Biscuits: Creating Value Through Differentiation

Tasty Treat brings in a competitive offering and is innovated with pack sizes and many differentiated variants

FCL has partnered with global snacking giant Pladis, whose portfolio includes brands such as McVitie's, for biscuit manufacturing.

We are selling these products priced at par with other leading national brands in this category.

1 out of every 7 FMCG customers in large format stores buys Tasty Treat Biscuits

Tasty Treat Is Buzzing India's Biscuits Category

Tasty Treat - Chai Marie

For the first time in India, Tasty Treat has introduced a Finger marie. Marie lovers can now simply enjoy *chai* by easily dunking the **finger shaped Marie** in tea. Instead of breaking the old styled round shaped one biscuit into two pieces.

Tasty Treat – Thin Cookies

We have introduced a new category with Tasty Treat Thin Cookies. Inspired from the Swedish Thins, our cookies come in innovative flower like shape and are available in 3 exciting flavors – Ginger, Chocolate and Coconut.

Chips & Namkeens in India's Favourite Variants

Potato-based Chips

The biggest launch in the Tasty Treat Munching portfolio is here! We have 5 exciting flavors in potato based chips with Cheese being an innovative and never tried before flavor in the chips market.

1 out of every 3 customers in large format stores buys Tasty Treat Potato chips

Namkeens

We are excited to launch our 5 best-selling variants with one of the most reputed manufacturers in India – Bikano.

1 out of every 5 customers in large format stores buys Tasty Treat Namkeens

Winning Customers With Innovative Flavours

Munching & Namkeens is a high engagement, fast moving category in the FMCG industry.

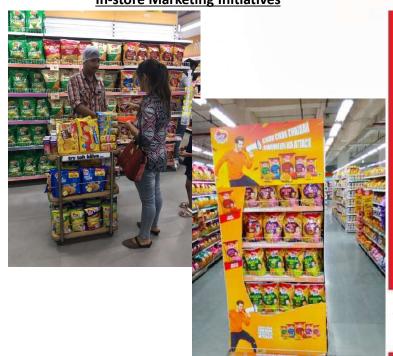

We have revamped this category and strengthened our portfolio with new launches.

We have been able to set a new quality benchmark and believe that we are ready to face any competition with superior quality and taste.

The Urban Reach Is Built & Guaranteed Through Large-Format & Small-Format Stores

We Are Creating A Hub & Spoke Model To Capture Semi-Urban And Rural India

We Have Identified Semi-urban And Rural Markets Which Have Distribution Gaps Of Other Brands

We Want To Build Distribution Strength Using These Gaps

Prioritise Semi-urban & Rural India

- ✓ To fill distribution gaps in national brands
- ✓ To fulfil retailers' requirement of a FMCG organization that is quick and a one-stop refill source
- ✓ To empower and unlock value out of local entrepreneurs building on the retail gene of Future Group

Prioritise Franchises/ Mitras And Smart POS

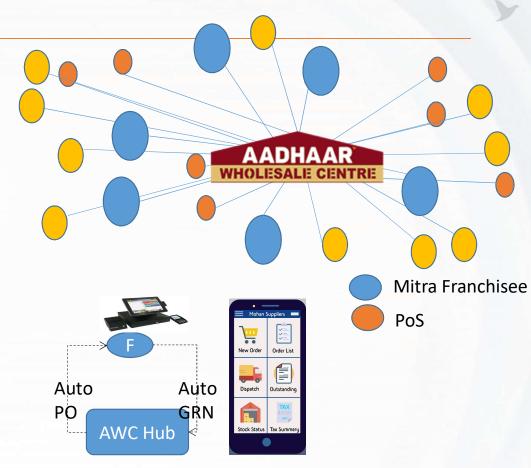

- ✓ To build scale fast, to meet distribution and reach of our own brands
- ✓ Build a low cost, asset-light model
- ✓ Focus on "digital first" acquisition of end consumer sale points, to create a "right to win"

Leverage General Trade Using PoS Platform

Building a Digital First distribution

- ✓ Auto PO generated based on sales at spoke; Auto GRN used to reconcile against this PO
- ✓ Minimal stock held at Mitras store replenishment within 24 to 48 hours
- ✓ Cheaper acquisition and servicing of GT Footprint with POS
- ✓ Showcase AWCs, with scan and buy, for digitalfirst discovery, optimized for sqft
- ✓ Customised retailer lifecycle management promotions, loyalty & rewards, access to credit
