The Company's operations and financial results for the quarter have been very adversely impacted by the lockdown imposed to contain the spread of COVID-19 and the uncertainty in the business environment. The operations gradually resumed in May with requisite precautions. The results for the quarter are therefore not comparable with those of the previous quarter. The Company has assessed the impact of the pandemic on its financial results based on information available up to the date of approval of the same. The Company continues to monitor the evolving economic situation due to the pandemic and is taking measures to improve its efficiencies.
