Chairperson's Message

Dear Stakeholders,

Warm greetings to all of you as we are presenting the 41st Annual Report of Comfort Fincap Limited ("the Company") for the financial year 2022-23. One of the underlying keys to success in the financial services industry is earning the confidence, respect, and trust of key constituents. The global pandemic, the war in Ukraine, the continuing COVID-19 pandemic, rising inflation, an energy crisis changed the dynamics of the entire NBFC segment. New-age enterprises that had adopted a completely digital business model to tap new-age customers are now looking at conventional methods to lay off some of the risks. The pandemic not just impacted the economy, but the slowdown increased credit risks. Besides, the regulatory bodies increase vigilance on the NBFC sector to protect the interests of investors and customers.

Against this backdrop, India showcased remarkable resilience in the face of global uncertainties, setting itself apart from numerous advanced economies. I'm so proud of the work that our talented community of solvers has delivered around the world this year to support our clients and to make positive contributions to the society we all share. I would like to thank each and every one of them for their hard work, enthusiasm and perseverance. Our people, and the wide range of skills and experiences they bring to work every day, are the engine of our success. Managing such tough global challenges is possible only when we come together, when people with diverse skills combine forces to solve complex problems, and when business steps up to take responsibility for its impact on the society of which it is an inseparable part.

We are happy to report another outstanding year, characterised by strong financial performance and the consistent achievement of important scorecard objectives. The Company's loan book is very healthy and we are taking maximum steps to ensure that any kind of defaults or adverse circumstances are handled with due care and are minimum. Company is also capitalising all the digital technologies being developed and utilised across the regions. We are ensuring that the products offered by the Company is available to maximum customers so that we can reach majority of them, thereby improving their lifestyles, businesses, etc. In terms of write off and settlements of the loans, the Company is following all the RBI norms and the Company is cautious in considering the loans on the basis of its security terms and its realisable value.

Your Company is very bullish in case of NBFC Business and all the activities are carried out in accordance with RBI and Government of India Guidelines and the Company is participating in this activities thereby benefitting suppliers and customers. Today NBFC's are working par with banking system because of their lending parameters and other factors and making sure that the contribution of the NBFC's in the society is significant.

As the future of work is evolving, enterprises globally are also assessing their approach to talent. Today, companies can tap into talent anywhere and leaders need to learn how to harness the global talent pool effectively.

Within the framework of all these factors and our corporate vision, we will maintain our sensitivity to corporate governance. We aim to raise our corporate governance approach to a higher level every year. Further, Company's CSR efforts are well directed towards empowering, strengthening and developing communities. We undertake focused interventions in the area of rural development by providing food and shelter facilities to needy people and much more. CSR projects for community development are taken by the Company by giving back to the society in a very meaningful way. The Company is doing the same by working with Seth Govindram Charitable Trust so as to fulfill its CSR objectives.

Let me conclude my note by expressing our sincere gratitude once again to those who remained our constant companions throughout time. To our business partners, we are looking forward to carrying on the legacy that we have built together with better prospects. And, last but not the least, to our customers, who reposed their faith in us, we shall spare no effort for delivering the best possible, hassle-free and affordable credit solutions to them. Your trust in us is indeed invaluable for us and together we hope to contribute towards building a more dynamic, resilient, inclusive and equitable society.

Thank you for placing faith in the Company. We thank all our business associate, stakeholders including all the Members for their contribution to Company's success and their continued support. I envision greater achievements for the Company in the years to come and look forward to a successful year ahead.

Regards,
Ankur Agrawal
Chairperson and Director

Pursuant to the Section 124 and other applicable provisions of the Act, read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, (including any statutory modification(s) and / or re-enactment(s) thereof for the time being in force), the Company will be transferring the unclaimed and unpaid dividend of the Financial Year 2015-16 from its Unpaid Dividend Account to Investor Education and Protection Fund (hereinafter referred to as “IEPF”) after October 16, 2023. Further all the shares in respect of which dividend remaining unpaid shall also be transferred IEPF Authority. The Company has published a newspaper advertisement and has sent individual correspondence to the shareholders whose dividend are lying unpaid and unclaimed for 7 years from the date of transfer to Unpaid Dividend Account of the Company and whose shares are due for transfer to IEPF Authority and the same is made available on website of Company at <http://www.comfortfincap.com/Investorrelation>.

