They have submitted declaration that each of them meets the criteria of independence as provided in section 149(6) of the Act and SEBI Listing Regulations and not disqualified from being appointed as Directors.

Mr.Ramanathan Sarathkumar (DIN: 00238601), retires by rotation and being eligible has offered himself for reappointment.

Mrs.R Radikaa Sarathkumar (DIN:00238371), Chairperson & Managing Director; Mr.Ramanathan Sarathkumar, Whole-time Director; Mrs.Radikaa Rayane (DIN:08350418), Whole-time Director; Mr.Muruguvannan Kaviramani, Chief Financial Officer, Mr.Kanhu Charan Sahu, Company Secretary were the key managerial personnel of the Company, pursuant to the provisions of section 203 of the Act.

During the year, the non executive directors of the company had no pecuniary relationship or transaction with the Company.

Composition of the board of directors and committees thereof, including the Audit Committee, the Nomination and Remuneration Committee, the Stakeholders Relationship Committee and the details of meeting of the board and the committees are discussed fully in the corporate governance report.

Company's policy on directors' appointment and remuneration and other matters provided in section 178(3) of the Act has been discussed along with the Nomination and Remuneration Committee in the corporate governance report.

**Board evaluation:**

One of the key functions of the Board is to monitor and review the Board evaluation framework. The Board in consultation with the Nomination and Remuneration Committee lays down the evaluation criteria for the performance evaluation of Executive/Non-Executive and Independent Directors.

The following are the criteria on the basis of which the Directors are evaluated:

- 1) Knowledge to perform the role;
- 2) Time and Level of Participation;
- 3) Performance of Duties and Level of Oversight;
- 4) Professional Conduct and Independence etc.

During the year under review, a structured questionnaire was circulated to the Members of the Board for seeking feedback from the Directors on various aspects such as Board's & Committees' functioning, knowledge & skills of the Board of Directors, managing relationships, fulfilment of independent criteria by Independent Directors, leadership & strategy formulation by Executive Directors etc. The questionnaire of the survey is a key part of the process of reviewing the functioning and effectiveness of the Board & Committee and for identifying possible paths for improvement.

The board of directors has carried out an annual evaluation of its own performance, board committees and individual directors pursuant to the provisions of the Act and the corporate governance requirements as prescribed by SEBI Listing Regulations. The performance of the board was evaluated by the board after seeking inputs from all the directors on the basis of the criteria such as the board composition and structure, effectiveness of board processes, information and functioning, etc.

The performance of the committees was evaluated by the board after seeking inputs from the committee members on the basis of the criteria such as the composition of committees, effectiveness of committee meetings, etc.

The board and the nomination and remuneration committee reviewed the performance of the individual directors on the basis of the criteria such as the contribution of the individual director to the board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc. In addition, the chairperson was also evaluated on the key aspects of her role.

In a separate meeting of independent directors, performance of non-independent directors, performance of the board as a whole and performance of the chairperson was evaluated. The same was discussed in the board meeting that followed the meeting of the independent directors, at which the performance of the board, its committees and individual directors was also discussed. Performance evaluation of independent directors was done by the entire board, excluding the independent director being evaluated.

**Annual Return:**

Copy of the Annual Return of the Company as per Section 92(3) of the Companies Act, 2013 is available on the Company website [www.radaan.tv](http://www.radaan.tv). An extract of annual return in the prescribed form MGT-9 is given in **Annexure I** as part of this report.

**Auditors:**

There are no instances of frauds reported by auditors pursuant to sub-section (12) of Section 143 which are reportable to the Central Government.

Statutory Auditors:

M/s.SRSV & Associates, Chartered Accountants, (Firm Reg. No.015041S) were appointed as Statutory Auditors of the Company at the AGM held on 30th September 2017, for a term of 5 (five) consecutive years. The requirement for ratification of appointment of auditors by the members at every AGM is done away with, vide the Ministry of Corporate Affairs notification dated May 07, 2018.

The statutory auditors have issued their report on the standalone and consolidated financial statement of the company and the same were appended here to this report.

The auditors reports on standalone and consolidated financial statements were qualified on following two grounds.

1. *Disruption in Operations owing to COVID - 19*

We draw attention to Note No.3 of the Financial Statement which discloses that the industry in which the Company operates is adversely affected owing to the impact of Covid-19. It is also not clear as to when the operations will regularise.

2. *Negative Working Capital*

We draw attention to Note No.46 of the Financial Statement. As at the date of Balance Sheet, the Holding Company's current liabilities have exceeded its current assets. In the current scenario, the Holding Company is faced with liquidity crunch and has undisputed statutory dues to the tune of Rs.1.07 Crores that are yet to be paid as at the Balance Sheet date. However the Group is confident of meeting its obligations in the normal course of business and accordingly the accounts of the Group have been prepared on a Going Concern basis.

