**Independent Auditor's Limited Review Report on Unaudited Standalone Financial Results of JYOTI STRUCTURES LIMITED for the Quarter and Nine month ended on December 31, 2018 pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**TO  
THE BOARD OF DIRECTORS OF  
JYOTI STRUCTURES LIMITED**

1. We were engaged to review the accompanying Statement of Unaudited Standalone Financial Results for the quarter and nine months ended December 31, 2018 (herein after referred to as "the Statement" and initialled for the purpose of identification) of **Jyoti Structures Limited** ("the Company") being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

The Statement, is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting ("Ind AS 34") prescribed under section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

The Hon'ble National Company Law Tribunal, Mumbai ("NCLT") on July 4, 2017 admitted the Corporate Insolvency Resolution Process ("CIRP") application filed against the Company and appointed Ms. Vandana Garg as the Interim Resolution Professional in terms of the Insolvency and Bankruptcy Code, 2016 ("Code"). Further, the Committee of Creditors constituted during the CIRP has confirmed appointment of Ms. Vandana Garg as the Resolution Professional ("RP") to manage the affairs of the Company. In view of the pendency of the CIRP, the power and responsibilities of the Board of Directors shall vest with the RP under the provisions of the Code.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Because of the matters described below in paragraph 3 below, we were not able to obtain sufficient appropriate audit evidence to provide basis for conclusion on the statement.

### 3. Basis for Disclaimer of Conclusion

- i) *The management has prepared these Unaudited Standalone Financial Results on a going concern basis in spite of following facts and circumstances:*
- a) The company has reported loss after tax of INR 111,982.46 lakhs during the nine months ended on 31<sup>st</sup> December 2018 ;*
  - b) The net-worth of the company has been fully eroded and is INR (-) 667,410.36 Lacs as at 31<sup>st</sup> December 2018;*
  - c) There are minimal operations at plants at Nashik and Raipur during the current financial year and revenue activities have also stopped on the same, except for a few sites;*
  - d) Legal proceedings are pending before various Judicial Authorities seeking claims / compensations;*
  - e) Claims for default of requirements of various statutes, listing agreement / SEBI LODR have been made by the regulators / exchanges.*

*The above mentioned conditions cast significant doubt about the Company's ability to continue as a going concern. The Company may be unable to discharge its liabilities in the normal course of business and adjustments may have to be made to reflect the situation that assets may need to be realized other than in the normal course of business and at amounts which could differ significantly from the amounts at which they are currently recorded in the balance sheet. The Hon'ble NCLT pursuant to application filed under CIRP had passed order dated March 27, 2019 approving a plan for resolution of the company, which shall, amongst others, require giving effect to changes in the reported amount of assets and liabilities, the effect of which shall be taken in the books upon fulfilment of conditions precedent as per the plan. Accordingly, the financial results do not include any adjustment which may arise from giving effect to the approved plan. Further, the effect of the process of claims reconciliation has not been fully taken in the financial results, which have been further disclosed in Note No. 3 in the standalone financial results. Due to these conditions at the date of this report, we are unable to ascertain the impacts of the same on the unaudited standalone financial results.*

- ii) *Upto December 2017 the company was using SAP and thereafter due to non-availability of access and other factors, the company has migrated the entire data from April 2017 on standalone Tally software. The same is not integrated with other modules such as Inventory, HR, Production, Sales etc. which is a serious control lapse in our view considering the size and nature of business of the company.*

*Further, the data have been migrated from SAP dump to Tally of which no independent migration / system audit have been carried out. In view of these control issues, we are unable to comment on the impact, if any, these may have on these standalone financial results.*

- iii) *There was "disclaimer of opinion" in the audit report for the financial year ended 31.03.2018 and no details/ documents provided to us with respect to opening balances, for which disclaimer were issued and hence we are unable to verify the same during current period as well.*

- iv) *There are debits and credits aggregating to Rs.16.98 lacs and Rs.1.60 lacs respectively in bank statements, no details w.r.t the said entry in bank statement was made available to us and the Company has not taken the effect the same in books of accounts.*

*In the absence of details, we are unable to comment on the effect of the credit entry in the financial statements of the Company.*

- v) *The financial statements and other details in respect of various subsidiaries, associates and joint ventures of the company are not available due to which we are unable to comment on the impact it may have on the carrying amount and the impairment, if any, in respect of investments, loans, advances, receivables and payable, the requirement of provisioning for guarantees provided, disclosures for liabilities crystalized or contingent.*
- vi) *Revenue from operations of Rs. 8747.31 lacs includes Revenue from operations pertaining to foreign branches of Rs. 8027.42 lacs, which is as provided by the management and no details are made available w.r.t the same.*
- vii) *There are no inventory records / stock ledger (being part of books of accounts) available due to which we are unable to trace / reconcile the movement in the same through purchase, sales, consumption etc. and comment on the provision, if any, required based on the condition and usability of the stocks. Further, the physical verification of inventories was not carried out during the quarter under review. In view of these, we are unable to comment on the impact, if any, on the unaudited standalone financial results.*
- vii) ***In respect of its expenses:***
- a) *The details for cross checking the employee costs, such as employee wise HR data, grade, scale, attendance records, payroll details etc. are not available due to which we are unable to check the amount of Employee Costs debited to statement of profit and loss for the nine month ended on December 31, 2018 amounting to Rs. 5743.36 lacs.*
- b) *Similarly, the liability for statutory payments pertaining to employees such as Provident fund, Bonus, ESI, etc could not be checked.*
- c) *The details, break up, working papers in respect of most of the amount of assets, liability income and expenses for the amount stated therein pertaining to the period prior to the initiation of CIRP are not available and hence we are unable to comment in respect of such balances / amounts appearing in the financial results.*

*Further, in respect of periodic returns of GST to be filed, the company is filing Nil returns in few cases instead of taking the actual figures of sales, purchase etc. and determining the amount of tax due and payable, which may invite penal consequences, impact whereof we are unable to comment, in the absence of relevant details being available.*
