continuing involvement in the same.

Financial assets subsequently measured at amortised cost are generally held for collection of contractual cashflow. The Company on looking at economic viability of certain portfolios measured at amortised cost may enter into immaterial and infrequent transaction for sale of portfolios which doesn't affect the business model of the Company.

## Annual Report 2022-2023

### Impairment of Financial Assets:

#### General Approach

Expected credit losses ('ECL') are recognised for applicable financial assets held under amortised cost. Equity instruments are not subject to impairment under Ind AS 109.

The ECL allowance is based on the credit losses expected to arise over the life of the asset (the lifetime expected credit loss).

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument.

Lifetime ECLs is calculated on either an individual basis or a collective basis, depending on the nature of the underlying portfolio of financial instruments. The Company has grouped its loan portfolio into Non-Digital i.e. loans repayable on demand and Digital Loans i.e. Term loans.

Based on the above, the Company categorises its loans into Stage 1, Stage 2 and Stage 3 as described below:

#### *Stage 1*

"All exposures where there has not been a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date and that are not credit impaired upon origination are classified under this stage. Though there is a rebuttable presumption that the credit risk on financial assets has increased significantly since initial recognition when contractual payments more than 30 days past due. However, the Company is confident as per historical performance that these dues are goods and fully receivable and accordingly classifies all standard advances and advances up to 180 days default under this category."

#### *Stage 2*

"All exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired are classified under this stage. More than 180 Days Past Due but less than 720 days is considered as significant increase in credit risk. "

#### *Stage 3*

All exposures assessed as credit impaired once it becomes 720 days past due are classified in this stage. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount. As a matter of prudence, at this stage, the company writes off the whole exposure instead of providing for the same.

#### Measurement of ECL

The mechanics of the ECL calculations are outlined below and the key elements are, as follows:

**"Probability of Default (PD)** - The Probability of Default is an estimate of the likelihood of default over a given time horizon.

## Annual Report 2022-2023

A default may only happen at a certain time over the assessed period, if the facility has not been previously derecognised and is still in the portfolio. The company has determined the POD for all stages as follows:

Stage 1 - 0.25%

Stage 2 - 10%

Stage 3 - 100%

**Exposure at Default (EAD)** - The exposure at default (EAD) represents the gross carrying amount of the financial instruments subject to the impairment calculation.

**Loss Given Default (LGD)** - LGD is an estimate of the loss arising in case where a default occurs. It is based on the difference between the contractual cash flows due and those that the Company would expect to receive, including from the realisation of any security, if any. It is usually expressed as a percentage of the EAD. Company considers 100% of the Exposure at default as Loss Given Default.

Simplified Approach in case of Trade Receivables and other financial assets:

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables and other financial assets. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. The Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables and other financial assets. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and other financial assets and is adjusted for forward-looking estimates. At every reporting date, the historically observed default rates are updated for changes in the forward-looking estimates.

### II) Financial Liabilities

"Initial Measurement: All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, and other borrowings."

"Subsequent measurement: After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR method. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss."

Derecognition: The Company derecognises financial liability when the obligation under the liability is discharged, cancelled or expired.

### III) Offsetting of financial instruments:

Financial assets and financial liabilities are offset, and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

### IV) Fair Value Determination of financial instruments:

"On initial recognition, all the financial instruments are measured at fair value. For subsequent measurement, the Company measures investment in equity instruments designated at OCI alone at fair value on each balance sheet date."

## Annual Report 2022-2023

"Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i. In the principal market for the asset or liability, or
- ii. In the absence of a principal market, in the most advantageous market for the asset or liability." The principal or the most advantageous market must be accessible by the Company.

"The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest."

"A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use."

"In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as summarised below:"

**"Level 1 financial instruments** - Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Company has access to at the measurement date. The Company considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date."

**Level 2 financial instruments** - No Such Instruments.

**Level 3 financial instruments** - No Such Instruments.

### b) Revenue Recognition

#### Interest Income:

The Company recognises interest income using an effective interest rate (EIR) on all financial assets subsequently measured under amortised cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments / receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets, the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired, the Company reverts to calculating interest income on a gross basis.

Penal Charges or like on delayed payments by customers are treated to accrue only on realisation, due to uncertainty of realisation and are accounted accordingly.

#### Fees and Commission Income:

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial instruments' is applicable) based on a five-step model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its

## Annual Report 2022-2023

performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at the fair value of the consideration received or receivable.

### Dividend Income:

Dividend income is recognised when the right to receive the payment is established.

### c) Property, Plant and Equipment

"Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, if any, consistent with the criteria specified in Ind AS 16 'Property, plant and equipment'. Property, plant and equipment not ready for the intended use on the date of Balance Sheet are disclosed as 'Capital work-in-progress'.