Further, following were the management's reply to the qualifications made by the statutory auditors in their report for financial year 2019-20.

1. *Impact of COVID-19 Pandemic*

The lockdowns and restrictions imposed on various activities due to COVID – 19 pandemic to contain its spread, posed an unprecedented challenges to all businesses. The Company have also been impacted, supply of fresh content is constrained because of stoppage of all the shooting and other allied production activities resulting in revenue loss for the Company. The Company managed to ensure functioning of critical operations by providing necessary digital infrastructure to allow employees to operate from home. All production remained closed as the Company followed local regulations during the lockdown. The Company resumed its content production operations as per the directives and permissions of the State Government and other statutory and trade bodies on 10th July 2020, complying with the advisories issued by concerned authorities and following all health and safety measures. Corporate offices were opened as per the directions received from the concerned authorities with limited staff as per local and central guidelines.

The Management has done an assessment of the situation, including the liquidity position and the recoverability and carrying value of all assets and liabilities as at March 31, 2020 and concluded that there were no material adjustments required in the financial statements as on March 31, 2020. However, the impact assessment of COVID-19 is a continuing process given the uncertainty associated with its nature and duration. The Company will continue to monitor any material changes as the situation evolves.

The following steps have been taken to ensure smooth functioning of operations post conclusion of the lockdown period:

- i. The Company has identified people in each function whose physical presence in office is essential to maintain smooth operations of the Company.

- ii. The Company has taken safety measures such as making hand sanitizer available at key areas around the office including entry and exit points, ensuring that thermal screening takes place during entry and exit, maintaining social distancing in seating and common areas.
- iv. On the Content Production operations, the Company is adhering to all SOP's as laid out by the State Government and Trade bodies and operating with a reduced staff for the shooting.

## 2. *Negative Working Capital*

Turnover of the Company was drastically dropped during the year, resulting gross losses and liquidity crunch. Company was not able to meet it's liabilities including statutory dues on time. The current liabilities went up to three times of current assts. The Covid-19 pandemic created further hardship in operations of the Company worsening the liquidity position. As at the balance sheet date the following undisputed statutory dues were pending to be remitted.

Nature of Payment	Amount (Rs)	Period
Tax Deducted at Source	54,51,402/-	July'2019 – March'2020
Goods and Services Tax	50,92,642/-	September'2019 – March'2020
PF / ESI	1,62,771/-	February'2020 – March'2020

Management is fully committed to clear statutory dues in compliance of applicable provisions under respective laws, as on the date of this report the PF / ESI dues were already paid.

### Secretarial Auditor:

### **Economic Overview:**

#### Global economy

The world is gradually emerging from the unprecedented challenge posed by the COVID-19 pandemic. The interdependence and inter-connectedness of nations that has helped raise the global economy to its present heights is now also being viewed as a factor that exacerbates such a calamity, and increases geopolitical friction.

In an era when the global economy was hoping to come out of a slowdown induced by trade disputes and weak investments, the COVID-19 pandemic has come as a jolt. While sustained and co-ordinated efforts to contain the contagion are starting to bear fruit, there is a call globally to counter their heavy socio-economic impact, and rebuild economies that have been battered by lockdowns by becoming more self-reliant.

In 2019, global GDP growth slowed down caused by weakness in global trade and investment, and affected both developed economies, such as the Euro area, and developing economies. Many of the key indicators of economic activity were near their lowest levels since the global financial crisis.

The IMF projects the global economy to contract sharply by 3% in 2020 on account of the damage inflicted by the COVID-19 pandemic. The forecast is also marked by high levels of uncertainty, with influencing factors being hard to predict given the uniqueness and scale of the crisis. Governments and policy-makers across the world have realised that the strict norms of social distancing and lockdowns are producing unimaginable economic impact that will linger on after the peak of COVID-19 infections has passed. Even as nations focus on strengthening healthcare systems and working on possible cures, various large stimulus measures announced to restart the economic engine without further delay.

#### Indian economy

The Indian economy has witnessed a slowdown in growth in the last few years. Economic pressures that affected the global economy trickled down to impact the Indian economy as well. Domestic factors like slowdown in private consumption expenditure and slow credit growth due to the troubles faced by the banking sector on account of high levels of Non-Performing Assets and stretched balance sheets of both the borrowers and the lenders, too resulted in muted growth across sectors. Despite these headwinds, the Indian economy saw signs of a promising future. In 2019, India became the 5th largest economy in the world, in terms of GDP. It also obtained the 63rd rank in World Bank's 'Ease of Doing Business' report, 2019, in comparison to 77<sup>th</sup> position in 2018.