The shareholders are once again requested to claim their un-paid/unclaimed dividend to avoid the transfer to IEPF Authority.

Members who have not yet en-cashed their Final Dividends from Financial Year 2015-16 and thereafter are requested to make their claims to the Company/ RTA. Members are requested to quote folio numbers / DP ID – Client ID in all their correspondence.

In case the members have any queries on the subject matter and the Rules, they may contact the Company’s RTA. The members / claimants whose shares and / or, unclaimed dividend, etc., have been transferred to IEPF Authority may claim the shares and unclaimed dividend by making an application to IEPF Authority in IEPF Form-5 (available on www.iepf.gov.in). The member/claimant can file only one consolidated claim in a Financial Year as per the IEPF Rules. It is in the member’s interest to claim any un-encashed dividends from IEPF and for future dematerialization of their shares and opt for Automated Clearing House (ACH) mode, so that dividends paid by the Company are credited to the investor’s account on time.

9. Members holding shares in physical mode are requested to intimate changes, if any, pertaining to their postal address, e-mail address, telephone/mobile numbers, Permanent Account Number (PAN), specimen signature, bank details such as name of the bank and branch details, bank account number, etc to the Company’s Registrar and Transfer Agent in prescribed Form ISR-1 and other forms pursuant to SEBI Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 03, 2021. The said forms can be

downloaded from the Company's website: <http://www.comfortfincap.com/Investorrelation>. The Company has sent letters to members holding shares in physical mode for furnishing the required details.

10. **Nomination Facility:** As per the provisions of Section 72 of the Act read with Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014 as amended and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13.

If a member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website <https://www.comfortfincap.com/Investorrelation>.

Members are requested to submit the said details to their Depository Participants in case the shares are held by them in dematerialised form and to the Company's Registrar and Transfer Agent in case the shares are held in physical form.

11. SEBI has mandated that any service request from members holding securities in physical mode shall be entertained only upon registration of the PAN, KYC details and nomination. Further, all members holding shares in physical mode are required to compulsorily link their PAN Card and Aadhaar Card to avoid freezing of folios. The folios wherein any one of the said document/ details are not updated and/or PAN Card and Aadhaar Card are not linked on or after October 01, 2023 shall be frozen by the RTA. The security holder(s) whose folio(s) frozen shall be eligible:
- To lodge any grievance or avail of any service request from RTA, only after furnishing the complete documents/ details as mentioned above;
 - To receive any payment including dividend, interest or redemption amount (which would be only through electronic mode w.e.f. April 01, 2024) only after compliance with the above stated requirements.

Such frozen folios shall be referred by RTA/Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002, if the securities continue to remain frozen as on December 31, 2025.

12. Pursuant to SEBI Notification No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated 25 January, 2022, the Company shall issue securities in dematerialised form only while processing service requests viz. issue of duplicate securities certificate, claim from Unclaimed Suspense Account, Renewal/ Exchange of securities certificate, Endorsement, Sub-division/ Splitting of securities certificate, Consolidation of securities certificates/ folios, Transmission and Transposition. Accordingly, members are requested to make service requests by submitting a duly filled and signed Form ISR - 4, format of which is available on the Company's website at <http://www.comfortfincap.com/Investorrelation>. Further, members holding shares in physical form are requested to take action to dematerialise the Equity Shares, promptly to avoid inconvenience in future.
13. In compliance with the aforesaid MCA and SEBI circulars, Notice of the AGM along with Annual Report 2022-23, is being sent only through electronic mode to those members whose email addresses are registered with the Company/Depositories. Furthermore, the hard copy of the Annual Report including Notice of AGM for Financial Year 2022-23 has not been sent to any member, unless any member has requested for the same. Members may note that the Notice and the Annual Report for the financial year 2022-23 will also be available on the website of the Company at <http://www.comfortfincap.com/Investorrelation>, websites of the stock exchanges i.e. BSE Limited and Calcutta Stock Exchange at www.bseindia.com and <https://www.cse-india.com/>

and on the website of National Securities Depository limited NSDL i.e. www.evoting.nsdl.com (agency for providing the Remote e-Voting facility).

