This presentation and the accompanying slides (the "Presentation"), which have been prepared by **Max India Limited** (the "Company"), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment what so ever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

Certain matters discussed in this Presentation may contain statements regarding the Company's market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the industry in India and world-wide, competition, the company's ability to successfully implement its strategy, the Company's future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cash flows, the Company's market preferences and its exposure to market risks, as well as other risks. The Company's actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third party statements and projections.

Executive Summary

- **Max group, a leading conglomerate has a history of spotting early trends, creating iconic brands and successful businesses:**
 - Max Life Insurance (2000), Max Healthcare (2004), Max Bupa Health Insurance (2008) - all leading brands in their respective sectors
 - Partnered with best-in-class strategic and financial investors e.g., New York Life, Mitsui Sumitomo, Bupa, Warburg Pincus, Goldman Sachs, KKR, IFC, Vanguard, Temasek, GIC, Baron, Capital, Fidelity, Nomura
- **Our latest bet is on the fast-emerging Senior Care space in India, which is already a \$10-12 billion market:**
 - Fastest growing age segment in India – from 130mn at 8% of population to estimated 20% of population by 2050
 - Healthcare spends of senior household are 3-5X of others - driven by increased life expectancy and nuclear families.
- **Leveraging our core capabilities, we have identified four verticals to create an integrated senior care ecosystem:**
 - A. Residences for Seniors – Fast emerging real estate category with sizeable demand-supply mismatch
 - B. Assisted living (Care Homes) – While nascent in India, it is a large and profitable market globally
 - C. Home healthcare (Care at Home) – Fastest growing segment within healthcare
 - D. Medical equipment (MedCare Products) – Large underlying opportunity in the patient aids segment
- **Over the last 24 months, we have seeded these verticals and gained early successes:**
 - **Residences for Seniors:** Launched two benchmark communities; Dehradun (93% sold) and Noida Phase I (82% sold)
 - **Care Home (CH):** Launched 4 CH with 90 beds to establish product category; plan to ramp-up capacity to 2,000 beds in 5 yrs
 - **Care at Home:** 16 service lines to make a comprehensive portfolio; youngest organization to achieve QAI clinical accreditation
 - **MedCare Products:** Sales and rental of patient aids; Plan to launch a strong B2C channel with stores and ecommerce
- **We are well capitalized to pursue the scale-up of these opportunities with ~Rs. 550 crores of assets**
 - Revenue growth of 83% to Rs. 237 Crs, with EBITDA loss reduced to Rs. 0.7 Crs in FY22 from Rs. 29 Crs in PY

Executive Summary

 - **Care at Home:** 16 service lines to make a comprehensive portfolio; youngest organization to achieve QAI clinical accreditation
 - **MedCare Products:** Sales and rental of patient aids; Plan to launch a strong B2C channel with stores and ecommerce
- **We are well capitalized to pursue the scale-up of these opportunities with ~Rs. 550 crores of assets**
 - Revenue growth of 83% to Rs. 237 Crs, with EBITDA loss reduced to Rs. 0.7 Crs in FY22 from Rs. 29 Crs in PY

Our latest bet is on the emerging senior care space in India which is already a \$ 10-12bn market and growing exponentially

Fastest growing age segment in India

130 mn senior citizens in India today comprising 8% of population;

Expected to be **20%** of population by 2050

Increasingly living alone

17% of elderly are living alone

Drastic fall in the ratio of care givers for the elderly

Loneliness due to empty nesters / loss of spouse

Healthcare is largest share of their wallets, with multiple unmet needs

3-4X spend on HC by senior households

5% seniors suffer with dementia; **7%** are immobile in urban cities

30% need dedicated post-op care

Of all the value pools, Antara has identified four focus areas comprising ~60 % of the opportunity

The above estimates are based on 2019 industry data

 <ul style="list-style-type: none"> US \$1.9 bn revenues 15% EBITDA 	 <ul style="list-style-type: none"> France \$3.8 bn group revenues 14% EBITDA 	 <ul style="list-style-type: none"> China Plan to scale upto 25000 beds by 2025
---	---	--

3. Care at Home - Home healthcare amongst the fastest growing segment within healthcare

Care is shifting home ...

- Increasing **cost** of in-hospital treatment
- **70%** healthcare needs can be met at home with **~30%** better recovery rate
- Need for **continuity of care** post-hospitalization - **~20%** of all hospital discharges require services at home
- Increasing customer demand for **convenience**
- **NCD's** on the rise, requiring continuity of care at home
- Improved **clinical outcomes** through continuity of care
- **Reducing hospital stay** with care at home leading to greater bed availability

...and big bets are being made by players

4. Medical equipment (MedCare) - Huge underlying opportunity in patient aids segment

Medical devices segment market size

Medical devices segment market size

- Category includes Mobility products, Physio products, Respiratory products, Orthotics etc.
- Expected growth **CAGR of 18-20%** by 2025 driven by increasing demand and awareness
- Customer purchasing limited to **referrals and local pharmacies**
- Industry is **highly fragmented** and unorganized. Most players are regional with limited national brands
- Market is dominated by **unfair practices** on pricing and sales methodology a larger player is required to make a dent!
- **Antara is best placed to play the opportunity as none have the capability/capital to create a national presence.**

Antara aspires to take its offerings pan-India in the next 3-5 years

Antara plans to invest over Rs. 300 crore in the next four to five years across all business verticals and has sufficient liquidity to finance this growth.

