## COURT BREATHER FOR BYJU'S

# Raveendran gets shield against ouster till Mar 28

PEERZADA ABRAR  
Bengaluru, 13 March

The Karnataka High Court on Wednesday extended the interim protection granted to edtech firm Byju's till March 28, safeguarding founder Byju Raveendran against any potential ouster in an extraordinary general meeting (EGM) by investors.

On February 23, a group of investors of Byju's, such as Prosus, General Atlantic and Peak XV, during the extraordinary general meeting (EGM) voted and passed resolutions to remove founder Byju Raveendran as chief executive officer (CEO). Resolutions were also passed to change the board, which included Byju Raveendran's wife and co-founder Divya Gokulnath, and his brother Riju Ravindran. However, the resolution couldn't be executed due to the Karnataka High Court order.

"In today's Karnataka High Court hearing, the court has granted time to file a rejoinder to the response filed by some of the investors," said Byju's spokesperson. "The stay against the purported resolutions at the 'so-called' EGM that the investors attempted to pass on 23 February 2024 continues and, as such, none of those resolutions can be given effect to."

They are unactionable. The matter will next be heard on

## FOUND GROSS NEGLIGENCE BY BYJU'S AUDITORS: ICAI PRESIDENT

Chartered accountants' apex body Institute of Chartered Accountants of India (ICAI) has "found gross negligence on the part of the auditors" of the now-crippled edtech firm Byju's, said its president Ranjeet Kumar Agarwal on Wednesday. Besides, the top official also said the accounting body is also planning to inspect the books of payments major Paytm.

"Our inspection has found gross negligence on accounting practices by individual auditors of Byju's and

accordingly we have recommended to the Financial Reporting Review Board (FRRB) to take punitive actions on auditors concerned," Ranjeet Kumar Agarwal, the president of the ICAI, told PTI. When asked whether the ICAI will inspect the books of the payments major Paytm group now, he said, "As we have taken a suo moto decision to look into the role of the auditors of Byju's, we are now thinking about looking to the role of the auditors of the payments major Paytm now". PTI

28th March," said the spokesperson. The case was adjourned reportedly amid high drama and allegations by both the parties. The investors alleged that Byju's had obtained the Karnataka High Court interim order by fraud. Byju's counsel alleged serious discrepancies in the affidavits filed by the investors' representatives, amounting potentially to "perjury".

### A 'serious objection'

"I have one serious objection to make. I think the respondents (investors)

who have filed what they call preliminary statement of objections have played fraud on this court. I am saying so with full sense of responsibility," argued Senior Counsel KG Raghavan, who appeared for Byju's.

Raghavan referred to a discrepancy in the date of the objection-statement filed by the investors (March 11) and the date on which an investor swore an affidavit (March 8), according to law platform Bar & Bench. "This is a serious issue. Just because they are foreign investors, it does not mean they can take Indian courts for granted like this. I'll show how the whole thing is manipulated. I would request the Court to initiate suo moto action against the deponents," argued Raghavan.

## SHORT SELLER ATTACK WAS TO DEFAME INDIA'S GOVERNANCE PRACTICES: ADANI

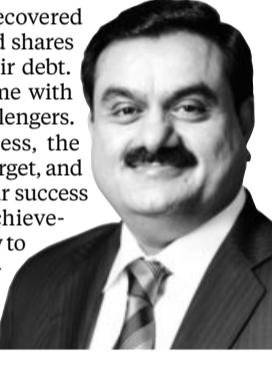

DEV CHATTERJEE  
Mumbai, 13 March

The objective of the attack by US-based short seller Hindenburg on the Adani group shares last year was not only to destabilise the group but also to politically defame India's governance practices, said Gautam Adani, chairman of the Adani group, in Mumbai on Monday.

"Despite efforts to shake our foundations, we stood firm, not

just safeguarding our reputation but also ensuring we remained focused on our operations. While there were several learnings, this episode also gave us confidence in our resilience. Our recovery highlights the essence of bouncing back stronger, symbolising the spirit of rising after every fall," Adani said at a private event for young entrepreneurs, referring to the report by Hindenburg Research, released in January last year. After the report's release, shares of the Adani group

fell sharply but later recovered after the promoters sold shares and prepaid part of their debt. "All success will come with its challenges and challengers. The greater your success, the bigger you will be as a target, and the true measure of your success will not be in your achievements but in your ability to rise through the adversities that come with your achievements," Adani said.
