2.	<p>With reference to Transferee Company auditor has stated "Emphasis of Matter" in his report for the FY 2021-22 which are: - We draw attention to note no. 48 to the financial statements which describes significant uncertainties due to the COVID-19 pandemics on the company's operations and result as assessed by the management."</p>	<p>A. The RD's affidavit has relied on the emphasis of matter section of the Auditor's Report, which draws attention to "Note No. 48 of the financial statements which describes significant uncertainties due to the outbreak of COVID-19 pandemic on the Company's operations and results as assessed by the management."</p> <p>B. In this regard, it is pertinent to note that Note No. 48 to the financial statements of the Petitioner No. 2 for the year ended 31 March, 2022, in fact clarifies that on account of the pandemic relating to Covid-19, the Petitioner No. 2 "...does not anticipate any impairment to its financial and non-financial assets..." therefore, note no. 48 to the financial statements of the Petitioner N. 2 for the year ended 31st March, 2022, does not in fact reveal the uncertainties due to Covid-19 pandemic on Petitioner No. 2's operations, the results and the carrying amounts of property, plant and equipment, investments, receivables and other current assets.</p> <p>C. It is respectfully submitted that note no. 48 to the financial statements of the Petitioner No. 2 was included on account of circular issued by the SEBI dated 20th May, 2020, bearing no. SEBI/IO/CFD/CMD 1 / CIR/ I 2020 I 8 4, pursuant to which listed companies such as the Petitioner Companies were advised to evaluate the impact of the Covid-19 pandemic on their businesses to the extent possible. On account of this circular, the Petitioner No. 2 has inserted the note no. 48 to its financial statements, which has merely been referred to (draw attention) by the Auditor without making any adverse observation or comment or caution on any lasting impact that the pandemic relating to Covid-19 has or may have had on the Petitioner No. 2.</p> <p>D. Petitioner No. 2 further states that post-pandemic revenues and profit after taxes of the Petitioner No. 2 are in fact higher than the pre-pandemic years. The details of the revenues and profit for the past five years on standalone basis is set out below:</p>

3. With reference to Transferee Company, auditor has stated in his report for the F.Y. 2021-2022 that the "title deeds of all immovable properties disclosed in the financial statements include under the property, Plant and Equipment (other the properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee) are held in the name of the company as at balance sheet date except for the following property (Refer note 1.3 to the stand alone financial statements):-

E. It is also respectfully submitted that the post of the sanction of the Scheme, the Petitioner would be able to leverage the combined assets of both the Petitioner Companies and create a more competitive business, both in scale and operations and therefore the petition seeking amalgamation of Petitioner companies should be allowed.

A. The RD's Affidavit has relied on the Auditor's Report to observe that one of the properties i.e., office building (Property) is held by Petitioner No. 2, which is in the name of SDB Infrastructure Private Limited (SDB). Accordingly, the RD's affidavit has prayed for directions to the Petitioner No. 2 comply with the provision of Section 187 of the Companies Act, 2013.

B. The Petitioner No. 2 submits that it is not in breach / non-compliance of Section 187 of the Companies Act, 2013 for the following reasons, which demonstrates that the title to the Property is not yet transferred to it for reasons which are beyond its control and domain:

- Greenply Industries Limited (GIL) (predecessor in interest of Petitioner No. 2) on 16 March 2005 entered into an Agreement to Sell (Agreement) with SDB for the purchase of the Property;
- GIL paid the entire consideration to SDB in terms of the Agreement. Thereafter, GIL was put in possession of the Property. In terms of the Agreement, SDB was required to take steps to register the Sale deed to

Hence, the company may be asked to ensure the compliances of the provision of the section 187 of the Companies Act, 2013.

