Kraft Paper

- Manufactured by using agriculture residues, such as Bagasse, wheat straw, sarkanda (50%-55%) and indigenous and imported waste paper(45% -50%)
- Used in the packaging industry especially in making corrugated boxes / cartons and other packaging requirements
- Special features of the Company's Kraft Paper are the load bearing capacity and tensile strength, which make it suitable for corrugated packing applications.
- Contributed 43% to the revenue in FY2018
- Kraft paper brands include '**Multani**', '**Maati**', '**Khadi**'.
- Also manufactures special tube grade paper known as **DTY** and **POY**.

Plant Location & Capabilities

- Plant located at Kala Amb, in District **Sirmaur of Himachal Pradesh** and well connected to state and national highways
- For Writing Paper & Printing unit the Company has set up **8.1 MW** Power Co-generation plant for captive purpose to get uninterrupted power supply for its operations.
- The Company has set up '**Chemical Recovery Plant**' for process of black liquor generated during the process for captive consumption.
- The Company 's water requirement is sourced from ground water through tube-wells.

Production (In MT)

Industry Overview

Industry Highlights

The domestic demand of paper in India has been growing at a CAGR of 6.6% and is likely to touch 18.5 million tonnes in 2018-19.

Of which, Printing and Writing segment demand is expected to grow at a CAGR of 4.2% and reach 5.3 million tonnes in FY19. The Packaging Paper and Board segment is expected to grow at a CAGR of 8.9% and reach 9.7 million tonnes in FY19.

In spite of the sustained growth witnessed by the industry, the per capita paper consumption in India stands at a little over 13 kg which is well below the global average of 57 kg and significantly below 200 kg in North America. This gap is a clear indication of the huge growth opportunity that lies ahead for the paper sector in India.

As per IPMA's (Indian Paper Mills Association) estimates, this industry contributes approximately Rs 4,500 crore to the exchequer and provides employment to over 5 lakh people across approximately 750 paper mills.

India's share of the Global Paper Market

India vs. World - Segment wise consumption

Per Capita Consumption of Paper (kg)

Paper Industry Financials

Domestic Paper Demand (In Mn tonnes)

Segment wise Demand for FY19P (In Mn tonnes)

India vs. World - Segment wise consumption

The per capita personal disposable income surged from Rs 73,476 in FY12 to Rs. 1,19,296 in FY17 at a CAGR of 10.2%. Also, the per capita private final consumption expenditure too rose from Rs 40,250 in FY12 to Rs.68,049 in FY17 at a CAGR of 11.1%. The growth in country's per capita GDP in turn has increased the disposable income of the populace ultimately driving the country's consumption.

