Future Consumer Limited: A New Age Food and HPC Company For a New Era

India is an ancient food culture with deeply entrenched habits and preferences

Indian homes and personal care regimens are heavily influenced by cultures and beliefs that go back thousands of years

Palates, foods, and eating habits are hard to understand, and even harder to shape

A new India has emerged within a generation: From an era of scarcity to one of opportunity and abundance

Modern Retail is the fastest growing distribution channel, catering to a new generation of consumers

It takes an **Indian company** to best understand and serve Indian kitchens, homes, and aspirations

We understand the NEW India, and the NEW Fast Moving Consumer Generation - FMCG 2.0

PERFORMANCE FOR THE QUARTER ENDED 30th June, 2018
