Sub: Clarification w.r.t. Late Submissions of Financial Results for the Quarter ended December 2022.

Dear Sir/Madam,

With reference to captioned subject, it is submitted that there has been an inadvertent delay of one day in filing the financials of Mohota Industries Limited for the quarter and period ended December 2022.

In this regard it is submitted that the delay of one day has occurred as at the time of filing the documents some typographic errors had cropped up which required rectifications. We understand the importance of timely disclosure and adhere to the regulations. However, despite our best efforts, we encountered an unexpected situation at final filing stage which consumed additional time to resolve and led to an unintentional delay of one day.

I request you to kindly take the above information on record.

Yours faithfully,

Chairman – Implementation & Monitoring Committee
Mohota Industries Limited