However the threat of COVID-19 is expected to drive the Indian economy downward. Industries and business activities around the country came to a screeching halt after the nationwide lockdowns, causing severe disruptions to supply and distribution channels. The crisis also presents a unique opportunity to leverage India's significant industrial base, improving infrastructure, strong power sector, abundance of natural resources, and its demographic strength to attract manufacturing and other industries to India under the "Make in India" scheme.

In order to revive the economy, certain industries were gradually allowed to start operations, in a phased manner. A stimulus package of Rs.20 lakh crore was also announced to bounce back growth. Monetary and fiscal measures declared by RBI and Government are expected to mitigate the adverse impact of COVID-19 on domestic demand, and help spur economic activity once normalcy is restored.

### Industry Overview:

The Global Media and Entertainment sector is witnessing a resurgence as new technology continues to fuel fundamental shifts in the industry, content providers and distributors link up with one another in unprecedented and unexpected ways. The distinctions among varieties of media are collapsing and Companies that once offered only technology and distribution are moving into content and vice versa. The media consumption pattern is also changing rapidly and consumers now have the power to choose and build a personalized library, something that seemed impossible earlier. Technological advancements and change in individuals outlook towards life have greatly affected content production, demand and consumption as it has evolved over the years. It's a period where consumers not only demand what they like but also, they select the format they wish to view it.

India is a huge market with very positive growth fundamentals across virtually every type of media. The market is strategically interesting to global players seeking to monetize content and capture growth upside, either as a participant via licensing or other commercial arrangements, or as an outright owner through an in-bound acquisition or organic investment approach.

According to the FICCI-EY report (the Report), M&E industry revenue registered 9% YoY growth in 2019 to reach INR1.822 trillion. While television and print retained their positions as the two largest segments, Digital Media to become the third largest segment of the M&E sector. Digital subscription revenues more than doubled from 2018 levels and digital advertising revenues grew to command 24% of total advertising spend. Movie industry growth was driven by domestic revenue while the revenue from international markets declined during the year. With its current trajectory, the M&E sector in India is expected to cross INR2.416 trillion by 2022 at a CAGR of 10%. However, the growth estimates are likely to see a downward revision as the Report was published before the complete impact of COVID-19 on the economy was known.

The current slowdown should not have a meaningful impact on the long-term growth trajectory of the M&E industry. Per capita entertainment consumption and spends in India still remain lower than most of its peers. The Report estimates that the total screen count (TV + Smartphone) will reach 1 billion (from the current 550mn) by 2025, which represents a sizable growth opportunity. Coupled with the largest youth population and rising disposable incomes, Indian M&E industry is poised for a long-term sustainable growth.

## INDIAN TELEVISION INDUSTRY

Indian television industry continues to be a critical mass entertainment medium for both rural and urban populations, catering to more than 190 million customers across the country. With the second-largest TV market and one of the largest broadcasting markets in the world, Indian television segment grew as per the report at 6.5% and reached INR0.788 trillion in 2019. TV advertising revenue grew by 5% to touch INR0.320 trillion, and subscription services recorded a 7% growth to reach INR 0.468 trillion. It is expected that television advertising will grow at a CAGR of 10% to INR0.570 trillion retaining the biggest share of the advertising pie in 2025.

During the year the Telecom Regulatory Authorities of India mandated implementation of New Tariff Order (NTO). Implementation of NTO has brought about a paradigm change by redefining the relationship between broadcasters, consumers and distributors. The structural changes in the distribution eco-system brought by NTO will have a long-term positive impact on the industry. The flexibility available to consumers to choose and pay for content they want and the ability of broadcasters to decide pricing of their content will help increase customer value proposition and content quality. The clear segregation between the fees paid by consumer for distribution service and content will enable improvement in consumer service standards.

## DIGITAL MEDIA

With more than 661 million mobile broadband subscribers, 395 million smartphone users, and 4 million connected smart TVs, the Indian digital media industry continues to grow at a rapid pace. According to the Report, India's digital media revenues grew by 31% YoY in 2019 to reach INR 0.221 trillion, this trend is likely to continue, and the share of digital revenue in the M&E pie expected to grow to 17% in the next three years compared to 12% currently. Digital advertising grew 24% to INR 0.192 trillion whereas subscription revenue grew 106% to INR 0.029 trillion. Digital consumption grew across platforms where video viewers increased by 16%, audio streamers by 33% and news consumers by 22%. Further impetus to the industry is likely to be provided by the recent outbreak of Covid19. With the prevailing countrywide lockdowns, the digital and OTT platforms emerged as one of the preferred mediums of entertainment.

