Pursuant to provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company is pleased to provide members facility to exercise their right to vote at the Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services provided by Central Depository Services (India) Limited (CDSL).

The Company has approached CDSL for providing remote e-voting services through our e-voting platform. In this regard, your Demat Account/Folio Number has been enrolled by the Company for your participation in e-voting on resolution placed by the Company on e-Voting system.

The Notice of the AGM of the Company along with printed Attendance Slip and Proxy Form can be downloaded from the link www.evotingindia.com or from companies website www.nmsresourcesglobal.com

The remote e-voting period commences on 09.00 A.M. on 28th September, 2023 and will end at 05.00 P.M. on 29th September, 2023. During this period shareholders of the Company, may cast their vote electronically. The e-voting module shall also be disabled for voting thereafter. Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently. E-voting shall not be allowed beyond the said date and time. A member may participate in the general meeting even after exercising his right to vote through e – voting but shall not be allowed to vote again in the annual general meeting.

The voting rights of Shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on cut off date, i.e., 23rd September, 2023.

Any person, who acquires shares of the Company and becomes a shareholder of the Company after dispatch of the Notice of AGM and holds shares as of the cut-off date i.e, 23rdSeptember, 2023 may obtain the login ID and password by sending a request at admin@skylinerta.com

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER:-

- (i) The voting period begins Thursday, 28th September, 2023 at 9:00 A.M. to Friday, 29th September, 2023 at 5:00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 23rd September, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently.

The voting rights of Shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on cut off date, i.e., 23.09.2023.

- (ii) A member may participate in the general meeting even after exercising his right to vote through e – voting but shall not be allowed to vote again in the annual general meeting Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Since the Company is required to provide members facility to exercise their right to vote by electronic means, shareholders of the Company, holding either in physical form or in dematerialized form, as on the cut-off date of 23.09.2023 and not casting their vote electronically, may only cast their vote at the 37th Annual General Meeting.

- (iv) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (v) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

X. Auditor's Certificate:

The certificate received from Naveen Kumar (Membership No.5557253), Chartered Accountants, being the Practicing Chartered Accountant of the Company certifying that the preferential issue is being made in accordance with the requirements of Chapter V of the SEBI ICDR Regulations, 2018 shall be available for inspection at the Registered office of the Company on all working days (excluding Saturday) during 10:00 A.M. to 5:00 P.M. up to the date of Annual General Meeting and shall also be available during the Annual General Meeting The copy of said certificate will be available at the website of the Company, till the date of the AGM, at https://www.nmsresourcesglobal.com/contact_us.php#.

XI. Lock-in Period:

- i. The Warrants to be allotted, and Equity Shares to be allotted upon conversion of Warrants, shall be subject to 'lock-in' in accordance with Chapter V of the SEBI ICDR Regulations.
- ii. The entire pre-preferential allotment shareholding, if any, of the Proposed Allottees, shall be locked-in as per Chapter V of the SEBI ICDR Regulations.

XII. Issue price and Relevant Date:

In terms of Regulation 161 of SEBI (ICDR) Regulations, 2018 the Relevant Date has been reckoned as 31st August, 2023 for the purpose of computation of issue price/Conversion Price of Warrants.

The Equity Shares of the Company are listed on BSE Limited ("BSE") and Metropolitan Stock Exchange of India Limited and are infrequently traded thereat. Thus, in terms of the provisions of Regulation 165 of the SEBI (ICDR) Regulations, 2018, the minimum price is determined through Valuation report of M/s. Subodh Kumar, (Registration No. IBBI/RV/05/2019/11705) i.e., Rs. 20/- per unit.

Further, the Articles of Association of the Company are silent on the determination of a floor price/ minimum price of the shares issued on preferential basis.

Based on the above, the minimum price has been computed to Rs. 20/- and the Issue Price for Warrants is Rs.20/- per warrant.

The report of Independent Valuer is available at the website of the Company at https://www.nmsresourcesglobal.com/contact_us.php#.

XIII. Details of the Directors, Key Managerial Persons or their relatives, in any way, concerned or interested in the said resolution.