- transfer the Property (Sale Deed) in the name of GIL in the records of the Sub-Registrar;
- iii. SDB delayed in getting the Sale Deed registered. In the meanwhile, the Guwahati High Court on 31 October 2014 sanctioned a composite scheme of arrangement under Sections 100 to 104 and 391 to 395 of the Companies Act, 2013 between GIL and Petitioner No. 2, whereby GIL's decorative business was demerged and transferred to Petitioner No. 2. The interest in the said Property was also transferred to Petitioner No. 2 in light of the said composite scheme.
- iv. Even thereafter, SDB has failed to register the Sale Deed. Constrained by the failure of SDB, the Petitioner No. 2 filed Suit (Comm) No. 1232 of 2018 before the Hon'ble Delhi High Court against SDB and the Delhi Development Authority. The said suit was withdrawn by Petitioner No. 2 on 4 December 2018 with a liberty to file afresh suit on the same cause of action, after approaching the Land & Development Office, Delhi for making a fresh application for registration of the Property; and
- v. However, Land & Development Office, Delhi did not respond to Petitioner No. 2's request to register the Property in the name of Petitioner No. 2. Prejudiced by the actions of SDB and Land & Development Office, Delhi, the Petitioner No. 2 has filed CS (COMM) 464 of 2022 before the Hon'ble Delhi High Court seeking inter alia specific performance against SDB for registration of the Sale Deed. This suit is presently pending adjudication.

- C. It is therefore evident that due to the actions of a third party (SDB), which has wrongly refused to register the Property in the name of the Petitioner No. 2, that the Property is not reflected in the name of the Petitioner No. 2 in the land records. Petitioner No. 2 states that it is diligent in prosecuting the suit to have the Property registered in its name and is paying property taxes and all other outgoings, statutory or otherwise, in respect of the Property without any delay or failure. As stated above, the Petitioner No. 2 is also in exclusive and peaceful possession of the Property.

		D. The Petitioner No. 2 undertakes to take all steps necessary to hold the Property in its name, on the conclusion of the proceedings before the Hon'ble Delhi High Court, if it is successful.
4.	The Transferee Company may kindly be directed to comply with the provisions of the Section 232(3)(i) of the Companies Act, 2013 regarding fee payable of its revised Authorized Share Capital.	Clause 9.2. of the Scheme provides for aggregation on the Authorised Share Capital of the Petitioner Companies post the sanction of the Scheme. In this regard, pursuant to the aggregation of the Authorise Share Capital the Petitioner No. 2 undertakes to comply with the Section 232 (3) (i) of the Companies Act, 2013, if any, on its revised authorized share capital.

15. Vide order dated 08.08.2023 this Tribunal had afforded an opportunity to the Regional Director file final report, dealing with the clarifications given by the Petitioner Companies to the observations raised. However, no final report was filed. Thus, after considering the replies filed by the Petitioner Company No. 2, no new observations/objections have been raised by the Regional Director. It is also noticed that all the observations raised by the RD is in respect of the Transferee Company which will continue to exist.

16. The Official Liquidator have filed its report dated 07.07.2023 wherein it is stated the affairs of the aforesaid Transferor Company do not appear to have been conducted in a manner prejudicial to the interest of its members or to public interest in terms of the provisions of the Companies Act, 2013.

17. The Petitioner Companies have placed on record the no objection letter dated 11.01.2023 issued by BSE Limited in respect of Transferor Company and Transferee Company.

18. The Petitioner Companies have placed on record the no objection letter of National Stock Exchange of India Limited dated 11.01.2023 with respect of Transferee Company.
19. It is noticed that despite notice was served, no comments were received from the Income Tax Department with respect to any of the Petitioner Companies.
20. The Petitioners vide their reply affidavit filed in response to the RD's report have given clear undertaking to comply with all legal provisions including section 187 and section 232(3)(i) of the Companies Act, 2013. The Petitioners have also undertaken to pay all statutory dues as per law.
21. Certificates of Statutory auditor of the petitioner companies, have been placed on record to the effect that Accounting Treatment proposed in the Scheme of Amalgamation is in conformity with the Accounting Standard notified by the Central Government as specified under the provisions of Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies Accounts Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016, and other generally accepted accounting principles in accordance with the Companies Act, 2013, as applicable.
22. The shareholders of the petitioner companies are the best judges of their interest, being fully conversant with market trends. Therefore, their decisions are not supposed to be interfered with by the Tribunal for the reason that it is not proper on the part of the judicial function

