# To the Board of Directors of Dhanlaxmi Bank Limited

- 1. We have reviewed the accompanying Statement of Unaudited Financial Results of Dhanlaxmi Bank Limited ('the Bank') for the quarter and nine months ended December 31, 2023 ("the Statement") attached herewith, being submitted by the Bank pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation 2015, as amended ("the Regulations") except for the disclosures relating to Pillar 3 disclosure under Basel III Capital Regulations as at December 31, 2023, including Leverage Ratio, Liquidity Coverage Ratio and Net Stable Funding Ratio as have been disclosed on the Bank's website and in respect of which a link has been provided in the aforesaid Statement and have not been reviewed by us.
- 2. This statement, which is the responsibility of the Bank's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting" ("AS 25"), as prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ("RBI Guidelines") and other accounting

principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements is free of material misstatement. A review is limited primarily to inquiries of the bank's personnel and analytical and other review procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Our review primarily is conducted on the basis of review of the books of account and records of the Bank. We have also relied on the information and explanations furnished to us by the Bank and the returns as considered necessary by us for the review.
- 5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended including the manner in which it is to be disclosed, or that it contains any material misstatement or that it has not been prepared in accordance with the relevant prudential norms issued by the Reserve Bank of India in respect of income recognition, asset classification, provisioning and other related matters.

# **Emphasis of Matter Paragraph**

- 6. We draw attention to note no. 7 of the statement regarding amortization of additional liability on account of revision in family pension amounting to Rs. 1429 Lakhs. As stated therein, the bank has amortized an amount of Rs.714 lakhs up to nine months ended of December 31, 2023 of FY 2024 and the balance unamortized expenditure of Rs. 143 Lakhs has been carried forward which will be charged to the profit and loss account in future guarters.
- 7. We draw attention to note no. 11 of the statement regarding treatment of application software as intangible asset and deducting for the computation of networth till 30.09.2023. However, for the quarter ended 31.12.2023 the bank has changed the approach and treated the application software as fixed assets and consequently not deducted for the computation of networth for the quarter ended 31.12.2023. The consequential positive impact on Capital to Risk Weighted Assets Ratio has been recorded for the quarter ended 31.12.2023.

Our conclusion is not modified in respect of these matters.
