38th Annual Report

EXTERNAL ENVIRONMENT

GLOBAL ECONOMIC OUTLOOK

Although forecast in the Global growth to fall from 4.4 Percent in 2022 to 2.8 percent in 2023—. The global economy has begun to improve, but the recovery will be weak, according to the OECD's latest Economic Outlook . The Economic Outlook projects a moderation of global GDP growth from 3.3% in 2022 to 2.7% in 2023 . A Survey by the IMF staff usually published twice a year. It presents IMF staff economists' analyses of global economic developments during the near and medium term. Chapters give an overview as well as more detailed analysis of the world economy; consider issues affecting industrial countries, developing countries, and economies in transition to market; and address topics of pressing current interest. The Russia's war of aggression against Ukraine continues to overshadow the world economy. Despite recent signs of improvement, recovery over the next two years is expected to be moderate. The outlook remains fragile and downside risks predominate. High uncertainty generated by the war could take a heavy toll on activity. Trade tensions are high and could worsen. Concerns about financial vulnerabilities have risen, including in financial institutions, housing markets and low-income countries. While headline inflation has started declining, it remains elevated and could persist longer.

OUTLOOK FOR INDIA

Financial Year 2022-23 saw India emerge as a bright spark even as advanced and emerging economies grappled with uncertainty and slower growth.

In a world that is more interconnected than ever before, all countries are getting impacted by what's happening in other countries. The uncertainty caused by the evolving global scenario is weighing heavily on the outlook for economies across the globe. Amidst this, the Indian economy remains a bright spot and has positioned itself to grow at 7 per cent in 2022-23, making it the fastest growing major economy in the world for third time in a row.

India is also set to act as an important contributor of global economic recovery in the current year. The International Monetary Fund (IMF) expects emerging economies to account for four-fifth of global growth this year, with India alone expected to play the role of a global growth engine and contribute more than 15 per cent. The stable growth of the Indian economy is aided by sustained government capital expenditure, deleveraging of the corporate sector, lower gross non-performing assets in the banking sector, and moderation in commodity prices.

Further, a clutch of high frequency indicators have also been posting robust performance in recent months. GST collections have remained healthy in the current fiscal so far, registering an average run rate of `1.49 lakh crore (Apr-Jan) as compared to `1.20 lakh crore in the same period last year. PMI manufacturing has continued to stay in the expansionary zone for nineteen continuous months. Bank credit growth has been growing upwards of 15 per cent since August 2022. On the services front, air passenger traffic has gained momentum, while services PMI has also inched higher.

The corporate sector performance for 2000 odd non-financial listed companies (ex oil & gas), the third quarter shows a slowdown in topline growth, and a marginal improvement in the net margins due to tapering off of commodity prices from their recent highs.

To support the ongoing growth momentum, Union Budget 2023-24 struck a commendable balance between growth and fiscal consolidation. Particularly noteworthy is the Government's announcement of enhancing the capital expenditure outlay by `10 lakh crores, an increase of 33 per cent from last year's print. This amounts to 3.3 per cent of India's GDP and will immensely bolster economic growth and employment through a multiplier effect.

TRISHAKTI ELECTRONICS & INDUSTRIES LIMITED

38th Annual Report

The capex boost has been complimented by a concerted push towards digitisation, which has boosted the productivity levels in the economy. India today has made its own success models in the space of digitization, which it is offering to the world. The Unified Payments Interface (UPI) is a perfect example of technology boosting financial inclusion in the country and among its peers. Recently, India's UPI and Singapore's Pay Now got integrated, which would enable faster remittances between two countries at a competitive rate.

