The distribution of this presentation in certain jurisdictions may be restricted by law and persons into whose possession this presentation comes should inform themselves about and observe any such restrictions. None of the Company's securities may be offered or sold in the United States without registration under the U.S. Securities Act of 1933, as amended, except pursuant to an exemption from registration therefrom.

This disclaimer clause and any claims arising out of the use of the information from this presentation shall be governed by the laws of India and only the courts in Vadodara, and no other Courts, shall have jurisdiction over the same. By accessing this presentation, the reader accepts this.

Notes

- These statements have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies to the extent applicable. Beginning April 1, 2016, the Company has for the first time adopted Ind AS with a transition date of April 1, 2015 and the impact has been given in opening reserves of that date. March 31, 2016 results have been restated accordingly.
- Pursuant to the Court approved Scheme of Amalgamation, Styrolution India Private Limited ('SIN') has been amalgamated with the Company w.e.f. the appointed date of April 1, 2015. The Company has followed the 'Pooling of Interest method' as per the court approved Scheme of Amalgamation for the accounting of Assets and Liabilities of SIN. Figures published under IGAAP for the quarter ended March 31, 2016 included 12 months figures of SIN on account of amalgamation. To give effect of amalgamation from April 1, 2015, figures for quarter ended March 31, 2016 published under IGAAP have been restated.
- The figures for the previous periods have been regrouped wherever necessary.
- Segment Information :
Segment reporting in financial results: Based on the "management approach" as defined in Ind AS 108 - 'Operating Segments', the Chief Operating Decision Maker (CODM), as represented by Chairman, Managing Director and CFO, evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments. The accounting principles used in the preparation of these financial results are consistently applied to record revenue and expenditure in individual segment.

Financial profile

Sources and uses of cash and cash equivalents for the period Apr 16 to Mar 17

(Unit : INR Mio)

- Short-term increase in working capital driven by demonetization.

Outlook 2017

Assumptions for 2017

- We expect the new budget to enhance consumer spending.
- We expect a positive buying behavior by the consumers post demonetization.
- No major impact expected from implementation of GST.
- We do not expect abnormal movement in currency rates and raw material prices.

Target 2017

- Continue to strengthen our position in specialties, drive product mix to maximize margins and addition of new grades to our product portfolio.
- Continue to optimize distribution network through third party logistics.
- Ensure stable operations.
- Successful GST transition.

THANK YOU
