Financial Results Q2 FY21
October 30, 2020

Environment

Covid-19 has disrupted the world economy. Global GDP is expected to decline 4.4% in CY20 as compared to expectation of growth of 3.3% at beginning of the year. Elections in US and geo political tensions lead to further uncertainty

Centrals banks and Governments have announced unprecedented stimulus measures to revive economic activity. While activity picked up as economies reopened, many countries seeing stronger second waves of Covid-19 leading to stalling or reversals

India's GDP declined 23.9% in Q1 FY21 as the country implemented one of the strictest lockdowns. Even as activity levels have picked up, RBI expects GDP to decline 9.5% in FY21

Corporates adjusting to new normal and remain cautious on spending. Companies working on continuity and transformation plans for training. Many plan to continue WFH for substantial proportion of workforce

Hiring has been impacted across sectors. Layoffs announced by several large companies especially in sectors affected by the pandemic. However increased demand for digitalization is driving recovery in hiring for digital skills

Learners have adopted online learning, with VILT replacing ILT in majority of the cases. Likely to result in increased adoption of immersive Digital Learning