Strong macro-economic fundamentals, therefore, combined with reform-oriented approach of the Government are building India's economic growth trajectory. However, despite the resilience shown by the Indian economy, there are certain risks hovering on the horizon. Inflation, which emerged as a big challenge post the geo-political conflict between Russia and Ukraine, has averaged 6.8 per cent between April-January FY23 as compared to 5.3 per cent in the same period last year. It has remained above the RBI's upper tolerance band of 2-6 per cent for most parts of the year except in the two lone months of November-December 2022. The core inflation, too, has remained sticky at around 6 per cent, which is likely to be the key monitorable from RBI's monetary policy trajectory point of view going forward. To fend off the inflationary pressures, RBI on its part has so far raised the key repo rate by a cumulative 250 basis points to take it to 6.5 per cent. The central bank has indicated that it will remain vigilant, monitor every incoming information and data, and act appropriately to maintain price stability in the interest of strengthening medium-term growth.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

The company is a multiple business sector company including sectors of logistics & infrastructure , Oil & Gas , Food related items and agency service provider companies worldwide. We have supply network base from Indonesia and USA . We have experience in the petrochemical industry over the past 31 years.

We have an occupied and professional team comprising of well experienced engineers, Oil and Gas Exploration Experts and Commercial Executives having an in-depth knowledge of the domestic as well as the world market in this industry.

COMPANY'S FOCUSED AREA OF INTEREST

- Bid preparation against specialisation for various tenders within India and Abroad for our valuable clients for Oil and Gas Industries.
- Providing Advisory services for the seismic data centre requirement.
- Providing agency services to foreign service providers in execution and management of the services in INDIA .
- AGENCY SERVICES.
- FOOD & LOGISTICS , Company is acting as importer and trader for various spices from abroad and also focussing on development of logistic services including warehousing etc in near future.

Trishakti mainly engaged in the business of supplying of drilling Equipment to ONGC for drilling of Oil & oil and gas field Industry for Exploration of Oil and Gas . The Company has also Participate the Global Tender for supply of Drilling Equipment for Exploration of Oil and Gas on behalf of Foreign Company .

Financial year 2022-23 witnessed a mixed operating environment as it had a healthy business outlook while at the same time faced challenges around commodity price fluctuations, rupee depreciation and accelerated inflation rates. In the backdrop of global challenges, India continued its strong growth with a rebound in private consumption and increase in government capital expenditure. During the year, India became the world's fifth largest economy and its GDP is estimated to grow at 6.8% in F.Y 2022-23 (IMF World Economic Outlook). India is expected to maintain leading growth in coming years. The consumer electricals and durables industry continues to perform well with demand expanding on the back of increasing penetration, urbanisation, electrification and higher share of wallet for homes. The megatrends shaping the business landscape include consumers becoming more informed, demanding and aspirational. Internet of Things (IoT) and smart connected homes are on the rise with the younger population contributing to buying decisions in the home. There is a clear preference for brands of trust and reliability as well as those ensuring deep engagement with consumers using an omni-channel approach.

OPPORTUNITIES AND THREATS

Industry growth and under penetration: Electricals and consumer durables categories are still under penetrated and poised for strong growth on the back of increasing urbanisation and personal disposable income.

Increasing electrification: Government efforts towards enhanced power availability is continually increasing electrification in semi-urban and rural areas, along with stable electricity supply in urban areas. This has translated into better demand for electrical and consumer durable products in new and existing markets.

Infrastructure expansion: The government's strong focus on infrastructure expansion including highway construction, railway modernisation and airport additions is expected to create demand for electrical goods

Favourable demographics: While the world is rapidly aging, India's population is among the youngest globally. With a median age of less than 29 years and 67% of the population in the working age group of 15-64 years this is a key demographic dividend for India

Exports: A sizeable global market is looking to diversify its supply chain in order to tide over any probable regional challenges or geopolitical issues. With a strong business environment and enhanced ease of doing business, India is emerging as a strong country and as a manufacturing alternative to other Asian countries.

Product Portfolio: With a strong full stack product portfolio across electricals and durables, industrial and infrastructure, consumer and residential segments, the Company is well-positioned to capitalise on a great opportunity to increase shelf space at the retail counter and share of wallet of the consumer. Alongside providing a natural hedge in case of an economic downturn, a complete product portfolio enhances the opportunity to cross sell with channel partners and final consumers.

