Notes:

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON A POLL INSTEAD OF HIM SELF/ HER SELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY.**

- A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than 10% of the total share capital of the company carrying voting rights. A member holding more than ten percent of the total share capital of the company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.
- Proxies submitted on behalf of the companies, societies etc., must be supported by an appropriate resolution/ authority and under its seal as may be applicable

- The instrument of proxy in order to be effective, should be deposited at the Registered Office of the Company, duly completed, and signed, not less than 48 hours before the commencement of the meeting.
 - A proxy form is being sent herewith.
2. The Register of Members and Share Transfer books of the Company will remain closed from **Friday, 22nd September, 2023 to Thursday, 28th September, 2023** (Both days inclusive).
 3. Any change in bank particulars and /or address are required to intimate to their depository participant in case of holding of shares in electronic form or to the Company's Registrar and Share Transfer agents, Link Intime India Pvt. Ltd, C-101 247 Park, LBS Marg, Vikhroli (West), Mumbai 400 083 in case of holding of shares in physical mode.
 4. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for a long period. The statement of holdings should be obtained periodically from the concerned Depository Participant and the same should be verified.
 5. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company.
 6. Details under **Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015** in respect of the Directors seeking appointment/re-appointment at the Annual General Meeting, forms integral part of the notice. The Directors have furnished the requisite declarations for their appointment/re-appointment.
 7. Resolutions at item No. 4 to 8 of special business accompanying this notice were passed by Board of Directors at their meeting held on Monday, 14th August, 2013 and the same are being sent to the members of the Company being sought your approval.
 8. Electronic copy of the Annual Report for the financial year ended on **31st March, 2023** is being sent to all the members whose email IDs are registered with the Company/ Depository Participants(s) for communication purposes unless any member has requested for a hard copy of the same.
 9. Members may also note that the Notice of the 45th Annual General Meeting and the Annual Report for the financial year ended on **31st March, 2023** will also be available on the Company's website <http://www.aec.com> for their downloads. The physical copies of the aforesaid documents will also be available at the Company's Registered Office for inspection during normal business hours on working days.
 10. Members holding shares in physical mode may also send the request to the Company or its Registrar by letter or by email at rnt.helpdesk@linkintime.co.in to receive the soft copy of the Annual Report by email instead of hard copy. Members are requested to bring their Attendance Slip along with their copy of Annual Report to the Meeting.
 11. Members are requested to provide their client ID and DP ID numbers at the meeting for easy identification.
 12. Members desirous of obtaining any information concerning the accounts and operations of the Company are requested to address their questions in writing to the Company at least 10 (Ten) days before the date of the Meeting so that the information required may be made available at the Meeting.
 13. Relevant documents referred to in the accompanying notice are open for inspection at the Registered Office of the Company on all working days, except Friday and Sunday, between 11.00 a.m. to 1.00 p.m. up to the date of the meeting.
 14. (a) The Company has transferred the unpaid or unclaimed dividends declared up to the financial year 2014-15 from time to time, to the Investor Education and Protection Fund (IEPF) established by the Central Government. The Company has uploaded the details of the unclaimed and unpaid dividends amounts lying with the Company as on **28th September, 2023 (date of previous Annual General Meeting)** on the website of the Company. The said details have also been uploaded on the website of the Ministry of Corporate Affairs and the same can be accessed through the link: www.mca.gov.in.
 15. (a) Adhering to the various requirements as set out in the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company has, during financial year 2021-22, transferred to the IEPF Authority all shares in respect of which dividend has remained unpaid or unclaimed for seven consecutive years or more as on the due date of transfer i.e. 31st March, 2022. Details of shares transferred to the IEPF Authority are available on the website of the Company at <http://www.aec.com>. The said details have also been uploaded on the website of the IEPF Authority and the same can be accessed through the link: www.iepf.gov.in.
 - (b) Members may note that shares as well as unclaimed dividends transferred to IEPF Authority can be claimed back from them. The concerned members/investors are advised to visit the web link: <http://iepf.gov.in/iepfa/refund.html> or contact our R & T M/s Link Intime India Private Limited for lodging claim for refund of shares and / or dividend from the IEPF Authority
 - (c) The amount outstanding in unpaid dividend account in respect of financial year 2016 and shares where dividend had remained unpaid for last consecutive seven years will be transferred to the 'Investor Education and Protection Fund' maintained with the Central Government. The Company has placed on its website <http://www.aec.com> the information on unclaimed dividends.

16. SEBI has decided that securities of listed companies can be transferred only in dematerialized form from 1st April, 2019. In view of the above and to avail various benefits of dematerialization, members are advised to dematerialize shares held by them in physical form.
17. Members holding shares in single name in physical form are advised to make a nomination in respect of their shareholding in the Company. The Nomination form can be downloaded from the Company's website <http://www.aec.com> under the section "Investor Relations".
18. The Company proposed to dispense with the requirement of sending physical copy of annual report in permissible mode to the shareholders holding shares in physical mode as per **SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 Dated: 13.05.2022 on Relaxation from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with MCA vide Circular dated May 05, 2022 as amended from time to time.**
19. The Ministry of Corporate Affairs ("MCA"), Government of India, through its Circular No. 17/2011 dated 21st April, 2011 and Circular No. 18/2011 dated 29th April, 2011, has allowed Companies to send Annual Report comprising of Balance Sheet, Statement of the Profit & Loss, Directors' Report, Auditors' Report and Explanatory Statement etc., through electronic mode at the registered e-mail address of the members. Keeping in view the underlying theme and the circulars issued by MCA, the Company has proposed to send future communications in electronic mode at the e-mail address provided by you to the depositories and made available by them being the registered address. By opting to receive communication through electronic mode, you have the benefit of receiving communications promptly and avoiding loss in postal transit.

20. INSTRUCTION FOR E-VOTING:

In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014 and as amended till date, the Company is pleased to provide e-voting facility which will enable the members to exercise their rights to vote at the 45th Annual General Meeting (AGM) by electronic means. Necessary arrangements have been made by the Company with Central Depository Services (India) Limited (CDSL) to facilitate e-voting.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode

- (i) The voting period begins on **Monday, 25th September, 2023 (9.00 am)** and ends on **Wednesday, 27th September, 2023 (5.00 pm)**. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Thursday, 21st September, 2023** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	<ol style="list-style-type: none"> 1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. The remuneration referred to above is subject to provisions of Section 197 prescribed under the Act, Rules and in Schedule V to the Companies Act, 2013, which has been amended from time to time and includes lastly amended through notification of the MCA as of 12 September 2018.	
In the event of cessation of office during any financial year, a ratable proportion of the aforesaid remuneration shall be payable by the Company.	

None of the directors except **Mr. Hiren N Vadgama, Mr. Rajan R Bambhanias and Mr. Jignesh S Thanki** may be deemed to be concerned or interested in the said resolution.

The above statement may be treated as an abstract of the term and memorandum of interest under section

Item No. 7:

Pursuant to provisions of Section 149, 152 read with Schedule IV and all other provisions of the Companies Act, 2013 and the Companies (Appointment and Qualification of Directors) Rules, 2014 **MR. DHIREN TARACHAND MITHANI, DIN 10265723** on recommendation of Nomination and Remuneration Committee was appointed by the Board as an additional director of the Company in independent capacity with effect from **14th August, 2023** and who holds office up to the date of this Annual General Meeting of the Company in terms of Section 161(1) of the Companies Act, 2013 ("Act").

Keeping in view of his vast experience, expertise, and knowledge in the field of Finance and Taxation of **MR. DHIREN TARACHAND MITHANI**, your directors recommend for his appointment as Non-executive Independent Director of the Company not liable to retire by rotation for a period of 5 (Five) consecutive years with effect from 14th August, 2023 under **Item No. 7** of the Notice as **Special Resolution**.

In accordance with the provisions of Section 149 of the Companies Act, 2013 ("the Act") read with Schedule IV to the Act, appointment of Independent Directors requires approval of the members of the Company. Further, pursuant to Regulation 17(1C) read with 25(2A) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), approval of shareholders by way of Special resolution for appointment of a person on the Board of Directors as Independent Director is taken at the next general meeting or within a time period of three months from the date of appointment, whichever is earlier.

The Company has received a declaration from **Mr. Dhiren Mithani** to the effect that he meets the criteria of independence as provided in Section 149(6) of the Act and Rules framed thereunder and Regulation 16(1)(b) of the Listing Regulations. As required under Regulation 25(8) of Listing Regulations.

Mr. Mithani has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties with an objective of independent judgement and without any external influence.

Mr. Mithani has given his consent to act as Director of the Company and has provided a declaration that he is not disqualified to be appointed as a Director of the Company.

In the opinion of the Board, **Mr. Mithani** fulfils the conditions specified in the Act and Listing Regulations for appointment as an Independent Director and is independent of the management of the Company.

Mr. Mithani does not hold by himself or for any other person on a beneficial basis, any shares in the Company.

The additional information as required under the provisions of Regulation 36(3) of the Listing Regulations and other applicable provisions is annexed to this Notice.

A copy of the draft letter of appointment of **Mr. Mithani** setting out the terms and conditions of his appointment is available for inspection by the Members of the Company without any fee at the Registered Office of the Company.

None of the Directors and Key Managerial Personnel of the Company or their relatives is directly or indirectly, financially or otherwise, concerned or interested in this **Special Resolution**.

Your directors recommend the passing of the resolution for your approval by way of **Special Resolution**.

Item No. 8:

The Board, on the recommendation of the Audit Committee, has approved in their meeting held on August 14, 2023 the appointment of M/s **SAGAR M. KAPADIYA & COMPANY**, Cost Accountant, Rajkot (Registration No. 103615) as the Cost Auditors of the Company to audit the cost records of the Company for the financial year ending on March 31, 2024 at a remuneration of Rs 40000/- (Rupees Forty Thousand only) plus applicable taxes and reimbursement of out-of-pocket expenses.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors needs to be ratified by the members of the Company.

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution.

The Board accordingly, recommends the members for passing of the resolution as set out at item No: 8 of the Notice as an **Ordinary Resolution**.

**DIRECTORS' REPORT**

To the Members,

Your Directors have pleasure in submitting their 45th Annual Report of the Company together with the Audited Statements of Accounts for the year ended **31st March, 2023**.

FINANCIAL RESULTS:

The Company's financial performance for the year ended 31st March, 2023 along with previous year figure is summarized as here under:

Particulars	(Amt Rs in Lakhs)	
	Year ended 31 st March, 2023	Year ended 31 st March, 2022
Gross profit before Interest Depreciation and Tax	594.62	290.76
Less: Interest and Depreciation	122.64	153.77
Profit / (Loss) before Tax	471.98	136.99
Provision for Taxation/ Deferred Tax (Assets) / Liabilities	69.46	(5.14)
Profit / (Loss) after Tax	402.52	142.13
Add: Other Comprehensive Income	(23.89)	19.59
Total Comprehensive Income / Loss	378.63	161.73

REVIEW OF BUSINESS OPERATION AND FUTURE PROSPECTS :

The sales (standalone) during the year were Rs. 10798.04 Lakhs as against Rs 8910.64 Lakhs in the previous year. The sales has thus increased by 21.18% as compared to the last year. The Company made an export worth of Rs 6296.68 during the current year as against Rs. 4279.69 in the previous year. Thus, the Company has increased sales by about 47.13% on export front. The Company made net profit of Rs. 402.52 Lakhs in the current year as against Rs 142.13 Lakhs in the previous year excluding other comprehensive income. Thus, the Company has fared well both on sales and profitability front. The management of the Company has taken several steps to control various overheads which has also added to the profitability of the Company.

DIVIDEND :

Your directors have considered it financially prudent in the long-term interest of the Company to reinvest the profits into the business of the Company to build a strong reserve base and grow the business of the Company. No dividend has therefore been recommended for the year ended on **31st March, 2023**.

FIXED DEPOSITS:

The Company has not accepted any fixed deposits from the public falling within the ambit of section 73 of the Companies Act, 2013 and The Companies (Acceptance of Deposits) Rules, 2014.

SHARE CAPITAL:

The paid-up Equity Share Capital of the Company as on **31st March, 2023** was **Rs 3,47,78,000/-** During the year under review, the Company has not issued any shares with differential voting rights nor granted any stock options or sweat equity.

DETAILS OF DIRECTORS AND KEY MANAGERIAL PERSONNEL:

In accordance with the provisions of the Companies Act, 2013 and the Articles of Association of the Company, Mr. Rajan R. Bambhanian (**DIN No.:00146211**) and Mr. Hiren N Vadgama (**DIN No.:00145992**, Directors of the Company who retires by rotation at the ensuing Annual General Meeting of the Company and being eligible, offers herself for re-appointment. The Board recommends their appointment for your approval.

The Board places on record the appreciation for guidance and valuable services provided by **Mrs. Anila S Thanki**, Non-executive Woman Director of the Company during her tenure. She has resigned from the Board of Directors with effect from 02nd November, 2023.

The Board placed the matter of the reappointment/ revision in remuneration paid/ payable to all the Whole time Directors to be effective from 01st August, 2013, appointment of independent director, and appointment of cost auditor and the remuneration to be payable to be taken in the next meeting of the Board of Directors.

Ms. Hiral Shah has resigned as Company Secretary with effect from 30/09/2022 and Mr. Hemant Singh Jhala was appointed as Company Secretary with effect from 10/10/2022.

The following are the **Key Managerial Personnel** as defined under Section 2(51) of the Companies Act, 2013:

- Mr. Rajan R Bambhanian (Chief Executive Officer)
- Mr. Siddik A Kotal (Chief Financial Officer)
- Ms. Hiral Shah (Company Secretary up to 30-09-2022)
- Mr. Hemant Singh Jhala (Company Secretary w.e.f. 10-10-2022)

BOARD PERFORMANCE EVALUATION:

Pursuant to the provisions of the Companies Act, 2013, the Board has carried out the annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its Audit, Nomination and Remuneration Committees.

A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of individual of the Board, who were evaluated on parameters such as level of engagement and contribution, independence of judgment safeguarding the interest of the Company and its minority shareholders etc. The performance evaluation of the Independent Directors was carried out by the entire Board.

The performance evaluation of the Chairman and the Non-Independent Directors was carried out by the Independent Directors who also reviewed the performance of the Secretarial Department.

The Directors expressed their satisfaction with the evaluation process.

COMPOSITION OF VARIOUS COMMITTEES:

The details of various committees constituted by the Board as per the Regulation 18, 19 and 20 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 and Companies Act, 2013 are given in the Corporate Governance Report which forms part of this report.

MEETINGS:

During the year **Five** Board Meetings, **Five** Audit Committee Meetings, **One** Nomination and Remuneration Committee Meeting, **One** Stakeholders Relationship Committee Meeting and **One** separate Meeting of Independent Directors were held. The details of the same are given in the Corporate Governance Report. The intervening gaps between the Board meetings were within the period prescribed under the Companies Act, 2013 in compliance to secretarial standards SS-1 issued by ICSI.