Property, plant and equipment is recognised when it is probable that future economic benefits associated with the item is expected to flow to the Company and the cost of the item can be measured reliably. An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included under other income/expenses in the Statement of Profit and Loss when the asset is derecognized."

### d) Depreciation on property, plant and equipment

Depreciation on property, plant and equipment is calculated on a WDV basis using the rates arrived at, based on the useful lives estimated by the management/Useful life as per schedule II. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset. The company has used the following rates to provide depreciation on its property, plant and equipment.

Useful lives estimated by the management/Useful life as per schedule II	
Plant and Machineries	15 Years
Furniture and Fittings	10 Years
Vehicles	8 Years
Computer and Peripherals	3 Years
Leasehold improvements	The life based on lease period.

"The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

### e) Intangible assets

Intangible assets, representing software, licenses etc. are initially recognised at cost and subsequently carried at cost less accumulated amortisation and accumulated impairment, if any. The Company recognises internally generated intangible assets when it is certain that the future economic benefit attributable to the use of such intangible assets are probable to flow to the Company and the expenditure incurred for development of such intangible assets can be measured reliably. The cost of an internally generated intangible asset comprises all directly attributable costs necessary to create, produce, and prepare the asset to be capable of operating in the manner intended by the Company. The intangible assets including those internally generated are amortised using the straight-line

## Annual Report 2022-2023

method over a period of five years, which is the Management's estimate of its useful life. The useful lives of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as 'Intangible assets under development'.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains and losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the assets are recognised in the Statement of Profit and Loss when the asset is derecognised.

### f) Leases

"The Company follows Ind AS 116 'Leases' for all long term and material lease contracts.

The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term."

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate at the transition date in case of leases existing as on the date of transition date and in case of leases entered after transition date, incremental borrowing rate as on the date of lease commencement date. In case of existing leases, the said date would be the date of transition. It is remeasured when there is a change in future lease payments arising from a change in a rate, if the Company changes its assessment of whether it will exercise an extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in statement of profit and loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term. The Company's lease asset class consist of leases for office premises.

### g) Impairment of non-financial assets

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

### h) Finance Cost:

Borrowing costs on financial liabilities are recognised using the EIR.

i) **Foreign currency translation**

i. **Functional and presentational currency**

"The standalone financial statements are presented in Indian Rupees which is also functional currency of the Company and the currency of the primary economic environment in which the Company operates."

ii. **Transactional and Balances**

a) **Initial Recognition:**

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

b) **Conversion:**

Monetary assets and liabilities denominated in foreign currency, which are outstanding as at the reporting date, are translated at the reporting date at the closing exchange rate and the resultant exchange differences are recognised in the statement of profit and loss or Other Comprehensive Income as permitted under the relevant Ind AS.

Non-monetary items that are measured at historical cost in a foreign currency are translated using the spot exchange rates as at the date of recognition."

j) **Retirement and other employee benefits**

**Short term employee benefit:**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short-term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognised in the period in which the employee renders the related service."

**Post-employment benefit:**

a) **Defined contribution schemes:**

All the employees of the Company are entitled to receive benefits under the Provident Fund and Employees State Insurance scheme, defined contribution plans in which both the employee and the Company contribute monthly at a stipulated rate. The Company has no liability for future benefits other than its annual contribution and recognises such contributions as an expense in the period in which employee renders the related service. If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

**b) Defined benefit schemes:**

The Company provides the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated years mentioned under 'The Payment of Gratuity Act, 1972'. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation, carried out by an independent actuary at each Balance Sheet date, using the Projected Unit Credit ("PUC") Method, which recognises each period of service as giving rise to an additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plan are based on the market yields on Government Securities as at the Balance Sheet date.

Net interest recognised in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognised as part of re-measurement of net defined liability or asset through other comprehensive income. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, attrition rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed annually.

1. When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

2. When receivables and payables are stated with the amount of tax included.

Re-measurement, comprising of actuarial gains and losses and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods."

**k) Taxes****Current Income Taxes:**

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**Deferred Income taxes:**

Deferred tax assets and liabilities are recognised for temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. "

Deferred tax assets are only recognised for temporary differences, unused tax losses and unused tax credits if it is probable that future taxable amounts will arise to utilise those temporary differences and losses. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets and liabilities and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities are realised simultaneously.

**Goods and Service Taxes:**

Expenses and assets are recognised net of the goods and services tax/value added taxes paid, except:

1. When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
2. When receivables and payables are stated with the amount of tax included.

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

### 1) Segment Reporting

The Company is primarily engaged in the business of financing. All the activities of the Company revolve around the main business. Further, the Company does not have any separate geographic segments other than India.

For management purposes, the Company has been organized into two business segments viz. Commercial Lending Division- non-digital lending arm of Kreon, and Digital Lending Division Catering to advancement of loans to students via StuCred platform. The company has adopted Segment reporting for its Commercial Lending and Digital Lending Division in line with Ind AS 108.