14. Members are requested to join the Company in supporting the Green Initiative taken by Ministry of Corporate Affairs ("MCA") to effect electronic delivery of documents to the members at the E-mail addresses registered for the said purpose. Members are hereby requested to register their E-mail addresses with their Depository Participant or with Bigshare Services Private Limited, Registrar and Share Transfer Agent (RTA) of the Company, for sending various Notices, Dividend intimation and other documents through E-mail, in case they have not registered the same. Those members who have changed their E-mail ID/ Addresses are requested to update their new E-mail ID / Addresses with RTA, in case the shares are held in physical form and with the Depository Participants where shares are held in demat mode, in case they have not ready updated the same.
15. Pursuant to the SEBI Listing Regulations, the Company is required to maintain Bank details of its members for the purpose of payment of Dividends, etc. Members are requested to register / update their Bank details with the Company in case shares are held in physical form and with their Depository Participants where shares are held in dematerialised mode to enable expeditious credit of the dividend into their respective Bank accounts electronically through the Automated Clearing House (ACH) mode.
16. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act will be available for inspection during the AGM. All the relevant documents referred to in the accompanying Notice are made available for inspection by members at the Corporate Office of the Company on all working days (From Monday to Friday) during the business hours up to the date of AGM.
17. The Members, desiring any information pertaining to the accounts or business to be transacted at the AGM, are requested to write to the Company at the Corporate Office of the Company, situated at A-301, Hetal Arch, S. V. Road, Malad (West), Mumbai-400064, Maharashtra or send an email to info@comfortfincap.com, mentioning their name, DP ID, Client ID number/folio number and mobile number on or before 5:00 P.M. IST, Wednesday September 06, 2023, to enable us to keep the requisite information ready.
18. Your attention is invited on the Companies (Significant Beneficial Ownership) Amendment Rules, 2019 issued by the Ministry of Corporate Affairs on 8th February, 2019. A person is considered as a Significant Beneficial Owner (SBO) if he / she, whether acting alone, together or through one or more individuals or trust holds a beneficial interest of at least 10% or more. The beneficial interest could be in the form of a Company's shares or the right to exercise or actually exercising significant influence or control over the Company. If any members holding shares in the Company on behalf of other or fulfilling the criteria specified under Section 90 of Act read with relevant rules, SBO is required to give a declaration specifying the nature of his / her interest and other essential particulars in the prescribed manner and within the permitted time frame.
19. Since the AGM will be held through VC, the Route Map and attendance slip is not annexed to this Notice.
20. **PROCESS AND MANNER OF E-VOTING:**
 - Pursuant to the Section 105 of the Act read with the Companies (Management and Administration) Rules, 2014 as amended along with Circular No.14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her

behalf and the proxy need not be a member of the Company. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM. Hence, the Proxy Form is not annexed to this Notice.

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO. 3

Your Company generally enters into transaction with related parties as prescribed in the table of resolution mentioned in item no. 3 in ordinary course of business and at arm's length basis, which falls in the definition of "Related Parties" under the Act and/or SEBI Listing Regulations.

Section 188 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014 ("Rules") exempts a Company from obtaining consent of the Board of Directors and the members in case the related party transactions entered into by the Company are in the ordinary course of business and on arm's length basis.

However, Regulation 23 of the SEBI Listing Regulations requires approval of the members for all material related party transactions, even if they are entered into in the ordinary course of business and on arm's length basis, if the same is not exempt under Regulation 23(5) of the SEBI Listing Regulations. For this purpose, a transaction with a related party is considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds one thousand crore or ten percent of the annual consolidated turnover of the Company as per the last audited financial statements, whichever is lower.

Accordingly, your Company may have to enter into material related party transactions in future requiring shareholders' approval, the framework of which has been recommended by the Audit Committee and approved by the Board of Directors of the Company in the text of the resolution proposed in the Notice.

All the material related party transactions to be entered into by the Company (for which member's approval is being sought) would be on arm's length basis and in the ordinary course of business and approval of the Audit Committee / Board is obtained/would be obtained, wherever required.

Furthermore, pursuant to the provisions of Section 185 of the Act, a company may advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the director of the company is interested, subject to the condition that a special resolution is passed by the company in general meeting.