INDEPENDENT DIRECTORS AND DECLARATIONS:

The Independent Directors met on **29th May, 2023** without the attendance of Non-Independent Directors and members of the management. The Independent Directors reviewed the performance of Non-Independent Directors and Board as a whole and assessed the quality, quantity, and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to perform their duties effectively and reasonably.

The Company has received necessary declarations from each Independent Director under Section 149 (7) of the Companies Act, 2013, that he/she meets the criteria of independence as laid down in Section 149 (6) of the Companies Act, 2013 and Regulation 16(1)(b) of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

DIRECTOR DISQUALIFICATIONS AND DISCLOSURE:

None of the Directors of your Company is disqualified as per provisions of Section 164 (2) of the companies Act, 2013 for financial year ended on 31st March, 2023. Your directors have made necessary disclosures, as required under Companies Act, 2013. The Company has obtained certificate dated **27th April, 2023** from **Shahs & Associates, a** peer reviewed firm of **Practicing Company Secretaries** in that regard. The certificate for Non-Disqualification of directors for the financial year ended on **31st March, 2023** is annexed herewith marked as **Annexure "B"** to this Report.

DIRECTORS RESPONSIBILITY STATEMENT:

To the best of the knowledge and belief and according to the information and explanation obtained, the Board hereby submits its responsibility Statement in accordance with the provisions of Section 134(5) of the Companies Act, 2013:

- In the preparation of the Annual Accounts for the year ended on 31st March, 2023, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- The Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at 31st March, 2023 and of the profit of the Company for the year ended on 31st March, 2023;
- The Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- The Directors had prepared the annual accounts on a going concern basis;
- The Directors had laid down Internal Financial Controls ("IFC") and that such Internal Financial Controls are adequate and were operating effectively;
- The Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

AUDITORS AND AUDITORS' REPORT:

STATUTORY AUDITORS:

M/s. J C Ranpura & Co., Chartered Accountants, Rajkot, Gujarat (FRN 108647W) were appointed as Statutory Auditors of the Company for a period of Five (5) years from the **conclusion of the 42nd Annual General Meeting till conclusion of 47th Annual general meeting** by the member of the Company at their meeting held on **Monday, 28th September, 2020**.

The Auditors have confirmed that their continuation as Auditor would be within the prescribed limit under section 141 of the Companies Act, 2013 read with Rule 4(1) of the Companies (Audit & Auditors) Rules, 2014 and that they are not disqualified for the appointment as Auditor.

SECRETARIAL AUDITOR:

The Board had appointed **M/s SHAHS & ASSOCIATES**, a peer reviewed firm of **Practicing Company Secretaries**, to conduct the Secretarial Audit for the financial year ended on **31st March, 2023**. The Secretarial Audit Report for the financial year ended on **31st March, 2023** is annexed herewith marked as **Annexure “A”** to this Report.

The Board of Directors on the recommendations of the Audit Committee appointed **M/s. SHAHS & ASSOCIATES**, a peer reviewed firm of **Practicing Company Secretaries**, to conduct the Secretarial Audit of the Company for the financial year **2023-24**.

There is no qualification, reservation or adverse remarks or disclaimer made by the Statutory Auditors and Secretarial Auditor in their report on the financial statement of the Company for the Financial Year ended on **31st March, 2023**.

INTERNAL AUDITOR:

The Board of Directors on the recommendations of the Audit Committee appointed **M/s. SUBHASH AKBARI & CO.**, Chartered Accountants, and Junagadh as Internal Auditors of the Company for the financial year **2023-24**.

INTERNAL FINANCIAL CONTROLS:

The Company has a proper and adequate system of Internal Control commensurate with its size and the nature of its operations to ensure that all assets are safeguarded and protected against loss from un-authorized use or disposition and those transactions are authorized, recorded, and reported correctly.

DISCLOSURES:

AUDIT COMMITTEE:

Pursuant to Section 177 of the Companies Act, 2013 read with Rule 6 and 7 of the Companies (Meetings of the Board and its Powers) Rules, 2013, the Audit committee consists of the following directors:

Mr. B. R. Sureja [Chairman of committee]

Mr. J. B. Jagani [Member]

Mr. P. J Doshi [Member]

All the members of Audit Committee are independent directors.

WHISTLE BLOWER POLICY:

The Company has a **WHISTLE BLOWER POLICY** to deal with instances of unethical behaviour, actual or suspected fraud or violation of the company's code of conduct, if any. The details of the **whistle blower policy** are explained in the Corporate Governance Report and also posted on the website of the Company.

DIRECTORS APPOINTMENT AND REMUNERATIONS POLICY:

The Company's policy relating to appointment of directors, payment of managerial remuneration, directors' qualifications, positive attributes, independence of directors and other related matters as provided under Section 178 (3) of the Companies Act, 2013 is furnished in Corporate Governance Report and the same is also posted on website of the Company.

RELATED PARTY TRANSACTIONS AND POLICY:

All transactions with related parties are placed before the Audit Committee for its approval. An omnibus approval from Audit Committee is obtained for the related party transactions which are repetitive in nature. Accordingly, the disclosure of related party transactions, as required under Section 134(3)(h) of the Act, in Form AOC – 2, is not applicable.

All related party transactions, entered into during the financial year under review, were on an arm's length basis and were in the ordinary course of business. Your Company has not entered into any transactions with related parties which could be considered material in terms of Section 188 of the Act and SEBI Listing Regulations, as applicable till March 31, 2023.

The policy on Related Party Transactions as approved by the Board is uploaded on the Company's website at <http://www.aec.com>.

RISK MANAGEMENT POLICY:

The Board of Directors is overall responsible for identifying, evaluating, and managing all significant risks faced by the Company. The Board approved Risk Management policy, which acts as an overarching statement of intent and establishes the guiding principles by which key risks are managed across the organization.

The Company follows well established and detailed risk assessment and minimization procedures, which are periodically reviewed by the top management. The Company has in place a business risk management framework for identifying risks and opportunities that may have a bearing on the organization's objectives, assessing them in terms of likelihood and magnitude of impact and determining a response strategy.

In the opinion of the Board, none of the risks faced by the Company threaten its existence. The Company has also posted the policy in respect of transactions with "Related Parties" on its website.

In view of non-applicability of formation of Risk Management Committee, the Company has not formed the said committee.

MATERIAL CHANGES AND COMMITMENTS :

No material changes and commitments affecting the financial position of the Company has occurred between the end of financial year to which this financial statement relate and the date of this report .

ANNEXURE “A”

FORM NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON 31.03.2023

*[Pursuant to Section 204(1) of the Companies Act, 2013 and
Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]*

To,

The Members,

AUSTIN ENGINEERING COMPANY LIMITED

Village:Patla, Tal-Bhesan, Via-Ranpur Sorath

Post-Vishal Hadmatiya, JUNAGADH GJ 362030 IN

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Austin Engineering Company Limited CIN L27259GJ1978PLC003179** (hereinafter called the “Company”). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon. It is further stated that **we have also relied up on the scanned documents and other papers in digital/ electronic mode** submitted to us by the official of the Company for the financial year ended on **31st March, 2023**.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided **in digital/electronic mode** by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the **financial year ended on 31st March, 2023 (“Audit Period”)** complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **31st March, 2023** according to the provisions of:

1. The Companies Act, 2013 (the Act) and the Rules made there under;
2. The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the Rules made there under
3. The Depositories Act, 1996 and the Regulations and bye-laws framed there under;
4. Foreign Exchange Management Act, 1999 and the Rules and Regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’)
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, as amended from time to time;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time; 2009;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirement) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; **(Not Applicable during the Audit Period);**
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not Applicable during the Audit Period);**
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client 2009;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not Applicable during the Audit Period); and**
 - h) The Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998; **(Not Applicable during the Audit Period);**
6. The other laws, as informed and certified by the Management of the Company, which are specifically applicable to the Company based on the industry are as listed in **Annexure – I** and **we report that** based on the examination of the relevant documents and records, and as certified by the Management, prime facie it appears that the proper system exist in the Company to confirm compliance of the applicable laws.

We have also examined compliance with the applicable clauses of the followings:

- i. The Listing Agreements entered into by the Company with Stock Exchanges
- ii. Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 (with effect from December, 2015)
- iii. Secretarial Standards (SS-1 & SS-2) issued by the Institute of Company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that;

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Woman Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Board decisions are carried out with unanimous consent and therefore, no dissenting views were required to be captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, there were no instances of:

- (1) Public / Rights / Preferential issue of Shares / Debentures / Sweat Equity
- (2) Redemption/Buy Back of Securities.
- (3) Major decisions taken by the members in pursuance to Section 180 of the Companies Act, 2013.
- (4) Foreign Technical Collaborations.
- (5) Merger / Amalgamation / Reconstruction etc.

Post-Vishal Hadmatiya, JUNAGADH GJ 362030 IN

Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our audit in accordance with the auditing standards CSAS 1 to CSAS 4 (“CSAS”) prescribed by the Institute of Company Secretaries of India (“ICSI”). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS. Our Report of even date is to be read along with this letter:

- a. Maintenance of Secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- b. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
- c. We have not verified the correctness and appropriateness of the financial statement of the Company.
- d. The compliance of the provisions of the Corporate and other applicable laws, rules, regulation, standards is the responsibility of the management.
- e. Where ever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
- f. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

ANNEXURE “D”

PARTICULARS OF REMUNERATION:

- The information required under section 197 of the act and rules made there-under, in respect of employees of the Company is follows:
- The ratio of remuneration of each director to the median remuneration of employees for the financial year;

Executive Director	Ratio to median remuneration (As per MGT-9)
Mr. Rajan R Bambhania	6.94
Mr. Mr. Hiren N. Vadgama	18.04
Mr. Jignesh S Thanki	5.83

- The percentage increase in remuneration of each Director, Chief Executive Officer, Chief Financial Officer, Company Secretary, Manager if any, in the financial year:

Name of Person	% Increase in Remuneration
Mr. Rajan R Bambhania	9.47
Mr. Hiren N. Vadgama*	39.36
Mr. Jignesh S Thanki*	N.A.
Mr. Siddik A Kotal-CFO*	2.94
Company Secretaries**	81.71

***Remuneration includes perquisites.**

Mr. Jignesh Thanki was appointed during this year and hence no comparison. The salary of Hiren Vadgama was increased during the interim period of the current year.

****In view of changes in CS during financial year, instead name wise, we have taken as a whole for comparison purpose. The increase was attributed mainly of their working tenure**

- The percentage increase in the median remuneration of employees in the financial year: **7.42%**
- The number of permanent employees on the rolls of the Company as at **31st March, 2023 : 494**
- The explanation in relationship between average increase in remuneration and company performance:
The increment of each employee is based on their performance/ contribution made towards the profitability of the Company. Thus, the increments of the employee relate to the overall performance of the Company.
- Comparison of the remuneration of Key Managerial Personnel against the performance of the Company: (Rs. In Lakhs)

Particulars	Amount (As Per MGT-9)
Remuneration of KMP during the financial year 2022-23 (aggregated)	77.77
Revenue from operation	10798.04
Remuneration (as % of revenue)	0.72%
Profit / (Loss) Before Tax (PBT)	471.98
Remuneration (as % of PBT)	16.48%

- Variation in the market capitalization of the company, price earnings ratio as at the closing date of the current financial year and previous financial year and percentage increase over decrease in the market quotation of the shares of the Company in comparison to the rate at which the company came out with the last public offer in case of listed companies, and in case of unlisted companies, the variation in the net worth of the company as at the close of the financial year and previous financial year;

Particulars	Unit	As at31-03-2023	As at31-03-2022	Variation in %
Closing rate of share at BSE	In Rs.	177.50	53.80	229.93
EPS (Standalone)	In Rs.	11.57	4.09	182.89
Market Capitalization	Rs. / Lakhs	3866.74	1871.06	106.66
Price Earnings Ratio(Standalone)	Ratio	15.34	13.15	16.65

- Average percentiles increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there any exceptional circumstances for increase in the managerial remuneration:

There is increase in average salary of employee other than managerial remuneration to the tune of 3.69% as compared to the increase in managerial remuneration to the tune of 59.76%. The increase in managerial remuneration is not comparable in view the new appointment of Whole time Director and revising the remuneration during the interim period of the current year.

- Comparison of each remuneration of Key Managerial Personnel against the performance of the Company; (Rs. In Lakhs)

Particulars	Chief Executive Officer (as per MGT-9)	Chief Financial Officer	Company Secretary
	Amount	Amount	Amount
Remuneration	15.41	6.31	3.04
Revenue	10798.04	10798.04	10798.04
Remuneration (as % of revenue)	0.14%	0.06%	0.03%
(Loss) / Profit before Tax (PBT)	471.98	471.98	471.98
Remuneration (as % of PBT)	3.26%	1.34%	0.64%

- The key parameters for any variable component of remuneration availed by Directors: **N.A.**
- The rational of the remuneration of the highest paid to the director to that of the employees who are not directors but receive remuneration in excess of highest paid during the year: **N.A.**
- Affirmation that the remuneration is as per the policy of the company:

The Company's remuneration policy is driven by the success and performance of the individual employees of the company. The Company affirms remuneration is as per the remuneration policy of the company.

REPORT ON CORPORATE GOVERNANCE

The Board of Directors present the Company's Report on Corporate Governance pursuant to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') as amended for the financial year ended **March 31, 2023**.

1. PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE:

Corporate Governance is the underlying corporate philosophy that governs the way a corporation is managed. It is a mechanism by which principles, policies and procedures of a company are built on the foundation of fundamental ethical values. It refers to the entire system by which the company is managed and monitored in a transparent manner. The Company's philosophy on corporate governance oversees business strategy and ensures fiscal accountability, ethical corporate behavior and fairness to all stakeholders comprising regulators, employees, customers, vendors, investors and the society at large. Corporate Governance is an inclusive term that encompasses business ethics and awareness of the environmental and social interest of the communities in which an organization operates. The Corporate Governance framework typically comprises elements of legislation, regulation, self-regulation and ethical business practices. There are various features of corporate governance like reporting, disclosure, risk management etc that are instrumental in upholding the basic values and tenets of corporate governance. The Company's governance framework and philosophy are based on the bedrock of ethics, values, and trust. As part of its growth strategy, AECL emulates the "best practices" that are followed in the domain of corporate governance globally.

The Company believes that the governance process must aim at managing the affairs without undue restraints for efficient conduct of its business, so as to meet the aspirations of shareholders, employees, and society at large

2. BOARD OF DIRECTORS:

Your Board of Directors closely monitors the performance of the company and the management approves the plans, reviews the strategy, and strives to achieve organizational growth. Your Board ensures statutory and ethical conduct and place high importance on the internal financial reporting. It shoulders the responsibility and holds itself accountable to the shareholders as well as other stakeholders for the long-term well-being of the Company.