Except the proposed allottees, none of the Directors/ Key Managerial Personnel of the Company/ their relatives is/ are, in any way, concerned or interested, financially or otherwise, in the resolution set out at item no. 7 of this Notice except to the extent of their respective shareholding entitlements in the Company, if any.

The Board of Directors recommends the resolutions as set out in item no. 7 of this notice for the issue of Warrants on a preferential basis, to the persons belonging to the promoter and non-promoter category by way of Special Resolution.

ITEM NO. 08

The Board of Directors of the Company in its meeting decided to change the name of the Company from “NMS Resources Global Limited” to “NMS Global Limited” The proposed new name will truly reflect the nature of business being carried on by the company. The Directors believe that change in the name of the Company which is being undertaken as part of corporate rebranding would make the name of the Company simple, sharp and focused.

In case the aforesaid name will not be made available by the Hon’ble ROC, the Board would again make fresh application to Hon’ble ROC and apply for another name accordingly as per the provisions of Section 13 and all other applicable provisions, if any, of the Companies Act, 2013 and Companies (Incorporation) Rules, 2014 and other applicable provisions.

Further, although the Company has not yet received the approval from Hon’ble ROC for the availability of the proposed name i.e., “**NMS Global Limited**”, still the Board is placing the resolution at Item No 08 of the accompanying notice for change of name of company to “**NMS Global Limited**” or such other name as may be approved by ROC for seeking the approval of members in the ensuing AGM because if the Company does not place the resolution for change of name in the ensuing AGM than in that case the company shall again be required to convene an Extra Ordinary General Meeting of its shareholders to approve some another name as may be made available by the Hon’ble Registrar of Companies, National Capital Territory of Delhi and Haryana resulting in extra financial burden on the Company.

Considering the current financial position of the Company, the Board considers that the Company is not in a position to bear the expenses of convening another shareholders’ meeting.

Therefore, the Board recommends that the consent of shareholders be obtained for changing the existing name of the Company to “**NMS Global Limited**” or to any other name as may be approved by the Hon’ble Registrar of Companies, National Capital Territory of Delhi and Haryana in the ensuing AGM only with the power given to Board to apply for some other suitable name in case the proposed name, i.e. “**NMS Global Limited**” is not made available with Hon’ble ROC without further obtaining the fresh approval/consent from shareholders for change of existing name of the company.

The Board further recommends that the existing name of the company, wherever appearing in the Memorandum of Association and Articles of Association of the company be replaced with the new name, i.e. “**NMS Global Limited**” or with such other name as may be approved by the Hon’ble ROC, National Capital Territory of Delhi and Haryana.

The proposed change of name will not affect any of the rights of the Company or of the shareholders/stakeholders of the Company. All existing share certificates bearing the current name of the Company will, after the change of name, continue to be valid for all purposes. The company has duly complied with Regulation 45(1)(a) of the SEBI (LODR) Regulations, 2015 w.r.t. change of name. However, the provisions of Regulation 45(1)(b) of the SEBI (LODR) Regulations, 2015 are not applicable on the company as it has not changed its activities/business operations. The company is operating in single segment, i.e., pharmaceutical business. A certificate from the Statutory Auditors of the Company certifying the non-applicability of the provisions of Regulation 45(1)(b) of SEBI (LODR) Regulations, 2015 is annexed to the notice.

As per the provisions of Sections 13 of the Companies Act, 2014, approval of the shareholders is required to be accorded for changing the name of the Company & consequent alteration in the Memorandum of Association and Articles of Association by way of passing a Special Resolution. Hence, the resolution is put up for shareholders approval. None of the directors, Key Managerial Personnel and their relatives is concerned or interested, financially or otherwise, in the passing of the aforesaid resolution, except to the extent of their shareholding, if any.

The Board recommends the Special Resolution as set out in Item no. 08 of the Notice for approval of the Shareholders.

