7. Reply is filed by the Liquidator. The Liquidator submits that the E-auction Process Document stated that the sale of the Company is on "going concern" basis in accordance with the provisions of the Code, IBBI (Liquidation Process) Regulations and E-Auction Process Information Documents. He further stated that the proposed sale of the Corporate Debtor on a going Concern basis shall not entail transfer of any title, except the title which the Company had on its assets as on the date of transfer. The Reserve Price has been fixed at Rs. 10,79,64,559/- excluding restricted cash. In response to the E-auction notice in newspapers, three parties including the Applicant herein expressed their interest in participating in the bid. Since the Applicant's bid amount is more than the Reserve Price, the Applicant was considered as successful bidder (H1) and the same communicated to the Applicant by the Liquidator on 06.03.2021.
8. The Liquidator would further aver that in the instant case, the Corporate Debtor is being sold on a going concern basis which is more or less in the nature of resolution of the Corporate Debtor as

such he has no objection if the prayers sought for are allowed by the Tribunal.

9. We heard the Counsel for Applicant and Counsel for Liquidator. The Learned Counsel would contend that the Applicant purchased the Corporate Debtor as a going concern. The Liquidator can sell the assets of the Corporate Debtor during liquidation in any of the modes stated in Regulation 32 of Liquidation Process Regulations. The Applicant purchased the Corporate Debtor as a going concern with a view to run the business and that in order to run the Company as a going concern, the Purchaser/Applicant herein is entitled to have certain reliefs stated above. The Liquidator has filed his reply stating that the assets of the Corporate Debtor is ordered to be sold as on going concern as it will fetch more value. The Liquidator also stated that the bid amount is more than the liquidation value. Already Applicant has deposited Rs. 1,07,96,456/-. In order for the Applicant to kick start the business and follow the law laid down under the Companies Act, 2013, it is imperative for the Tribunal to grant necessary reliefs.
10. There is no specific provision in the Code with respect to "Sale of the Company as a going concern". The Hon'ble Supreme Court judgement in the matter of ArcelorMittal India Private Limited Vs Satish Kumar Gupta and others has referred to Regulation 32 of the Liquidation Process Regulations which states that the Liquidator may also sell the Corporate Debtor as a 'going concern'.
11. Since the decision to sell the Corporate Debtor as a going concern is taken by the Liquidator in consultation with the creditors / stakeholders and the proceeds from the sale of assets are going to be utilized for distribution to the creditors in the manner specified under Section 53 of the Code, all the creditors of the Corporate Debtor get discharged and the assets are transferred free of any encumbrances.
12. The Applicant has further relied on the following judgements to buttress its case:-
 - i) NCLT Hyderabad Bench-1 order in the matter of Bank of India vs Southern Online Bio-Technologies Ltd passed in CP(IB) No. 343/7/HDB/2018.

- ii) NCLT Mumbai Bench order passed in IA No. 2264/2020 in CP (IB) No. 1239/MB/2018 in the matter of Topworth Pipes & Tubes Pvt Ltd.
13. Hence, by relying on the said judgement of Hon'ble Supreme Court stated supra, as the Corporate Debtor is being sold as a ongoing concern, it is a fit case to grant certain reliefs in favour of the Applicant / purchaser.
14. As a sequel to the above discussions and documents placed on record and submissions made by the Learned Counsel for the Applicant and the Liquidator, we pass the following orders:-

ORDER

- (1) Permission is accorded to Applicant to pay/adjust the sale consideration of Rs. 109,964,559/- by way of investment into the equity shares of the Corporate Debtor and upon payment of consideration, the following shall be deemed to have occurred and become effective and operative in the sequence and order mentioned here under:
- (a) the Corporate Debtor shall allot 10,996,456 shares at a face value of Rs. 10/- each to the Applicant and its shareholders which shall constitute 100% of the equity of the Corporate Debtor and such allotment to be made in accordance with Applicable laws as under:-