Accelerated shift from unorganised to organised: A large portion of the consumer electrical market continues to be unorganised. However, increasing brand awareness, formalisation and aspirations, can accelerate the shift in consumer preference from unorganised to organised, which shall be beneficial for the key players

Risk and Concerns

Economic slowdown: Slowdown in the Indian economy due to global developments could adversely impact growth in the short-term

Commodity pressures: Sharp increase in commodity prices could lead to increase in cost of finished goods thereby impacting affordability and consumer sentiment.

Competitive intensity: Irrational market behaviour with increased competitive intensity could cause value erosion for the industry as a whole especially with the entry of new disruptive players with access to low cost capital and extended ability to sustain losses to capture market share

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE.

The Company operates only in one segment of supply of Drilling Equipment for the drilling of oil and gas from Earth. There is no other classification of any segment wise performance as applicable to the company.

LEGAL COMPLIANCES:

The Company is legally compliant and taken all the necessary steps to protect its brand image at all levels. The company timely complies with all the mandatory compliances to be done with regulatory authorities

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The management has laid down internal financial control to be laid down by the Company. we have adopted policies and procedures for ensuring the orderly and efficient conduct of business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of accounting records. INDEPENDENT AUDITORS' REPORT

To the Members of TRISHAKTI ELECTRONICS & INDUSTRIES LIMITED

Report on the Audit of the Financial Statements

I. Opinion

We have audited the financial statements of **TRISHAKTI ELECTRONICS & INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31ST March 2023, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a True and Fair view in conformity with the accounting principles generally accepted in India, of the State of Affairs of the Company as at 31 March 2023, Profit and Other Comprehensive Income, Changes in Equity and its Cash Flows for the year ended on that date.

II. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

III. Emphasis of Matter

We draw attention to Note No 44 of the financial statements on the financial activity of the company having become its principal business, requiring it to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. The company is yet to apply for the said registration as it opines that the NBFC features will be shortly dispensed with. Our opinion is not modified in respect of this matter.

IV. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

V. Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

VI. Management's and Board of Directors' Responsibilities for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a True and Fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

VII. Auditor's Responsibilities for the Audit of the Financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit

procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to the financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management's and Board of Directors' use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

VIII. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. A) As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive

Income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

- (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31 March 2023, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023 from being appointed as a director in terms of section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our opinion is not modified in this regard.
- (B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a) The Company has disclosed the impact of pending litigations on its financial position in Note No 48 to the Financial Statements.
- b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- c) There were no amounts that were required to be transferred to the Investor Education and Protection Fund by the Company.
- d) Omitted.
- e) (I) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- a. The Management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- b. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (I) and (ii) of Rule 11(e) contain any material mis-statement.

- f) The dividend declared or paid during the year is in accordance with Section 123 of the Act.
- g) The reporting requirement under Rule II(g) of the Companies(Audit and Auditors) Rules, 2014, is not applicable to the company for the financial year ended 31st March 2023 as the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 mandating that every company which uses accounting software for maintaining its books of accounts, shall use only such accounting software having the feature of recording the audit trail of each and every transaction, creating an edit log of each change made and ensuring that the audit trail feature has not been tampered with and that the audit trail has been preserved as per the statutory requirements for record retention, is applicable for the financial year commencing on or after 1st April 2023.
- (C) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limits laid down under section 197 of the Act.

Report on the Internal Financial Controls with reference to the financial statements for the year ended 31st March 2023 under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 of TRISHAKTI ELECTRONICS & INDUSTRIES LIMITED

(Referred to in paragraph VIII-2(A)(f) under the 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

I. Opinion

We have audited the Internal Financial Controls with reference to financial statements of **TRISHAKTI ELECTRONICS & INDUSTRIES LIMITED** ("the Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company as at and for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023 based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

II. Managements and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively forensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

III. Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

IV. Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial controls with reference to financial statements include those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

V. Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

I The Company Overview: Corporate & General Information

Trishakti Electronics & Industries Limited was incorporated in 1985 in India with CIN: L31909WB1985PLC039462 and listed with positive net worth at Mumbai & Calcutta Stock Exchanges in India. The Registered Office of the Company is situated at Godrej Genesis, Saltlake City, Sector-V 10Th Floor, Unit No-1007 Kolkata WB 700091 India.