Information required to be given in the explanatory statement pursuant to the Act and Rule 15 of the Rules forms part of the resolution. Further, the details required as per SEBI Listing Regulations are as follows:

Sr. No.	Particulars	Information
1.	Justification for why the proposed transaction is in the interest of the listed entity	Considering the business activity, the Company has to provide loans / advances to parties including its related parties for enriching business operations more profitably
2.	Name of the related party and its relationship with the listed entity or its subsidiary, including nature of its concern or interest (financial or	Nature of Concern or Interest Relationship as mentioned in resolution at Item

	otherwise)	No. 3 and under other entities in which promoters/directors or their relatives are interested
3.	Tenure of Proposed transactions	Approval is sought for material RPTs proposed to be undertaken during the Financial 2023-24 and onwards
4.	If the transaction relates to any loans, inter-corporate deposits, advances or investments made or given by the listed entity or its subsidiary: details of the source of funds in connection with the proposed transaction where any financial indebtedness is incurred to make or give loans, inter-corporate deposits, advances or investments, nature of indebtedness cost of funds and tenure, applicable terms, including covenants, tenure, interest rate and repayment schedule, whether secured or unsecured; if secured, the nature of security; and the purpose for which the funds will be utilized by the ultimate beneficiary of such funds pursuant to the RPT	The Loans / advances given/to be given by the Company are from Company's own funds. Further, the loans / advances are given/to be given for the business purpose of recipient on the terms and conditions as considered by the Board and Audit Committee in the best interest of the Company.
5.	Applicable terms, including covenants, tenure, interest rate and repayment schedule, whether secured or unsecured, if secured, the nature of security	Tenure : repayable on demand Repayment Schedule : Not Applicable Nature of Security: Unsecured
6.	A copy of the valuation or other external party report, if any such report has been relied upon	Not applicable
7.	Percentage of the Company's annual consolidated turnover, for the immediately preceding financial year, that is represented by the value of proposed transaction	400% to 500%

The Board is of the opinion that these transactions are based on business requirements and are necessary for the smooth and efficient functioning of your Company. Further, all related party transactions of the Company are at arms-length and in the ordinary course of business as required under relevant regulations. The Company has implemented a policy on Related Party Transactions, and it undertakes related party transactions are in accordance with such policy

Except Promoters, Mr. Ankur Agrawal, Mrs. Apeksha Kadam along with their relatives, none of the Directors and/or any Key Managerial Personnel of the Company and/or their relatives may be concerned or interested

(financially or otherwise) in the Resolution.

The Board recommends the special resolution as set out at item No. 3 for approval by unrelated shareholders of the Company in terms of Section 188 (3) of the Act and Regulation 23 of the Listing Regulations.

ITEM NO. 4

Mr. Ankur Agrawal was appointed as Executive Director and Chairperson of the Company. Further, the members had authorised the Board to alter and vary the terms and conditions including remuneration and incremental thereof, from time to time of Mr. Ankur Agrawal, but such remuneration payable shall be within the limits specified in the Section 197 and other applicable provisions of the Act.

The Company is growing and performing well under the leadership of Mr. Ankur Agrawal and based on the recommendation of the Nomination and Remuneration Committee, the Board has considered and approved the payment of remuneration to Mr. Ankur Agrawal w.e.f. April 01, 2023 as set out in the resolution.

As per Section 197 and other applicable provisions of the Act, the remuneration payable to directors who are neither managing Directors nor whole-time Directors shall not exceed 3% of the net profits of the Company. However, the Company in general meeting may authorise the payment of remuneration exceeding said limit, subject to the provisions of Schedule V of the Act.

Accordingly, the Board recommends the resolution set forth in item no.4 in excess of the limit specified under Section 197 of the Act by way of special resolution. Except Promoters, Mr. Ankur Agrawal, Mrs. Apeksha Kadam along with their relatives, none of the Directors and/or any Key Managerial Personnel's of the Company and/or their relatives may be concerned or interested (financially or otherwise) in the Resolution.

MANAGEMENT DISCUSSION AND ANALYSIS

MACROECONOMIC OVERVIEW

Vanquishing through challenges in 2022, the global economy has positioned itself with better prospects in 2023 and ahead. Post COVID-19 pandemic along with a successful vaccination drive on a world-wide scale, short lived Omicron wave and the Russia - Ukraine war crisis, the resilience of global economy stood out by manoeuvring the challenges in the financial year 2022-23. Although, the global economy is gradually recovering from the series of disruptions, according to the International Monetary Fund, the forecast of global growth is to fall from 3.4% in 2022 to 3.0% in both 2023 and 2024. Global inflation remained uncomfortably high at 8.7% in 2022, as against 4.7% a year ago with inflation overshooting the target in an overwhelming majority of countries. However, amidst the disruptions and the tightening of monetary policy, certain economies are expected to exhibit resilience.

