Emphasis of Matter

We draw attention to Note 5 to the standalone financial results, which describes the extent to which the Covid-19 pandemic will impact the Company's standalone financial results will depend on the future developments, which are highly uncertain.

Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Standalone Financial Results

These quarterly financial results as well as the year to date standalone financial results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

- 5 The spread of SARS-CoV-2 virus (referred as 'COVID-19') across the globe and in India has contributed to a significant decline and volatility in global and Indian financial markets and a shrink in the economic activities. The Government of India declared nation-wide lock-down to contain the pandemic COVID-19 with effect from March 25, 2020. The Government then extended the lockdown till June 30, 2020. However, the government relaxed the lock-down in certain essential and non-essential goods across the country. In terms of COVID-19 regulatory package announced by Reserve Bank of India (RBI) on March 27, 2020 and in accordance with the Scheme approved by the Board of directors of the Company, the Company has extended the moratorium to the eligible borrowers for instalments falling due between March 1, 2020 and May 31, 2020. Further, pursuant to RBI notification dated May 23, 2020, the moratorium is given to eligible borrowers for a further period of three months upto August 31, 2020. For all such accounts where the moratorium is granted, the asset classification shall remain standstill during the moratorium period (i.e. the number of days past-due shall exclude the moratorium period for asset classification). Further, estimates and associated assumptions applied in preparing the financial statements, especially in respect of credit loss on loans, are based on historical experience and other emerging/forward looking factors including those arising on account of the COVID-19 pandemic.
- The Company has used relevant indicators of moratorium, considering various measures taken by Government and other authorities along with an estimation of potential stress on probability of defaults and loss given defaults due to COVID-19 situation in developing the estimates and assumptions to assess the expected credit loss on loans, including on account of potential macro economic conditions. Based on such assessment, the Company has not made additional expected credit loss provision on account of COVID-19 impact in the financial statement. The impairment loss not provided for on account of COVID-19 pandemic is based on the assessment of current situation and the actual impairment loss could be different due to uncertainty over duration of pandemic and restoration of normalcy.
- 6 In terms of the requirement as per RBI notification no. RBI/2019-20/170 DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated March 13, 2020 on implementation of Indian Accounting Standards, Non-Banking Financial Companies (NBFCs) are required to create an impairment reserve for any shortfall in impairment allowances under Ind AS 109 and Income Recognition, Asset Classification and Provisioning (IRACP) norms (including provision on standard assets). The impairment allowances under Ind AS 109 made by the Company exceeds the total provision required under IRACP (including standard asset provisioning), as at March 31, 2020 and accordingly, no amount is required to be transferred to impairment reserve.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated Financial Results. We are responsible for the direction,

5 The spread of SARS-CoV-2 virus (referred as 'COVID-19') across the globe and in India has contributed to a significant decline and volatility in global and Indian financial markets and a shrink in the economic activities. The Government of India declared nation-wide lock-down to contain the pandemic COVID-19 with effect from March 25, 2020. The Government then extended the lockdown till June 30, 2020. However, the government relaxed the lock-down in certain essential and non-essential goods across the country. In terms of COVID-19 regulatory package announced by Reserve Bank of India (RBI) on March 27, 2020 and in accordance with the Scheme approved by the Board of directors of the Company, the Company has extended the moratorium to the eligible borrowers for instalments falling due between March 1, 2020 and May 31, 2020. Further, pursuant to RBI notification dated May 23, 2020, the moratorium is given to eligible borrowers for a further period of three months upto August 31, 2020. For all such accounts where the moratorium is granted, the asset classification shall remain standstill during the moratorium period (i.e. the number of days past-due shall exclude the moratorium period for asset classification). Further, estimates and associated assumptions applied in preparing the financial statements, especially in respect of credit loss on loans, are based on historical experience and other emerging/forward looking factors including those arising on account of the COVID-19 pandemic.

The Group has used relevant indicators of moratorium, considering various measures taken by Government and other authorities along with an estimation of potential stress on probability of defaults and loss given defaults due to COVID-19 situation in developing the estimates and assumptions to assess the expected credit loss on loans, including on account of potential macro economic conditions. Based on such assessment, the Group has not made additional expected credit loss provision on account of COVID-19 impact in the financial statement. The impairment loss not provided for on account of COVID-19 pandemic is based on the assessment of current situation and the actual impairment loss could be different due to uncertainty over duration of pandemic and restoration of normalcy.