Trishakti Electronics & Industries Ltd. has a professional team comprising of well-experienced Engineers, Oil & Gas Exploration Experts having expertise background in oil exploration and having an in-depth knowledge of local market for company's core business activity. Besides technical knowledge, they have in depth knowledge about the types of requirement of local oil & exploration industry as well as good business relations with clients organisations. India presents a huge market which we are strongly placed to exploit to the fullest.

These Financial Statements were approved and adopted by the Board of Directors of the Company in their meeting held on 20th May, 2023.

II Basis of Preparation

(i) Statement of Compliance :

These financial statements of the Company have been prepared in accordance with measurement and recognition principles of Indian Accounting Standards ("Ind-AS") as issued by the Ministry of Corporate Affairs ("MCA") including the rules notified under the relevant provisions of the Companies Act, 2013.

(ii) Basis of Preparation and Presentation :

The financial statements have been prepared accrued basis on historical cost convention, except as stated otherwise. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

(iii) Functional and Presentation currency: These financial statements are presented in Indian Rupees (Rs) which is also the Company's functional currency.

(iv) Basis of Measurement.

The financial statements have been prepared on accrual basis and under the historical cost convention except for the items that have been measured at fair value as required by relevant IND AS.

(v) Fair Value Measurement.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes in to account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy in which they fall.

(vi) Current & Non-Current Classifications.

All Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of product & activities of the Company and their realisation in cash and cash equivalent, the Company has determined its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(vii) Significant Accounting Judgements, Estimates and Assumptions.

The preparation of these Financial Statements requires management judgements, estimates and assumptions that affect the application of Accounting Policies, the Accounting disclosures made and the reports amounts of Assets, Liabilities, Income and Expenses. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to Accounting estimates are recognised in the period in which the estimates are revised and any future periods effected pursuant to such revision.

III SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(1) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost less accumulated depreciation, if any. Cost includes expenses directly attributable to bringing the Asset to their location and conditions necessary for it to be capable of operating in the manner intended by the management.

Subsequent cost are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that its future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Assets in the course of construction are capitalized in capital work in progress account. At the point when an asset is capable of operating in the manner intended by the management, the cost of erection/ construction is transferred to the appropriate category of property, plant and equipment cost (net of income and including pre-operative cost / expenses) associated with the commissioning of an asset are capitalized until the period of commissioning has been completed and the asset is ready of its intended use. Property, Plant and Equipment are eliminated from financial statement, either on disposal or when retired from active use. Losses arising in the case of retirement of Property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognized in Statement of Profit and Loss in the year of occurrence.

Depreciation methods, estimated useful lives and residual value.

Depreciation is calculated using the Written Down Method (WDV) to allocate their cost, net of their residual values, over their estimated useful lives as specified in Schedule II to Companies Act, 2013.

The assets residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit and loss within other gains / (losses).

Depreciation on impaired assets is provided on the basis of their residual useful life.

(2) Investment Properties.

Property that is held for long-term rentals yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized. Investment properties are depreciated using the Straight Line Method (SLM) over their estimated useful lives. The useful life has been determined based on technical evaluation performed by the management's expert. The Residual Life, useful lives and depreciation method of investment properties are reviewed, and adjusted on Prospective basis as appropriate, at each financial year end. The effects of any revision are included in the Statement of Profit and Loss when the changes arise.

(3) Intangible Assets

i) Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment loss, if any.

ii) Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

iii) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

(4) Inventories.

Inventories are carried in the balance sheet as follows :

a) Raw materials, packing materials, and stores and spares: at lower of cost, on FIFO basis or net realizable value.

b) Work-in Progress : Manufacturing At lower of cost of material, plus appropriate production overheads and net realizable value.

c) Finished goods : Manufacturing At lower of cost of materials plus appropriate production overheads, excluding GST paid / payable on such goods and net realizable value.

d) Trading goods : At cost, on FIFO basis.