India's economy registered a strong growth of 7.2% in 2022-23, the highest among major economies in the world, amidst a global turmoil following the war in Ukraine. The growth momentum remained steady, showcasing the underlying strength of India's economy in recovering and revitalising growth drivers. Sound macroeconomic fundamentals, a resilient financial system reflected in healthy balance sheets of banks and Non-Banking Financial Companies ("NBFCs"), and a deleveraged corporate sector imparted resilience to counter the adverse global spillovers.

Chart A: India's real GDP growth rate

Further, the Union Budget for financial year 2023-24 aimed at enhancing the nation's positioning with increased capital expenditure to Rs. 10 lakh crores, marking an increment of 33% in capital outlay as compared to financial year 2022-23 in the financial sector of the Country. Digital payments continue to find wide acceptance. In 2022-23, they show increase of 76 per cent in transactions and 91 per cent in value. The government has given assurance that fiscal support for this digital public infrastructure will continue in 2023-24.

As aware of the fact that the NBFC sector in India has traversed highs and lows to reach where it is today. The scale of operations and diversity in financial intermediation are testimony to their adaptability and agility in transforming their business models, gauging needs of a growing economy and the evolving regulatory milieu. NBFCs complement banks in the credit intermediation process by offering diversified, tailor-made financial products through innovative service delivery mechanisms. Furthermore, they facilitate financial inclusion by providing credit to unbanked sections of the population. Over the period of time, NBFC sector also growing importance in the Indian financial system and is reflected in the consistent rise of NBFCs' credit as a proportion to Gross Domestic Product ("GDP"). Supported by various policy initiatives, NBFCs could absorb the shocks of the pandemic. They built up financial soundness during the financial year 2022-23, marked by balance sheet consolidation, improvement in asset quality, augmented capital buffers and profitability. The pivotal role of NBFCs in driving sustainable fiscal growth is well recognized, given their last-mile connectivity and agile system. The sector has played a decisive role in accelerating last-mile funding and understanding the credit requirement of the Unbanked and Underserved. Aided by the government's thrust towards a digital economy, the sector has also undertaken significant digital transformation and invested heavily to become tech-agile institutions offering personalized products and services, ensuring faster credit disbursement.

FINANCIAL SERVICES INDUSTRY OVERVIEW AND DEVELOPMENTS

India has a diversified financial sector undergoing rapid expansion, both in terms of strong growth of existing financial services firms and new entities entering the market. The sector comprises of:

- Commercial banks
- Insurance companies
- Non-Banking Financial Companies
- Co-operatives, pension funds
- Mutual funds and
- Other smaller financial entities

The Government has initiated various policies and schemes that are favourable for the growth of the financial services sector.

The Government has been driving as well as supporting the digital revolution in banking, fintech and payment systems to increase efficiency and streamline processes, creating an indirect credit demand from banks and NBFCs.

NON-BANKING FINANCIAL COMPANIES (NBFCs)

With exposure towards banking as well as capital markets, NBFCs have emerged as an essential part of India's financial ecosystem over the past two decades. Over the years, NBFCs have become an important source of credit for low-income households and businesses that do not have collateral or sufficient credit profile for bank credit. Through wide network of branches, digitalization and innovative solutions, they have grown their presence among MSMEs and consumers, especially for financing vehicles, housing and gold. They all have actively embraced technology and digital tools to bring down the transaction costs, speed up the loan disbursal process and leverage alternate data and practices to improve risk assessment and underwriting. Some of them have also grown larger in size than many banks and have been one of the

major stock outperformers.

With NBFCs constituting an increasingly important segment of the Indian financial system, the Reserve Bank of India plans to strengthen the analysis of transmission to lending rates and sectoral credit flows by expanding the coverage to include NBFCs in addition to banks in a phased manner.

The continuous improvement in asset quality is seen in the declining Gross Non-performing assets (GNPAs) ratio of NBFCs from the peak of 7.2 % recorded during the second wave of the pandemic (June 2021) to 5.9 % in September 2022, reaching close to the pre-pandemic level. Credit extended by NBFCs is picking up momentum, with the aggregate outstanding amount at Rs.31.5 lakh crore as of September 2022. NBFCs continued to deploy the largest quantum of credit from their balance sheets to the industrial sector, followed by retail, services, and agriculture.