Auditor's Report on Quarterly and Year to Date Audited Standalone Financial Results of the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To

Board of Directors

NMS Resources Global Limited

Report on the audit of Standalone Financial Results

Opinion

We have audited the accompanying quarterly and year to date standalone financial results of **NMS Resources Global Limited** ('the Company') for the quarter and financial year ended 31st March, 2023 ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Listing Regulations').

In our opinion and to the best of our information and according to the explanations given to us these quarterly financial results as well as the year to date results:

- i. are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard subject to our observations mentioned below; and
- ii. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India subject to our observations mentioned below, of the net Profit and other comprehensive income and other financial information of the Company for the quarter and year ended 31st March, 2023.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics except that our audit fee for the previous financial year is not cleared till signing of this report. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion subject to our observations mentioned below.

Management's Responsibilities for the Standalone Financial Results

These statements have been prepared on the basis of Standalone financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the results that gives a true and fair view of the net Profit and other comprehensive income and other financial information of the company in accordance with the applicable accounting standards prescribed under Section 133 of the act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern. «
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

1. The Statement includes the results for the quarter ended 31st March, 2023 being the balancing figure between the audited figures in respect of the full financial year ended 31st March 2023 and the published unaudited year-to-date figures up to the third quarter of the current financial year which were subjected to limited review by us.
2. Party Balances related to Borrowings, Advances given, Trade Receivables, Trade Payables, Advances Received etc. were not confirmed from parties and these are taken at book value. We cannot comment on the actual amount in this regard.
3. The balance of Banks stated in financial statements is on the basis of Bank Statement received till 31st March 2023 in respect of current account mentioned. We cannot comment if any other facility taken from Bank/ other financial institutions.
4. Investments made in shares of subsidiary company at cost of Rs. 110.45 Lakhs was not discharged through Bank payment. The liability payable towards all investments was standing as payable in Books as on 31st March 2023 in the name of Seller.
5. Advance for Capital WIP Rs. 16.20 Lakhs was paid by the company in FY 2019-20. There is no apparent expenditure on the development of any software in last three years. The company has represented that there is no impairment on this payment and no provision for impairment was booked. However, we did not find any convincing evidence in this regards.
6. Physical verification of Inventory was not conducted as the material was already sold before the date of our audit. This have been taken on the basis of Management representation.
7. The company has not made any provision for retirement benefits in accordance with IndAS- 19. Therefore, the profit of the company is understated by the corresponding amount. As we did not have any reasonable measurement basis or actuarial report, we cannot quantify the same.
8. The company has taken loan of Rs. 20 Lacs from HDFC Bank for the purpose of purchase of two motor vehicles. This loan was taken in due course by the company and Charges were also created with ROC. However actual value of Motor Vehicles acquired were amounting Rs. 8.40 lacs and the balance amount taken was used for other business purpose. This has also been reflected in its financial statements.
9. Disclosers of Trade Receivables, Borrowings/ Advances, Capital Work in Progress, Borrowed Funds Utilization is not mentioned as per Schedule III of the Companies Act 2013.
10. Disclosers in relation to IndAS of Related Party Transactions, Segmental Reporting, Impairment, Leases, Share based payments, Contract with Customers are not found in conformity of Schedule III.
11. Company has not assessed the amount involved for Contingent Liability and no discloser has been shown in its financial statements. We cannot reliably measure the value of such liabilities.
12. Company has recognised Unbilled Revenue of Rs. 20 Lakhs in PY 2021-22 with was expected to be billed during current financial year 2022-23. However, this was neither billed nor derecognized by company during current year.
13. Investment in M/s Kuberakshi Advisory Services Private Limited was made during the year for Rs. 50 Lakhs by the company. The Net worth of this company on the date of acquisition was less than Investment amount. Company did not produce us any valuation report for this purpose. Therefore, we cannot comment about actual fair value of these investments which are reported at cost price.
14. There were defaults in payment of statutory dues including GST, TDS, ESIC etc. Company has not made any provision or contingent liability in respect of penalties or interest payable on these dues.
15. Attention is also drawn to our audit report issued under the Companies Act for other observations including Internal Financial Control over financial reporting.