The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition. Slow and non-moving material, obsolesces, defective inventories are duly provided for and valued at net realizable value. Goods and materials in transit are valued at actual cost incurred upto the date of Balance Sheet.

(5) Leases

Determining whether an arrangement contains a lease At inception of an arrangement, it is determined whether the arrangement is or contains a lease.

The arrangement is, or contains, a lease if fulfillment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement. At inception or on reassessment of the arrangement that contains a lease, the payments and other consideration required by such an arrangement are separated into those for the lease and those for other elements on the basis of their relative fair values. If it is concluded for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset. The liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the incremental borrowing rate.

Assets held under leases

Leases of property, plant and equipment that transfer to the Company substantially all the risks and rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the assets are accounted for in accordance with the accounting policy applicable to similar owned assets. Assets held under leases that do not transfer to the Company substantially all the risks and rewards of ownership (i.e. operating leases) are not recognised in the Company's Balance Sheet. Payments made under operating leases are recognised in the Statement of Profit or Loss on a straight-line basis over the term of the lease unless the payments to the lessor are structured to increase in line with general inflation.

Lease payments

Payments made under operating leases are generally recognised in Statement of Profit and Loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Lease incentives received are recognised as an integral part of the total lease expense over the term of the lease.

Minimum lease payments made under finance leases are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability

(6) Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement/ balance sheet comprise of cash in hand , deposits held at call with banks or financial institution, other short term, highly liquid investments which are subject to an insignificant risk of changes in value.

(7) Impairment of financial assets

The carrying amounts of Property, Plant & Equipment, Intangible Assets and Investment Properties are reviewed at each Balance Sheet date to assess impairment, if any, based on internal / external factors. An impairment loss is recognised, as an expense in the Statement of Profit & Loss, wherever the carrying amount of the Asset or Cash Generation Unit (CGU) exceeds its recoverable amount. The impairment loss recognised in prior accounting period is reversed, if there has been an improvement in recoverable amount in subsequent years. Recoverable amount is determined :-

- In the case of an Individual Asset, at the higher of the Fair Value less cost to sell and the value in use; and
- In the case of cash generating unit (a group of assets that generates identified, independent cash flows) at the higher of cash generating unit's fair value less cost to sell and the value in use.

(8) Financial Instruments.

A Financial Instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1. Financial Assets.

1.1 Definition :

Financial Assets include Cash and Cash Equivalents, Trade and Other Receivables, Investments in Securities and other eligible Current and Non-Current Assets. At initial recognition, all financial assets are measured at fair value. The classification is reviewed at the end of each reporting period

(i) Financial Assets at Amortised Cost:

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates. These financial assets are intended to be held until maturity. Therefore, they are subsequently measured at amortized cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of the financial asset. The EIR amortization is included as interest income in the statement of profit and loss. The losses arising from impairment are recognized in the statement of Profit and Loss.

(ii) Financial Assets at Fair value through Other Comprehensive Income :

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates, as well as held for selling. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognized in Other Comprehensive Income (OCI). Interest income calculated using the effective interest rate (EIR) method, impairment gain or loss and foreign exchange gain or loss are recognized in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognized in Other Comprehensive Income is reclassified from the OCI to the Statement of Profit and Loss.

(iii) Financial Assets at Fair value through Profit or Loss (FVTPL):

At the date of initial recognition, Financial assets are held for trading, or which are measured neither at Amortized Cost nor at Fair Value through OCI. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognized in the Statement of Profit and Loss.

1.2 Trade Receivables.

A Receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. Trade receivables are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment. For some trade receivables the Company may obtain security in the form of guarantee, security deposit or letter of credit which can be called upon if the counterparty is in default under the terms of the agreement.

1.3 Investment in Equity Shares.

Investment in Equity Securities are initially measured at cost. Any subsequent fair value gain or loss is recognized through Profit or Loss if such investments in Equity Securities are held for trading purposes. The fair value gains or losses of all other Equity Securities are recognized in Other Comprehensive Income.

