Dear Sir,

Sub : Credit rating

The Credit Rating for the Company issued by the Credit Rating Agency – M/s Care Ratings, is enclosed as Annexure – I. The Existing and Revised Credit Rating of the Company is as under:

Facilities	Amount (Rs. In Cr.)	Name of the Credit Rating Agency	Existing	Revised
Long Terms Facilities	58.88	M/s. Care Ratings	CARE A+; Negative (Single A Plus; Outlook Negative)	CARE A; Stable (Single A; Outlook stable)
Total Facilities	Rs.58.88 Cr.			

2. This may please be treated as information submitted to Stock Exchanges as per Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Thanking You  
Yours faithfully

For Dredging Corporation of India Limited

(K.Aswini Sreekanth)  
Company Secretary

No. CARE/HRO/RL/2020-21/1978

Shri Mr. K. Ashwini Sreekanth  
Company Secretary  
Dredging Corporation of India Limited  
Dredge House, Port Area,  
Visakhapatnam,  
Andhra Pradesh-530001

February 10, 2021

**Confidential**

Dear Sir,

**Credit rating for bank facilities**

On the basis of recent developments including operational and financial performance of your Company for FY20 (Audited) and H1FY21 (Unaudited), our Rating Committee has reviewed the following ratings:

Facilities	Amount (Rs. crore)	Rating <sup>1</sup>	Rating Action
Long Term Long Term Instruments	58.88	CARE A; Stable (Single A; Outlook: Stable)	Revised from CARE A+; Negative (Single A Plus; Outlook: Negative)
Total Facilities	58.88 (Rs. Fifty-Eight Crore and Eighty-Eight Lakhs Only)		

2. Refer **Annexure 1** for details of rated facilities.
3. The rationale for the rating will be communicated to you separately. A write-up (press release) on the above rating is proposed to be issued to the press shortly, a draft of which is enclosed for your perusal as **Annexure 2**. We request you to peruse the annexed document and offer your comments if any. We are doing this as a matter of courtesy to our clients and with a view to ensure that no factual inaccuracies have inadvertently crept in. Kindly revert as

<sup>1</sup>Complete definitions of the ratings assigned are available at [www.careratings.com](http://www.careratings.com) and in other CARE publications.  
CARE Ratings Limited

early as possible. In any case, if we do not hear from you by February 11, 2021, we will proceed on the basis that you have no any comments to offer.

4. CARE reserves the right to undertake a surveillance/review of the rating from time to time, based on circumstances warranting such review, subject to at least one such review/surveillance every year.
5. CARE reserves the right to revise/reaffirm/withdraw the rating assigned as also revise the outlook, as a result of periodic review/surveillance, based on any event or information which in the opinion of CARE warrants such an action. In the event of failure on the part of the entity to furnish such information, material or clarifications as may be required by CARE so as to enable it to carry out continuous monitoring of the rating of the bank facilities, CARE shall carry out the review on the basis of best available information throughout the life time of such bank facilities. In such cases the credit rating symbol shall be accompanied by "ISSUER NOT COOPERATING". CARE shall also be entitled to publicize/disseminate all the aforementioned rating actions in any manner considered appropriate by it, without reference to you.
6. CARE ratings do not take into account the sovereign risk, if any, attached to the foreign currency loans, and the ratings are applicable only to the rupee equivalent of these loans.
7. Our ratings do not factor in any rating related trigger clauses as per the terms of the facility/instrument, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and if triggered, the ratings may see volatility and sharp downgrades.
8. Users of this rating may kindly refer our website [www.careratings.com](http://www.careratings.com) for latest update on the outstanding rating.
9. CARE ratings are **not** recommendations to sanction, renew, disburse or recall the concerned bank facilities.

If you need any clarification, you are welcome to approach us in this regard.