OTT industry in India is witnessing an intense competition over the last few years with 30+ platforms vying for a share of this growing market. Most of these platforms are producing digital exclusive content to create a space for themselves. The original content produced by OTT platforms increased by 33% to 1,600 hours. This constitutes a fraction of approximately 100,000 hours of content produced for television every year as OTT platforms are carving their own niche with stories and storytelling differentiated from TV. OTT content tends to be more focused on trending, controversial or bold subjects and mostly attracts audience which does not enjoy television shows. Bigger production budgets and finite format also mean that it resembles movies more than TV content. Due to the increasing adoption of digital platforms, audience for digital content has been growing and OTT platforms have stepped up their programming budgets to cater to this growing demand. Despite the growth in digital exclusive content, broadcast content still constitutes a majority (70-90%) of the digital content consumption due to the volume of content produced and its free availability. That said, producing exclusive content is the only way for OTT platforms to upgrade their users to pay subscribers.

## Company Overview:

The Company and its subsidiary are primarily into television content production, majorly operating in southern regional languages. Being in the business for more than two decades, people look upon us for top notch content. We have made history by providing some of the best and most loved shows. Over the years we have garnered numerous appreciation and awards for our productions, which are the testimonial of our hard work and dedication.

As value creator, we tell great stories that seek to influence and inspire the consumers, for customers such as our Broadcasters we generate ratings and viewership on a consistent basis, for talent we offer the ability to become household names and pursue their ambitions.

Radaan operates both on sponsorship and commissioned model of content production. Company prefers sponsorship model, therefore retaining the IP rights for future exploitation in other platforms. The Broadcasters now concentrate more on commissioned program. This has hampered our digital growth to some extent. However, with increased internet subscription and availability of low cost smart phones, the digital platforms including mobile apps are gearing up for a landslide change. Over-the-top players are now more interested to invest for future growth. Company has pipelined original programs for digital streaming, both in-house and third party platforms.

**Risks and concerns**

The company depends on relationships with broadcasting channels, mainly the SUN TV Network, marketing agencies and other industry participants to produce and exploit our television content. Any disputes with them could have a material adverse effect on it’s ability or willingness to produce and telecast the programs.

Company generates revenues from sale of advertising spots during telecast of it’s program, which by large depend on popularity of the program. Any failure to maintain the viewership could harm business or prevent from growing, which could have a material adverse effect on the business prospects, financial condition and results of operations. The viewership rating may also dependant on measurement methodologies which is an external factor to the company.

The company's business depends in part on the adequacy, enforceability and maintenance of intellectual property rights in the entertainment products and services. Piracy of the Company's content, products and intellectual property could result in a reduction of the revenues that the Company receives from the legitimate sale, licensing and distribution of its content and products. The Company devotes substantial efforts to protecting its content, products and intellectual property, but there can be no assurance that the Company's efforts to enforce its rights and combat piracy will be successful.

The Company derives substantial revenues from the sale of advertising spots, and a decrease in advertising expenditures overall or reduced demand for the Company's offerings could lead to a reduction. Declines in consumer spending due to weak economic conditions could also indirectly negatively impact the Company's advertising revenues by causing downward pricing pressure on advertising because advertisers may not perceive as much value from advertising if consumers are purchasing fewer of their products or services.

The Company's businesses are subject to a variety of laws and regulations. The Company could incur substantial costs to comply with new laws, regulations or policies or substantial penalties or other liabilities if it fails to comply with them. In addition, if there are changes in laws that provide protections that the Company relies on in conducting its business, it would subject the Company to greater risk of liability and could increase its costs of compliance.

### c) Functioning of the Board and attendance by directors at meetings

The chairperson is responsible for Boards' effectiveness and conduct as well as having overall responsibility of operation, organisational effectiveness, formulation of strategies and implementation of policies and decisions. The non executive independent directors play a pivotal role in corporate accountability and provide unbiased and independent views and judgement to the Board's deliberation and decision making process. They ensure that the matters and issues brought up to the Board are fully discussed and examined, taking into account the interest of all stakeholders.

The Board has full and unrestricted access to all information pertaining to the businesses and affairs of the company as well as services of the Company Secretary to enable them to discharge their duties effectively. The Company Secretary also ensures that the Board is supplied with all necessary information in a reliable and timely manner and acts as communication link between the Board, the Committees and the senior management. The Board may also seek external independent professional advice at the company's expense.