Note : 28 Financial risk management

(1) Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresight the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The Company's activities expose it to a variety of financial risks:

i) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

ii) Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

iii) Liquidity risk

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in

(Incorporated in India)

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE
YEAR ENDED MARCH 31, 2023**

1 Corporate information

The Company is a limited liability company, incorporated and domiciled in India.

There have been no significant changes in the nature of the principal activities of the Company during the financial year.

The Registered office of the Company is located at H. No. 48, Hasanpur, I.P. Extension New Delhi.

2 Basis of preparation and use of estimates

2.1 Basis of preparation of financial statements

The financial statements (FS) of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the financial statements.

2.2 Use of estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities as at the date of the financial statements and the reported amount of revenues and expenses during the reporting period/year. The difference between the actual result and estimates are recognize in the year in which the results are known/materialize.

All Assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the schedule III to the Companies act 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization cash and cash equivalent, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

3 Significant accounting policies

3.1 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle

- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3.2 Fair value measurement

Fair value is the price that would be received to sell an asset or settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The fair value of plants and equipment as at transition date have been taken based on valuation performed by an independent technical expert. The Company used valuation techniques, which were appropriate in circumstances and for which sufficient data were available considering the expected loss/ profit in case of financial assets or liabilities.

3.3 Property, plant and equipment

On transition to IND AS, the Company has adopted optional exception under IND AS 16 to measure Property, Plant and Equipment at fair value. Consequently, the fair value has been assumed to be deemed cost of Property, Plant and Equipment on the date of transition. Subsequently Property, Plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is

probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognized. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Assets are depreciated to the residual values on a straight-line basis over the estimated useful lives based on technical estimates which is different from one specified in Schedule II of the Companies Act, 2013. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets and benchmarking analysis or whenever there are indicators for review of residual value and useful life. Free hold land is not depreciated.

- Computer, Printer & Office Equipment 3-5 Years
- Furniture, Fittings and Electric Installations 10 Years
- Plant and Machinery 15 Years

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss on the date of disposal or retirement.

3.4 Research & Development cost

Research costs are expensed as incurred. Development expenditures on an individual project are recognized as an intangible asset when the company can demonstrate:

- The technical feasibility of completing the intangible assets so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised over the period of expected future benefit. Amortisation expense is recognized in the statement of profit and loss.

3.5 Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services

rendered in the ordinary course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. For some trade receivables the Company may obtain security in the form of guarantee, security deposit or letter of credit which can be called upon if the counter party is in default under the terms of the agreement.

3.6 Investments in Subsidiaries

Subsidiaries are those entities (including special purpose entities) in which the Company has an interest of more than one half of the voting rights or otherwise has power to govern the financial and operating policies. Then existence and effect of potential voting rights that are presently exercisable or presently convertible are considered when assessing whether the company controls another entity.

Investment in subsidiaries is shown at cost. Where the carrying amount of the investment is greater than its estimated recoverable amount it is written down immediately to its recoverable amount and the difference is transferred to the statement of profit and loss. On disposal of the investment, the difference between the net disposal proceeds and the carrying amounts is charge or credited to profit or loss.

3.7 Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortized cost using the effective interest method.

3.8 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management.

3.9 Provisions, Contingent Liabilities, Contingent Assets and Commitments

I) General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognized in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

II) Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity, Contingent assets are not recognized, but are disclosed in the notes. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

3.10 Share capital and share premium

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

Par value of the equity share is recorded as share capital and the amount received in excess of the par value is classified as share premium.

3.11 Revenue recognition

Sale of goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue is recognized at the fair value of consideration received or receivable and represents the net invoice value of goods supplied to third parties after deducting discounts, volume rebates and outgoing sales tax and are recognized either on delivery or

on transfer of significant risk and rewards of ownership of the goods. Revenue is inclusive of excise duty.

Sale of Services

Revenue recognition of services depends as the service is performed. This is further divided into two ways:

(a) Proportionate Completion Method: This method of accounting recognizes revenue in the statement of profit & loss proportionately with the degree of completion of each service.

