Remsons-Uni Autonics bags LOI worth Rs. 30 crore

For the supply of sensors to be executed over a period of 3 years

Mumbai, May 17, 2024: Remsons-Uni Autonics Private Limited (RUAPL) a part of the Remsons Group is thrilled to announce its recent success in securing a LOI for a prestigious contract, marking a significant milestone in its journey toward continued growth and expansion. The total value of the order is Rs. 30 crore over a period of 3 years.

After a rigorous selection process, RUAPL emerged earning the trust and confidence of a leading Tier 1 Supplier to the Auto Industry. This esteemed partnership reflects RUAPL's unwavering commitment to excellence, innovation, and customer satisfaction.

"We are honoured to have been chosen by some of the esteemed Tier-1 supplier to collaborate on this exciting venture," said Mr. Amit Srivastava, CEO. "This partnership underscores our dedication to delivering exceptional solutions and exceeding our customers' expectations. We are excited to leverage our expertise and resources to drive value and success for our customers and further solidify our position as a trusted partner in the industry."

The awarded contract not only signifies a significant win for RUAPL just post the acquisition but also underscores its reputation for delivering high-quality services/products and fostering long-term relationships with customers. With all new business opportunities, RUAPL is poised to strengthen its market presence and leverage Remsons' long-standing relationships with OEMs in this ever-evolving landscape of Sensors.