The Board meets at least once in every quarter and on other occasions as and when necessary. Officers in senior management and external advisors are also invited to the board meetings and committee meetings to provide necessary information on relevant agenda. The agenda papers normally get circulated prior to the meeting. The Company Secretary attends all board meetings and committee meetings and ensures that proceedings of the meetings and resolutions passed thereat are properly recorded. Minutes of the meetings are circulated among the directors and committee members to provide an opportunity to review prior to confirmation.

During the financial year four (4) board meetings were held and the dates on which the said meetings were held are, 29<sup>th</sup> May 2019, 12<sup>th</sup> August 2019, 14<sup>th</sup> November 2019 and 14<sup>th</sup> February 2020. The necessary quorum was present for all the meetings.

# INDEPENDENT AUDITOR'S REPORT

To the Members of **RADAAN MEDIAWORKS INDIA LIMITED**

## Report on the Audit of the Standalone Financial Statements

### Qualified Opinion

We have audited the standalone financial statements of **RADAAN MEDIAWORKS INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March 2020, the Statement of Profit and Loss, Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the Loss, other comprehensive loss, and changes in equity and its cash flows for the year ended on that date.

### Basis for Qualified Opinion

#### 1. Disruption in Operations owing to COVID - 19

We draw attention to Note No. 3 of the Standalone Financial Statements which discloses that, as at the date of the Balance Sheet, the industry in which the Company operates is adversely affected owing to the impact of Covid-19. It is also not clear as to when the operations will regularise.

#### 2. Negative Working Capital

We draw attention to Note No.46 of the Standalone Financial Statements. As at the date of Balance Sheet, the Company's current liabilities have exceeded its current assets. In the current scenario, the Company is faced with liquidity crunch and has undisputed statutory dues to the tune of Rs. 1.07 Crores that are yet to be paid as at the Balance Sheet date.

However the Company is confident of meeting its obligations in the normal course of business and accordingly the accounts of the Company have been prepared on a Going Concern basis.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

<p><b>a) Assessment of Provisions for taxation, litigations and claims</b></p> <p>As on 31st March 2020, the Company has contingent liability to the tune of Rs.14,58,67,936. <p><b>c) Investments in Subsidiary</b></p> <p>The Company has an investment in an Overseas Subsidiary named ‘Radaan Media Ventures Pte. Ltd’ in Singapore amounting to Rs.9,35,000 or SGD 20,000. The subsidiary has not been in full fledged commercial operation since financial year 2014 -15. The carrying value of this investment was questioned by Audit. Further Loans were given to the subsidiary carrying an interest rate of 10% which is overdue.</p>	<p>The following audit procedures were performed in this area:</p> <ul style="list-style-type: none"> <li>• Calling for the Financials Statements of 31st March 2020. The same were audited by the Auditor of the respective Country.</li> <li>• Audit questioned the existence and valuation of the investment in view of no operations in the subsidiary for the past five years.</li> <li>• Annual Performance reports and filings in relation to the foreign subsidiary were verified.</li> <li>• Furthermore the appropriateness of the disclosures made in note 36 to the financial statements was assessed.</li> </ul>
<p><b>d) Other Investments</b></p> <p>The Company has investments in Celebrity Cricket League Private Limited to the tune of Rs.72,25,231/- (7,50,000 equity shares of Rs.10/- each).</p>	<p>The Audit questioned the carrying value of these investments.</p> <ul style="list-style-type: none"> <li>• Based on the business plan provided it is concluded that the management’s estimation of carrying value of investment is appropriate.</li> <li>• Furthermore the appropriateness of the disclosures made in note 37 to the financial statements was assessed</li> </ul>

