Press Release

Setting-up of a new pulses processing unit at Surat in the State of Gujarat

Kolkata, January 31, 2024

Uma Exports Limited (BSE: 543513; NSE: UMAEXPORTS): We are pleased to inform you that the Company is going to set up a new pulses processing unit at Green Industries Park Vada Gau (Village) Opposite Diamond Iconic, Sachin Navsari Road, Surat, Gujarat, for processing of all varieties of pulses. The unit is proposed to be set up either in the Company or wholly-owned subsidiary company considering the legal formalities and economic advantages. The proposed unit shall have an installed capacity of 50,000 TPA. The proposed project cost as approved is Rs. 22.00 crores. The land for the proposed site has been identified and initial advance has been made. The unit is proposed to be operationalised by March, 2025.

The proposed unit shall mark the entry of the Company in the business of manufacturing / processing of food grains in addition to its present trading operation.

Disclaimer

This press release includes forward-looking statements. We have based these forward-looking statements on our current expectations and projections about future events. Such statements involve known and unknown risks, uncertainties and other factors that may cause actual results to differ materially. Such factors include, but are not limited to, changes in local and global economic conditions, our ability to successfully implement our strategy, the market acceptance of and demand for our products, our growth and expansion, technological change and our exposure to market risks. By their nature, these expectations and projections are only estimates and could be materially different from actual results in the future.

About Uma Exports Limited

We are engaged into trading and marketing of agricultural produce and commodities such as sugar, spices like dry red chillies, turmeric, coriander, cumin seeds, food grains like rice, wheat, corn, sorghum and tea, pulses and agricultural feed like soyabean meal and rice bran de-oiled cake. We import lentils, faba beans, black Matpe, and toor (Pigeon Peas) in India in bulk quantities. Our major imports are from Canada, Australia and Burma. We are B2Btraders, highly specialized in sugar, corn and dal. We maintain stocks and distribute them to different institutional parties like manufacturers, exporters, etc. We provide them in bulk quantities. We follow standard packing process to ensure that quality and authentic taste of commodities remains intact.. For more information, log on to: <https://www.umaexports.net/index.html>
