The holding company has incurred a net loss of Rs. 7,263.20 lakhs during the year ended March 31, 2021, the net worth of the holding company as of date is fully eroded and it is negative Rs. 95,696.78 lakhs as at March 31, 2021, and further, the holding company's current liabilities exceeded its total assets by Rs. 95,748.81 lakhs as on March 31, 2021. Further, capacity utilization of the manufacturing facilities is very low. In view of the same and given the fact that Liquidation is in progress, as per the Insolvency and Bankruptcy Code 2016 ("IBC"), it is required that the Company be managed as a going concern during CIRP and Liquidation. Further, the domestic subsidiary, namely, Eurotech Cylinders Pvt Ltd, has accumulated losses of Rs. 90.11 lakhs as on March 31, 2021, resulting into negative networth of Rs. 2.11 lakhs, the current liabilities of the said subsidiary exceeds its current assets by Rs. 623.70 lakhs.

There exists material uncertainty on the Company's ability to continue as a going concern since the same is dependent upon the sale of the holding Company on going concern basis based on liquidation Order dated January 18, 2022 passed by National Company Law Tribunal. Accordingly, we are unable to comment on the appropriateness of the going

concern assumption used in the preparation of Consolidated Ind AS Financial Statements, as it is critically dependent upon liquidation as specified in the IBC.

Responsibilities of RP/ Liquidator and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Hon'ble National Company Law Tribunal ("NCLT"), Mumbai Bench admitted a petition for initiation of CIRP under section 7 of the IBC filed by one of the financial creditors of the Company dated June 4, 2018 and appointed an Interim Resolution Professional ("IRP") to manage the affairs of the Company in accordance with the provisions of the IBC vide order dated October 22, 2018. The Committee of Creditors ("COC") in its meeting held on November 20, 2018 passed a resolution confirming the appointment of the IRP as the Resolution Professional ("RP").
