FLOW

- **BAJAJ PATHFINDER AND NEW VISION MISSION VALUES**
- **BUSINESS CONTEXT & INITIATIVES OF Q3**
- **Q3 RESULTS SUMMARY**
- **WAY FORWARD**
- **DETAILED PERFORMANCE**

THE NAYA BAJAJ PATHFINDER

BCL VISION

Harness our heritage of 90 years and combine it with leading edge scientific knowledge to bring innovative high quality products for consumers across the world to help them get more out of life.

NAYA BAJAJ – MISSION 2020

- We aspire to make BCL a **complete FMCG** company by introducing a **culture of innovation** here to create newer pathbreaking products for consumers **across the globe**
- We will help our **consumers feel good, look good and get more out of life** with our premium mixes and make them **accessible** even in the farthest corner of the rural markets
- We will strongly **Engage with, Develop, Recognize** and **Retain** Talent within the organization across every department
- We will develop the **most efficient ways of doing business by using cutting edge IT tools** across all processes and make BCL a **future ready** organization that can add even more value for our consumers and customers

NAYA BAJAJ – VALUES

1. **Consumer First** : Our first priority is to our **CONSUMERS** and then to our customers, employees and the communities we serve in.
2. **Entrepreneurship** : We will think and act like owners of our business and develop a strong **growth mentality** and a **positive outlook** to our work.
3. **Integrity** :We will do the right things , be **transparent** with all, **trust** each other and keep ourselves **accountable** for the responsibilities given to us
4. **Innovation** : We will take **measured risks**, conquer challenges and continue to **differentiate** through our products

Q3 – Market Context

- **Trade**

- WS is still depressed though there are signs of sequential recovery now
- Urban Retail remains unaffected and there is no negative impact of GST
- CSD channel is looking slightly better but difficult to predict if it will ever go back to its earlier size

- **Offtakes**

- Total Hair Oil Market continues to grow but the growth rates have come down in Q3 vs the FH
- LHO Market is growing but at a slower pace to THO, sequential growth rates have come down (like THO)

- **Costs**

- Input costs are on the rise especially the prices of LLP. Prices of LLP is on rising trend since last quarter

BCL - Key Initiatives in Q3

Marketing – Innovation / Innovation / Innovation

• **Re-launch of Brahmi Amla Hair oil**

- Benefits of Ayurvedic Brahmi + Amla extracts to help reduce hairfall
- Brand Ambassador – Dhrashti Dhami (TV celeb)
- New Premium Carton Packaging

• **Bajaj Almond Drops enters Guinness Book of World Records**

- Innovative activity done to amplify our current No.1 Campaign
- Strong viral impact especially on digital, giving us PR worth 4Cr.

• **No Marks**

- Consistently on air on No Marks to build awareness and generate more trials.

BCL - Key Initiatives in Q3

Sales - Automation / Direct Distribution

- Rural Coverage Expansion Continues – doubling in the first 9 months till now
- SFA rollout in Rural – making us fully automated across all channels now
- MT we continued to drive momentum on our brands through better and more offtake generation activities especially during festival months

HR – Building Greater Transparency and Trust

- Rolled out our new Mission/Vision/Values and pathfinder to 100% of our employees through townhalls conducted across 5 locations
- Completed an audit with Aon Hewitt to help us streamline our HR processes fully

Supply Chain – Leveraging Efficiency while improving service levels

- Post GST, we have started implementation our strategy to consolidate our depots
- In Q3 we have come down from 28 depot's to 24. This will help us to drive consolidation in warehousing setup and to leverage efficiency in logistics cost

Q3 Results – Consistent Volume Driven Growth

- **Overall Company Value growth of 5.9%**
 - Led by a strong domestic Value Growth of 8.8% and volume growth of 8.2%
 - Domestic growths led by a 9.2% value growth in GT and 9.9% in MT
 - CSD continues to depress the overall growth and is at -2.7%
 - IB has severely underperformed and is at -44%
- **Comparable tax base value growth of 10.1%**
 - Taking base tax rate to be similar to current
 - Value growth in Domestic business at 14% (on comparable Tax basis)
- **EBITDA - 35.02%**
 - EBITDA for the quarter has grown by 11% in absolute value terms on account of GST Refund (Budgetary Support) coupled with volume & value growth.
 - GST Refund for Second and Third Quarter accounted for as Other Operating Revenues
- **PAT - 27.96%**
 - PAT for the quarter has declined by 3% on account of decrease in other income from treasury operations and unrealised M2M losses

Q3 Results - Growth From Both Categories

- **100% of our Brands have grown in Q3 in domestic business**
 - Haircare category has grown at 7.5 % value and 7.9% in volume
 - Skincare category has grown at 70% value and 33% in volume
- **No Marks in growth for the first time in 2 years**
 - UP growth at 1.6 times rest of the country.
 - The successful UP Pilot is getting rolled out in other markets now
- **Brahmi Amla Re-launch has started off well – brand growth at 65%**
 - Doubled our distribution
 - Doubling of offtakes post the launch
 - New TVC campaign on air with a new regional celeb

- Taking base tax rate to be similar to current

WAY FORWARD..

- **What Do We Expect in Q4**

- Improvement in WS Channel pick-up
- Input cost inflation to continue further

- **Our Plan**

- Keep working on our innovation pipeline to tap into the whitespace opportunities in both haircare and skincare.
- Keep driving momentum in MT channel and on enhancing direct distribution in rural
- Improve our sales mix further to get profitable volume driven growths