1.4 Investment in Associates, Joint Ventures and Subsidiaries.

The Company has account for its investment in subsidiaries and associates, joint venture, if any, at cost.

1.5 Derecognition of Financial Assets.

A Financial Asset is primarily derecognized when:

- The right to receive cash flows from asset has expired, or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a "pass-through" arrangement and either:

- a) The Company has transferred substantially all the risks and rewards of the asset, or
- b) The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its right to receive cash flows from an asset or has entered into a pass through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained. Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

2. Financial Liabilities.

2.1 Definition : Financial liabilities include Long-term and Short-term Loans and Borrowings, Trade and Other payables and Other eligible Current and Non-current Liabilities.

The measurement of financial liabilities depends on their classification, as described below :

i) Financial Liabilities at Fair Value through Profit and Loss.

Financial liabilities at fair value through profit and loss include financial liabilities held for trading. Financial liabilities at fair value through profit and loss are at each reporting date at fair value with all the changes recognized in the Statement of Profit and Loss.

ii) Financial Liabilities measured at Amortized Cost.

Interest bearing loans and borrowings are measured at amortized cost using the effective interest rate method (EIR) except for those designated in an effective hedging relationship. The carrying value of borrowings that are designated as hedged items in fair value hedges that would otherwise be carried at amortized cost are adjusted to record changes in fair values attributable to the risks that are hedged in effective hedging relationship.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the Statement of Profit and Loss

2.2 Loans and Borrowings.

Interest-bearing borrowings are measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognized in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

2.3 Financial Guarantee Contracts.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount initially recognized less cumulative amortization.

2.4 Trade and Other Payables.

A payable is classified as trade payable if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognized initially at their fair value and subsequently measured at amortized cost using the effective interest method.

2.5 De-recognition of Financial Liability.

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit and loss as other income or finance costs.

3. Offsetting of Financial Instruments.

Financial Assets and Financial Liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

4. Derivative Financial Instruments.

The Company uses derivative financial instruments, such as forward currency contracts and interest rate swaps to hedge its foreign currency risks and interest rate risks. Derivative financial instruments are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value at the end of each period. The method of recognizing the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, on the nature of the item being hedged. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit and loss.

(9) Equity Share Capital.

Ordinary shares are classified as equity. Incremental costs net of taxes directly attributable to the issue of new equity shares are reduced from retained earnings, net of taxes

(10) Provisions, Contingent liabilities, Contingent Assets and Commitments.

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liability is disclosed in the case of:

- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
- A present obligation arising from past events, when no reliable estimate is possible:
- A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Commitments include the amount of Purchase Order (net of Advances) issued to parties for Completion of Assets. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

(11) Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being received. The specific recognition criteria described below are met before revenue is recognised. The Company maintains its accounts on accrual basis, except otherwise stated.

Rendering of Services

Revenue from sale of services is recognised as per the terms of the contract with customers based on stage of completion when the outcome of the transactions involving rendering of services can be estimated reliably. In case, the contract outcome cannot be measured reliably, revenue is recognised only to the extent that the expenses incurred are eligible to be recovered and if it is probable that expenses were not recoverable, revenue is not recognised.

(12) Employees Benefits.

Employees benefit of short term nature are recognised as expense as and when it accrues. Employees benefit of long term nature are recognised as expense based on management estimate.

Though the company is listed but being too meagre in size with employees strength far below the benchmark, Provision for Gratuity has been accounted for as per management estimate instead of actuarial valuation.

Company's contribution in respect of Employees' Provident Fund is made to Government Provident Fund and is charged to Statement of Profit & Loss. Accrued leave for the year is paid to the employees during the year itself. Other retirement benefits to the employees of the Company are not applicable during the year under review. The same will be provided as and when became due.

(13) Borrowing Costs.

(1) Borrowing costs that are specifically attributable to the acquisition, construction, or production of a qualifying asset are capitalized as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over twelve months) to get ready for its intended use or sale.

The Borrowing Cost consists of Interest & Other Incidental costs that the Company incurs in connection with the borrowing of such funds.