The Company is managed by the Board of Directors consisting of highly qualified and experienced professionals from different fields, which formulates strategies, policies and reviews its performance periodically. The Chairman and Whole-time Directors manages the business of the Company under the overall supervision, guidance, and control of the Board.

COMPOSITION:

Your Company endeavors to have a judicious mix of executive, non-executive, and independent directors, so as to have independence on the Board and separate its function of governance from that of management. Your Company also had a woman director which brings diversity on the Board. As on **31st March, 2023**, the Board comprised of 7 (Seven) Directors including 4 (Four) non-executive independent directors which also includes 1 (One) woman director.

None of the Directors on the Company's Board is a member of more than 10 (ten) Committees and Chairman of more than 5 (five) Committees (Committees being, Audit Committee and Stakeholders Relationship Committee) across all the Companies in which he or she is a director as per regulation 26 of SEBI (LODR) Regulations, 2015. Necessary disclosures have been made by each Director.

The Chairman of the Board is an Executive Director. The experiences of all directors have diverse expertise in the field of finance, marketing, production, economics, administration, and management which strengthens the governance and management of the Company's affairs.

The details of Directors along with their attendance in the various meeting and their directorship are given here under:

BOARD MEETINGS AND PROCEDURES:

(A) Scheduling and selection of Agenda items for Board Meetings:

- i. Dates of the board meetings are decided in advance. The board meetings are convened by giving appropriate notice after obtaining the approval of the Chairman of the Board. Detailed agenda, management reports and other explanatory statements are circulated in advance amongst the members for facilitating meaningful, informed, and focused decisions. To address specific urgent need, meetings are also being called at shorter notice. The Board is also authorized to pass resolution by circulation for all such matters, which are of utmost urgent nature.
- ii. Where it is not practicable to attach any document or the agenda is of confidential nature, the same is placed on the table with the approval of the Chairman of the Board. In special and exceptional circumstances, additional or supplemental item(s) on the agenda are permitted. Sensitive subject matters are discussed at the meeting without written materials being circulated.
- iii. The agenda of the board meetings is drafted by the secretarial department along with the explanatory notes and these are submitted to the Chairman and Managing Director for their approval. All divisions/departments in the Company are encouraged to plan their functions well in advance, particularly with regard to matters requiring discussion/ approval/ decision in the Board Meetings
- iv. Detailed presentations are made at the Board / committee meetings covering finance, major business segments and operations of the Company and on Auditors reports before taking on record the quarterly/ half yearly/annual financial results of the Company.
- v. As per the convenience of the Members of the Board, the Board Meetings are usually held at the Company's Registered Office at Village Patla, Taluka Bhesan, Dist. Junagadh.
- vi. The Members of the Board have complete access to all information of the Company. The Board is also free to recommend inclusion of any matter in agenda for discussion. Senior Management Officials are called to provide additional inputs to the items discussed by the Board as and when necessary.

(B) Recording minutes of proceedings at the Board Meeting:

The Minutes of the proceedings of each Board Meeting is recorded and the same is sent to all Directors for their comments, if any. The said minutes are getting approved usually before the next Board Meeting. Thereafter, the minutes are entered in the minute's book and the same are signed by the Chairman as prescribed in the Companies Act, 2013.

(C) Compliances:

The secretarial department is responsible for preparation of agenda papers for the meetings and is required to ensure adherence to all the applicable provisions of laws, rules, guidelines etc. The said department has to ensure compliance to all the applicable provisions of the Companies Act, 2013, SEBI Guidelines, SEBI (LODR) Regulations, 2015, and other statutory requirements pertaining to capital market. The Board of Directors reviews quarterly compliance report confirming adherence to all applicable laws, rules, regulations, and guidelines.

BOARD MEETINGS:

During the year **2022-23**, **5 (Five)** Board Meetings were held on **30th May, 2022, 10th August, 2022, 22nd October, 2022, 14th November, 2022 and 13th February, 2023**. The Company has held at least one Board Meeting in every quarter and the gap between two Board Meetings have not exceed one hundred and twenty days. The necessary quorum was throughout present in all the meetings. Leave of absence was granted to the concerned directors who could not attend the respective Board Meeting.

The details of attendance of Directors at the Board Meetings are as under:

Date of Board Meeting for 22-23	No. of Directors Present
30-05-2022	4
10-08-2022	5
22-10-2022	6
14-11-2022	6
13-02-2023	7

The Company did not have any material pecuniary relationship or transactions with the Independent Non-Executive Directors during the year 2022-23.

(D) Disclosure regarding Directors retiring by rotation and being re-appointed:

Mr. Hiren N Vadgama and Mr. Rajan R Bambhania, the director retires by rotation at the ensuing Annual General meeting and being eligible, offers themselves for re-appointment.

A brief resume and the profile of **Mr. Hiren N Vadgama and Mr. Rajan R. Bambhania**, the directors retiring by rotation, and being eligible for re-appointment at the ensuing Annual General Meeting of the Company are given in the notice of Annual General Meeting, annexed to this Annual Report.

(E) Separate meeting of Independent Directors:

Separate meeting of Independent Directors was held on **29th May, 2023** to evaluate the performance of Non-Independent Directors and the Board as a whole as well as the performance of the Chairman of the Company. In that meeting, Independent Directors have reviewed the flow and availability of information from the Management to the Board.

**(F) Code of Conduct:**

The Board of Directors of the Company has laid down a “Code of Conduct” for all Board Members including Independent Directors and Members of Senior Management of the Company. The Code of Conduct is posted on the website of the Company at <http://www.aec.com> The Board Members (including Independent Directors) and Senior Management have affirmed compliance with the “Code of Conduct” for the year ended **31st March, 2023**.

The Code of Conduct for Prevention of Insider Trading & Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information is posted on the website of the Company at <http://www.aec.com>

Usually, the Company Secretary and sometimes in its place the Manager of the Company has been appointed as Compliance Officer and they are responsible for adherence to “Code of Conduct for Prohibition of Insider Trading, Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information.”

(G) Whistle Blower Policy:

The Company has adopted a well-defined ‘Whistle-Blower Policy’ and established vigil mechanism to provide for adequate safeguard against victimisation of Directors and employees who use the mechanism. The mechanism also provides for direct access to the Chairperson of Audit Committee in appropriate cases.

Employees use this channel to report concerns related to discrimination, retaliation, and harassment, and are assured of complete anonymity and confidentiality. During the year under review, no such cases were reported, and no personnel have been denied access to the Audit Committee.

The details of such mechanism are communicated to all the directors and employees and the Whistle blower policy is also uploaded on the website of the Company at <http://www.aec.com>

(H) CEO / CFO Certificate:

The Managing Director/CEO and the Chief Financial Officer of the Company have furnished the requisite certificate to the Board of Directors under Regulation 17(8) of SEBI (LODR) Regulations, 2015.

COMMITTEES MEETINGS AND PROCEDURES:

“AECL” governance structure comprises of Board of Directors, Committees of the Board, and the Management. The Company has rigorously stood by the core principles of corporate governance, which have been the edifice of its multi-fold governance model, with the Board of Directors (“Board”) and the Committees of the Board (“Committees”) at the apex, and the management structure at the operational level. The Board and its committees guide, support and complement the management team’s ideas and initiatives, which in turn assumes accountability, strives to achieve the set objectives and enhances stakeholder value.

The Board Committees play a vital role in ensuring sound Corporate Governance practices. The Committees are constituted to handle specific activities and ensure speedy resolution of the diverse matters. The Board supervises the execution of its responsibilities by the Committees and is responsible for their actions. The minutes of the meetings of all the committees are placed before the Board for review.

There are three Board Committees constituted/ reconstituted as at date:

1. Audit Committee
2. Nomination and Remuneration Committee
3. Stakeholders Relationship Committee

The terms of reference of the Board Committees are determined by the Board from time to time. The role and composition of these Committees, including the number of meetings held during the financial year and the related attendance, are provided below.

(1) AUDIT COMMITTEE:

The Audit Committee acts as a link among the Management, the Statutory Auditors, Internal Auditors, and the Board of Directors to oversee the financial reporting process of the Company. The Committee’s purpose is to oversee the quality and integrity of accounting, auditing and financial reporting process including review of the internal audit reports and action taken report.

The terms of reference and role of the Audit Committee is in accordance with Section 177 of the Companies Act, 2013 and Regulation 18 of SEBI (LODR) Regulations, 2015.

Composition of Committee:

The Audit Committee comprises of three Non-Executive Independent Directors viz. (1) Mr. B. R. Sureja (2) Mr. J. B. Jagani (3) Mr. P. J. Doshi who all have adequate financial and accounting knowledge.

Meeting and attendance of Audit Committee:

Five Audit Committee meetings were held on **25th May, 2022, 8th August, 2022, 20th October, 2022, 12th November, 2022 and 11th February, 2023**. The attendance of Audit Committee member is given hereunder:

Name of the Director	Category	Nos. of Meeting Attended
Mr. B. R. Sureja	Chairman of Committee	5
Mr. J. B. Jagani	Member of Committee	5
Mr. P. J. Doshi	Member of Committee	5

The Audit committee at its meeting held on **29th May, 2023** reviewed the Annual Accounts for the year 2022-23 and recommended the same for approval of the Board of Directors.

The Audit Committee invites such of the executives and directors, as it considers appropriate to be present at its meetings. The Manager, the Accountant, the Statutory Auditors, and the Internal Auditors are normally invited to this meeting.

Terms of Reference:

The Audit Committee reviews the financial statements of the Company along with its subsidiary and also performs the following functions:

- to review the audit plan and Company's external auditors report;
- to recommend appointment, remuneration and terms of appointment of auditors of the company;
- to review the financial statements of the Company before their submission to the Board;
- to review with management the quarterly financial statements of the Company before their submission to the Board;
- to review the co-operation given by the Company's officers to the external auditors;
- to discuss nature and scope of audit before audit commences with statutory auditors;
- to review the scope and results of internal audit procedures;
- to nominate external auditors for re-appointment;
- to review and accord its approval for interested person transactions;
- to generally undertake such other functions and duties as may be required by statute or by the Listing manual, and by such amendments made thereto from time to time;
- It shall have the authority to investigate into any matter relating to accounts as referred to it by the Board and for this purpose; they shall have full access to information contained in "Accounting records" of the Company.

The minutes of Audit Committee Meetings are reviewed by the Board of Directors at the subsequent Board Meeting.

(2) NOMINATION AND REMUNERATION COMMITTEE:

The constitution and terms of reference of Nomination and Remuneration Committee of the Company are in compliance with provisions of Section 178 of Companies Act, 2013, and Regulation 19 of SEBI (LODR) Regulations, 2015.

**CERTIFICATION BY MANAGING DIRECTOR AND CHIEF FINANCIAL OFFICER TO THE BOARD:**

We, **Mr. R. R. Bambhania, Managing Director** and **Mr. Siddik Kotal, Chief Financial Officer** of Austin Engineering Company Limited, certify that:

1. We have reviewed the financial statements for the year **31st March, 2023** and to the best of our knowledge and belief:
 - a) These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - b) These statements present a true and fair view of the state of affairs of the Company and of the results of operations and cash flows. The financial statements have been prepared in conformity, in all material respects, with the existing Generally Accepted Accounting Principles including Accounting Standards, applicable laws and regulations.
2. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or volatile of the Company's code of conduct.
3. We accept overall responsibility for establishing and monitoring the Company's internal control system for financial reporting and evaluating its effectiveness. Internal Audit function monitors the internal control system for financial reporting, which encompasses the examination and evaluation of the adequacy and effectiveness. Internal Audit works with all levels of management and Statutory Auditors and reports significant issues to the Audit Committee of the Board. The Statutory Auditors and Audit Committee are apprised of any corrective action taken or proposed to be taken with regard to significant deficiencies and material weaknesses.
4. We have indicated to the Auditors and to the Audit Committee:
 - a) that there are no significant changes in internal control over financial reporting during the year;
 - b) that there are no significant changes in accounting policies during the year;
 - c) that there are no instances of significant fraud of which we have become aware of and which involve management or other employees who have significant role in the Company's internal control system over financial reporting.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

OVERVIEW- ECONOMY & BEARING INDUSTRY:

The rearmost World Economic Outlook published by the International Monetary Fund (IMF) has projected a slightly less caliginous picture than what we anticipated a while ago. Among the top reasons cited were the robust consumer spending and a less severe energy extremity than anticipated post-Russia's irruption of Ukraine. Nonetheless, global frugality still faces major headwinds. Global growth is now anticipated to fall from 3.4 percent in 2022 to 2.8 percent this time, before rebounding to 3 percent in 2024. The 2023 growth protuberance is in line with the October 2022 estimate of 2.7, as the IMF visualizes far smaller countries facing recession this time and no longer anticipates a global downturn. One of the main reasons behind the watchful and auspicious outlook is the rearmost downcast trend in inflation, suggesting that inflation may have peaked in 2022. The projection given by IMF on global inflation is that it will dip to 6.6 in 2023 and 4.3 in 2024, which is still above pre-pandemic situations of about 3.5 percent, but significantly lower than the 8.8 percent observed in 2022. (Source: International Monetary Fund)

Global Outlook:

Global Economic growth is expected to dampen to 2.7% in 2023 which is 0.2% higher than what was predicted in October of last year in World Economic Outlook (WEO) but lower than the documented (2000-19) average of 3.8%. The upswing in central bank outlays to fight inflation and Russia's insurgence in Ukraine continue to chew on the economic activity. The fleeting spread of COVID-19 in China's provinces dampened growth in 2022, but the recent and more current reopening has shown a path for a quicker-than-expected recovery. As a bonus, strong labor markets and solid remuneration growth could strengthen consumer demand, while alleviating supply chain disruptions could assist in cooling down inflation and curb the need for more monetary tightening.

Current Scenario:

Asia's third sizeable economy recorded a year-on-year growth of 4.4% in October-December, dropping from 11.2 percent a year back and 6.3 percent in the aforementioned quarter. The GDP growth forecast for India as provided by the IMF for FY 2023-24 has dropped by 20 basis points to 5.9 percent and for FY25 by 50 basis points to 6.3 percent. Despite a noteworthy drop in the growth rate projections from 6.8 percent to 5.9 percent, India reinstates its position as the fastest growing economy in the world. The deluge from the recent turmoil in financial markets in the United States and Europe constitutes an impending risk to interim investment flows to markets coming to the fore, including India.

