COMPANY OVERVIEW

Overview

- Satia Industries Limited (SIL), located in the District of Muktsar, Punjab was incorporated by Dr. Ajay Satia and commenced its operations in 1984.
- SIL is one of the leading Wood and Agro-based paper manufacturers in India, with a completely integrated manufacturing setup with 4 paper machines, 100% in-house power generation, soda recovery plant and one of the best effluent treatment facilities in the nation.
- SIL has 540 acres of eucalyptus plantations, developed as per Karnal Technology which consumes total treated water discharge.
- Last year the company added a 4th state of the art paper machinery to its production facilities with a capacity of 100,000 MTPA. With a diverse Capex program to modernize and scale up its capacities, SIL now has total installed capacity of 2,05,000 MT in FY23.
- SIL supplies 40%-50% of its production to State textbook boards with the balance sold in the open market through pan-India network of 70+ dealers and 3 branch offices located in Delhi, Chandigarh & Jaipur with total Employee strength of 2,150+ head counts
- SIL is Carbon Credit Surplus and has a regular income accruing from renewable energy credits (REC)

Vision

'To become a leader in its own segment with excellence in all-round performance creating value for all stakeholders of the company, society and the economy'

Mission

'To sustain growth with technological upgradation and innovation on a continuous basis for achieving cost competitiveness with sustained profitability, excellence in quality and win customer satisfaction and loyalty'

LEADERSHIP TEAM

Dr. Ajay Satia **Chairman & M.D**

Dr. Satia is an MBBS, he has been the pioneer for setting up this integrated paper mill. Dr. Satia has a passion for work, a flair for technology and possesses unparalleled enterprising spirit for expansion and modernization. His greatest strength lies in building and retaining a strong and trusted team which has turned his dreams into reality.

Mr. Chirag Satia **Executive Director**

He has been driving force behind new initiatives since he joined in 2015 and looks after Finance, Accounts and Commercial Operations. His enterprising spirit and visionary outlook have added new energy to the workforce. Mr. Chirag has huge expansion aspirations for the company and is currently spearheading the cutlery segment set-up and expansion.

Mr. R.K. Bhandari **Joint Managing Director**

Mr. Bhandari is an MBA, he has been instrumental in marketing and other administrative responsibilities since the last 34 years. He has been instrumental in formulation & execution of SIL's core business strategies He has also been instrumental in providing new direction to the marketing department and placing the company on domestic map.

FROM THE DESK OF THE MANAGEMENT

Chirag Satia
Executive Director

We are thrilled to announce that our company has announced yet another outstanding quarter, demonstrating our strong execution capabilities. During Q4FY23, our revenues grew by 75% and EBITDA by 136% YoY. Furthermore, our yearly performance has been incredibly encouraging. In FY23 revenues grew by 111% and PAT by 91% as compared to FY22.

We believe that fundamental demand prospects for paper will remain stable over the medium term, given the large potential for growth aided by a growing economy. Given our backward integrated model and strong relationships with state boards, we are on our track to accomplish our objective of turning SIL in to one of the country's top paper manufacturer.

Given the long track record of consistent and quality supplies, SIL enjoys continuous flow of orders from state boards. Currently, we have order book of 24,000 tonnes which would be executed in Q1FY24, giving us revenue visibility with stable pricing environment.

We continue to strive for more efficiencies within our system hence keep on investing for the same. Our backward integration project of wood pulping is ready. In addition, we have already placed orders for Soda recovery boiler, which is expected to commence in coming 18-24 months. Our next objective is to modify and improve our PM3, for which details are getting worked out.

Following an exceptional growth in production in FY23 on the back of PM4, we are anticipating a healthy growth of 5-10% in paper production for FY24.

To conclude, I would like to extend my heartfelt gratitude to all our stakeholders, who have been with us in these times and assure you that Satia Industries will continue in its endeavours to emerge as a market leader and deliver value to each stakeholder. To share our success with the shareholders, we have announced total dividend of 40% for FY23.