(2) For general borrowing used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalization is determined by applying a capitalization rate to the expenditures on that asset. The capitalization rate is the weighted average of the borrowing costs applicable to the borrowings of the Company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs capitalized during a period does not exceed the amount of borrowing cost incurred during that period.

(3) All other borrowing costs are recognized as expense in the period in which they are incurred.

(14) Taxes on Income.

a) Current Tax.

i) Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

ii) Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b) Deferred Tax.

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss. Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity. The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company have a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

(15) Exceptional Items.

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes on accounts accompanying to the financial statements.

(16) Earnings Per Share (EPS).

i) Basic earnings per share.

Basic earnings per share is calculated by dividing:

- The Profit or Loss attributable to Equity Shareholders of the Company.
- By the Weighted Average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

ii) Diluted earnings per share.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The Weighted Average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(17) Segment Accounting.

Segment have identified as per accounting standards as per segment reporting (AS 17) taking into account the organisations structure as well as differential risks and returns of these segments. The company has disclosed Financial Services & Investments and Commission as primary segments. Fixed assets used in company's business or liabilities contracted have been identified to reportable segments to the extent possible. The business segments are reviewed by the Wholetme Directors (Chief Operational Decision Maker). The Chief Operational Decision Maker monitors the operating results of its business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements.

(18) Foreign Currency Translations & Transitions.

(i) Functional and Presentation Currency.

The Company's financial statements are presented in INR, which is also the Company's Functional and Presentation Currency.

(ii) Transaction and Balance.

Foreign currency transactions are recorded at exchange rates prevailing on the date of transaction. Monetary Assets and liabilities related to foreign currency transactions are stated at exchange rate prevailing at the end of the year and exchange difference in respect thereof is charged to the Statement of Profit & Loss.

(19) Recent Pronouncement

(33) **Financial Risk Management Objectives and Policies.**

The Company's Financial Risk Management is an integral part of how to plan and execute its Business Strategies. The Company's Financial Risk Management Policy is set by the Board. The Company's activities are exposed to a variety of financial risks from its operations. The key financial risks include market risk (including foreign currency risk, interest rate risk and commodity risk etc.), credit risk and liquidity risk.

33.1 Market Risk: Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from change in the price of a financial instrument. The value of a financial instrument may change as result of change in the interest rates, foreign currency exchange rates, equity prices and other market changes may affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments and deposits, foreign currency receivables, payables and loans and borrowings. Market risk comprises mainly three types of risk: interest rate risk, currency risk and other price risk such as equity price risk and commodity risk. The Company has an elaborate risk management system to inform Board Members about risk management and minimization procedures.

a) **Foreign Currency Risk :** Foreign Currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company makes certain imports in foreign currency & therefore is exposed to Foreign Exchange Risk. The Company evaluates exchange rate exposure arising from foreign currency transactions and the Company follows established risk management policies, including the use of derivatives like foreign exchange forward contracts to hedge exposure to foreign currency risk.

b) **Interest Rate Risk :**

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Any changes in the interest rates environment may impact future rates of borrowing. The Company mitigates this risk by maintaining a proper blend of Fixed & Floating Rate Borrowings as also a mix of Rupee & Foreign Currency Borrowings.

(c) **Commodity Price Risk and Sensitivity :**

The Company is exposed to the movement in price of key raw materials in domestic and international markets. The Company manages fluctuations in raw material price through hedging in the form of advance procurement when the prices are perceived to be low and also enters into advance buying contracts as strategic sourcing initiative in order to keep raw material and prices under check, cost of material is hedged to the extent possible.

33.2 Credit Risk:

Credit Risk arises from the possibility that counter party may not be able to settle their obligations as agreed. The Company is exposed to credit risk from its operating activities (primarily trade receivables). Trade Receivable:- Customer Credit Risk is managed based on Company's established policy, procedures and controls. The Company periodically assesses the financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and aging of trade receivables. Individual credit risk limit are set accordingly.