Future Outlook:

In contention with the rest of the world, India too encountered an exceptional set of challenges in tightening the financial atmosphere and alleviated supply chain disruptions from a prolonged and arduous war in Europe but combated them better than most notable economies. As stated by the survey, India is the world's third-largest economy in PPP (purchasing power parity) terms and sizably fifth in terms of the exchange rate. With the indication that inflation may not be too worrisome, borrowing/ commandeering costs are likely to remain 'higher for longer' as deep-rooted inflation may prolong the tightening cycle. India's recovery from Covid 19 was quick, with a growth outlook to be supported by solid domestic demand, and a boost in capital investment, but accentuated the defiance of the rupee with the prospect of further interest rate hikes by the US Fed. This optimistic and buoyant growth forecasts stem from several positives like the recoiling of private consumption giving a boost to production activity, higher capital expense, and near-universal vaccination coverage permitting people to spend on contact-based services such as restaurants, hotels, shopping malls, and cinemas. Supporting further economic growth is the expansion of public digital platforms and measures such as PM Gati Shakti, the NLP (National Logistics Policy), and the PLI (Production-linked incentive) schemes to bolster manufacturing output. (Source: International Monetary Fund and IBEF)

Bearing Market and Future Development:

In 2022, the global bearing market expanse is anticipated to grow at a CAGR of 10.6% from 2023 to 2030 (Source: <https://www.grandviewresearch.com/industry-analysis/bearings-market>). The roller bearings segment in 2022 accounted for the largest revenue share of more than 47.37%. Against all odds, this segment is also appraised to continue its supremacy and materialize as the quickest-growing segment for the years to come. Bearings are virtually part of every kind of equipment's or machinery, thoroughly ranging from automobile parts, farm equipment, and household appliances to segments comprising defense and aerospace equipment. These factors are projected to drive this market.

(a) Indian Automotive & Agriculture Industry:

The Automotive Market for India was valued at USD 100 billion in 2021 and is anticipated to hit USD 160 billion in 2027, inscribing a CAGR of 8.1% over the forecast period (2022-2027). The automobile sector accounts for 7.1% of India's GDP and 49% of the manufacturing GDP. Hence, the automobile sector in India is a significant driver of macroeconomic growth and technological advancement. Being a significant driver in the bearing market, it is said to propel India bearing market size from US\$ 1,772.6 Mn in 2021 to US\$3,374.4 Mn by the end of 2027 thus registering growth at a CAGR of 10.9%.

With the onset of a steep growth of about 26% in FY22, the momentum continued into FY23 registering a staggering 32.88% uptick as compared to FY22 with figures inching towards the one-million-unit sales mark.

The Indian Agriculture tractor market surpassed their all-time records and have registered an increase of about 12% in sales over last year with 944,000 units in FY23. Few reasons include an increase in farm income as a consequence of rising MSP (minimum support prices) as well technological advancements in 40HP plus tractors aiding to this increased demand. Mahindra tops the list with TAFE, John Deere and CNH following up on the list. Tractors in the range of 41-60 HP have proven to be the market leader and is expected to sustain growth at a CAGR of 5.78%.

(b) Indian Industrial Industry:

India is gradationally progressing on the road to Industry 4.0 through the Government of India's enterprises like the National Manufacturing Policy aimed at increasing the share of manufacturing in GDP to 25 percent by 2025 and the PLI (Production Linked Incentive) scheme for manufacturing which was launched in 2022 to develop the core manufacturing sector proportionate with global manufacturing norms.

Industrial Production in India ballooned 5.2% year-on-year in January of 2023, following a 4.3% ascension in December and equated to market forecasts of a 5% increase. Yields from the manufacturing sector rocketed to 3.7%, mining 8.8% and electricity 12.7%. Considering the April 2022- January 2023 period, the artificial product went up 5.4%. (Source: Report released by the Ministry of Statistics and Programme Implementation)

(C) Future Growth Rates:

The Indian government continues to bestow momentum on the Manufacturing and Mining industry. Early January 2023, the mining growth stood at 8.8% versus 9.8% back in December last year, while the manufacturing output stood at 3.7% versus 2.6% and electricity growth came in at 12.7% versus 10.4%. Expectations are that the mining production in India will be 2% by this quarter's end. The current projections for 2024 and 2025 are 3.10% and 2.50% respectively with a CAGR of 3.07% (2023– 2025). India's output of 8 core industries registered a growth of 7.8% in January 2023 against 4% growth during January 2022 (Source: Ministry of Commerce) The production of coal, fertilizers, electricity, steel, cement, natural gas, and refinery products increased early this year in January over the corresponding month of last year. The government has recently taken several initiatives to boost growth in the industrial sector. Among notable ones are PLI (Production linked incentive), PM Gati Shakti (Multimodal connectivity infrastructure), Bharat Mala (Northeast India connectivity), Startup India, Make in India 2.0, Atmanirbhar Bharat Campaign, Disinvestment plans, and MSME innovative schemes.

Additionally, there are measures that have commenced to strengthen the railway infrastructure. As per the Union budget, which was discussed, Indian Railways finalized a tender to procure 90,000 freight wagons by 2025. The investment involved is about INR 1 trillion. They are also set to achieve a loading of 2024 MT (metric ton) in 2024 from the current 1600-1700 MT loading in 2023. Also, Indian Railways launched the National Rail Plan, Vision 2024, to facilitate the implementation of important and critical projects, such as multitrack congested routes, achieving 100% electrification, upgradation of the speed to 160 kmph on the Delhi- Howrah/Mumbai routes, upgrade speeds to 130 kmph on all other golden quadrilateral/diagonal (GQ/GD) routes /circuits thus eliminating all level crossings for the same, by 2024. Indian Railways have prepared an NRP (National Rail Plan) which is directed at formulating certain strategies based on both functioning capacities and business-oriented policy initiatives to increase the modal allotment of the Railways in freight to 45%.

As it is known, the bearing industry is highly capital intensive and technology driven. The market is driven mainly by two key user segments namely automotive and industrial sectors. Organized sector companies including global bearing majors meet the needs of the Indian market through a mix of domestic manufacturing and imports. The business is further divided into Original Equipment Manufacturer (OEM) and End User Market. In terms of consumption, organized sector dominates the OEM market and industrial aftermarket demand, while the unorganized sector primarily caters to the low performance and lower end cost-sensitive segment of the aftermarket.

Your Company, with its overall reputation and its wide range of products will continue to deliver the performance and sustainable results to its customers.

OPPORTUNITIES:

The Indian Economy is presently growing positively and is expected to play a significant role in the global economy. Apart from accelerating the economic reforms, the industry has to address the challenges of job creation, growth-oriented investments and innovating outreaches to drive sustainable and inclusive growth. Indian urbanization is taking shape at rapid pace. The governments' ambitious call for "Make in India", "Youth development as the Starts-up" "The Atmanirbhar Yojana" creates various opportunities in this industry. Indian Railways is all set to upgrade with major spend allocated for key development projects. The growth of bearing industry thus seems to be on positive mood.

THREATS:

Bearing industry being capital intensive, there is always a threat of under utilization of expensive resources to be used and lesser absorption of fixed cost faced by the Company. Continual increase in raw material and consumables is another area of threat. Increase in labour cost will have to be matched by the corresponding increase in the productivity to retain competitiveness of industry. The shortage of appropriately skilled labour across is emerging as a significant and complex challenge to the company's growth and future.

Your Company continues to focus on quality and technology innovations besides further developing application engineering and R & D capabilities to strengthen the competitiveness.

STRENGTH:

The Directors and the top management of the Company are well experienced and technically qualified and sound. The Company is in this line of business for more than three decades and enjoys high reputation in the name of its brand and in the market. The Company has wide market network with established customer base. The Company is able to obtain skilled workmen at comparatively lower cost.

SEGMENT WISE PERFORMANCE:

The Company primarily operates in two segments of activities namely "Bearing", "Power". The segment wise revenue results and capital employed has been given here under by way of amount Rupees in Lakhs.

	2022-23	2021-22	2022-23	2021-22	2022-23	2021-22
Particulars	Bearing	Bearing	Power	Power	Total	Total
1. Segment Revenue	10,963.50	8952.46	83.70	71.66	11,047.19	9,024.12
2. Segments Results (PBT)	407.72	84.42	64.26	52.57	471.98	136.99
3. Capital Employed	5,296.80	4,980.30	42.81	44.46	5,633.25	5,254.63

INTERNAL CONTROL SYSTEMS:

An important aspect of good Corporate Governance is a well-defined "Internal Control" and "Internal Audit" system. Therefore, your company views internal audit as a continuous process to keep management regularly apprised about the existence, adequacy and effectiveness of control systems and processes in the operations of the organization.

The Company has a sound system of internal controls for financial reporting of various transactions and compliance with relevant laws, rules, and regulations. The Company has well documented policies, procedures, and authorization guidelines commensurate with the level of responsibility and standard operating procedures specific to the business.

The Internal Audit Department has extensive audit programs for the year. The post audit checks and reviews are also carried out to ensure follow up on the observations made by the Audit Committee. The Audit Committee reviews the internal audit reports and the adequacy of internal controls periodically and takes corrective action as and when necessary.

All transactions are authorized as per company's approval and signature guidelines, which are recorded and reported in an organized manner.

FINANCE:

"AECL" operates primarily in bearings and related components segments which are used in a wide range of applications across industries. The government policy appears to be on positive front. The macro environment has improved.

Your company has been consistently practicing prudent finance and working capital management. The strong focus on working capital and liquidity management has helped timely generation of sufficient internal cash flow to invest in long-term strategic objectives of the company.

BUSINESS STRATEGY AND OUTLOOK:

"AECL" is the leading manufacturer of all types of anti-friction bearings, and it offers wide range of varieties to the different segments of people.

The Company blend optimism with caution as it looks ahead to short term future. Easing of inflation and liquidity will set better chance for investment and consumption.

At the company level, the majority of product range is the import substitute and we are focussing more and more on export front. A number of steps for strict cost control and improving efficiency and production at all levels have been taken which is expected to further enhance the performance of company in the years to come. At the core of "AECL", technical up gradation and advancement is a perpetual effort soliciting involvement of the top management which itself endeavours to encourage new development, continuous quality improvement and strong desire to prove that your company's technology is proficient to compete with any top technologically advanced organization and thus, resulting in unshakeable customer confidence in India and abroad for "AEC" bearings.

The Company is trying to focus on sharpening its competitiveness and offering various product- mixes which is totally market driven.

The Company restricts its export domain only to the most quality-conscious market like the United States and European Union which accounts majority of its revenue. We have 100% subsidiary in USA which also acts on marketing front. What may come as a surprise to the most is that, despite our very modest size, we have the widest range of bearings in the domestic market, weighing from 50 gms to over 500 kgs.

We manufacture bearings for demanding applications. It is among a handful of customized bearing manufacturer worldwide producing bearings of 1800 mm diameter.

Ours special bearing range includes:

1. Steel Plant bearings
2. Mining Equipment.
3. Material handling equipment.
4. Bearings for cement, sugar, paper and other continuous process industry
5. Special bearings for high-speed heavy-duty turbines (used in power plants)
6. Oilfield applications
7. Agro-machinery
8. Gear Box
9. Motor/Pumps

HUMAN RESOURCES AND INDUSTRIAL RELATIONS:

The Company believes that the quality of its employees is the key to its success in the long run and therefore is committed to provide necessary human resource development and training opportunities to equip them with skill, enabling them to adapt to contemporary technological advancements. Industrial relations during the year continued to be cordial. The company is committed to maintain good relations through negotiations and meetings and it encourages its employees to be "entrepreneurial" and focus on experimenting and being innovative.

The performance linked bonus and rewards were instituted, which not only helped to improve productivity but also brought the culture of healthy competitive performance within the organization. The gap between existing and desired skills has been filled up in the employees through training and development.

Your Company firmly believes that Human Resource Development strategies and practices will continue to provide sustained competitive advantage. The management of your company deeply appreciates the spirit and commitment of dedication of its employees.

CAUTIONARY STATEMENT:

Certain statements in the Management Discussion and Analysis describing the company's objectives, projections, estimates, expectations, or predictions may be 'forward-looking statements' within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied therein. Important factors that could make a difference include raw material availability and prices thereof, cyclical demand and pricing in the company's principal markets, changes in government regulations and tax regime, economic developments within India and the countries in which the company conducts business and other incidental factors. The Company will not be in any way responsible for any actions based on such statements and undertakes no obligation to publicly update these forward-looking statements to reflect subsequent events or circumstances.

INDEPENDENT AUDITORS' REPORT

TO
THE MEMBERS OF
AUSTIN ENGINEERING COMPANY LIMITED
Junagadh.

Report on the Standalone Ind AS Financial Statements

Opinion

- We have audited the accompanying standalone Ind AS financial statements of **M/s. Austin Engineering Company Limited**, Junagadh (the "Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss, statement of Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone Ind AS financial statements").
- In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the Profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

- We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

- Completeness of revenue (as described in note 1 (b) (xv) (Summary of significant accounting policies) and note 24 of notes to the financial statements for the year ended March 31, 2023

Key audit matters	How our audit addressed the key audit matter
<p>The Company has revenue from sale of products which includes finished goods and scrap sales. The Company is engaged in manufacturing of forged and machined bearing rings and automotive components as per specification provided by the customers and based on the schedules from the customers.</p> <p>The Company recognizes revenue from sale of goods at a point in time when control of the goods is transferred to the customer, based on the terms of the contract with customers which varies for each customer. Determination of point in time includes assessment of timing</p>	<p>We performed the following audit procedures, amongst others:</p> <ul style="list-style-type: none"> We obtained an understanding of the Company's sales process, including design and implementation of controls over timing of recognition of revenue from sale of goods and tested the operating effectiveness of these controls We reviewed the Company's accounting policies for revenue recognition in context of the applicable accounting standard. Obtained customer contracts on sample basis and read the terms to assess various performance obligations in the contract, the point in time of transfer of control and pricing terms. Tested on a sample basis sales invoices for identification of point in time for transfer of control and terms of contract with customers. Further, we performed procedures to test on a sample basis whether revenue was recognized in the appropriate period by testing shipping records, good inwards receipt of customer, sales invoice, inco-terms etc. and testing the management assessment involved in the process, wherever applicable. Attended and observed the inventory count performed by the management at year-end and obtained confirmations for inventory lying with third parties.

Key audit matters	How our audit addressed the key audit matter
<p>of transfer of significant risk and rewards of ownership, establishing the present right to receive payment for the products, delivery specifications including Inco terms, timing of transfer of legal title of the asset and determination of the point of acceptance of goods by customer. Further, the pricing of the products is dependent on metal indices and foreign exchange fluctuation making the price volatile.</p> <p>Due to judgments relating to determination of point in time in satisfaction of performance obligations with respect to sale of products, this matter has been considered as key audit matter.</p>	<ul style="list-style-type: none"> • Circulated the confirmations for outstanding trade receivables on sample basis on year end, and performed alternate procedures for the confirmations not received. • We also performed various analytical procedures to identify any unusual sales trends for further testing • We assessed the disclosure is in accordance with applicable accounting standards.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

- 1 The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone Ind AS financial statements and our auditor's report thereon.
- 2 Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- 3 In connection with our audit of the stand alone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- 4 If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

- 1 The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standard (Ind AS) specified under Section 133 of the act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 2 In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 3 The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

- 1 Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.
- 2 As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure, and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 3 We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 4 We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 5 From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the stand alone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 (the "Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 As required by Section 143(3) of the Act, based on our audit we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The standalone balance sheet, the standalone statement of profit and loss statement and other comprehensive income, the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) There is no qualification, reservation or adverse remark relating to the maintenance of accounts and other matters connected therewith.
 - (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A." Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - (h) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act read with schedule V of the act.