JOURNEY & KEY MILESTONES

OVERVIEW OF COMPANY PRODUCTION CAPACITIES

Facility Type	Description	Competative Advantage
Pulping Capacity	Total Capacity-550 TPD – Mix of Agro ,Wood Pulp and Waste Paper	<ul style="list-style-type: none">● Strategic Location in the Wheat belt area of Punjab makes procurement of RM easy and cost effective with no other paper mill in 100 Km radius.● Wood Pulp Digester automation will led to reduction in steam consumption resulting in savings of ~ 220 MN PA.
Paper Machines	4 Plants having capacity of 700 TPD	PM 4 gives SIL an opportunity to manufacture superior quality paper & allows it to add new products to its current product mix.
Chemical Recovery	Capacity- 650 TPD Recovery & re-use of Caustic Soda which is used for cooking of agro and Wood chips from Black Liquor, a polluting effluent generated in the process of pulp making	<ul style="list-style-type: none">● Re-use of Caustic soda to the extent of 90%-95%● Steam Generated is used to generate power in-house.

OVERVIEW OF COMPANY PRODUCTION CAPACITIES

Facilty Type	Description	Competative Advantage
Power generation	4 Turbines with total capacity of 41.95 MW	<ul style="list-style-type: none"> ● 100% Self sufficiency of power requirements. ● REC/carbon credits for clean power generation ● Low cost of power vis-à-vis drawn from grid
Effluent Discharge	Eucalyptus plantations of 540 acres as per Karnal Technology All effluents are treated to the desired standards and no effluent is discharged into any water body of the state.	<ul style="list-style-type: none"> ● The Plantations act as a future source of Raw Material ● Open Market sale generates tax free Agricultural lincome

Transforming a perceived cyclical business into a non cyclical business through consistent and sustainable financial performance

1

Focused raw material procurement

– Satia is one of the largest wood and agro based (based on wheat straw) paper producer. It doesn't depend solely on waste paper. Satia's facility is located in the wheat belt, which gives easy access to procure desired raw material as there is no other facility in 200 KM vicinity.

2

Thoroughly backward integrated manufacturing facility leading to sustainable margins

– Satia has always followed a step ahead approach in terms backward integration at various levels – power, caustic soda, wood plantation which gives prominent cost savings and helps in achieving better profit margins. Further, the captive power plant enables Satia to earn Renewable Energy Certificates (REC).

3

Deeply rooted Customer relationship

– Satia has developed substantial and long standing relationship with various state boards and publishers of text books. Some relations extend to beyond 10-15 years. The customers of Satia are spread across India.

4

Due to above factors there is continuous growth in revenues, profitability, cash flows and return ratios.

REVENUE MIX

SIL's Strategic and Sustainable Revenue Model

A. Supplies to State boards: ~40-50% of Revenues

- SIL supplies High quality watermark paper to various state boards.
- Consolidated demand from all Text-books board is approximately 5,00,000 TPA of paper
- By supplying ~50-75k TPA to various state boards, SIL boasts of a major market share in this vertical.
- The State Text-book orders are tender driven business, these projects are State government funded under Sarva Shiksha Abhiyaan and do not rely upon school fees to pay the vendors, the average receivable days happen to be 45-60 days
- Sales to Textbook boards command higher (10%) operating margins as compared to open market, attributing to higher GSM and less finishing loss due to single size and more filler in the paper.

B. Open market supplies: ~50-60% of Revenues

- SIL supplies to retail traders through its strong Pan- India distribution network with 70+ dealers and 3 branch offices located in Delhi, Chandigarh & Jaipur.
- Out of total sales from Open Market Supplies, ~5-10% of sale comes from Rajasthan and Delhi in a Direct sale, to end users, and facilitated by the SIL's employees.
- A variety of paper grades are manufactured for this vertical i.e. Exercise book paper,
- Snow white paper, SS Maplitho paper, Ledger paper, Copier paper, Colour printing paper etc.

**KEY
HIGHLIGHTS
Q4 & FY23**

Recent Developments

- FITCH India Rating has upgraded our rating from 'A' to 'A+' with Stable outlook.
- During the quarter, we have received orders from Gujarat and Telangana to the tune of 8,000 tons. With this our current order book stands at 24,000 to be executable over Q1FY24
- Company has installed two out of proposed eight cutlery machines which would be commissioned in 1HFY
- The company generated a healthy cash flow during the year, enabling it to prepay term loans amounting to Rs 86.8 Mn. This brings the total amount repaid by SIL to Rs 1094.0 Mn during FY23. Furthermore, as part of our ongoing commitment to reduce overall debt, we have prepaid an additional amount of Rs 263.8 Mn in April'23.
