- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the Meeting venue.

However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. ANNEXURE 4 TO THE BOARD'S REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

This report covers the operations and financial performance of the Company for the year ended March 31, 2023 and forms part of the Annual Report.

Overview of the Economy:

The company specializes in lacquered metallised Polyesters film which finds application primarily in the textile and apparel industry. The grade of coated Polyesters film produced is used extensively in the manufacture of metallic yarns.

The process of metalizing Polyesters or polymer films leads to a product that is glossy and shiny in its appearance. The process of metalizing involves the layering or coating of polymers with aluminium. The result is a reflective surface which reduces the vulnerability of the material to sunlight, moisture and air. Polyesters coated films are available in different grades and specifications and find use across a varied number of industries from flexible packaging, shrink labels, cable insulation, and magnetic media to textiles and decorations.

Industry, Structure & Developments:

In the early days metallic yarns were limited to silver and gold variants. However, today every conceivable shade of colour is reproducible. The ability to read market trends and cater to unique shades, differentiates one company from another and determines the demand pull for metallic yarns. While the industry is fairly organized, there exist a large number of players within the metallic yarn segment. There are few companies that specialize solely in catering to the metallic yarn segment, with most players producing a large array of metallised Polyesters films which cater primarily to the needs of the flexible packaging industry.

Operational Performance

The revenue from operations of your Company for the year ended March 31, 2023 stood at Rs. 1408.03 Lakhs as against Rs. 2021.19 Lakhs for the year ended March 31, 2022. The Company has incurred a loss of Rs. 191.64 Lakhs for the Year ended March 31, 2023 as compared to Rs. 46.41 Lakhs for the year ended March 31, 2022.

Risk and Concerns

The largest component of costs involved in making flexible packaging film is attributable to raw materials.

Given the volatile trend in Polyesters and demand for Polyesters for competing applications the pressure on input costs can be expected to fluctuate.

Adequacy of Internal Control System

The Company has adequate internal control systems for the business processes in respect of all operations, financial reporting, compliance with laws and regulations etc. The management information system forms an effective and sound tool for monitoring and controlling all operating parameters. Regular internal audits ensure that responsibilities are executed effectively. The Audit Committee reviews the adequacy of internal controls on regular basis.

Human Resource Development

The Company recognizes that its human resource is its strength in realizing its goals and objectives.

Basis for Opinion

We have conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing as specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the Ind AS financial statements' section of our report. We are independent of the company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provision of the Act and the Rules thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the Board of Directors' Report, but does not include the Ind AS financial statements and our Auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring

the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Annexure B to the Independent Auditors' Report

(Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act"))

(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls over financial reporting of **M/s. Lakhotia Polyesters (India) Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Managements and Board of Directors' Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and

detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to standalone financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

(ii) Valuation technique used to determine fair value

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. "The following methods and assumptions were used to estimate the fair values:"

- Fair value for financial investments are valued using closing NAV.
- Fair value of cash and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

- c) Long-term fixed-rate and variable-rate receivables / borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values.
- d) The fair value of the remaining financial instruments is determined using discounted cash flow analysis.

(iii) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are: (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table:

Financial assets and liabilities measured “at fair value-recurring fair value measurements	March 31, 2023			
	Level 1	Level 2	Level 3	Level 4
Financial assets at amortised Cost Non Current Investment		0.01		0.01
Financial investments at FVTOCI Current Investment	226.61	-	-	226.61
Total financial assets	226.61	0.01	-	226.62

Financial assets and liabilities measured “at fair value-recurring fair value measurements	March 31, 2022			
	Level 1	Level 2	Level 3	Level 4
Financial assets at amortised Cost Non Current Investment		0.01		0.01
Financial investments at FVTOCI Current Investment	81.61	-	-	81.61
Total financial assets	81.61	0.01	-	81.61

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument are included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in Level 3. The Company's policy is to recognise transfers into and transfer out in fair value hierarchy levels at the end of the reporting period.

Note 23 : Financial Risk Management

Financial Risk Factors

The Company's principal financial liabilities comprise borrowings and trade payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan, trade and other receivables, cash and short-term deposits that arise directly from its operations. The Company's activities expose it to a variety of financial risks:

i) Credit Risk

Credit risk arises from cash and cash equivalents and deposits with bank(s) / other company, as well as credit exposure to counter party that will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

Generally, the balances are maintained with the institutions with which the Company has also availed borrowings. The Company does not maintain significant cash and deposit balances other than those required for its day to day operations subject to the compliance with loan facilities. Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions.

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows.