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- (a) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - (b) The Company did not have any long-term contracts including derivative contracts; for which there were any material foreseeable losses.
 - (c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - (d) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note No. 53(a) of the financial statements attached herewith, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person/s or entity/ies including foreign entity/ies ("Intermediaries"), with the understanding, whether recoded in writing or otherwise, that the Intermediaries shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on the behalf of the Ultimate Beneficiaries.
 - (e) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note No. 53(b) of the financial statements attached herewith, no funds have been received by the Company from any person/s or entity/ies including foreign entity/ies ("Funding Party/ies"), with the understanding, whether recoded in writing or otherwise, that the Company shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party/ies ("Ultimate Beneficiaries") or provide any guarantee, security or the like on the behalf of the Ultimate Beneficiaries.
 - (f) Based on the audits procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that representations under sub-clauses (i) and (ii) of clause (e) of Rule 11 contain any material misstatement.
 - (g) No dividend has been declared or paid during the year by the Company.
 - (h) as proviso to rule 3(1) of the Companies Rules, 2014 applicable for the company only w.e.f. April 1, 2023 reporting under this clause is not applicable.

Annexure A

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

- 1 We have audited the internal financial controls over financial reporting of **M/s. Austin Engineering Company Limited, Junagadh** (hereinafter referred to as the “**Company**”) as of 31st March, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

- 1 The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility:

- 1 Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- 2 Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 3 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

- 1 A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

- 1 Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

- 1 In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

In terms of the information and explanations sought by us and given by the Company as certificate and the books of account made available to us in the normal course of audit and to the best of our knowledge and belief, we report that, in our opinion:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant, and equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) These property, plant, and equipment have been physically verified by the management during the year at reasonable intervals. Discrepancies, having regard to size of the Company, considered as minor, were noticed on such verification and the said discrepancies were appropriately recognized in the financial statements by way of writing off of its assets.
- (c) The title deeds of all the immovable properties disclosed in the financial statements are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant, and Equipment (including Right of Use assets) or intangible asset or both during the year, and hence, this clause is not applicable to the Company.
- (e) No proceedings have been initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) The Management has conducted physical verification of inventory including lying with third parties at reasonable intervals during the year. In our opinion the coverage and the procedure at each verification by the management i.e. appropriate discrepancies of 10% or more in the aggregate for each class of inventories were noticed* on each physical verification and have been properly dealt within the books of accounts.
- (b) The Company has been, during the financial year 2022-23, sanctioned working capital limit in excess of five crore rupees, in aggregate, from bank on the basis of security of current assets. As mentioned in Note No. 19(A) of the Financial Statement attached herewith, the quarterly returns or statements filed by the Company with bank are in agreement with the books of account of the Company except for the Trade Receivable filed with Bank was not in agreement with books of account and the reason for such non-agreement is given in the table in the said note 19(A).
- (iii) The Company has not, during the year, made investment in, provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties.
 - (a) As the Company has not, during the year, provided loans, or provided advances in the nature of loans or stood guarantee, or provided security to any other entity, this clause is not applicable for the year under audit.
 - (b) As the Company has not, during the year, made investments, or provided guarantee, or given any security, this clause is not applicable for the year under audit.
 - (c) As the Company has not, during the year, granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit.
 - (d) As the Company has not granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit.
 - (e) As the Company has not granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit.
 - (f) As the Company has not granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit.
- (iv) The Company has complied with section 185 and 186 of the Companies Act, 2013, wherever applicable.
- (v) The Company has not accepted deposits, and therefore this clause is not applicable for the year under audit.
- (vi) We have broadly reviewed the books of accounts relating to materials, labors, and other items of cost maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act, and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained.
- (vii) (a) The Company generally regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, and any other statutory dues to the appropriate authorities. No undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, duty of customs, value added tax, goods and services tax, cess, and other material statutory dues were in arrears as at 31st March 2023 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no material dues of income tax, sales tax, service tax, wealth tax, duty of customs, duty of excise, value added tax, goods and services tax, and cess which have not been deposited with the appropriate authorities on account of any dispute. However, according to information and explanations given to us, the following dues of Central Excise as at March 31, 2023 have not been deposited by the Company on account of disputes:

Name of the Statute	Nature of dues	Amount (Rs. in lakhs)	Period to which the amount relates	Forum where the dispute is pending
Central Excise Act, 1944	Excise Duty	72.71	Financial year 2009-10, 2010-11 & 2012-13	CESTAT, WZB - Ahmedabad
Central Excise Act, 1944	Excise Duty and Penalty	63.34	Financial year 2012-13 to 2017-18	CCEC (A) – Rajkot & PC(A) GST & CE Rajkot

- (viii) There were no transactions, not recorded in the books of account, which have been surrendered or disclosed as income during the year in the tax assessment under the Income-tax Act, 1961.
- (ix) (a) The Company has not taken any loans or other borrowings and therefore, this clause is not applicable for the year under audit.
- (b) As certified by the management of the Company and as per books of account produced before us, the Company is not a declared willful defaulter by any bank or financial institution or other lender.
- (c) As the Company did not avail any term loan, this clause is not applicable for the year under audit.
- (d) As per books of account produced before us, the Company has not utilized short-term funds for long term purposes, and therefore, this clause is not applicable for the year under audit.
- (e) As certified by the management of the Company and on the basis of books of account examined by us, the Company has not taken any loans from any entity or person on account of or to meet the obligation of its subsidiaries, associates, or joint ventures.
- (f) As certified by the management of the Company, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies.
- (x) (a) On the basis of the records examined by us during the year, the Company has not raised money by way of initial public offer or further public offer (including debt instruments), and therefore, this clause is not applicable.
- (b) On the basis of our verification of records and information furnished to us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and therefore, the requirement of sections 42 and 62 of the Companies Act, 2013 is not required to be complied with.
- (xi) (a) On the basis of our examination of the books of account and other relevant records and information made available to us, prima facie, we have not noticed any fraud (i.e. intentional material misstatements resulting from fraudulent financial reporting and misappropriations of assets) on or by the company, during the year. Further, the management has represented to us that no fraud by the company or any fraud on the company by its officers or employees has been noticed or reported during the year.
- (b) The auditor of the company has not filed any report under sub-section (12) of section 143 of the Companies Act, 2013 in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014.
- (c) As represented by the management, there are no whistle-blower complaints received by the Company during the year.
- (xii) (a) This clause is not applicable to the Company as the Company is not Nidhi Company.
- (b) This clause is not applicable to the Company as the Company is not Nidhi Company.
- (xiii) All transactions with related parties are in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the financial statements etc. as required by the applicable Indian Accounting Standards.
- (xiv) (a) As certified by the management of the Company, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have duly considered the reports of Internal Auditor for the period under audit.
- (xv) In our opinion and according to the information and the explanations given to us, the Company has not entered into non-cash transactions with directors or persons connected with him.
- (xvi) (a) In our opinion and according to the information and the explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) As certified by the management of the Company, the Company has not conducted any Non-Banking Financial or Housing Finance activities.
- (c) This clause is not applicable to the Company.
- (d) This clause is not applicable to the Company.
- (xvii) The Company has not incurred cash losses in the financial year under audit and in the immediately preceding financial year.
- (xviii) This clause is not applicable for the financial year under audit.

- (xix) On the basis of the financial ratios disclosed in note 51 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) This clause is not applicable to the Company for the financial year under audit.
- (b) The provisions of Section 135 to the Companies Act, 2013 in relation to Corporate Social Responsibility is not applicable to the Company. Accordingly, the requirements for report on clause 3(xx)(a) and (b) of the order is not applicable to the company.
- (xxi) There are no qualification or adverse remark by the respective auditor in the Companies included in the Consolidated Financial Statement. Accordingly the requirement to report on clause 3(xxi) of the order is not applicable to Holding Company.

Notes to the Standalone Financial Statements for the year ended 31st March, 2023.

1. GENERAL INFORMATION

Austin Engineering Company Limited (“the Company”) is a public limited domiciled in India. The Company is engaged in manufacturing and selling all types of Bearings and its components under trademark “AEC”. The company is also engaged in generating of power from wind energy. The company caters to both domestic and international markets.

The Company’s shares are listed with BSE.

2. SIGNIFICANT ACCOUNTING POLICIES

A. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with Indian Accounting Standards (“Ind AS”) as per the Companies (Indian accounting standard) Rules, 2015 as amended and notified under section 133 of the companies act 2013 (the “Act”) and other relevant provisions of the Act. The aforesaid financial statements have been approved by the Board of Directors in the meeting held on **30th May, 2023**. These financial statements are prepared and presented in Indian Rupees and rounded-off to the nearest rupees in Lakhs, except when otherwise stated. The Company’s financial statements for the year ended **31st March, 2023** were prepared in accordance with Indian Accounting Standards (Ind AS) notified under companies (Indian accounting standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the company and other relevant provisions of the act.

B. BASIS OF PREPARATION AND PRESENTATION

These financial statements have been prepared and presented on the accrual basis of accounting under historical cost convention or fair values as per the requirement of Ind AS prescribed under section 133 of the companies act, 2013.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique in estimating the fair value of an asset or a liability.

All assets and liabilities have been classified as current or non-current as per the group’s normal operating cycle or 12 months or other criteria as set out in the Schedule III to the Companies Act 2013. Based on the nature of its business, the group has ascertained its operating cycle to be 12 months for the purpose of current and non-current classification of assets and liabilities.

C. REVENUE RECOGNITION

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, except for the agency services below, because it typically controls the goods or services before transferring them to the customer.

Sales of goods

Revenue from sale of goods is recognised at the point in time when control of the asset is transferred to the customer, generally on delivery of the equipment. The normal credit term is 30 to 90 days upon delivery.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated (e.g., warranties, customer loyalty points). In determining the transaction price for the sale of equipment, the Company considers the effects of variable consideration, the existence of significant financing components, noncash consideration, and consideration payable to the customer (if any).

(i) Variable consideration

If the consideration in a contract includes a variable amount, the Group estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. Some contracts for the sale of electronic equipment provide customers with a right of return the goods within a specified period. The Group also provides retrospective volume rebates to certain customers once the quantity of electronic equipment purchased during the period exceeds the threshold specified in the contract. The rights of return and volume rebates give rise to variable consideration.

➤ Rights of return

The Group uses the expected value method to estimate the variable consideration given the large number of contracts that have similar characteristics. The Group then applies the requirements on constraining estimates

of variable consideration in order to determine the amount of variable consideration that can be included in the transaction price. A refund liability is recognized for the goods that are expected to be returned (i.e., the amount not included in the transaction price). A right of return asset (and corresponding adjustment to cost of sales) is also recognised for the right to recover the goods from a customer.

➤ **Volume rebates**

The Group applies the most likely amount method or the expected value method to estimate the variable consideration in the contract. The selected method that best predicts the amount of variable consideration is primarily driven by the number of volume thresholds contained in the contract. The most likely amount is used for those contracts with a single volume threshold, while the expected value method is used for those with more than one volume threshold. The Group then applies the requirements on constraining estimates in order to determine the amount of variable consideration that can be included in the transaction price and recognised as revenue. A refund liability is recognised for the expected future rebates (i.e., the amount not included in the transaction price).

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head “other income” in the statement of profit and loss.

Dividend Income

Dividend income is recognized when the company’s right to receive dividend is established by the reporting date.

Windmill energy income

Consideration for electricity generated by the windmill division and fed into the state power grid is received in the form of credit in the manufacturing division’s power bill. Credits are recognised as income net of wheeling charges. Income so recognised is shown separately from the power cost under Other operating revenue

Other income is recognized on accrual basis provided that it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

D. PROPERTY, PLANT AND EQUIPMENT

The cost of property, plant and equipment comprises its purchase price, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning, net of any trade discounts and rebates. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of profit and loss in the period in which the costs are incurred unless such expenditure results in a significant increase in the future benefits of the concerned asset.

An item of property, plant and equipment is derecognized upon disposal or on retirement, when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the net sale proceeds and the carrying amount of the asset and is recognized in statement of profit and loss.

Property, plant and equipment are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any

The company has elected to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS i.e. 1 April-2016, measured as per the previous GAAP and use that as its deemed cost as at the date of transition.

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in schedule II to the companies Act, 2013. In respect of additions to property, plant and equipment, depreciation has been charged on pro rata basis.

Class of Assets	Useful Life Estimated by Management
Buildings	30
Plant & machinery	15
Vehicles	8
Furniture and fixtures	8
Computers	3
Windmill	22

The company reviews the residual value, useful lives and depreciation method annually and, if current estimates differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

E. INTANGIBLE ASSETS

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a Straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

An item of intangible assets is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on recognition of the asset is included in the statement of profit or loss when the asset is derecognized.

For transition to Ind AS, the company has elected to continue with carrying value of all its intangible assets recognized as of 1 April 2016 (transition date) measured as per the previous GAAP as per the previous GAAP and use that carrying value as its deemed cost as of transition date.

Intangible Assets amortized as follows:

- a) Trademark is amortized over the useful life estimated by the management. Over a period of 50 years.
- b) Computer Software is amortized over the useful life estimated by the management. Over a period of 5 years.

F. IMPAIRMENT OF PROPERTY, PLANT AND EQUIPMENT AND INTANGIBLE ASSETS

At the end of each reporting period, the company reviews the carrying amounts of its Property, Plant and Equipment and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of individual assets, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Any reversal of the previously recognized impairment loss is limited to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

G. LEASES

The company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration

Where the company is lessee

Company's leased assets comprises of lands. The company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets

a. Right-of-use assets

The company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term and the estimated useful lives of the assets, The right-of-use assets are also subject to

impairment. Refer to the accounting policies in section F Impairment of property, plant and equipment and intangible assets.

b. Lease liabilities

At the commencement date of the lease, the company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the company and payments of penalties for terminating the lease, if the lease term reflects the company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date with no option for extension and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as Lessor

Leases in which the company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in other income in the statement of profit or loss. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

H. INVENTORIES

Inventories are stated at lower of cost and net realizable value. Cost comprises of purchase price, applicable taxes not eligible for credit, less rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Stores and spares which do not meet the definition of property, plant and equipment are accounted as inventories.

Cost is determined on the basis of,

Inventory	Method
Raw materials	Weighted Average Cost
Stock - in - process	Weighted Average Cost
Finished goods	Weighted Average Cost
Stores and spares	Weighted Average Cost
Fuel	Weighted Average Cost

I. EMPLOYEE BENEFITS

In respect of defined contribution plan the company makes the stipulated contributions to provident fund and pension fund, in respect of employees to the respective authorities under which the liability of the company is limited to the extent of the contribution. and are recognised in statement of profit and loss.