<p><b>e) Non-payment of Statutory Dues Payment</b>          Audit observed that there were non- payments of statutory payment dues.</p>	<ul style="list-style-type: none"> <li>• Audit Procedure checked the undisputed statutory payments dues remain unpaid.</li> <li>• Management responded working capital as cause for non-payment and affirmed the compliance once the present situation improves.</li> </ul>
<p><b>f) Delay in Unsecured Loan Repayments</b></p>	<ul style="list-style-type: none"> <li>• Audit Procedure checked the revised repayment terms with party negotiated.</li> </ul>
<p><b>g) Revenue Recognition (IND AS 115)</b>          Recognition of revenue is complex due to certain specific nature of customer contracts.          The application of the standard on recognition of revenue involves significant judgment and estimates made by the management which includes;</p> <ul style="list-style-type: none"> <li>• Identification of performance obligations contained in contracts.</li> <li>• Determination of the most appropriate method for recognition of revenue relating to the identified performance obligations.</li> <li>• Assessment of transaction price and</li> <li>• Allocation of the assessed price to the individual performance obligations</li> <li>• Review of accounting for losses in Teleserial named 'Chandrakumari' that was suspended during the Financial year</li> </ul>	<ul style="list-style-type: none"> <li>• Audit procedure involved review of the Company's IND AS 115 implementation process and key judgments made by management, evaluation of customer contracts in light of IND AS 115 on sample basis and comparison of the same with management's evaluation and assessment of design and operating effectiveness of internal controls relating to revenue recognition.</li> <li>• Based on the procedures performed, it is concluded that management's judgments with respect to recognition and measurement of revenue in light of IND AS 115 is appropriate.</li> <li>• Furthermore, the appropriateness of the disclosures made in Note 3 (f) to the financial statements was assessed.</li> <li>• With respect to the teleserial named 'Chandra Kumari' the losses on account of the same have been booked owing to withdrawal from the channel as the outcome has not resulted as expected.</li> </ul>
<p><b>h) Adoption of IND AS 116 – Leases</b>          As described in Note 3 C 4 to the financial statements, the Company has adopted Ind AS 116 - Leases (Ind AS 116) in the current year. The application and transition to this accounting standard is complex and is an area of focus in our audit.</p> <p>Ind AS 116 introduces a new lease accounting model, wherein lessees are required to recognize a right-of-use (ROU) asset and a lease liability arising from a lease on the balance sheet. The lease liabilities are initially measured by discounting future lease payments during the lease term as per the contract/ arrangement. Adoption of the standard involves significant judgements and estimates including, determination of the discount rates and the lease term. Additionally, the standard mandates detailed disclosures in respect of transition. Refer Note 38 of financial statements.</p>	<p><b>Our audit procedures on adoption of Ind AS 116 include:</b></p> <ul style="list-style-type: none"> <li>• Assessed and tested new processes and controls in respect of the lease accounting standard (Ind AS 116).</li> <li>• Assessed the Company's evaluation on the identification of leases based on the contractual agreements and our knowledge of the business;</li> <li>• Evaluated the reasonableness of the discount rates applied in determining the lease liabilities.</li> </ul> <p><b>Upon transition as at 1 April 2019:</b></p> <ul style="list-style-type: none"> <li>• Evaluated the method of transition and related adjustments;</li> <li>• Tested completeness of the lease data by reconciling the Company's operating lease commitments to data used in computing ROU asset and the lease liabilities.</li> </ul> <p><b>On a statistical sample, we performed the following procedures:</b></p> <ul style="list-style-type: none"> <li>• Assessed the key terms and conditions of each lease with the underlying lease contracts;</li> <li>• Evaluated computation of lease liabilities and challenged the key estimates such as, discount rates and the lease term.</li> <li>• Assessed and tested the presentation and disclosures relating to Ind AS 116 including, disclosures.</li> </ul>

## Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the standalone financial statements and our report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with the rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## **Annexure B to the Independent Auditor's Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **RADAAN MEDIAWORKS INDIA LIMITED** ("the Company") as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide

reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**g. Foreign Currency Transactions:**

Transactions pertaining to income and expenditure are accounted at the rate prevailing on the date of transaction. Outstanding balances of Current Assets and Current Liabilities relating to Foreign Currency transactions are restated in rupees by adopting the rate of exchange prevailing on the date of Balance Sheet and the resultant exchange gain / loss is recognized / written off in the Profit & Loss Account accordingly.

**h. Financial Instruments:**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and liabilities are offset and the net amount is presented in the Balance sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at FVTOCI (Fair value through other comprehensive income) and financial assets / liabilities that are specifically designated as FVTPL (Fair value through profit or loss). However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.

**Financial Assets**

Financial assets comprises of investments in equity and mutual funds, trade receivables, cash and cash equivalents and other financial assets.

Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at: a) Amortised cost; or b) Fair value through other comprehensive income (FVTOCI); or c) Fair value through profit or loss (FVTPL). Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

The Company has evaluated the facts and circumstances on date of transition to Ind AS for the purpose of classification and measurement of financial assets. Accordingly, financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realize its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

in equity of subsidiary and associates are carried at cost (i.e) previous GAAP carrying amount as the date of transition to Ind AS. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

Classification	Name of Financial Assets
Amortised cost	Trade receivables, Loans and advances to subsidiary company, employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Subsidiary & Associate as an option exercised at the time of initial recognition.

Financial assets are derecognized (i.e) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said assets. The Company also derecognizes when it has an obligation

to adjust the cash flows arising from the financial asset with third party and either upon transfer of: a. significant risk and rewards of the financial asset, or b. control of the financial asset. However, the Company continues to recognize the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retention of its rights and obligations of financial asset. The Company has applied the de-recognition requirements prospectively.

Upon de-recognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognized in the Statement of Profit and Loss.