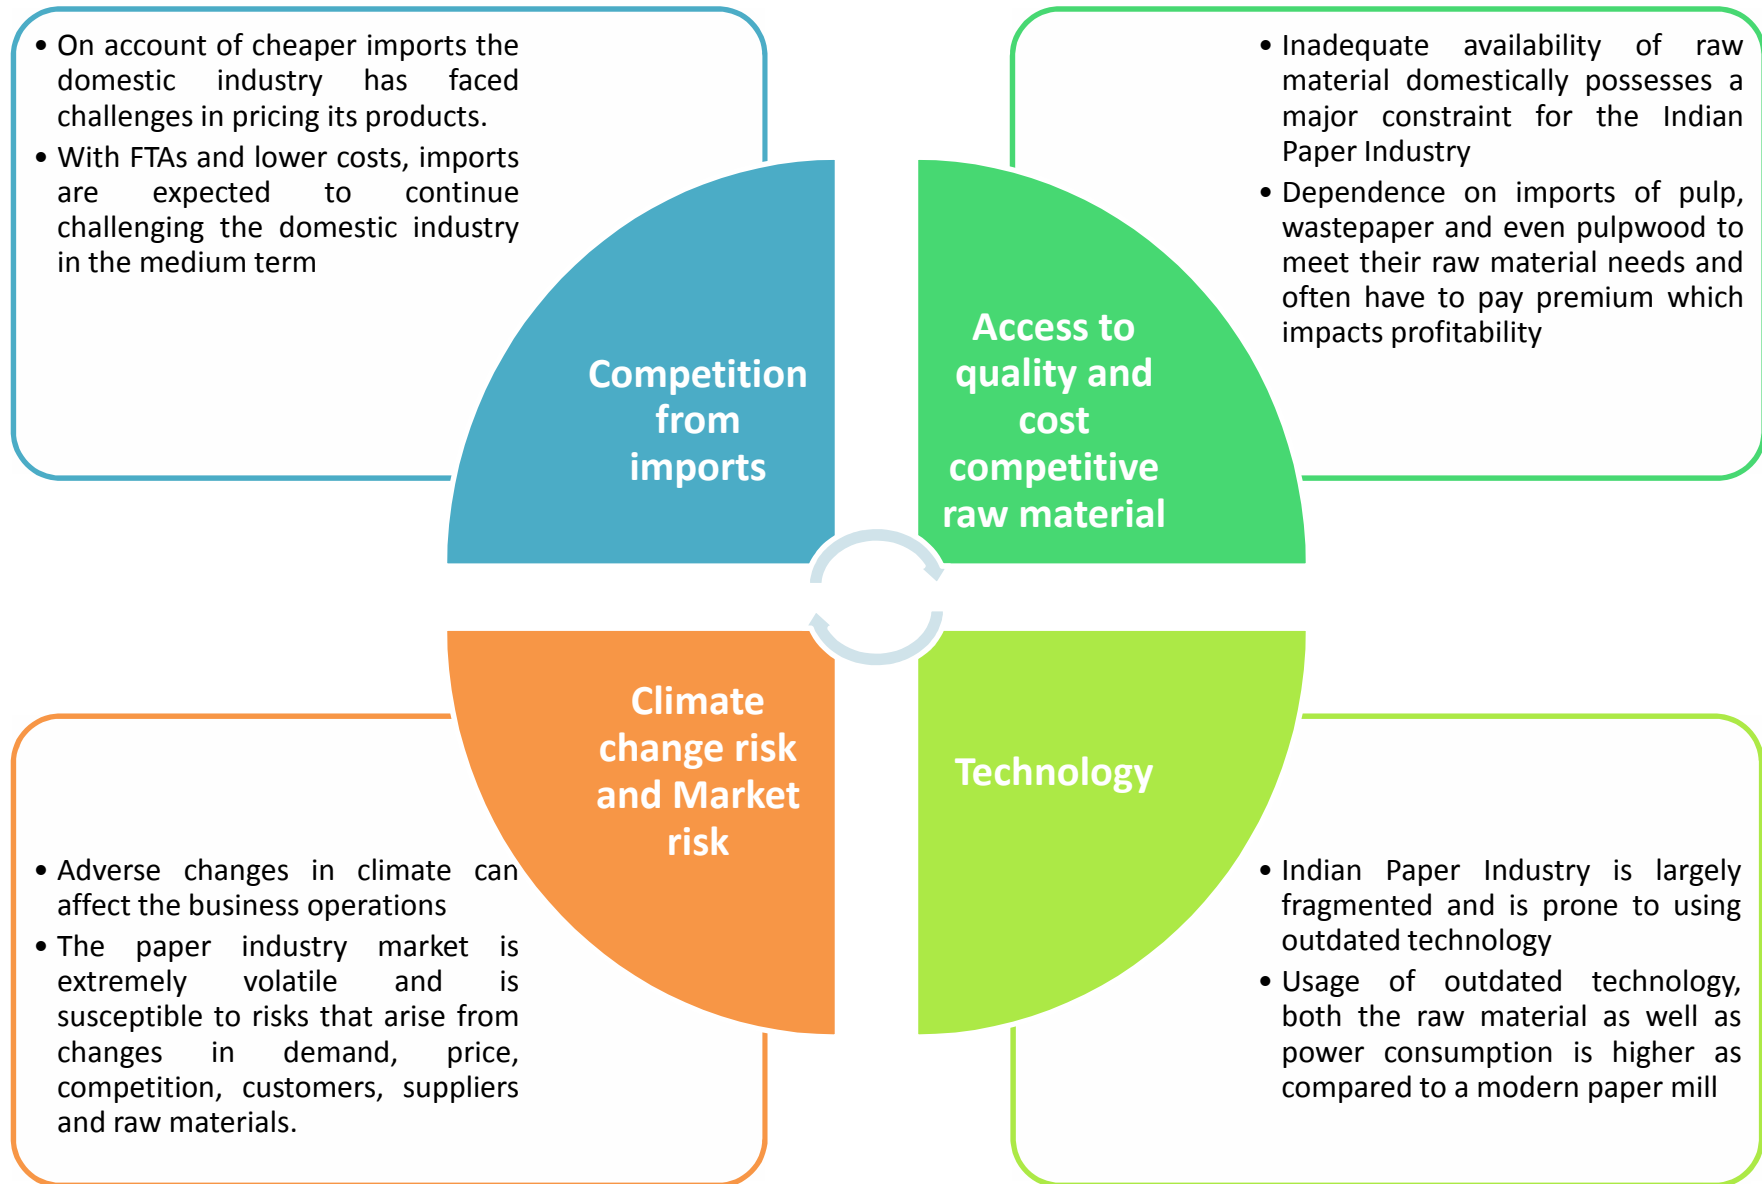

Increase in the number of colleges and institutions, rising enrolment numbers, rising literacy (continued government spending on education through the Sarva Shiksha Abhiyan) is expected to lead to an increased expenditure on textbooks, notebooks and other assorted paper products thereby driving demand.

Aspirations of higher income, higher standard of living etc. has drawn more and more people from villages to settle in towns and cities. This transition from rural to urban areas has led to an increase in the demand. Earning populations has grown from 55.4% to 66.2% which will drive consumption going forward

Packaging needs of industries such as FMCG, Pharmaceuticals, Food & beverages, textiles etc. has shown consistent growth over the last few years which has led to increased demand for packaging paper.

As per the Audit Bureau of Circulation (ABC), the circulation of print media reached 62 million copies a day in 2016, implying a 10 year CAGR of nearly 5%.

Key Challenges-Indian Paper Industry

