LAHORE: A Pakistani anti-terrorism court has handed down 32 years of imprisonment to Yahya Mujahid, spokesperson of Mumbai attack mastermind Hafiz Saeed's Jammah-ud-Dawah (JuD) terror group, in two terror

financing cases. The Anti-Terrorism Court (ATC) here on Wednesday also convicted two other JuD leaders, including the brother-in-law of Saeed, in terror financing cases.

Astronomical increase in US COVID cases

AGENCIES
Los Angeles

For months, the virus has hammered the US economy, disproportionately affected the poor and upended daily life - and now the state and the rest of the country are trying to curb another surge of infections.

California will be the second state - behind Texas - to eclipse a million known cases. The grim milestone in a state of 40 million comes as the U.S. has surpassed 10 million infections.

Meanwhile, a coronavirus advisor to president elect Joe

Biden believes that shutting down businesses nationally for between four to six weeks could help the United States

Coronavirus advisor to president-elect Joe Biden calls for stringent lockdown to avoid COVID hell in coming months

national lockdown may be the best way to keep hospitalizations and deaths down across the country until a vaccine can be distributed.

According to Daily Mail, Osterholm, the director of the Center for Infectious Disease Research and Policy at the University of Minnesota, is one of the public health experts that the Biden transition team has appointed to its advisory panel.

It comes as coronavirus hospitalizations and infections hit single-day highs in the US with the number of patients spiking to 61,000 and daily infections hitting 136,000.

US condemns ousting of HK legislators

LALIT K JHA / Washington

The US has strongly condemned Beijing's move to disqualify four pro-democracy legislators from Hong Kong Legislative Council.

This leaves no doubt that the Chinese Communist Party (CCP) has flagrantly violated its international commitments under the Sino-British Joint Declaration and its promises to the people of Hong Kong, including those under the basic law, said the US National Security Advisor Robert C O'Brien on Wednesday.

"One Country, Two Systems" is now merely a fig leaf covering for the CCP's expanding one party dictatorship in Hong Kong," he said. The Hong Kong legislature on Wednesday disqualified four pro-democracy legislators. Following the move, the remaining 15 pro-democracy lawmakers also announced that they would resign en masse.

Georgia will manually recount millions of ballots

LALIT K JHA / Washington

Georgia will conduct a manual hand recount of millions of ballots cast in the battleground state where President-elect Joe Biden is leading by more than 14,000 votes over President Donald Trump, who has not conceded in the US presidential race, and instead made unfounded claims about widespread voter fraud and electoral malpractice.

Georgia's Secretary of State Brad Raffensperger, who is a Republican, said on Wednesday the state will recount presidential election results in each of 159 counties by hand due to the close margin.

"With the margin being so close, it will require a full by-hand recount in each county," Raffensperger told reporters at a news conference in Atlanta. He said such a decision had been made because of the "national significance" of the outcome of the election results in the state.

"It will be a heavy lift. This will help build confidence. It will be an audit, a recount and a canvass all at once. We have all worked hard to bring

fair and accurate counts to assure that the will of the voters is reflected in the final count," he said, adding that observers from both the political parties would be present during the hand recount.

The hand recount of votes, however, will be only for the presidential election, he said. Georgia has 16 electoral college votes. Trump has alleged there has been massive voter fraud and electoral malpractice.

State officials, according to The New York Times, have said that there has been no such evidence so far.

As of Wednesday, President-elect Biden had 279 of the 538 electoral college votes, with 270 being the halfway mark.

Biden has enough electoral votes to be the president even without Georgia, the report said. On Wednesday, Biden was up by less than 0.3 per cent of the nearly 5 million votes cast in Georgia. On Saturday, he was declared winner of the presidential election as some states continued to count votes, largely because his margins in several states are too wide for Trump to overcome.

Johnson's inner circle falls out

PM's top aide resigns amid standoff with his fiancée

ADITI KHANNA
London

There are widespread reports of a power struggle at the heart of the UK government as one of Prime Minister Boris Johnson's closest aides has announced his resignation as the Director of Communications.

Lee Cain, 39, announced he would step down as Johnson's top media aide on Wednesday night after ministers and advisers, including Johnson's fiancée Carrie Symonds, are said to have protested over his planned promotion to Chief of Staff.

Cain is also a close aide of fellow Brexiteer and Downing Street Chief Strategy Adviser Dominic Cummings, another one of Johnson's most influential and high-profile top team members. "After careful consideration I have this evening resigned as No. 10 Director of Communications and will leave the post at the end of the year," reads Cain's resignation letter.

"I would like to thank the prime minister for his loyalty and leadership. I have no doubt that under his premiership the country will deliver on the promises

made in the 2019 election campaign and build back better from the coronavirus pandemic," he said.

In response, the UK Prime Minister thanked Cain for his "extraordinary service" to him, both in No. 10 and previously when he was Foreign Secretary.

The letter came amid a brewing storm within 10 Downing Street after media reports suggested the elevation of former BBC journalist Allegra Stratton as the face of new daily televised press briefings planned from the New Year caused a considerable shake-up.

It was reported that Cain was to be offered a promotion to re-balance the power shift, but that appointment came under fire from across the Conservative Party ranks as well as Symonds, the mother of Johnson's baby Wilfred, born in April. Dominic Cummings, on the other hand, was said to be furious over his close aide Cain losing out on the promotion and there was some speculation that he may also follow him out of Downing Street.

Ron Klain tipped as White House Chief of Staff

LALIT K JHA / Washington

US President-elect Joe Biden has tapped veteran political operative Ron Klain as Chief of Staff, elevating his "invaluable" longtime aide to one of the most powerful positions in the White House.

The White House Chief of Staff manages the president's daily schedule. He is often described as the president's gatekeeper.

"Ron has been invaluable to me over the many years that we have worked together, including as we rescued the American economy from one of the worst downturns in our history in 2009 and later overcame a daunting public health emergency in 2014," said Biden.

Klain is also known for his role as the White House Ebola Response Coordinator at the height of the public health crisis in 2014.

Notes:
1. The above results for the quarter and half year ended 30th September 2020 were subject to limited review by Statutory Auditors, recommended by the Audit Committee and approved by the Board of Directors at their meeting held on 11th November 2020.
2. Considering the nature of operations and the manner in which the chief operating decision maker of the Company reviews the operating results, the Company has concluded that there is only one operating segment as per Ind AS 108 "Operating Segments". Accordingly, no separate disclosures of segment information have been made.
3. "The Company has assessed the impact of COVID-19 pandemic on its financial results based on the internal and external information upto the date of approval of these financial results. Consequent to the COVID-19 pandemic, tenants began making requests for concession in rentals. The company has been successful in completing the said negotiations for most of the tenants and in other cases the discussions are ongoing. The Company, following prudence, recognised such concessions based on the agreements reached with the tenants and in other cases, according to the management's estimate of most likely realizable amount of said rentals based on its ongoing discussions and its relationship with the lessees. The Company has also taken various steps to reduce its operational costs in all areas. Given the continuing uncertainties arising due to the COVID-19 pandemic, the actual impact may be different from that estimated, which will require the impact assessment on the Company's operations to be continuously monitored. In accordance with Ind AS 116, the company has accounted for these concessions as lease modifications and has derecognized straight lining assets of Rs 99.86 Lakhs as on 1st April, 2020 and recognized revised straight lining asset of Rs. 398.51 Lakhs as on 30th September, 2020."
4. Figures for the previous period(s) have been regrouped/rearranged wherever necessary.