Here the service completion consists of the execution of more than one act. Revenue is recognized with the completion of each such act.

(b) Completed Service Contract Method: This method of accounting recognizes revenue in the statement of profit & loss only when the rendering of services under a contract is completed or substantially completed.

Generally we follow proportionate completion method for recognition.

Interest income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

3.12 Employee benefits

Short term employee benefits:

Short - term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably

Long-term employee benefits:

The Company's net obligation in respect of long term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. That benefit is discounted to determine its present value. Re-measurement is recognized in Statement of Profit and Loss in the period in which they arise.

Post-employment benefits-Defined contribution plans:

The Company's contributions to defined contribution plans are charged to the income statement in the period to which they relate. Once the contributions have been paid, the Company has no further payment obligations. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

Termination benefits

Termination benefits are employee benefits provided in exchange for the termination of an employee's employment as a result of either:

- (a) An entity's decision to terminate an employee's employment before the normal retirement date; or
- (b) An employee's decision to accept an offer of benefits in exchange for the termination of employment.

3.13 Taxes

Income tax expense comprises current and deferred tax. It is recognized in statement of profit and loss except to the extent that it relates to a business combination, or items recognized directly in equity or in other comprehensive income.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and liabilities are offset only if, the Company:

- has a legally enforceable right to set off the recognized amounts; and
- Intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

The company has opted for taxation under section 115BAC of the Income Tax Act, 1961, as introduced by the Finance Act, 2020, with effect from the assessment year 2023-24. Accordingly, the company has recognized the provision for income tax and deferred tax assets and liabilities based on the rates prescribed in the said section. The company has also disclosed the impact of this option on its current and deferred tax expenses and its earnings per share in the notes to accounts. The option under section 115BAC is irrevocable and the company will continue to be taxed at the rates specified in this section unless it withdraws from the option in a future year.

3.14 Earning per Share

As per Ind AS 33 "Earning Per Share", Basic earnings per share are computed by to the shareholders' and weighted average number of shares outstanding during the year. The weighted average numbers of shares also includes fixed number of equity shares that are issuable on conversion of compulsorily convertible preference shares, debentures or any other instrument, from the date consideration is receivable (generally the date of their issue) of such instruments. Diluted earnings per share is computed using the net profit for the year attributable to the shareholder'

and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

4. Critical accounting estimates, assumptions and judgments

a. Property, plant and equipment

The Company regularly reviews the estimated useful lives of property, plant and equipment based on factors such business plan and strategies, expected level of usage and future technological development. Future results of operations could be materially affected by changes in these estimates brought about by changes in the factors mentioned above. A reduction of estimated lives of property, plant and equipment would increase the recorded depreciation and decrease the value of property, plant and equipment.

b. Intangibles

Internal technical or user team assesses the remaining useful lives of Intangible assets. Management believes that assigned useful lives are reasonable.

Auditor's Report on Quarterly and Year to Date Consolidated Financial Results of the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To

Board of Directors
NMS Resources Global Limited

Report on the audit of Consolidated Financial Results

Opinion

We have audited the accompanying quarterly and year to date consolidated financial results of **NMS Resources Global Limited** ('the Company') for the quarter and financial year ended 31st March 2023 ('the Statement'), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on the separate audited financial statements of the associate, the Statement

- i. includes the results of NMS Resources Global Limited and its Subsidiary companies i.e, M S Corridor Management Private Limited, Ebony Ivory Advertising India Pvt. Ltd, Geo It Skills Private Limited, Kuberakshi Advisory Services Private Limited, MSC-BVI Consulting Private Limited, Credible Management Solutions Private Limited and IDM Enterprises Private Limited but does not include the share of Profit/(Loss) from its Associate M/s NMS Enterprises Private Limited:
- ii. is presented in accordance with the requirements of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard subject to our observations mentioned below; and
- iii. gives a true and fair view in conformity with the applicable accounting standards, and other accounting principles generally accepted in India subject to our observations mentioned below, of the consolidated net profit and other comprehensive income and other financial information of the subsidiaries for the quarter ended 31st March 2023 and for the year ended 31st March, 2023.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Results" section of our report. We are independent of the Company and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics except that our audit fee for the previous financial year is not cleared till signing of this report. We believe that the audit evidence obtained by us and other auditors in terms of their report referred to in "Other Matter" paragraph below. is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Consolidated Financial Results