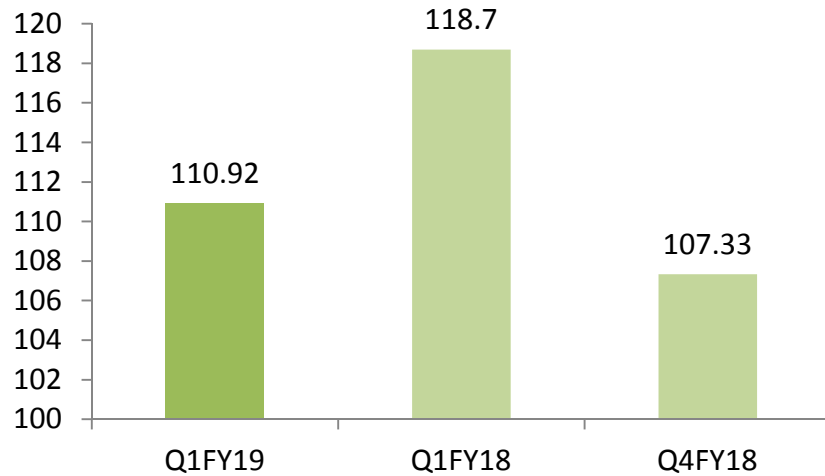

Financial Overview

WPP: Production during Q1FY19 was 12392 MT.

Kraft Paper: Production during Q1FY19 was 17785 MT

Net Sales Realization:

WPP: NSR was Rs. 55766/- PMT.

Kraft Paper: NSR was Rs. 25435/- PMT

Commenting on the financial performance of the company **Mr. Jatinder Singh, Chairman & Whole Time Director, Ruchira Papers Limited, said,** "We are back on the track after the successful implementation of modernization programme undertaken during Q4 of FY18. Further in Kraft paper unit we have stabilized our capabilities to manufacture the products which we had proposed during implementation of modernization and upgradation programme and have received good response for these value added products manufactured by us. The quality of product of paper has been accepted in the market. We are hopeful to get the same reflected in topline and bottom-line of Q2 of FY19 onwards. It was a tough quarter no doubt however with value additions successfully implemented we are well on track"