The credit risk from the organized and bigger buyers is reduced by securing Bank Guarantees/Letter of Credits/part advance payments/post dated cheques. The Outstandings of different parties are reviewed periodically at different level of organization. The outstanding from the trade segment is secured by two tier security – security deposit from the dealer himself, and our business associates who manage the dealers are also responsible for the outstanding from any of the dealers in their respective region. Impairment analysis is performed based on historical data at each reporting period on an individual basis. The Aging of Trade Receivables are as below :

Financial Instruments and Deposits with Banks:

The Company considers factors such as track record, size of institution, market reputation and service standards to select the bank with which balances and deposits are maintained. Generally, balances are maintained with the institutions with which the Company has also availed borrowings. The Company does not maintain significant cash and deposit balances other than those required for its day to day operation.

33.3 Liquidity Risk:

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due. The Company relies on a mix of borrowings, and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowings facilities at all times so that the Company does not breach borrowing limits or covenants (where applicable) on any of its borrowing facilities.

(34) Capital Risk Management:

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company's primary objective when managing capital is to ensure that it maintains an efficient capital structure and healthy capital ratios and safeguard the Company's ability to continue as a going concern in order to support its business and provide maximum returns for shareholders. The Company also proposes to maintain an optimal structure to reduce the cost of capital. For the purpose of the Company's capital management, capital includes issued capital, securities premium and all other equity reserves. Net debt includes, interest bearing loans and borrowings, less cash and short term deposits

Annexure to the Directors' Report

CORPORATE GOVERNANCE

The Directors present the Company's Report on Corporate Governance for the year ended March 31, 2023, in terms of Regulation 34(3) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (The "Listing Regulations").

Corporate Governance is modus operandi of governing a corporate entity which includes a set of systems, procedures and practices which ensure that the Company is managed in the best interest of all corporate stakeholders i.e. shareholders, employees, suppliers, customers and society in general. Fundamentals of Corporate Governance include transparency, accountability, reporting and independence. For accomplishment of the objectives of ensuring fair Corporate Governance, the Government of India has put in place a framework based on the stipulations contained under the Companies Act, SEBI Regulations, Accounting Standards, Secretarial Standards, etc. Corporate Governance has become a buzzword in the corporate world. Globalizations, widespread of shareholders, changing ownership structure, greater expectations, etc. have made a good Corporate Governance sin-quo-nun of modern management.

COMPANY PHILOSOPHY ON CORPORATE GOVERNANCE

The Company's governance philosophy is based on trusteeship, transparency and accountability. As a corporate citizen, our business fosters a culture of ethical behavior and disclosures aimed at building trust of our stakeholders. The Company's Code of Business Conduct and Ethics, Internal Code of Conduct for Regulating, Monitoring and Reporting of Trades by Insiders and the Charter—Business for Peace are an extension of our values and reflect our commitment to ethical business practices, integrity and regulatory compliances.

The Company's governance framework is based on the following principles:

- ✓ Appropriate composition and size of the Board, with each member bringing in expertise in their respective domains;
- ✓ Timely disclosure of material operational and financial information to the stakeholders;
- ✓ Availability of Information to the members of the Board and Board Committees to enable them to discharge their fiduciary duties;
- ✓ Systems and processes in place for internal control; and
- ✓ Proper business conduct by the Board, Senior Management and Employees.

Certificate of Non-Disqualification of Directors

(Pursuant to Regulation 34(3) and Schedule V Para C Sub clause (10)(i) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To,
The Members of
Trishakti Electronics & Industries Limited
Kolkata.

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of Trishakti Electronics & Industries Limited having **CIN: L31909WB1985PLC039462** and having registered office at Godrej Genesis, Salt lake City, Sector V, 10th floor, Unit No. 1007, Kolkata 700091 (hereinafter referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10(i) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to me by the Company & its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on March 31, 2023 have been debarred or disqualified from being appointed or continuing as directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs or any other Statutory Authority.

Sr. No.	Name of Director	DIN	Date of Appointment	Date of Cessation
1	SURESH JHANWAR	00568879	06-07-2022	-
2	SHALINI JHANWAR	06949987	26-11-2015	-