Encl.: As above

**Disclaimer**

CARE's ratings are opinions on the likelihood of timely payment of the obligations under the rated instrument and are not recommendations to sanction, renew, disburse or recall the concerned bank facilities or to buy, sell or hold any security. CARE's ratings do not convey suitability or price for the investor. CARE's ratings do not constitute an audit on the rated entity. CARE has based its ratings/outlooks on information obtained from sources believed by it to be accurate and reliable. CARE does not, however, guarantee the accuracy, adequacy or completeness of any information and is not responsible for any errors or omissions or for the results obtained from the use of such information. Most entities whose bank facilities/instruments are rated by CARE have paid a credit rating fee, based on the amount and type of bank facilities/instruments. CARE or its subsidiaries/associates may also have other commercial transactions with the entity. In case of partnership/proprietary concerns, the rating /outlook assigned by CARE is, inter-alia, based on the capital deployed by the partners/proprietor and the financial strength of the firm at present. The rating/outlook may undergo change in case of withdrawal of capital or the unsecured loans brought in by the partners/proprietor in addition to the financial performance and other relevant factors. CARE is not responsible for any errors and states that it has no financial liability whatsoever to the users of CARE's rating.

Our ratings do not factor in any rating related trigger clauses as per the terms of the facility/instrument, which may involve acceleration of payments in case of rating downgrades. However, if any such clauses are introduced and if triggered, the ratings may see volatility and sharp downgrades.

**Dredging Corporation of India Limited**

**Ratings**

Instrument	Amount (Rs. crore)	Rating <sup>1</sup>	Rating Action
Tax Free Bonds - Secured, Redeemable, Non-Convertible Debentures	58.88 (Rupees Fifty Eight Crore and Eighty Eight lakh only)	<b>CARE A; Stable (Single A Plus); Outlook:Stable</b>	Revised from CARE A+; Negative (Single A Plus); Outlook: Negative

*Details of instruments/facilities in Annexure-1*

**Detailed Rationale & Key Rating Drivers**

The revision in the rating assigned to the bond issue of Dredging Corporation of India Ltd (DCI) takes into account the impact of operations during H1FY21 (refers to April 01 to Sep 30) due to covid-19 pandemic, decline in the profitability margins due to lower realization from contracts on account of increased competition from other domestic and global players, increase in subcontracting expense due to frequent breakdown of dredgers and increased maintenance expenses on account of ageing fleet.

The rating also derives strength from established presence of around four decades in providing dredging services at major and non-major ports in India and overseas, strong promoters, continued leadership position in the maintenance dredging segment in India, healthy order book position, increased operating income during FY20 (refers to April 01 to Mar 31), comfortable capital structure, favorable resolution of committee chaired by Additional Secretary and Financial Advisor & Ministry of Shipping directing the Sethusamudram Corporation Limited (SCL) to pay long pending debtors and its part realization of the same during FY20 (refers to the period April 01 to Mar 31), satisfactory working capital cycle and stable outlook for the port sector

The rating, however, is constrained by vulnerability of the operations to foreign exchange fluctuation despite company executing projects in international markets, stretched liquidity, ongoing legal litigations, higher dependence on Kolkata Port Trust (KoPT) for orders albeit declined and increased competition from private and foreign dredging companies.

**Rating Sensitivities:**

*Positive Factors - Factors that could lead to positive rating action/upgrade:*

- Average fleet age should be less than 15 years
- Reduction in the concentration of revenue from maintenance of dredging services i.e. minimum of 60%

*Negative Factors- Factors that could lead to negative rating action/downgrade:*

- Further deterioration of profitability by more than 25%
- Elongation of operating cycle to 180 days (excluding receivables from SCL)
- Capital structure marked with overall gearing above 1.5x

**Detailed description of the key rating drivers****Key Rating Strengths****Long track record of providing dredging services and continuous leadership position in maintenance dredging segment**

DCI has around four decades of presence in the dredging sector and provides dredging services in shipping channels of major, non-major ports, naval establishments, Fishing Harbors, power plants, state governments, private organization, shipyards and other maritime organizations. DCI is catering to the dredging requirements of the Haldia/Kolkata Port almost for the past 30 years. During FY20, the market shares of DCI in major ports for maintenance dredging is 74% (PY: 52%) and for capital dredging is 100%. Maintenance dredging of Indian market constitutes about 147-157 Million Cubic Meter and DCI constitutes about 62%-58% in FY20 as against 53%-50% in FY19.