Segment performance is evaluated based on operating profits or losses and is measured consistently with operating profits or losses in the financial statements. However, income taxes are managed on an entity as whole basis and are not allocated to operating segments.

**m) Earnings per share**

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividend and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

**n) Provisions**

Provisions are recognised when the enterprise has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

When the effect of the time value of money is material, the enterprise determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement. As at reporting date, the Company does not have any such provisions where the effect of time value of money is material.

**o) Contingent Liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. Contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise contingent liability but discloses its existence in the financial statements. Contingent liabilities are reviewed at each Balance Sheet date.

**p) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand and other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**q) Cash Flow Statement**

Cash flows are reported under the 'Indirect method' as set out in Ind AS 7 on 'Statement of Cash Flows, whereby net profit after tax is adjusted for the effects of transactions of non-cash nature, tax and any deferrals or accruals of past or future cash receipts or payments. The cash flows are prepared for the operating, investing and financing activities of the Company.

## Annual Report 2022-2023

### 50. Financial Risk Management:

In course of its business, the Company is exposed to certain financial risks that could have significant influence on the Company's business and operational / financial performance.

The Board of Directors reviews and approves risk management framework and policies for managing these risks and monitors suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings.

Borrowings, trade payables and other financial liabilities constitute the Company's primary financial liabilities and investment in shares, trade receivables, loans, cash and cash equivalents and other financial assets are the financial assets.

#### *Credit Risk:*

Credit risk refers to the risk of default on the loan receivables to the Company that may result in financial loss. The maximum exposure from unsecured loan receivables amounts to Rs.2431.07 Lakhs and Rs.1,311.66 lakhs as of March 31, 2023 and March 31, 2022 respectively.

Loans are advanced to Corporates and to individual business entities and to the student community. Credit risk is being managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to allow credit terms in the normal course of business. Generally, the loan tenor is for a period of one year and renewable based on the request of the borrower. In the case of loans offered to students through its "StuCred" App, the credit period is up to 90 days.

#### *Liquidity Risk:*

The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company manages liquidity risk through cash credit limits and undrawn borrowing facilities by continuously monitoring forecast and actual cash flows. The Company invests its surplus funds in bank fixed deposit which carry minimal mark to market risks.

#### *Market Risk:*

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk for the entity comprises two types of risk: currency risk, interest rate risk and equity price risk. Financial instruments affected by market risk include borrowings, trade payables in foreign currency and investment in unquoted equity shares. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimizing the return.

#### *Currency Risk:*

The Company is not exposed to any significant currency risk. During the year under review, the company has bought/subscribed to software in foreign currency at the time of purchase/subscription.

#### *Sensitivity analysis:*

Since the company is not exposed to any currency risk, sensitivity analysis of foreign currency transactions is not applicable.

#### *Interest Rate Risk:*

The Company is not exposed to any interest rate risk. The company's fixed rate instruments are carried at amortized cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

### [Item No. 5: To consider and approve the issuance of Non-Convertible Debentures, in one or more series/tranches pursuant to Section 42 of the Companies Act, 2013](#)

The Board of Directors in order to broaden resources for business operations of the Company at their Board meeting held on 3<sup>rd</sup> July 2023, has decided to invite subscription for secured/unsecured Non-Convertible Debentures (NCDs), in one or more series /tranches on private placement basis, subject to approval of the shareholders.

The NCDs proposed to be issued, may be issued either at par or at premium or at a discount to face value and the issue price (including premium, if any) shall be decided by the Board on the basis of interest rate/effective yield determined, based on market conditions prevailing at the time of the issue. Valuation of securities not applicable to NCDs. The material terms will be determined by the Board of Directors of the Company based on the provisions of Companies Act, 2013, the rules made thereunder and other applicable laws. The Board shall determine specific terms and conditions of the offer at the time of issuance of respective series/ tranche of NCDs.

The provisions of Section 42 of the Companies Act, 2013 read with Rule 14(1) of Companies (Prospectus and Allotment of Securities) Rules, 2014 and any other applicable provisions of the Companies Act, 2013, a Company shall not make private placement of its securities unless the proposed offer of securities or invitation to subscribe securities has been previously approved by the members of the Company by a special resolution for each of the offers or invitations. However, pursuant to second proviso of said Rule 14(1) an offer or invitation for non-convertible debentures, the special resolution passed only once in a year is sufficient for all the offers or invitations for debentures during the year.