The Statement has been prepared on the basis of the consolidated financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net Profit and other comprehensive income and other financial information of the Company and its Associate in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Board of Directors of the Company and its Associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and its Associate and for preventing and detecting frauds and other

irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Statement by the Directors of the Company, as aforesaid.

In preparing the Statement, the respective Board of Directors of the Company and its Associate are responsible for assessing the ability of the Company and its Associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Company and its Associate are also responsible for overseeing the financial reporting process of the Company and its Associate.

Auditor's Responsibilities for the Audit of Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company and its associate has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability and its Associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of auditor's report. However, future events or conditions may cause the Company and its Associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/ financial information of the Company of which we are the independent auditors, to express an opinion on the statement. We are responsible for the direction, supervision and performance of the audit of the financial information of such entity included in the Statement of which we are the independent auditors. For the other entity included in the Statement, which have been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audit carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance of the Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards

We also performed procedures in accordance with Circular No. CIRICFD/CMD 1/44/2019 dated 29th March 2019 issued by the Securities Exchange Board of India under Regulation 33 (8) of the listing Regulations, to the extent applicable.

Other Matter

1. The Statement includes the results for the quarter ended 31st March, 2023 being the balancing figure between the audited figures in respect of the full financial year ended 31st March 2023 and the published unaudited year-to-date figures up to the third quarter of the current financial year which were subjected to limited review by us.
2. The financial statements and other financial information of subsidiary companies have been audited by other auditors whose report has been furnished to us, and our opinion on the consolidated annual financial results to the extent they have been derived from such annual financial statements is based solely on the report of such auditor.
3. The audited financial statements of Associate Company M/s NMS Enterprises Private Limited in which the Group holds 23.08 % shares were not available till our completion of audit and therefore, the Share of Profit/ (Loss) from Associate is not incorporated in the Consolidated Financial Statements.
4. Party Balances related to Borrowings, Advances given, Trade Receivables, Trade Payables, Advances Received etc. were not confirmed from parties and these are taken at book value. We cannot comment on the actual amount in this regard.
5. The balance of Banks stated in financial statements is on the basis of Bank Statement received till 31st March 2023 in respect of current account mentioned. We cannot comment if any other facility taken from Bank/ other financial institutions.
6. Investments made in shares of subsidiary company at cost of Rs. 110.45 Lakhs was not discharged through Bank payment. The liability payable towards all investments was standing as payable in Books as on 31st March 2023 in the name of Seller.
7. Advance for Capital WIP Rs. 16.20 Lakhs was paid by the company in FY 2019-20. There is no apparent expenditure on the development of any software in last three years. The company has represented that there is no impairment on this payment and no provision for impairment was booked. However, we did not find any convincing evidence in this regards.
8. Physical verification of Inventory was not conducted as the material was already sold before the date of our audit. This have been taken on the basis of Management representation.
9. The company has not made any provision for retirement benefits in accordance with IndAS- 19. Therefore, the profit of the company is understated by the corresponding amount. As we did not have any reasonable measurement basis or actuarial report, we cannot quantify the same.
10. The company has taken loan of Rs. 20 Lacs from HDFC Bank for the purpose of purchase of two motor vehicles. This loan was taken in due course by the company and Charges were also created with ROC. However actual value of Motor Vehicles acquired were amounting Rs. 8.40 lacs and the balance amount taken was used for other business purpose. This has also been reflected in its financial statements.
11. Disclosers of Trade Receivables, Borrowings/ Advances, Capital Work in Progress, Borrowed Funds Utilization is not mentioned as per Schedule III of the Companies Act 2013.
12. Disclosers in relation to IndAS of Related Party Transactions, Segmental Reporting, Impairment, Leases, Share based payments, Contract with Customers are not found in conformity of Schedule III.
13. Company has not assessed the amount involved for Contingent Liability and no discloser has been shown in its financial statements. We cannot reliably measure the value of such liabilities.
14. Company has recognised Unbilled Revenue of Rs. 20 Lakhs in PY 2021-22 with was expected to be billed during current financial year 2022-23. However, this was neither billed nor derecognized by company during current year.
15. Investment in M/s Kuberakshi Advisory Services Private Limited was made during the year for Rs. 50 Lakhs by the company. The Net worth of this company on the date of acquisition was less than Investment amount. Company did not