<sup>1</sup>Complete definitions of the ratings assigned are available at [www.careratings.com](http://www.careratings.com) and in other CARE publications.

**Stable improvement in the operating income during FY20 coupled with weak performance for H1FY21**

Total income in FY20 witnessed improvement by 8% from Rs.699.34 crore in FY19 to Rs.756.33 crore in FY20 led by increase in revenue from port operations. Further, during FY20, the company has generated revenue of Rs 77.01 crore from Mongla Port, Bangladesh. During H1FY21, the company has reported total operating income of Rs.294.45 crore as against Rs.323.48 crore during H1FY20 due to impact of covid-19 pandemic. The Company's normal operations have been impacted in a number of ways including delay in conducting surveys, regimented deployment of manpower leading to shortages at the work site and yards, inordinate delays in import of emergency spares which are required to carry out the scheduled dry docks, closure of workshops, lack of OEM support and logistic constraints.

**Healthy order book albeit decline in share of orders from promoters**

Order book of DCI as on December 15, 2020 stood at Rs.827.19 crore (as against Rs.686.10 crore as on November 22, 2019) providing medium term revenue visibility considering repeat business. However, the promoters' share of orders in the total order book of DCI have come down from 46.86% in FY19 to 29.33% in FY20. Going forward Govt. proposes to manage the operations of major ports through PPP as announced in budget 2021-22 will further affect prospects of orders received through nomination basis for DCIL.

**Strong Promoters:**

As part of strategic divestment initiative taken by Government of India (GoI), on March 08, 2019, GoI had executed Share Purchase Agreement (SPA) with consortium of four ports (namely Vishakhapatnam Port Trust (VPT), Paradip Port Trust (PPT), Jawaharlal Nehru Port Trust (JNPT) and Deendayal Port Trust (DPT)) pursuant to which 2,05,72,103 equity shares of DCI representing 73.47% of the total paid up share capital of DCI held by GoI have been transferred along with transfer control to the consortium of four ports resulting in change in promoters. Currently Visakhapatnam Port Trust holds 19.47% with other three ports holding 18% each in DCI. All the four ports are governed by Major Port Trust Act, 1963. GoI holds 100% stake in all the four ports and the trust is under direct administrative control of Ministry of Shipping (MoS).

**Comfortable capital structure and debt coverage indicators**

The capital structure of the company continues to be comfortable. As on March 31, 2020, the overall gearing has improved to 0.38x as compared to 0.41x as on March 31, 2019 at back of repayment of foreign currency term loans and accretion of profits to net worth. The debt coverage indicator total debt/GCA deteriorated marginally declined from 4.32x in FY19 to 4.83x in FY20 due to decline in the profitability.

**Satisfactorily working capital cycle excluding outstanding debtor realization from SCL**

The operating cycle of the company has deteriorated from 193 days in FY19 to 216 days in FY20 on account of high collection and inventory days due to impact of covid during Q4FY20. The average collection period as on March 31, 2020 remained at 167 days as against 165 days as on March 31, 2019. The company has received Rs.39 crore during FY20 from M/s Sethusamudram Corporation Ltd (SCL), and balance amount of Rs.97.72 crore is expected to be received in due course. Excluding SCL dues of Rs.97.72 crore as on March 31, 2020, the collection days for FY20 works out to 143 days.

**Key Rating Weaknesses****Impact of COVID-19**

Despite the ports falling under essential services division, the Company's regular operations have been impacted in a numerous ways as lockdown impeded conducting surveys. It also imposed unusual delays in both Dry-docking / running repairs in yards, impeded conducting surveys and resulted in postponement of securing new work orders. Some of the vessels were either non-operational or operating at suboptimal efficiencies in FY 2019-20 as well as in H1FY21. However, the company resumed operations from May 2020 and is presently operating at 85% capacity.