Company has outlined a five-year vision for Antara following its initial success, where it intends to enter other geographies in addition to deepening its presence in Delhi-NCR. The vision involves launch of 35-40 Care Homes, strengthening Care at home services portfolio, expanding MedCare products vertical and creating 5/7 residential communities.

North Cluster

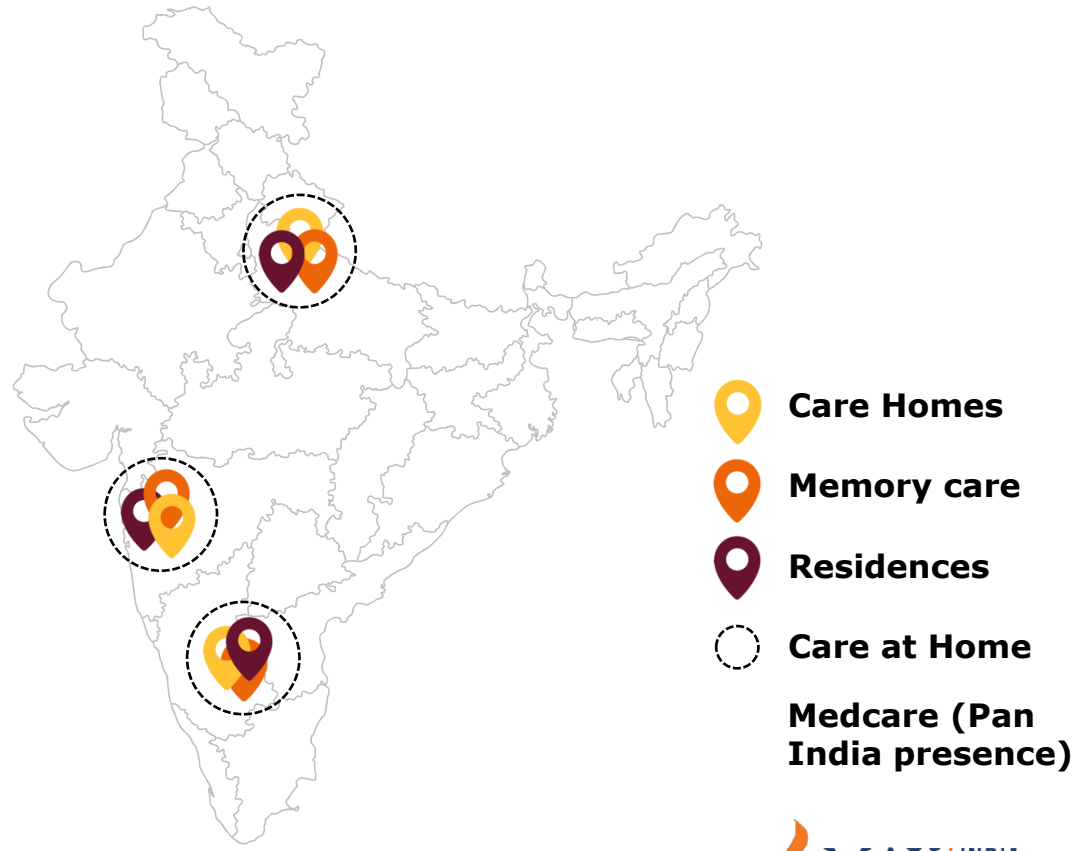

- Largest market with 1.3m population in our TG
- Most evolved market
- Dehradun, Noida, opportunities under discussion in Gurgaon

West Cluster

- High affluence, high price market
- Large demand, with 1.9m of TG staying in Mumbai, Pune
- Evolved market, with players like Athashri by Paranjape Developers, Gagan Mu Life, Ashiana Lavasa

South Cluster

- Evolved market, with multiple innovative models e.g., SuVitas for short stay, Mantri Primus Lifespaces in residences, Medwell & Portea for home care
- High demand with 0.8m of our TG in the market
- Exploration for market entry underway

Executive Summary

32 rooms with 38 beds
(single/ twin occupancy)
8 rooms dedicated for Memory
Care

Gurugram II and Jasola:
19 rooms with 19 beds

Care homes/memory care homes – encouraging trends and outlook

Increase in market interest and curiosity	Increasing interest from competition	Show and tell, inspires confidence	Unit economics stacks up	Unmatched comprehensive offering
<ul style="list-style-type: none">• Consistent increase in leads• ~50% enquirers for understanding the product• ~20-25% of all our leads are qualified	<ul style="list-style-type: none">• Increasing interest in this category from small hotels as well as existing players – especially for Short term stays	<ul style="list-style-type: none">• ~65-70% conversion from visits• ~15-30% conversions coming from hospital channel• Current peak occupancy achieved of ~53% in Gurgaon	<ul style="list-style-type: none">• Unit break-even at 45-50% occupancy• Gurgaon achieved break-even in Mar'22	<ul style="list-style-type: none">• 3-4 Star hotels around our Care Homes are priced from Rs 3,000-7,000 with breakfast• Our pricing of Rs 4,000-6,000 includes all meals, access to care givers and doctor

