Sub:Announcement in compliance to the Regulation 30 of SEBI (LODR), Regulations, 2015 – Progress update on Luxury Resort Project in Pushkar.

Ref: Scrip code 531982

Dear Sir/Madam,

We are delighted to share the exciting news that the construction of our Luxury Resort project in Pushkar is advancing at a remarkable pace. Currently, the roof casting is in progress, marking a significant milestone in the project's development.

We anticipate the structural work to be concluded by March-April 2024, following which our focus will shift towards the interior fit-outs. This timeline underscores our commitment to delivering a high-quality and timely project.

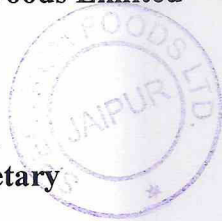

In addition to the progress on-site, we are pleased to announce that our company has successfully entered into Letters of Intent (LOIs) with a prestigious Multinational Hospitality group for a strategic tie-up. This collaboration is poised to make a substantial contribution to our company's bottom line, further enhancing our market position.

We are excited about the positive trajectory of the project and look forward to its successful completion. Your continued support is invaluable as we strive for excellence in every aspect of this endeavor.

Thank you for being part of this exciting journey.

**Thanking you