**Decline in the profitability due to lower realization**

The realization has come down by 7% to Rs 11.84 crore per Mn. Cu.m in FY20 from Rs 12.69 crore per Mn.Cu.m in FY19 due to increased competition from other domestic and global players. As per guidelines issued by Ministry of Shipping; all major ports to follow open/competitive bids for undertaking capital or maintenance dredging. Further award of works on nomination basis can be done only in emergency situation. Hence the participation of other domestic players and global players either directly or through their Indian arms competing to get the contracts at competitive rates has constrained DCIL to quote competitively resulting in lower realization from contracts.

PBILDT margin has declined from 24.97% in FY19 to 19.82% in FY20 due to lower realization from contracts on account of increased competition, higher reliance on subcontracting works due to frequent break-down of dredgers and increased overhead expenses on account of aged dredgers. In line with decrease in PBILDT albeit reduction in interest expense PAT margin was declined to 0.73% in FY20 as against 5.44% in FY19.

#### **Ageing Fleet with efforts to improve fleet capability**

The dredging fleet of DCI has an average age of more than 20 years. Some of the equipment of the old vessels have already crossed their useful life. These equipment need extensive refurbishment which has resulted in lower performance of vessels and increased breakdown days.

#### **Higher dependence for orders on Kolkata Port Trust albeit declined**

DCI derived around 29% of revenue from KoPT in FY20 and around 28% in H1FY21. The company started executing works in various port locations during H1FY21 thereby reducing the revenue concentration risk.

#### **Vulnerability of the operations to foreign exchange fluctuation**

DCI is exposed to forex risk due to euro loans to fund dredgers and also heavy dependence on imported components and spare parts with nearly 84.87% (PY:90.14%) of the spares and components being imported in FY20. However, the company's cash flow is susceptible to fluctuation in foreign exchange variations. Since, the hedging mechanism adopted is in place for the repayments scheduled for the current year and it does not cover entire debt outstanding and repayments for the tenor of the loan.

#### **Liquidity: Stretched**

The Stretched liquidity position of the company is marked by gross cash accrual generation of Rs.24.67 crore during H1FY21 as against the repayment obligation of Rs.68.90 crore for H1FY21 coupled with absence of working capital limits. However, the short-fall in repayment obligations was met from realization of receivables & other current assets and balance from free cash & bank balance. The company has not availed moratorium under Covid relief for the facilities from their lenders. However, they have availed overdraft of Rs 63 crore to address the mismatch in cash flows due to impact of covid.

The debt obligation for H2FY21 is about Rs.71.74 crore. However, as on September 30, 2020 the company has outstanding free cash and bank balances of Rs.49 crore (excluding restricted cash balance of Rs 27 Crore for debenture reserve). Further, the company has enough headroom to raise funds if required to address any temporary cash flow mismatch due to impact of Covid-19 as the overall gearing stands at 0.38x as on March 31, 2020.

#### **About the company**

Dredging Corporation of India Limited (DCI), a Government of India (GoI) undertaking under the Ministry of Shipping, was established in the year 1976 to provide integrated dredging services to major and non-major ports, Indian Navy and other maritime organizations in India. In November 1999, DCI was declared as Mini Ratna – Category-I Public Sector Enterprise. DCI is engaged in maintenance dredging, capital dredging, beach nourishment, reclamation and environmental protection services. However, the majority of the revenues are from maintenance dredging of 95% in FY20 (FY19: 97%) with a capacity utilization of 91.89% (63.30 Mn Cu.M) for FY20 as against 85.30% (54.51 Mn. Cu.M).

As part of strategic divestment initiative by GoI, on March 08, 2019, as per the Share Purchase Agreement executed by GoI with consortium of four ports namely (Visakhapatnam Port Trust (VPT), Paradip Port Trust (PPT), Jawaharlal Nehru Port Trust (JNPT) and Deendayal Port Trust (DPT)), sold its entire stake and currently Visakhapatnam Port Trust holds 19.47% with other three ports holding 18% each in DCI.