Care Home (CH): Net revenue at Rs 1.3 Cr, grew 26% y-o-y, led by improvement in occupancy

Occupancy trend at Care Homes (bed days)

Care Homes Revenue (Rs Lacs)

1. Q1'23 Revenue: Gurgaon - Rs 0.83 Cr and GK - Rs 0.42 Cr; Q1'23 occupancy for Gurgaon at 52% and GK at 19%

Contribution margin improved to -29% in Q1FY23 from -35% in Q4FY22

Outlook

Optimize Occupancy in existing Care homes

Launch standalone Memory Care facility

Explore and accelerate quickly scalable models

(a) Revenue reported above is on net basis after discounts

Gurugram CH Proof of success established; CH started reporting positive contribution margin ~ 5% in Q1FY23 ahead of business plan assumptions

- ### Key learnings so far
- Per day pricing in the range of INR 4000-5000 per day
 - 19 patients staying in the centre as on June'22 end including 12 long stay patients
 - Total 139 unique patients served so far
 - Consistent improvement in occupancy
 - Break-even achieved at ~45% occupancy against original planned at 60%
 - High visit to conversion ratio
 - Higher upsell / cross-sell Vs. Plan

Contribution is derived at by allocating all direct costs attributable to the business line. [Contribution = (Gross revenue less discounts) - (Direct costs)]

One of its kind Memory Care Home, South City, Gurgaon, ready for launch by Sep'22

A caregiver in a red uniform and mask is assisting an elderly woman with a blood pressure monitor. The woman is sitting on a brown sofa, and the caregiver is standing next to her, holding the device. A small table in front of them holds a white blood pressure monitor. The background shows a living room with a television, a framed picture, and a wooden chair.

A Portfolio of **over 1,100 Products**

Pricing: Transparent/ fair pricing (Antara Retail Price)

Better **product quality**/ features/ packaging

Superior **service/ sales support**

Outlook

Deepen/ build new distribution channels to augment reach

Scale up to new geographies

Build capability for launch of white labelled products and listing on digital platforms

Executive Summary

- **Max group, a leading conglomerate has a history of spotting early trends, creating iconic brands and successful businesses:**
 - Max Life Insurance (2000), Max Healthcare (2004), Max Bupa Health Insurance (2008) - all leading brands in their respective sectors
 - Partnered with best-in-class strategic and financial investors e.g., New York Life, Mitsui Sumitomo, Bupa, Warburg Pincus, Goldman Sachs, KKR, IFC, Vanguard, Temasek, GIC, Baron, Capital, Fidelity, Nomura
- **Our latest bet is on the fast-emerging Senior Care space in India, which is already a \$10-12 billion market:**
 - Fastest growing age segment in India – from 130mn at 8% of population to estimated 20% of population by 2050
 - Healthcare spends of senior household are 3-5X of others - driven by increased life expectancy and nuclear families.
- **Leveraging our core capabilities, we have identified four verticals to create an integrated senior care ecosystem:**
 - A. Residences for Seniors – Fast emerging real estate category with sizeable demand-supply mismatch
 - B. Assisted living (Care Homes) – While nascent in India, it is a large and profitable market globally
 - C. Home healthcare (Care at Home) – Fastest growing segment within healthcare
 - D. Medical equipment (MedCare Products) – Large underlying opportunity in the patient aids segment
- **Over the last 24 months, we have seeded these verticals and gained early successes:**
 - **Residences for Seniors:** Launched two benchmark communities; Dehradun (93% sold) and Noida Phase I (82% sold)
 - **Care Home (CH):** Launched 4 CH with 90 beds to establish product category; plan to ramp-up capacity to 2,000 beds in 5 yrs
 - **Care at Home:** 16 service lines to make a comprehensive portfolio; youngest organization to achieve QAI clinical accreditation
 - **MedCare Products:** Sales and rental of patient aids; Plan to launch a strong B2C channel with stores and ecommerce
- **We are well capitalized to pursue the scale-up of these opportunities with ~Rs. 550 crores of assets**
 - Revenue growth of 83% to Rs. 237 Crs, with EBITDA loss reduced to Rs. 0.7 Crs in FY22 from Rs. 29 Crs in PY

A close-up photograph of a person's hand holding a silver pen, pointing at a document. The document features various financial charts, including bar graphs and donut charts. One donut chart prominently displays '25%'. The text 'PLACEMENT' is visible on the document. The background is blurred, showing another person's hand. A white L-shaped frame is overlaid on the top-left and bottom-right corners of the image.

Consolidated Financials