The liability for gratuity, considered as defined benefit, is determined actuarially using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is

recognized in period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income ; and
- Re-measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expenses'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognized in the statement of financial position represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

J. TAXATION

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

Current Tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the India Income Tax Act, 1961.

Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each annual reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax are recognized in the statement of profit and loss, except when they are related to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

Minimum Alternate tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

K. FOREIGN CURRENCIES

The functional currency of the Company is determined on the basis of the primary economic environment in which it operates. The functional currency of the Company is Indian National Rupee (INR).

The transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in Foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are

denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognized in statement of Profit and Loss in the period in which they arise except for;

- Exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings;
- Exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognized initially in other comprehensive income and reclassified from equity to statement of Profit and Loss on repayment of the monetary items.

L. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that the reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities and contingent assets are not recognized but are disclosed in the notes.

M. EARNING PER SHARE

Basic earnings per share is computed by dividing the profit / (loss) after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit / (loss) after tax attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for driving basis earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

N. BORROWING COSTS

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

O. GOVERNMENT GRANTS AND SUBSIDIES

Government grants are recognized by the company where there is reasonable assurance that the grants will be received and all the attached conditions will be complied with. Revenue grants are recognized in the Statement of Profit and Loss in the same period, in which the related costs are incurred are accounted for.

Government grants relating to Property, plant and equipment are recognized / presented as deferred income and released to the statement of Profit and Loss over the expected useful lives of the assets concerned.

P. FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through statement of profit and loss ('FVTPL')) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognized immediately in Statement of Profit and Loss.

a) Financial Assets

(i) Initial recognition and measurement.

All financial assets are recognized initially at fair value. Transaction costs that are directly attributable to the acquisition of financial assets (other than financial assets at fair value through statement of profit and loss at fair value through statement of profit and loss ('FVTPL')) are added to the fair value of the financial assets, on initial recognition. Transaction cost directly attributable to the acquisition of financial assets at FVTPL is recognized immediately in Statement of Profit and Loss.

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI);
- Debt instruments and equity instruments at fair value through profit or loss (FVTPL);
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Debt instrument at FVTOCI :

A 'debt instrument' is classified as FVTOCI if both of the following criteria are met :

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flow represents SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Debt instrument at FVTPL :

FVTPL is a residual category for debt instrument.

Any debt instrument, which does not meet the criteria for categorization as amortized cost or as FVTOCI, is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as FVTPL. However, such election is chosen only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

(iii) Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily de-recognized when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognize the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

(iv) Investment in Subsidiary:

The Company's investment in equity instruments of Subsidiary are accounted for at cost as per Ind AS 27, including adjustment for fair value of obligations, if any, in relation to such Subsidiary.

b) Financial liabilities and equity instruments

(i) Initial recognition and measurement

All financial liabilities are recognized initially at fair value plus transaction cost (if any) that is attributable to the acquisition of the financial liabilities which is also adjusted.

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in profit or loss when the liabilities are derecognised as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Trade and other payables

These amounts represent liabilities for goods or services provided to the company which are unpaid at the end of the reporting period. Trade and other payable are presented as current liabilities when the payment is due within a period of 12 months from the end of the reporting period. For all trade and other payables classified as current, the carrying amounts approximate fair value due to the short maturity of these instruments. Other payables falling due after 12 months from the end of the reporting period are presented as non-current liabilities and are measured at amortized cost unless designated as fair value through profit and loss at the inception.

Other financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gain or losses on liabilities held for trading or designated as at FVTPL are recognized in the profit or loss.

De-recognition of financial liabilities:

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Derivatives and hedging activities:

Derivatives are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent change in fair value depends on whether the derivatives are designated as a hedging instrument, if so, the nature of the item being hedged and the type of hedge relationship designated.

The Company designated their derivatives as hedges of foreign exchange risk associated with the cash flows of highly probable forecast transactions and variable interest rate risk associated with borrowings.

The company documents at the beginning of the hedging transaction the economic relationship between hedging instruments and hedged items including whether the hedging instrument is expected to offset changes in the cash flows of hedge items. The company documents are risk management objective and strategy for undertaking various hedge transactions at the inception of each hedge relationship.

The fair value of hedging derivative is classified as anon current asset or liability when the remaining maturity of the hedged item is more than 12 months. It is classified as a current asset or liability when the remaining maturity of the hedged item is less than 12 months.

The company uses foreign exchange forwards contracts to hedge its exposure to movements in foreign exchange rate. This foreign exchange forward contract is not used for trading or speculation purposes. The accounting policies for forward contracts are based on whether it meet the criteria for designation as effective cash flow hedges. To designate the forward contract as an effective cash flow hedge, the company objectively evaluates with appropriate supporting documentation at the inception of the each contract whether the contract is effective in achieving offsetting cash flows attributable to the hedged risk. Effective hedge is generally measured by comparing the cumulative change in the fair value of the hedge contracts with a cumulative change in the fair value of the hedged item.

For forward contracts that are designated as effective cash flow hedges, the gain or loss from the effective portion of the hedge is recorded and reported directly in the share holders' fund (under the head "hedging reserve") and are reclassified into the statement of profit & loss upon the occurrence of the hedged transactions.

The company recognizes gains or losses from changes in fair value of forward contracts that are not designated as effective cash flow hedges for accounting purposes in the profit and loss account in the period the fair value changes occur.

c) Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

d) Impairment of financial assets

The company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The company recognized lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

Q. FAIR VALUE MEASUREMENT :

The company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole :

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

R. CASH & CASH EQUIVALENTS

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balance (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

S. SEGMENT

Operating segments are reported in a manner consistent with the internal reporting provided to the management of the company.

Identification of segments

The Company's management examines the Company's performance both from a product and geographic perspective. The Company's operating businesses are organized and managed separately according to the nature of products, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of the geographical segments is based on the areas in which major operating divisions of the Company operate.

Intersegment transfers

The company accounts for intersegment sales on the basis of price charged for inter segment transfers.

Allocation of common cost

Common allocable costs are allocated to each segment according to the relevant contribution of each segment to the total common cost.

Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment.

Segment accounting policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statement of the Company as a whole.

3. KEY SOURCES OF ESTIMATION UNCERTAINTY AND CRITICAL ACCOUNTING JUDGEMENTS

In the course of applying the policies outlined in all notes under section 2 above, the company is required to make judgement, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period.

(i) Useful lives of property, plant and equipment and Intangible assets

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly depreciable lives are reviewed annually using the best information available to the Management.

(ii) Impairment of Investment in Subsidiary

Determining whether the investments in subsidiary are impaired, requires an estimate in the value in use of investments. In considering the value in use, the Directors have anticipated the future commodity prices, capacity utilization of plants, operating margins, discount rates and other factors of underlying businesses / operations of the investee companies. Any subsequent changes to the cash flows due to changes in the above mentioned factors could impact the carrying value of investments.

(iii) Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

(iv) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the company. Potential liabilities that are possible but not probable of crystallizing or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

(v) Fair value measurements

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility”.

(vi) Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

4. Recent pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015 by issuing the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1, 2023, as below:

Ind AS 1 – Presentation of Financial Statements

The amendments require companies to disclose their material accounting policies rather than their significant accounting policies. Accounting policy information, together with other information, is material when it can reasonably be expected to influence decisions of primary users of general purpose financial statements. The Company does not expect this amendment to have any significant impact in its financial statements.

Ind AS 12 – Income Taxes

The amendments clarify how companies account for deferred tax on transactions such as leases and decommissioning obligations. The amendments narrowed the scope of the recognition exemption in paragraphs 15 and 24 of Ind AS 12 (recognition exemption) so that it no longer applies to transactions that, on initial recognition, give rise to equal taxable and deductible temporary differences. The Company is evaluating the impact, if any, in its financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments will help entities to distinguish between accounting policies and accounting estimates. The definition of a change in accounting estimates has been replaced with a definition of accounting estimates. Under the new definition, accounting estimates are “monetary amounts in financial statements that are subject to measurement uncertainty”. Entities develop accounting estimates if accounting policies require items in financial statements to be measured in a way that involves measurement uncertainty. The Company does not expect this amendment to have any significant impact in its financial statements.

20.3. Disclosure Related to MSME Act, 2006

Principal amount remaining unpaid to any supplier at the end of the year.	99.40	169.56
Interest due on above *		
Amount of interest paid by the company to the suppliers		
Amount paid to the suppliers beyond respective due dates *	-	-
Amount of interest due and payable for the period of delay in payments but without adding the interest specified under the Act. *	-	-
Amount of interest accrued and remaining unpaid at the end of the year.	-	-
Amount of further interest remaining due and payable even in the succeeding years, until such date when interest dues as above are actually paid to the small enterprise.*	-	-

* Whatever information the company could identify as above were possible at the year end only, and in view of the same & according to the company, it could not identify payments beyond due date during the year and to make interest provisions to that extent, as per the agreed terms with the suppliers. The company could identify the principal amount remaining unpaid as on 31st March, 2023 based on the status of respective suppliers received during the year. However, as informed by the management, considering the materiality aspect and as per the agreed terms with respective suppliers, the company has not made provision of any interest due to suppliers for outstanding balance / payment made beyond respective due dates.

32. Earnings per equity share

The Group's Earnings Per Share ('EPS') is determined based on the net profit attributable to the shareholders' of the Parent. Basic earnings per share is computed using the weighted average number of shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of common and dilutive common equivalent shares outstanding during the year including share options, except where the result would be anti-dilutive.

Net profit attributable to equity shareholders

Profit after tax	402.52	142.13
Profit attributable to equity holders of the parent adjusted for the effect of dilution	402.52	142.13
Nominal value of equity share (Rs.)	347.78	347.78
Weighted-average number of equity shares for basic EPS	34.78	34.78
Basic earnings per share (Rs.)	11.57	4.09
Nominal value of equity share (Rs.)	347.78	347.78
Add: Employee stock option plan	-	-

(Rs. in Lakhs)

(2) GEOGRAPHICAL SEGMENTS:

(a) The following table shows the distribution of the company's sales by geographical market:

Revenue	2022-23	2021-22
Within India	4,666.82	4,667.00
Overseas	6,296.68	4,285.46
Total:	10,963.50	8,952.46

(b) Assets base on geographical location:

Particulars	Carrying Amount of Segment Assets		Addition to Fixed Assets and Intangible Assets	
	2022-23	2021-22	2022-23	2021-22
Within India	6,537.40	7,746.46	213.54	53.69
Overseas	1,908.36	1,031.74	-	-
Total:	8,445.76	8,778.20	213.54	53.69

40. Derivatives and Foreign Currency exposures :

The Company uses forward contract to mitigate its risks associated with foreign currency fluctuations having underlying transaction in relation to Sale of goods. The company does not enter into any forward contract which is intended for trading or speculative purposes.

The details of forward contracts outstanding at the year end is as follows :-

Particulars	Number of Contracts		Amount in foreign currency		Equivalent amount Rs. in Lakhs	
	2022-23	2021-22	2022-23	2021-22	2022-23	2021-22
Currency	NIL	NIL	NIL	NIL	NIL	NIL
U S D	0	0	0	0	0	0
EURO	0	3	0	1.2	0	103.74

The details of foreign currency exposures that are not hedged by derivative instrument or otherwise are summarised below :

41. EMPLOYEES BENEFITS

Disclosures in respect of Defined Contribution Plan, recognised as expenses for the year

	2022-23	2021-22
Employer's contribution to Provident Fund (includes pension fund)	158.97	148.28

Disclosure in respect of Defined Benefit Plans in respect of Gratuity.

The present value of obligation and defined benefit plan is determined based on actuarial valuation report.

The Company has funded the gratuity liability ascertained on actuarial basis, wherein every employee who has completed five years or more of service is entitled to gratuity on retirement or resignation or death calculated at 15 days salary for each completed year of service, subject to maximum of Rs. 20 lakhs per employee. The vesting period for gratuity as payable under The Payment of Gratuity Act is 5 years.

Valuation are performed on certain basic set of pre- determined assumptions which may vary over time. Thus, the company is exposed to various risks in providing the above benefit which are as follows :

Interest Rate risk : The plan exposes the Company to the risk of fall in interest risk. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

Liquidity Risk : This is the risk that the Company is not able to meet the short term gratuity payouts. This may arise due to non availability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

Salary Escalation Risk : The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic Risk : The company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to.

Regulatory Risk : Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulation requiring higher gratuity payouts (e.g. increase in the maximum limit on gratuity of Rs. 20,00,000).

Asset Liability mismatching or Market Risk : The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities / fall in interest rate.

Investment Risk : The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

	Gratuity	
	2022-23	2021-22
Present Value of obligation (Total Funded & Unfunded)	1,070.99	1,023.03

Change in demographic assumption	-	-
Change in financial assumption	(26.95)	(25.25)
Experience variance (i.e. actual expenses vs assumption)	59.59	(5.59)
Return on plan assets, excluding amount recognised in net interest expenses	(0.36)	4.36
Component of defined benefit costs recognised in other comprehensive income	32.28	(26.48)
Principal actuarial assumptions at the balance sheet date	2022-23	2021-22
Discount rate per annum	7.35%	6.90%
Salary Escalation per Annum	5.00%	5.00%
Retirement Age	60 years	60 years
Mortality Rate (as % of IALM 2012-14)	100.00%	100.00%
Attrition / Withdrawal Rates	1.00%	1.00%

SENSITIVITY ANALYSIS

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The result of sensitivity analysis is given below :

Particulars	31/03/2023		31/03/2022	
Defined Benefit Obligation (base)	1,070.99		1,023.03	
Particulars	31/03/2023		31/03/2022	
	Decrease	Increase	Decrease	Increase
Discount Rate (- / +1 %)	1,132.86	1,014.91	1,088.44	963.95
(% change compared to base due to sensitivity)	5.80%	-5.20%	6.40%	-5.80%
Salary Growth Rate (- / +1 %)	1,015.66	1,130.89	964.22	1,087.00
(% change compared to base due to sensitivity)	-5.20%	5.60%	-5.70%	6.30%
Attrition Rate (- / + 50 % of attrition rates)	1,067.18	10,746.57	1,019.84	1,026.10
(% change compared to base due to sensitivity)	-0.30%	0.30%	-0.30%	0.30%
Mortality Rate (- / + 10 % of mortality rates)	1,070.58	1,071.40	1,022.68	1,023.38
(% change compared to base due to sensitivity)	0.00%	0.00%	0.00%	0.00%

Please note that the sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated.

Notes to the standalone financials statements for the year ended 31st March, 2023

(Rs. in Lakhs)

There is no change in the method of valuation for the prior period.

Disclosure in respect of Present Value of Obligation in respect of Leave Encashment.

The present value of obligation is determined based on actuarial valuation report.