For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics.

Accordingly, the impairment testing is done retrospectively on the following basis:

Name of Financial asset	Impairment testing methodology
Trade receivables	Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide or impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

### **Financial Liabilities**

Financial liabilities comprises of Borrowings from Banks, Trade payables, Derivative financial instruments, financial guarantee obligation and other financial liabilities.

The Company measures its financial liabilities as below:

Measurement basis	Name of Financial liabilities
Amortised cost	Borrowings, Debentures, Trade payables, Interest accrued, Unclaimed / Disputed dividends, Security deposits, and other financial liabilities not for Trading.
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109 and other financial liabilities held for trading.

Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.

Upon derecognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.

### **Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.

All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole as described in the following manner: Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities, Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable, Level 3: Valuation techniques for which the lowest level inputs

that are significant to the fair value measurement are unobservable.

For assets and liabilities that are recognized in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.

For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

**Investments in Equity:**

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

**Trade and other receivables:**

The fair value is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets.

**i. Employee Benefits**

Short-term employee benefits viz., Salaries and Wages are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.

Defined Contribution Plan viz., Contributions to Provident Fund and Superannuation Fund are recognized as an expense in the Statement of Profit and Loss for the year in which the employees have rendered services.

The Company contributes monthly to Employees' Provident Fund & Employees' Pension Fund administered by the Employees' Provident Fund Organisation, Government of India, at applicable rate on the employee's basic salary. The Company has no further obligations. The Company has its own Defined Benefit Plan viz., an approved Gratuity Fund. It is in the form of lump sum payments to vested employees on resignation, retirement, death while in employment or on termination of employment, for an amount equivalent to 15 days basic salary for each completed year of service. Vesting occurs upon completion of five years of continuous service. The Company makes annual contributions to "Radaan Mediaworks India Limited Employees Group Gratuity Assurance Scheme" administered by trustees and managed by LIC of India and report its status.

The Company has formalized the existing rules for leave encashment under a scheme administered by Life Insurance Corporation of India for Group Leave Encashment Assurance Scheme for the benefit of employees. The contributions will be made annually based on leave credit available to the employees at the end of each financial year.

Remeasurement of net defined benefit asset / liability comprising of actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are charged / credited to other comprehensive income in the period in which they arise and immediately transferred to retained earnings. Other costs are accounted in the Statement of Profit and Loss.

**j. Earnings Per Share:**

The Company reports Basic and Diluted Earnings per Share (EPS). The Basic / Diluted EPS has been computed by dividing the income available to equity shareholders by the weighted average number of equity shares (including Bonus Shares, if any) during the accounting period.

**k. Accounting for Taxes on Income:**

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income tax Act, 1961 and other applicable tax laws.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future tax liability, is recognized as an asset viz. MAT Credit Entitlement, to the extent there is convincing evidence that the Company will pay normal Income tax and it is highly probable that future economic benefits associated with it will flow to the Company during the specified period. The Company reviews the "MAT Credit Entitlement" at each Balance Sheet date and writes down the carrying amount of the same to the extent there

is no longer convincing evidence to the effect that the Company will pay normal Income tax during the specified period.

Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognized amounts and intends to settle the asset and the liability on a net basis.

Deferred tax is recognized using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to set off current tax assets against current tax liabilities.

Both current tax and deferred tax relating to items recognized outside the Profit or Loss is recognized either in "Other Comprehensive Income" or directly in "Equity" as the case may be.

#### **I. Impairment of Non-financial Assets**

The carrying values of assets include property, plant and equipment, investment properties, cash generating units and intangible assets are reviewed for impairment at each Balance Sheet date, if there is any indication of impairment based on internal and external factors.

Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.

An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.

An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

#### **m. Provisions, Contingent Liabilities & Contingent Assets:**

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.

Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognized as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for. Contingent Assets are not recognized.

Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognized but disclosed in the financial statements.

### Report on the Audit of the Consolidated Financial Statements

#### Qualified Opinion

We have audited the accompanying consolidated financial statements of **RADAAN MEDIAWORKS INDIA LIMITED** ("the Holding Company") and its subsidiary (collectively referred to as "the Company" or "the Group"), comprising of the consolidated Balance Sheet as at 31st March 2020, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the consolidated Statement of Changes in Equity and the consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information ("the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2020, and consolidated loss, consolidated total comprehensive loss, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

#### Basis for Qualified Opinion:

##### 1. Disruption in Operations owing to COVID - 19

We draw attention to Note No. 3 of the consolidated financial statements which discloses that, as at the date of the Balance Sheet, the industry in which the Company operates is adversely affected owing to the impact of Covid-19. It is also not clear as to when the operations will regularise.

