Delhi Meerut E-way validating our differentiated strategy	22
Appreciation by Prime Minister of India, Shri Narendra Modi	23
Letter of appreciation by honorable parliamentarian	24
Appreciation by Shri Nitin Gadkari, Union Minister	25
Building much more than an expressway	26
Welspun Enterprises CSR initiatives	27

One of its kind asset light model

Strong presence across segments (HAM, EPC and BOT) and across sectors (water and road)

- Diversified Infra portfolio
- Leverages balance sheet strength & financial closure abilities
- Cherry pick projects through bid or buy model
- Lower risk due to the model structure

De-risked execution model

Undertakes only High Value Added Activities during Execution

- Construction completely outsourced. Project supervision by WEL.
- Flexibility across geographies and infra sub-sectors
- Minimal Plant & Machinery; no investment blockage
- Minimal working capital
- Design capability & strengthening of supply chain management

Value unlocking from assets

- Unlocking of capital from assets
- Cash recycled
- Value creation through regular churn of assets

Asset Light Model

LOWER LEVERAGE

LOWER RISK

STRONG CREDIT RATING

Buying assets – Achieving financial closures, Executing and Commencement

Several projects awarded to various infra players with weaker balance sheet are not financially closed / execution is stuck

...WEL with its strong banking relationship, robust balance sheet and operational excellence sees this as an opportunity to be a Turnaround Specialist

Welspun Enterprises' Turnaround Record – 4 projects till date

- 1) Gagalheri-Saharanpur-Yamunanagar (GSY)
- 2) Chutmalpur-Ganeshpur & Roorkee-Chutmalpur-Gagalheri (CGRG)

Concessionaire

Concessionaire not in a position to achieve financial closure

Along with Welspun Enterprises

PCOD achieved

- 3) Chikhali-Tarsod (Package-IIA)

Concessionaire

Concessionaire not in a position to achieve financial closure

Along with Welspun Enterprises

PCOD achieved

- 4) Mukarba Chowk – Panipat Toll Roads Limited

Concessionaire

Concessionaire not able to continue execution due to financial distress

Project nearing completion

Creating value through a differentiated strategy

Letter of appreciation by Prime Minister of India Shri Narendra Modi

सत्यमेव जयते

Prime Minister of India

New Delhi
23 May, 2018

Shri B. K. Goenka Ji,

I am delighted to know of your valuable contribution to the completion of Package I of Delhi-Meerut Expressway, which as you know got completed much before the target date.

We, as a nation, are standing at the cusp of a wave of development that is driven by a young nation with great aspirations. The infrastructure we are building will create new pathways for India's all-inclusive development and open new vistas of opportunity for our people.

It was our former Prime Minister Shri Atal Bihari Vajpayee's vision to connect each and every village and city with all-weather roads. He envisioned India's future built on a firm foundation of enhanced connectivity for people and businesses.

Today, from highways to I-ways, we are ensuring that our nation is ahead of the curve in infrastructural development.

The Delhi-Meerut expressway has showcased India's engineering capabilities that are well integrated with our goal of sustainable development. Also appreciable is the way in which the expressway has been converted into a green belt with initiatives such as drip water irrigation, solar plant and landscape development.

It is a matter of immense joy to see pride in people's eyes when they experience seamless commute through these modern day marvels. The new expressway is one such marvel that will ease the lives of citizens by saving them time and money as well as ensuring that local economy flourishes.

It is my firm belief that the highways built today will become runways for dreams of tomorrow to take flight. I, once again, congratulate everyone associated with this project for achieving a remarkable feat and delivering not just an expressway, but a roadway to progress and prosperity.

I wish you success in all your future endeavours.

Yours Sincerely,

(Narendra Modi)

Letter of appreciation by Honorable Parliamentarian

Letter of Appreciation

I would like to appreciate that **M/s. Welspun Enterprises Limited** has completed Four laning work for the road stretch from **Chikhall-Tarsod of National Highway No. 53** in Jalgaon District of Maharashtra State. Welspun Enterprises Limited has carried out quality work comprising right from the Earth work, GSB, WMM and Bituminous work. The finished road looks are well developed and constructed as per the standard provisions. Welspun Enterprises Limited has given high importance to plantation in median as well as roadside. It is appreciable to see such great effort in beautifying and making the highway greener by turfing the median in Bhusawal bypass flyovers. The construction of underpasses and Railway bridges in Bhusawal City have good quality of concrete finish and the approach roads have also been developed with easily readable road signages & streetlight for night driving, clearly marked with lanes. The Varangaon bypass section is also remarkably done with 500m long flyover which has greatly decongested traffic in Varangaon City. The toll plaza has been constructed in a staggered manner and all latest technologies & facilities have been provided. Adequate safety provisions have been implemented using Metal beam crash barrier in median and curvatures. During execution as well traffic was diverted in a very safe manner. This section will boost the socio-economic development of Chikhall-Tarsod section greatly. A new upgraded look has been given to highway and fast & safe travel is ensured. I highly appreciate how the work has been carried in the stretch by Welspun Enterprises Limited and convey my best wishes to them for their future projects.