	Leave Encashment	
	2022-23	2021-22
Changes in the present value of Obligation		
Present Value of Obligation as at the beginning	40.96	46.57

B. Financial Risk Management

The Company has established the risk management policies to ensure timely identification and evaluation of risks, settings acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency.

The Company's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings / Aging analysis	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days.
Liquidity Risk	Other Liabilities	Maturity analysis	Maitaining sufficient cash / cash equivalents.
Market Risk	Financial assets and liabilities	Sensivity analysis	Constant evaluation and proper risk management policies.

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity

(a) Credit risk

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Company. The maximum exposure of the Financial assets represents trade receivables, work in progress and other receivables. In respect of trade receivables, the Company used a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Company. The Company regularly reviews trade receivables and necessary provisions, wherever required are made in the financial statements.

(b) Liquidity risk

Liquidity risk is that the Company will encounter difficulty in raising funds to meet its commitments associated with financial instruments. Liquidity risk may result from an inability to sell as financial asset quickly at close to its fair value.

The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities. Contractual maturities of significant financial liabilities are as follows :

Particulars	Less than 1 year	More than 1 year	Total
As on 31st March, 2023			
Borrowings	-	-	-
Trade payables	1,331.76	-	1,331.76
Other Financial Liabilities	0.87	5.00	5.87
As on 31st March, 2022			
Borrowings	376.32	-	376.32
Trade payables	1,793.41	-	1,793.41
Other Financial Liabilities	3.26	5.00	8.26

(c) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes. foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Company's capital management objective is to maximise the total shareholders' return by optimising cost of capital through flexible capital structure that supports growth. Further, the Company ensure optimal credit risk profile to maintain / enhance credit rating.

The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

Notes to the standalone financial statements for the year ended 31st March, 2023

(Rs. in Lakhs)

The following table summarises the capital of the Company.

Particulars	As at 31-03-2023	As at 31-03-2022
Equity *	5,633.26	5,254.63
Long Term Debt	-	-
Tangible and other assets	1,116.41	1,002.38
Working Capital	5,011.57	4,788.96
Others assets /(Liabilities) (Net)	(494.72)	(536.72)
	5,633.26	5,254.63

* Equity Includes capital and all reserves of the Company that are managed as capital.

(i) Foreign Currency Risk

Foreign currency risk is the risk that the Fair Value or Future Cash Flows of an exposure will fluctuate because of changes in foreign currency rates. Exposures can arise on account of the various assets and liabilities which are denominated in currencies other than Indian Rupee.

The following table shows foreign currency exposures in US Dollar and Euro on financial instruments at the end of the reporting period. The exposure to all other foreign currencies are not material.

Particulars	Foreign Currency Exposure			
	As at 31st March, 2023		As at 31st March, 2022	
	USD	EURO	USD	EURO
As per note - 40				

(ii) Interest Rate Risk

The Company is also exposed to interest rate risk, changes in interest rates will affect future cash flows or the fair values of its financial instruments, principally debt. The Company issues debt in a variety of currencies based on market opportunities and it uses derivatives to hedge interest rate exposures.

The exposure of the company's borrowings and derivatives to interest rate changes at the end of the reporting period are as follows:

Interest Rate Exposure		
Particulars	As at 31st March, 2023	As at 31st March, 2022
Borrowings		
Non-Current - Fixed (Includes Current Maturities)	-	-
Current	-	376.32
Total	-	376.32

44. Lease commitments :

Obligation towards operating leases (As lessee)

INDEPENDENT AUDITOR’S REPORT

To,
The Members Of
M/s. AUSTIN ENGINEERING COMPANY LIMITED,
Junagadh.

Report on the Audit of the Consolidated Ind AS Financial Statements

Opinion

- 1 We have audited the accompanying consolidated Ind AS financial statements of Austin Engineering Company Limited (the “Company”) and its subsidiary (the Company and its subsidiary together referred to as “the Group”), which comprise the Consolidated Balance Sheet as at **March 31, 2023**, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the consolidated Ind AS financial statements”).
- 2 In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Companies Act, 2013 (the “Act”) in the manner so required and give a true and fair view in conformity with Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended (“Ind AS”) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at **March 31, 2023**, the consolidated profit, consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

- 1 We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the consolidated Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

- a) Completeness of revenue (as described in note 1 (b) (xv) (Summary of significant accounting policies) and note 24 of notes to the financial statements for the year ended March 31, 2023

Key audit matters	How our audit addressed the key audit matter
<p>The Company has revenue from sale of products which includes finished goods and scrap sales. The Company is engaged in manufacturing of forged and machined bearing rings and automotive components as per specification provided by the customers and based on the schedules from the customers.</p> <p>The Company recognizes revenue from sale of goods at a point in time when control of the goods is transferred to the customer, based on the terms of the contract with customers which varies for each customer. Determination of point in time includes assessment of timing</p>	<p>We performed the following audit procedures, amongst others:</p> <ul style="list-style-type: none"> • We obtained an understanding of the Company’s sales process, including design and implementation of controls over timing of recognition of revenue from sale of goods and tested the operating effectiveness of these controls • We reviewed the Company’s accounting policies for revenue recognition in context of the applicable accounting standard. • Obtained customer contracts on sample basis and read the terms to assess various performance obligations in the contract, the point in time of transfer of control and pricing terms. • Tested on a sample basis sales invoices for identification of point in time for transfer of control and terms of contract with customers. Further, we performed procedures to test on a sample basis whether revenue was recognized in the appropriate period by testing shipping records, good inwards receipt of customer, sales invoice, inco-terms etc. and testing the management assessment involved in the process, wherever applicable. • Attended and observed the inventory count performed by the management at year-end and obtained confirmations for inventory lying with third parties.

Key audit matters	How our audit addressed the key audit matter
<p>of transfer of significant risk and rewards of ownership, establishing the present right to receive payment for the products, delivery specifications including Inco terms, timing of transfer of legal title of the asset and determination of the point of acceptance of goods by customer. Further, the pricing of the products is dependent on metal indices and foreign exchange fluctuation making the price volatile.</p> <p>Due to judgments relating to determination of point in time in satisfaction of performance obligations with respect to sale of products, this matter has been considered as key audit matter.</p>	<ul style="list-style-type: none"> • Circulated the confirmations for outstanding trade receivables on sample basis on year end, and performed alternate procedures for the confirmations not received. • We also performed various analytical procedures to identify any unusual sales trends for further testing • We assessed the disclosure is in accordance with applicable accounting standards.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

- 1 The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.
- 2 Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- 3 In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- 4 If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Ind AS Financial Statements

- 1 The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated Ind AS financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 2 In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
- 3 The respective Board of Directors of the companies included in the Group is also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

- 1 Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

- 2 As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Ind AS financial statements.
- 3 Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
- 4 We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 5 We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 6 From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- 1 We did not audit the financial statements of 1 subsidiary, whose financial statements reflect total assets of Rs. 1877.32 Lacs as at 31st March, 2023, total revenues of Rs. 4377.47 Lacs and net cash flows amounting to Rs. 76.95 lacs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit/loss of Rs. 31.51 Lacs for the year ended 31st March, 2023, as considered in the consolidated financial statements, which have not been audited by us. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group. Except trade receivable of subsidiary which reflects 40.87% of total trade receivable of group, where as trade payable reflects 55.54% of total trade payable of Group.

Report on Other Legal and Regulatory Requirements

- 1 **As required by Section 143(3) of the Act, based on our audit we report that:**
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid Consolidated Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) There are no such financial transactions or matters which have any adverse effect on the functioning of the Company;
- f) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- g) On the basis of the written representations received from the directors of the Holding Company as on **March 31, 2023** taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding company is disqualified as on **March 31, 2023** from being appointed as a director in terms of Section 164 (2) of the Act.
- h) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls; refer to our separate Report in “Annexure A” which is based on the auditor’s reports of the Company. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of Holding company.
- i) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act read with schedule V of the act, as amended:
- i. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- j) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Ind AS financial statements disclose impact of pending litigations on the consolidated Ind AS financial position of the Group.
 - ii. The Group did not have any long term contracts including derivative contracts; for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.
- k) As proviso to rule 3(1) of the Companies Rule, 2014 applicable for the company only w.e.f. April 1, 2023 reporting under this clause is not applicable.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Austin Engineering Company Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

- 1 In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of **AUSTINENGINEERING COMPANY LIMITED** (hereinafter referred to as “Company”). The subsidiary company is not incorporated in India under Companies Act, 2013 and accordingly, we have reported on adequacy of internal control over financial reporting only in case of the Holding Company, as of that date.

Management’s Responsibility for Internal Financial Controls

- 1 The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

- 1 Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- 2 Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 3 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

- 1 A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

- 1 Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

- 1 In our opinion and to the best of our information and according to the explanations given to us, the Company, has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Consolidated Financial Statements for the year ended 31st March, 2022.

1. GENERAL INFORMATION

Austin Engineering Company Limited (“the Company” or “the Parent”) is one of the India’s leading bearing manufacturing company in India. The Parent and its subsidiary **Austin Engineering Company** (formerly known as Accurate Engineering Inc.) (together referred to as “the Group”) deals with a various types of Bearings and its components. The Group caters to both domestic and international markets.

The Company’s shares are listed with BSE.

2. SIGNIFICANT ACCOUNTING POLICIES

A. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with Indian Accounting Standards (“Ind AS”) as per the Companies (Indian accounting standard) Rules, 2015 as amended and notified under section 133 of the companies act 2013 (the “Act”) and other relevant provisions of the Act. The aforesaid financial statements have been approved by the Board of Directors in the meeting held on **30th May, 2022**. These financial statements are prepared and presented in Indian Rupees and rounded-off to the nearest rupees, except when otherwise stated. The Group’s financial statements for the year ended **31st March, 2022** were prepared in accordance with the Ind AS, as per companies (financial standards) Rule, 2006, notified under section 133 of the companies act, 2013 and other relevant provisions of the act.

B. BASIS OF PREPARATION AND PRESENTATION

These financial statements have been prepared and presented on the accrual basis of accounting under historical cost convention or fair values as per the requirement of Ind AS prescribed under section 133 of the companies act, 2013.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique in estimating the fair value of an asset or a liability.

All assets and liabilities have been classified as current or non-current as per the group’s normal operating cycle or 12 months or other criteria as set out in the Schedule III to the Companies Act 2013. Based on the nature of its business, the group has ascertained its operating cycle to be 12 months for the purpose of current and non-current classification of assets and liabilities

C. BASIS OF CONSOLIDATION

The Consolidated Financial Statement incorporates the financial statements of the company and entities controlled by the company and its subsidiary. Control is achieved where the Company:

- Has power over the investee
- Is exposed to, or has rights, to variable returns from its involvement with the investee; and
- Has the ability to use its power to affect its returns

The company reassess whether or not it controls an investee if facts and circumstances indicate that elements of control listed above.

When the company has less than majority of the voting rights of an investee, it has power over the investee when such voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The company considers all relevant facts and circumstances in assessing whether or not the company’s voting rights in an investee are sufficient to give it power, including

- The size of the company’s holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- Potential voting rights held by the company, other vote holders or other parties;
- Rights arising from other contractual arrangements; and
- Any additional facts and circumstances that indicate that the company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders; meetings.

Consolidation of a subsidiary begins when the company obtains control over the subsidiary and ceases when the company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit or loss and other comprehensive income from the date the company gains control until the date when the company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies.

All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the group are eliminated in full on consolidation.

D. REVENUE RECOGNITION

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements, except for the agency services below, because it typically controls the goods or services before transferring them to the customer.

Sales of goods

Revenue from sale of goods is recognised at the point in time when control of the asset is transferred to the customer, generally on delivery of the equipment. The normal credit term is 30 to 90 days upon delivery.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated (e.g., warranties, customer loyalty points). In determining the transaction price for the sale of equipment, the Company considers the effects of variable consideration, the existence of significant financing components, noncash consideration, and consideration payable to the customer (if any).

(i) Variable consideration

If the consideration in a contract includes a variable amount, the Group estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. Some contracts for the sale of electronic equipment provide customers with a right of return the goods within a specified period. The Group also provides retrospective volume rebates to certain customers once the quantity of electronic equipment purchased during the period exceeds the threshold specified in the contract. The rights of return and volume rebates give rise to variable consideration.

➤ Rights of return

The Group uses the expected value method to estimate the variable consideration given the large number of contracts that have similar characteristics. The Group then applies the requirements on constraining estimates of variable consideration in order to determine the amount of variable consideration that can be included in the transaction price. A refund liability is recognized for the goods that are expected to be returned (i.e., the amount not included in the transaction price). A right of return asset (and corresponding adjustment to cost of sales) is also recognised for the right to recover the goods from a customer.

➤ Volume rebates

The Group applies the most likely amount method or the expected value method to estimate the variable consideration in the contract. The selected method that best predicts the amount of variable consideration is primarily driven by the number of volume thresholds contained in the contract. The most likely amount is used for those contracts with a single volume threshold, while the expected value method is used for those with more than one volume threshold. The Group then applies the requirements on constraining estimates in order to determine the amount of variable consideration that can be included in the transaction price and recognised as revenue. A refund liability is recognised for the expected future rebates (i.e., the amount not included in the transaction price).

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

Dividend Income

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

Windmill energy income

Consideration for electricity generated by the windmill division and fed into the state power grid is received in the form of credit in the manufacturing division's power bill. Credits are recognised as income net of wheeling charges. Income so recognised is shown separately from the power cost under Other operating revenue.

Other income is recognized on accrual basis provided that it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

E. PROPERTY, PLANT AND EQUIPMENT

The cost of property, plant and equipment comprises its purchase price, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning, net of any trade discounts and rebates. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of profit and loss in the period in which the costs are incurred unless such expenditure results in a significant increase in the future benefits of the concerned asset.

An item of property, plant and equipment is derecognized upon disposal or on retirement, when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the net sale proceeds and the carrying amount of the asset and is recognized in statement of profit and loss.

Property, plant and equipment are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any

The company has elected to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS i.e. 1 April-2016, measured as per the previous GAAP and use that as its deemed cost as at the date of transition.

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in schedule II to the companies Act, 2013. In respect of additions to property, plant and equipment, depreciation has been charged on pro rata basis.

Class of Assets	Useful Life Estimated by Management
Buildings	30
Plant & machinery	15
Vehicles	8
Furniture and fixtures	8
Computers	3
Windmill	22

The companies review the residual value, useful lives and depreciation method annually and, if current estimates differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

F. INTANGIBLE ASSETS

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a Straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

An item of intangible assets is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the statement of profit or loss when the asset is derecognized.

For transition to Ind AS, the company has elected to continue with carrying value of all its intangible assets recognized as of 1 April 2016 (transition date) measured as per the previous GAAP as per the previous GAAP and use that carrying value as its deemed cost as of transition date.

Intangible Assets amortized as follows:

- Trademark is amortized over the useful life estimated by the management. Over a period of 50 years.
- Computer Software is amortized over the useful life estimated by the management. Over a period of 5 years.