of the Tribunal to examine and evaluate entrepreneurial activities and their commercial decisions. It is well settled that the Tribunal evaluating the Scheme, of which sanction is sought under Section 230-232 of the Companies Act of 2013, will do not ordinarily go into the merits of the corporate decisions of companies as approved by their respective shareholders and creditors.

23. It has also been affirmed in the petition that no one will be prejudiced if the proposed Scheme of Amalgamation is sanctioned and the sanction of the said Scheme will benefit all and is in the interest of the Transferor Company and the Transferee Company, their Shareholders, Creditors, Employees and all concerned. In view of the foregoing and upon considering the approval accorded by the members and creditors of the Petitioner Companies to the proposed Scheme, there appears to be no impediments to sanctioning the proposed scheme.

24. Consequently, sanction is hereby granted to the Scheme under Section 230 to 232 of the Companies Act, 2013 with the following directions: -

- i. The Petitioners shall always remain bound to comply with the statutory requirements in accordance with law.
- ii. Notwithstanding the sanction, if there is any deficiency found or, violation committed, qua any enactment, statutory rule or regulation, the sanction granted by this court to the scheme will not come in the way of action being taken in accordance

with the law, against the concerned persons, directors and officials of the petitioners.

- iii. While approving the Scheme as above, we further clarify that this order should not be construed as an order in any way granting exemption from payment of stamp duty, taxes or any other charges if any, and payment in accordance with law or in respect to any permission/compliance with any other requirement which may be specifically required under any law.

25. This Tribunal further directs with respect to both the Transferor Company and the Transferee Company, that: -

- i. Upon the sanction becoming effective from the appointed date i.e., 01.04.2022, the Transferor Company shall stand dissolved without undergoing the process of winding up.
- ii. All contracts of the Transferor Company, which are subsisting or having effect immediately before the Effective Date, shall stand transferred to and vested in the Transferee Company and be in full force and effect in favour of the Transferee Company and may be enforced by or against it as fully and effectually as if, instead of the Transferor Company, the Transferee Company had been a party or beneficiary or obliged thereto;
- iii. All the employees of the Transferor Company shall be deemed to have become the employees and the staff of the Transferee Company with effect from the Appointed Date, and shall stand transferred to the Transferee Company without any interruption

of service and on the terms and conditions no less favorable than those on which they are engaged by the Transferor Company, as on the Effective Date, including in relation to the level of remuneration and contractual and statutory benefits, incentive plans, terminal benefits, gratuity plans, provident plans and any other retirement benefits;

- iv. All liabilities of the Transferor Company, shall, pursuant to the provisions of section 232(4) and other applicable provisions of the Companies Act, 2013, to the extent they are outstanding as on the Effective Date, without any further act, instrument or deed stand transferred to and be deemed to be the debts, liabilities, contingent liabilities, duties and obligations etc. as the case may be, of the Transferee Company and shall be exercised by or against the Transferee Company, as if it had incurred such liabilities.
- v. All proceedings now pending by or against the Transferor Company be continued by or against the Transferee Company.
- vi. Any person interested or affected shall be at liberty to apply to this Tribunal in the above matter for any directions that may be necessary.

26. Further, the Petitioner Companies shall within thirty days of the date of the receipt of this order, cause a certified copy of this order to be delivered to the Registrar of Companies for registration and on such certified copy being so delivered, the Transferor Company shall be

dissolved and the Registrar of Companies shall place all documents relating to the Transferor Company on the file kept by him in relation to the Transferee Company and the files relating to all the Petitioner Companies shall be consolidated accordingly.

27.