##### 2. Negative Working Capital

We draw attention to Note No. 46 of the consolidated financial statements. As at the date of Balance Sheet, the Holding Company's current liabilities have exceeded its current assets. In the current scenario, the Holding Company is faced with liquidity crunch and has undisputed statutory dues to the tune of Rs.1.07 Crores that are yet to be paid as at the Balance Sheet date.

However the Group is confident of meeting its obligations in the normal course of business and accordingly the accounts of the Group have been prepared on a Going Concern basis.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the *Code of Ethics* issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### **Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the consolidated financial statements and our report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed and based on the work done/ audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its subsidiaries in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit

matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matter**

We did not audit the financial statements of Radaan Media Ventures Pte Ltd.,(subsidiary), whose financial statements reflect total assets of Rs.49,849 as at 31st March, 2020, total revenues of Rs.3,77,031 and net cash utilised amounting to Rs.35,111 for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors. In our opinion and according to the information and explanations given to us by the Management, these financial statements / financial information are not material to the Group.

The subsidiary mentioned above is located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in that country and which has been audited by other auditor under generally accepted auditing standards applicable in that country whose report has been furnished to us by the management. The Holding Company's management has converted the financial statements of such subsidiary located outside India from accounting principles generally accepted in that country to accounting principles generally accepted in India

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

### **Report on Other Legal and Regulatory Requirements**

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, (including Other Comprehensive Loss), Consolidated Statement of Changes in Equity, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31 March 2020 taken on record by the Board of Directors, none of the Directors of the Group companies incorporated in India is disqualified as on 31 March 2020 from being appointed as a Director of that Company in terms of sub-section 2 of Section 164 of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (g) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 47 to the financial statements
  - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.

## Annexure A to the Independent Auditor's Report

### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31<sup>st</sup> March 2020, we have audited the internal financial controls over financial reporting of **RADAAN MEDIAWORKS INDIA LIMITED** ("the Holding Company"), its subsidiary Company which is companies incorporated in India, as of that date.

#### Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company , its subsidiary, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note, issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports and the information and explanation provided by the management is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, based on the test checks conducted by us, the Holding Company, its subsidiary companies, which are companies incorporated in India, have, in all material respects, reasonably adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were prima facie operating effectively as at 31<sup>st</sup> March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES ON CONSOLIDATED FINANCIAL STATEMENTS****80. SIGNIFICANT ACCOUNTING POLICIES****I BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS****A Basis of Preparation:**

The Financial statements are prepared under historical cost convention on accrual basis in accordance with the Generally Accepted Accounting Principles (GAAP) and comply with Accounting Standards notified under section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014. Pursuant to the mandatory requirement for adoption of Indian Accounting Standards (Ind AS), as notified by the Ministry of Corporate Affairs (MCA), the Company has prepared its consolidated financial statements for the year ended 31 March 2020 in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time.

Pursuant to General Circular No.39/2014 dated 14 October 2014 issued by the Ministry of Corporate Affairs that the disclosures made already under the separate financial statements are not repeated and thus the disclosures that are relevant arising out of consolidation have only been presented.

**B Use of Estimates:**

The preparation of financial statements in accordance with the generally accepted accounting principles requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates in the future periods.

**II PRINCIPLES OF CONSOLIDATION:**

The financial statements of subsidiaries have been combined on a line by line basis by adding together the book values of like item of assets, liabilities, income and expenditure after eliminating intra-group balances and intra-group transactions resulting in unrealized profits or losses. The cost of investments by Parent / Holding Company in a subsidiary company is less than its share of the equity of the subsidiary company is recognized as 'Capital Reserve (on Consolidation)'. Likewise, any excess cost of investments by Parent / Holding Company in a subsidiary company over the Parent's / Holding's share of equity in the subsidiary company is recognized as 'Goodwill' (on Consolidation). The consolidated financial statements are prepared by adopting uniform accounting policies for like transactions or other events in similar circumstances and are presented to the extent possible, in the same manner as the Parent Company's financial statements.

**III TRANSLATION TO INDIAN RUPEES:**

The functional currency of the Parent Company is Indian Rupee. The functional currency of the subsidiary is Singapore Dollar. Subsidiary accounts are converted from Singapore Dollar to Indian Rupees in the following manner: All income and expense items are translated at the average rate of exchange applicable for the year. All monetary and non-monetary assets and liabilities are translated at the closing rate as on Balance Sheet date. The equity share capital is stated at the exchange rate at the date of investment. The exchange difference arising out of the year end translation is debited or credited to Foreign Currency Translation Reserve Account and is being classified under Reserves and Surplus Account.