G. IMPAIRMENT OF PROPERTY, PLANT AND EQUIPMENT AND INTANGIBLE ASSETS

At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it

is not possible to estimate the recoverable amount of an individual assets, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Any reversal of the previously recognized impairment loss is limited to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

H. LEASES

The company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration

Where the company is lessee

Company's leased assets comprises of lands. The company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets

a. Right-of-use assets

The company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term and the estimated useful lives of the assets, The right-of-use assets are also subject to impairment. Refer to the accounting policies in section F Impairment of property, plant and equipment and intangible assets.

b. Lease liabilities

At the commencement date of the lease, the company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the company and payments of penalties for terminating the lease, if the lease term reflects the company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re measured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date with no option for extension and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as Lessor

Leases in which the company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms and is included in other income in the statement of profit or loss. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

I. INVENTORIES

Inventories are stated at lower of cost and net realizable value. Cost comprises of purchase price, applicable taxes not eligible for credit, less rebates and discounts. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Stores and spares which do not meet the definition of property, plant and equipment are accounted as inventories.

Cost is determined on the basis of,

Inventory	Method
Raw materials	Weighted Average Cost
Stock - in - process	Weighted Average Cost
Finished goods	Weighted Average Cost
Stores and spares	Weighted Average Cost
Fuel	Weighted Average Cost

J. EMPLOYEE BENEFITS

In respect of defined contribution plan the company makes the stipulated contributions to provident fund and pension fund, in respect of employees to the respective authorities under which the liability of the company is limited to the extent of the contribution.

The liability for gratuity, considered as defined benefit, is determined actuarially using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognized in period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- Net interest expense or income ; and
- Re-measurement

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expenses'. Curtailment gains and losses are accounted for as past service costs.

The retirement benefit obligation recognized in the statement of financial position represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.

A liability for a termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

K. TAXATION

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

Current Tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the India Income Tax Act, 1961.

Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each annual reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Current and deferred tax are recognized in the statement of profit and loss, except when they are related to item that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

Minimum Alternate tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

L. FOREIGN CURRENCIES

The functional currency of the Company is determined on the basis of the primary economic environment in which it operates. The functional currency of the Company is Indian National Rupee (INR).

The transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in Foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognized in statement of Profit and Loss in the period in which they arise except for;

- Exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings;
- Exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognized initially in other comprehensive income and reclassified from equity to statement of Profit and Loss on repayment of the monetary items.

M. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that the reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liabilities and contingent assets are not recognized but are disclosed in the notes.

N. EARNING PER SHARE

Basic earnings per share is computed by dividing the profit / (loss) after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit / (loss) after tax attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for driving basis earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

O. BORROWING COSTS

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

P. GOVERNMENT GRANTS AND SUBSIDIES

Government grants are recognized by the company where there is reasonable assurance that the grants will be received and all the attached conditions will be complied with. Revenue grants are recognized in the Statement of Profit and Loss in the same period, in which the related costs are incurred are accounted for.

Government grants relating to Property, plant and equipment are recognized / presented as deferred income and released to the statement of Profit and Loss over the expected useful lives of the assets concerned.

Q. FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through statement of profit and loss ('FVTPL')) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognized immediately in Statement of Profit and Loss.

a) Financial Assets

(i) Initial recognition and measurement.

All financial assets are recognized initially at fair value. Transaction costs that are directly attributable to the acquisition of financial assets (other than financial assets at fair value through statement of profit and loss ('FVTPL')) are added to the fair value of the financial assets, on initial recognition. Transaction cost directly attributable to the acquisition of financial assets at FVTPL is recognized immediately in Statement of Profit and Loss.

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI);
- Debt instruments and equity instruments at fair value through profit or loss (FVTPL);
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Debt instrument at FVTOCI :

A 'debt instrument' is classified as FVTOCI if both of the following criteria are met :

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flow represents SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Debt instrument at FVTPL :

FVTPL is a residual category for debt instrument.

Any debt instrument, which does not meet the criteria for categorization as amortized cost or as FVTOCI, is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as FVTPL. However, such election is chosen only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

(iii) **Derecognition of financial assets**

A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily de-recognized when:

- The rights to receive cash flows from the asset have expired, or
- The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company continues to recognize the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

(iv) **Investment in Subsidiary:**

The Company's investment in equity instruments of Subsidiary are accounted for at cost as per Ind AS 27, including adjustment for fair value of obligations, if any, in relation to such Subsidiary.

b) Financial liabilities and equity instruments

(i) **Initial recognition and measurement**

All financial liabilities are recognized initially at fair value plus transaction cost (if any) that is attributable to the acquisition of the financial liabilities which is also adjusted.

(ii) **Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in profit or loss when the liabilities are de-recognised as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Trade and other payables

These amounts represent liabilities for goods or services provided to the company which are unpaid at the end of the reporting period. Trade and other payable are presented as current liabilities when the payment is due within a period of 12 months from the end of the reporting period. For all trade and other payables classified as current, the carrying amounts approximate fair value due to the short maturity of these instruments. Other payables falling due after 12 months from the end of the reporting period are presented as non-current liabilities and are measured at amortized cost unless designated as fair value through profit and loss at the inception.

Other financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gain or losses on liabilities held for trading or designated as at FVTPL are recognized in the profit or loss.

De-recognition of financial liabilities:

A financial liability is de-recognition when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Derivatives and hedging activities:

Derivatives are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re measured to their fair value at the end of each reporting period. The accounting for subsequent change in fair value depends on whether the derivatives are designated as a hedging instrument, if so, the nature of the item being hedged and the type of hedge relationship designated.

The Company designated their derivatives as hedges of foreign exchange risk associated with the cash flows of highly probable forecast transactions and variable interest rate risk associated with borrowings.

The company documents at the beginning of the hedging transaction the economic relationship between hedging instruments and hedged items including whether the hedging instrument is expected to offset changes in the cash flows of hedge items. The company documents are risk management objective and strategy for undertaking various hedge transactions at the inception of each hedge relationship.

The fair value of hedging derivative is classified as anon current asset or liability when the remaining maturity of the hedged item is more than 12 months. It is classified as a current asset or liability when the remaining maturity of the hedged item is less than 12 months.

The company uses foreign exchange forwards contracts to hedge its exposure to movements in foreign exchange rate. This foreign exchange forward contract is not used for trading or speculation purposes. The accounting policies for forward contracts are based on whether it meet the criteria for designation as effective cash flow hedges. To designate the forward contract as an effective cash flow hedge, the company objectively evaluates with appropriate supporting documentation at the inception of the each contract whether the contract is effective in achieving offsetting cash flows attributable to the hedged risk. Effective hedge is generally measured by comparing the cumulative change in the fair value of the hedge contracts with a cumulative change in the fair value of the hedged item.

For forward contracts that are designated as effective cash flow hedges, the gain or loss from the effective portion of the hedge is recorded and reported directly in the share holders' fund (under the head "hedging reserve") and are reclassified into the statement of profit & loss upon the occurrence of the hedged transactions.

The company recognizes gains or losses from changes in fair value of forward contracts that are not designated as effective cash flow hedges for accounting purposes in the profit and loss account in the period the fair value changes occur.

c) Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

d) Impairment of financial assets

The company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The company recognized lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a

financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

R. FAIR VALUE MEASUREMENT :

The company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole :

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- Level3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

S. CASH & CASH EQUIVALENTS

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balance (with an original maturity of twelvemonths or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

T. SEGMENT

Operating segments are reported in a manner consists with the internal reporting provided to the management of the company.

Identification of segments

The Company's management examines the Company's performance both from a product and geographic perspective. The Company's operating businesses are organize and managed separately according to the nature of products, with each segments representing a strategic business unit that offers different products and serves different markets. The analysis of the geographical segments is based on the areas in which major operating divisions of the Company operate.

Intersegment transfers

The company accounts for intersegment sales on the basis of price charged for inter segment transfers.

Allocation of common cost

Common allocable costs are allocated to each segment according to the relevant contribution of each segment to the total common cost.

Unallocated items

Unallocated items include general corporate income and expenses items which are not allocated to any business segment.

Segment accounting policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statement of the Company as a whole.

3. KEY SOURCES OF ESTIMATION UNCERTAINTY AND CRITICAL ACCOUNTING JUDGEMENTS:

In the course of applying the policies outlined in all notes under section 2 above, the company is required to make judgement, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factor that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period.

(i) Useful lives of property, plant and equipment

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly depreciable lives are reviewed annually using the best information available to the Management.

(ii) Provisions and liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgment to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

(iii) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the company. Potential liabilities that are possible but not probable of crystallizing or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

(iv) Fair value measurements

When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility".

(v) Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

20.3. Disclosure Related to MSME Act, 2006

Principal amount remaining unpaid to any supplier at the end of the year. 99.40 169.56

Interest due on above *

Amount of interest paid by the company to the suppliers

Amount paid to the suppliers beyond respective due dates *

Amount of interest due and payable for the period of delay in payments but without adding the interest specified under the Act. *

Amount of interest accrued and remaining unpaid at the end of the year.

Amount of further interest remaining due and payable even in the succeeding years, until such date when interest dues as above are actually paid to the small enterprise.*

* Whatever information the company could identify as above were possible at the year end only, and in view of the same & according to the company, it could not identify payments beyond due date during the year and to make interest provisions to that extent, as per the agreed terms with the suppliers. The company could identify the principal amount remaining unpaid as on 31st March, 2023 based on the status of respective suppliers received during the year. However, as informed by the management, considering the materiality aspect and as per the agreed terms with respective suppliers, the company has not made provision of any interest due to suppliers for outstanding balance / payment made beyond respective due dates.

(Rs. in Lakhs)

32. Earnings per equity share

The Group's Earnings Per Share ('EPS') is determined based on the net profit attributable to the shareholders' of the Parent. Basic earnings per share is computed using the weighted average number of shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of common and dilutive common equivalent shares outstanding during the year including share options, except where the result would be anti-dilutive.

Net profit attributable to equity shareholders

Profit after tax	433.56	166.67
Profit attributable to equity holders of the parent adjusted for the effect of dilution	433.56	166.67
Nominal value of equity share (Rs.)	347.78	347.78
Weighted-average number of equity shares for basic EPS	34.78	34.78
Basic earnings per share (Rs.)	12.47	4.79
Nominal value of equity share (Rs.)	347.78	347.78
Add: Employee stock option plan	-	-
Weighted-average number of equity shares adjusted for the effect of dilution	34.78	34.78
Diluted earnings per share (Rs.)	12.47	4.79

Notes to the Consolidated Financial Statements for the year ended 31 March 2023

(Rs. in Lakhs)

B. Financial Risk Management

The Company has established the risk management policies to ensure timely identification and evaluation of risks, settings acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency.

The Company's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings / Aging analysis	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days.
Liquidity Risk	Other Liabilities	Maturity analysis	Maintaining sufficient cash / cash equivalents.
Market Risk	Financial assets and liabilities	Sensitivity analysis	Constant evaluation and proper risk management policies.

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity

(a) Credit risk

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Company. The maximum exposure of the Financial assets represents trade receivables, work in progress and other receivables. In respect of trade receivables, the Company used a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Company. The Company regularly reviews trade receivables and necessary provisions, wherever required are made in the financial statements.

(b) Liquidity risk

Liquidity risk is that the Company will encounter difficulty in raising funds to meet its commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value.

The Company manages liquidity risk by maintaining adequate reserves and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities. Contractual maturities of significant financial liabilities are as follows :

Particulars	Less than 1 year	More than 1 year	Total
As on 31st March, 2023			
Borrowings	-	-	-
Trade payables	2,995.32	-	2,995.32
Other Financial Liabilities	0.87	5.00	5.87
As on 31st March, 2022			
Borrowings	376.32	-	376.32
Trade payables	2,614.60	-	2,614.60
Other Financial Liabilities	3.26	5.00	8.26

(c) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes. foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

(d) Capital Management

The Company's capital management objective is to maximise the total shareholders' return by optimising cost of capital through flexible capital structure that supports growth. Further, the Company ensure optimal credit risk profile to maintain / enhance credit rating.

The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

**Notes to the Consolidated Financial Statements for the year ended 31 March 2023**

(Rs. in Lakhs)

The following table summarises the capital of the Company.

Particulars	As at 31-03-2023	As at 31-03-2022

Note : Please read the instructions carefully before exercising your vote.

INSTRUCTIONS:

- 1) This Ballot Form is provided for the benefit of members who do not have access to e-voting facility.
- 2) A member can opt for only one mode of voting i.e., either through e-voting or by ballot. If member casts vote by both modes, then voting done through e-voting shall prevail and ballot shall be treated as invalid.
- 3) For detailed instructions on e-voting, please refer to the notes appended to the notice of the AGM.
- 4) The scrutinizer will collate the votes downloaded from the e-voting system and votes cast through ballot to declare the final result for each of the resolutions forming a part of the notice of the AGM.

Process and manner for Members opting to vote by using the Ballot Form:

- 1) Please complete and sign the Ballot Form (no other form or photocopy thereof is permitted) and send the same to the scrutinizer Mr. Kaushik Shah, of M/s K J Shah & Company, Practicing Company Secretary, (Membership No.2420) at the Registered Office of the Company on or before the date of the AGM. Alternatively, the Ballot can also be deposited in the box to be made available at the venue during the AGM.
- 2) The Ballot Form should be signed by the member as per the specimen signature registered with the Company /Depositories. In case of Joint holding, the form should be completed and signed by the first named member and in his / her absence, by the next named joint holder. A Power of Attorney (POA) holder may vote on behalf of a member, mentioning the registration no. of POA registered with the Company or enclosing an attested copy of POA.
- 3) In case the shares are held by companies, trusts, societies, etc. the duly completed Ballot Form should be accompanied by a certified true copy of the relevant Board Resolution / Authorization.
- 4) Votes should be cast in case of each resolution, either in favour or against by putting the tick (“”) mark in the column provided in the ballot.
- 5) The voting rights of shareholders shall be in proportion of the shares held by them in the paid-up equity share capital of the Company as on 21st September, 2023 as per the register of members of the Company.
- 6) A member may request for a duplicate Ballot Form, if so required.
- 7) Unsigned, incomplete, improperly, or incorrectly tick marked Ballot Forms will be rejected. A form will also be rejected if it is received torn, defaced or mutilated to an extent which makes it difficult for the scrutinizer to identify either the member or as to whether votes are in favour or against or if signature cannot be verified.
- 8) The decision of the scrutinizer on the validity of the Ballot Form and any other related matter shall be final.
- 9) The results declared along with the Scrutinizer’s report, shall be placed on the Company’s website ***http://www.aec.com*** within **two working days** of the passing of the resolutions at the AGM of the Company to be held on 28th September, 2023, and shall be communicated to BSE Limited, where the shares of the Company are listed.