produce us any valuation report for this purpose. Therefore, we cannot comment about actual fair value of these investments which are reported at cost price.

16. There were defaults in payment of statutory dues including GST, TDS, ESIC etc. Company has not made any provision or contingent liability in respect of penalties or interest payable on these dues.

Attention is also drawn to our audit report issued under the Companies Act for other observations including Internal Financial Control over financial reporting.

Our report on the Statement is not modified in respect of above matters.

Note : 30 Financial risk management

(1) Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresight the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The Company's activities expose it to a variety of financial risks:

i) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments. Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

ii) Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

iii) Liquidity risk

The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

Trade Receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables

NMS Resources Global Limited

(Incorporated in India)

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

1 Corporate information

The Company is a limited liability company, incorporated and domiciled in India.

There have been no significant changes in the nature of the principal activities of the Company during the financial year.

The Registered office of the Company are located at H. No. 48, Hasanpur, I.P. Extension New Delhi.

2 Basis of preparation and use of estimates

2.1 Basis of preparation of financial statements

The financial statements (FS) of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the financial statements.

2.2 Use of estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities as at the date of the financial statements and the reported amount of revenues and expenses during the reporting period/year. The difference between the actual result and estimates are recognize in the year in which the results are known/materialize.

All Assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the schedule III to the Companies act 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization cash and cash equivalent, the Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

3 Significant accounting policies

3.1 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

3.2 Fair value measurement

Fair value is the price that would be received to sell an asset or settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The fair value of plants and equipment as at transition date have been taken based on valuation performed by an independent technical expert. The Company used valuation techniques, which were appropriate in circumstances and for which sufficient data were available considering the expected loss/ profit in case of financial assets or liabilities.

3.3 Property, plant and equipment

On transition to IND AS, the Company has adopted optional exception under IND AS 16 to measure Property, Plant and Equipment at fair value. Consequently, the fair value has been assumed to be deemed cost of Property, Plant and Equipment on the date of transition. Subsequently Property, Plant and Equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is de-recognized. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Assets are depreciated to the residual values on a straight-line basis over the estimated useful lives based on technical estimates which is different from one specified in Schedule II of the Companies Act, 2013. Assets residual values and useful lives are reviewed at each financial year end considering the physical condition of the assets and benchmarking analysis or whenever there are indicators for review of residual value and useful life. Free hold land is not depreciated.

The gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss on the date of disposal or retirement.

3.4 Intangible Assets

Intangible assets that are acquired by the Company, which have finite useful lives, are measured at cost less accumulated amortization and accumulated impairment losses. Costs include expenditure that is directly attributable to the

acquisition of the intangible assets.

(i) Subsequent expenditure

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, are recognized in profit or loss as incurred.

(ii) Amortization of Intangible assets with finite useful lives

Amortization is recognized in profit or loss on a straight-line basis over the estimated useful lives of intangible assets from the date that they are available for use. The estimated useful lives for the current and previous years are as follows:

3.5 Research & Development cost

Research costs are expensed as incurred. Development expenditures on an individual project are recognized as an intangible asset when the company can demonstrate:

- The technical feasibility of completing the intangible assets so that the asset will be available for use or sale
- Its intention to complete and its ability and intention to use or sell the asset
- How the asset will generate future economic benefits
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development

Following initial recognition of the development expenditure as an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete and the asset is available for use. It is amortized over the period of expected future benefit. Amortization expense is recognized in the statement of profit and loss.