## Annual Report 2022-2023

Accordingly, without prejudice to the borrowing power given/to be given by the shareholders under Section 180 (1)(c) of the Companies Act, 2013, as per the provisions of Section 42 and 71 of the Companies Act, 2013 read with the relevant Rules made there under, as amended, and subject to other relevant rules, regulation, guidelines, and directions issued by Reserve Bank of India and Securities and Exchange Board of India, the approval of the Members is being sought by way of a Special Resolution, to enable the Company to offer or invite subscriptions for Non-Convertible Debentures on a private placement basis, in one or more tranches, during the period of one year from the date of passing of the Resolution at Item No. 5, for an amount not exceeding Rs. 50 Crores (Rupees Fifty Crores only) on such terms and conditions and at such times as may be decided by the Board, within the overall borrowing limits of the Company, as approved by the Members from time to time.

The Board of Directors recommends the Special Resolution set out in Item No. 5 of the accompanying notice for approval of the members.

None of the Directors or Key Managerial Personnel of the Company or their relatives is /are concerned or interested, in any manner in the passing of proposed Resolution set out at Item No. 5 of the Notice, except to the extent of their shareholding in the Company, if any.

### GENERAL INSTRUCTIONS

- i. As per Regulation 40 of the Listing Regulations, as amended, securities of listed companies can be transferred/transmitted and transposed only in dematerialized form. In view of this and to eliminate all risks associated with the physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their holdings to dematerialized form by contacting their Depository Participants ("DPs").
- ii. Members are requested to register / update their email ID's and addresses in respect of shares held in dematerialized form with their respective Depository Participants and in respect of shares held in physical form with the Company's Registrar and Share Transfer Agent (RTA). Members holding shares in physical form, are requested to dematerialize their shares to avail the benefits of electronic trading/holding and to facilitate share transfer.
- iii. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore,

## Annual Report 2022-2023

requested to submit the PAN to their Depository Participants with whom they are maintaining their demat account(s). Members holding shares in physical form can submit their PAN details to the Company or to the Company's Registrar and Share Transfer Agent.

- iv. M/s. Purva Shareregistry (India) Pvt. Ltd., Unit No. 9, Shiv Shakti Industrial Estate, J.R.Boricha Marg, Near Lodha Excelus, Lower Parel, Mumbai-400011 is the Company's Registrar and Share Transfer Agent (RTA) for physical transfer of shares and all correspondence may be addressed directly to them. In respect of shares held in dematerialized form, Members may send requests or correspond through their respective Depository Participants.
- v. Members who have multiple folios in identical names in the same order are requested to send all the Share Certificates either to the Company addressed to the Registered Office or to the Company's Registrar and Share Transfer Agent for consolidation of such folios into one to facilitate better services.
- vi. Members may please note that SEBI vide its Circular No. SEBI/ HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4 for the above-mentioned requests and surrender their original securities certificate(s) for processing of service requests to the RTA. The RTA shall thereafter issue a 'Letter of confirmation' in lieu of physical securities certificate(s), to the securities holder/claimant within 30 days of its receipt of such request after removing objections, if any. The 'Letter of Confirmation' shall be valid for a period of 120 days from the date of its issuance, within which the securities holder/claimant shall make a request to the DP for dematerialising the said securities. Form ISR-4 is available on the website of RTA. It may be noted that any service request can be processed only after the folio is KYC Compliant. In case a holder of physical securities fails to furnish these details or link their PAN with Aadhaar before the due date, RTA is obligated to freeze such folios. The securities in the frozen folios shall be eligible to receive payments (including dividend) and lodge grievances only after furnishing the complete documents. If the securities continue to remain frozen as on December 31, 2025, the RTA / the Company shall refer such securities to the administering authority under the Benami Transactions (Prohibitions) Act, 1988, and / or the Prevention of Money Laundering Act, 2002.
- vii. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form SH-14. Members are requested to submit the said form to their DP in case the shares are held in electronic form and to the Company's registrars Purva Shareregistry India Private Limited at support@purvashare.com in case the shares are held in physical form, quoting their folio no.

**THE COMPANY HAS APPOINTED M/S. LAKSHMMI SUBRAMANIAN & ASSOCIATES, PRACTICING COMPANY SECRETARY, CHENNAI, TO ACT AS SCRUTINIZER FOR CONDUCTING THE ELECTRONIC VOTING PROCESS IN A FAIR AND TRANSPARENT MANNER.**

The scrutinizer shall, immediately after the conclusion of voting at the AGM, first count the votes cast at the Annual General Meeting, thereafter unblock the votes cast through e-voting in the presence of two witnesses not in the employment of the Company and make, not later than two working days from the conclusion of the meeting, a consolidated scrutinizer's report of the total votes cast in favor or against, if any, and submit it to the Chairman or a person authorized by him in writing who shall counter-sign the same.

Thereafter, the Chairman or the person authorized by him in writing shall declare the result of the voting forthwith.

**Annual Report 2022-2023**

The results declared along with the scrutinizer's report will be placed on the Company's website [www.kreon.in](http://www.kreon.in) and the results shall also be communicated to the BSE Limited, where the shares of the Company are listed.