3.6 Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. For some trade receivables the Company may obtain security in the form of guarantee, security deposit or letter of credit which can be called upon if the counter party is in default under the terms of the agreement.

3.7 Investments

Non-current Investments are carried at cost less any other than temporary diminution in, determined on specific identification.

Current Investments are carried at the lower of cost and fair value. The Comparison of cost and fair value is carried out separately in respect of each investment.

Profit and loss on sale of Investment is determined as the difference between the sale price and carrying value of investment, determined individually for each investment.

3.8 Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

3.9 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash on hand and at bank, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the company's cash management.

3.10 Provisions, Contingent Liabilities, Contingent Assets and Commitments

i) General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognized in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

ii) Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent assets are not recognized, but are disclosed in the notes. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

3.11 Share capital and share premium

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

Par value of the equity share is recorded as share capital and the amount received in excess of the par value is classified as share premium.

3.12 Borrowing costs

Borrowing costs specifically relating to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized (net of income on temporarily deployment of funds) as part of the cost of such assets. Borrowing costs consist of interest and other costs that the incurs in connection with the borrowing of funds.

For general bottoming used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a capitalization rate to the expenditures on that asset. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the Company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized during a period does not exceed the amount of borrowing cost incurred during that period.

All other borrowing costs are expensed in the period in which they occur.

3.13 Revenue recognition

Sale of goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue is recognized at the fair value of consideration received or receivable and represents the net invoice value of goods supplied to third parties after deducting discounts, volume rebates and outgoing sales tax and are recognized either on delivery or on transfer of significant risk and rewards of ownership of the goods. Revenue is inclusive of excise duty.

Sale of Services

Revenue recognition of services depends as the service is performed. This is further divided into two ways:

(a) Proportionate Completion Method: This method of accounting recognizes revenue in the statement of profit & loss proportionately with the degree of completion of each service.

Here the service completion consists of the execution of more than one act. Revenue is recognized with the completion of each such act.

(b) Completed Service Contract Method: This method of accounting recognizes revenue in the statement of profit & loss only when the rendering of services under a contract is completed or substantially completed.

Generally we follow proportionate completion method for recognition.

Interest income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

3.14 Employee benefits

Short term employee benefits:

Short - term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably

Long-term employee benefits:

The Company's net obligation in respect of long term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. That benefit is discounted to determine its present value. Re-measurement is recognized in Statement of Profit and Loss in the period in which they arise.

Post-employment benefits-Defined contribution plans:

The Company's contributions to defined contribution plans are charged to the income statement in the period to which they relate. Once the contributions have been paid, the Company has no further payment obligations. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

Termination benefits

Termination benefits are employee benefits provided in exchange for the termination of an employee's employment as a result of either:

- (a) An entity's decision to terminate an employee's employment before the normal retirement date; or
- (b) An employee's decision to accept an offer of benefits in exchange for the termination of employment.

3.15 Taxes

Income tax expense comprises current and deferred tax. It is recognized in statement of profit and loss except to the extent that it relates to a business combination, or items recognized directly in equity or in other comprehensive income.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and liabilities are offset only if, the Company:

- has a legally enforceable right to set off the recognized amounts; and
- Intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

3.16 **Inventories**

As per Ind AS 2 Inventories, Stocks are valued at cost or net realisable value whichever is lower.

Costs comprise direct materials cost and, applicable direct labour costs and related overheads which have been incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the Sale.

4. **Critical accounting estimates, assumptions and judgments**

a. **Property, plant and equipment**

The Company regularly reviews the estimated useful lives of property, plant and equipment based on factors such business plan and strategies, expected level of usage and future technological development. Future results of operations could be materially affected by changes in these estimates brought about by changes in the factors mentioned above. A reduction of estimated lives of property, plant and equipment would increase the recorded depreciation and decrease the value of property, plant and equipment.

b. **Intangibles**

Internal technical or user team assesses the remaining useful lives of Intangible assets. Management believes that assigned useful lives are reasonable.