ABOUT COMFORT FINCAP LIMITED

PRODUCTS & SERVICES

Our Company offers financial services to commercial, industrial and financial clients with a one stop financial solution as follows:

 <p>LOAN AGAINST SECURITIES</p> <p>Your Company deals in loan against securities, where credit been provided against your securities like Equity Shares, Mutual Fund Units while still retaining ownership. By way of loan against securities, you can borrow capital by pledging your financial investments. This enables you to enjoy all corporate benefits accrued on your securities and still avail loan against them. Interest will be charged only on the actual amount and that too for the time it is utilized.</p>	 <p>MARGIN FUNDING</p> <p>Margin Finance trading is granted against pre-approved list of securities, subject to predefined haircut for margin. Through margin finance facility, investors can raise finance to purchase additional securities without selling their long-term investments. Under this facility, the investors need to either pay a part of the total purchase value or pledge his existing approved securities as margin, while the balance purchase value is being funded by NBFC. Margin Financing is thus known as 'gearing' of the investment portfolio.</p>	 <p>BILL DISCOUNTING</p> <p>Your Company offer bill discounting services by virtue of which we buy the bill (i.e. Bill of Exchange of Promissory Note) before it is due and credits the value of the bill after a discount charge to the customer's account. Bills that come under bill discounting are termed as 'bills of exchange'. Bill discounting feature can be used to avail loans up to approximately 90% of the raised invoices.</p>	 <p>ESOP FINANCE</p> <p>Individuals holding ESOPs from their employers & wanting to exercise their option can avail loan on competitive terms.</p>
---	--	---	--

 <p>LOAN AGAINST PROPERTY/MORTGAGE LOAN</p> <p>Loan Against Property allows you to cash in on your assets anytime you need to fulfill your dreams. At Comfort, we make sure that you get a quick loan against your property at affordable interest rates to help you chase your happiness without any worries.</p>	 <p>HOME IMPROVEMENT LOAN-</p> <p>A home is usually said to be a reflection of its owner. You can now spruce up your home and make renovation a milestone as memorable and enjoyable as home buying. With Comfort's Home Improvement Loans, you can upgrade your existing home to a contemporary design and a more comfortable living space.</p>	 <p>PROMOTER FUNDING-</p> <p>A facility provided to promoters of well-managed companies to raise funds against their stake in that operating company. These funds can be utilized for various needs like financing for business growth, Acquisitions and take-over financing. Any working capital requirement can also be availed by the promoters through Promoters Funding.</p>	 <p>IPO FINANCING</p> <p>Initial Public Offer (“IPO”) Financing is one of the most lucrative investment opportunities to leverage your funds in the primary markets. Our loans help corporate and high net worth individuals subscribe to the equity IPOs. All you have to do is invest the margin amount and we'll finance the balance application amount. The IPO financing loans are generally issued for the tenor of 10-15 days.</p>

RISKS & CONCERNS

Risk is an integral part of the business and almost every business decision requires the management to balance risk and reward. The ability to manage risks across geographies, products, asset classes, customer segments and functional departments is of paramount importance for the hindrance free growth of every organization. The Company is exposed to various risks such as pandemic risk, credit risk, economic risk, interest rate risk, liquidity risk, technology risks, etc.

The Company is exposed to various risks such as pandemic risk, credit risk, economic risk, interest rate risk, liquidity risk, technology risks, etc. The Company has a Risk Management Framework that involves risk identification, risk assessment and risk mitigation planning. It also includes the implementation of a programme to continually measure and assess the effectiveness of existing safeguards in protecting one's critical assets. Thus, managing risks is not a one-time activity; it's an ongoing process. It is also critical to recognize that certain business risks are unavoidable, and have to be dealt with as they arise. Your Company has directed its effort towards risk management. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

A. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include loans and borrowings and deposits.

- **Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This risk exists mainly on account of borrowings of the Company. However, all these borrowings are at fixed interest rate and hence the exposure to change in interest rate is insignificant.

- **Foreign Currency Risk**

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to significant foreign currency risk as at the respective reporting dates.

- **Price Risk**

The Company is mainly exposed to the price risk due to its investment in debt mutual funds. The price risk arises due to uncertainties about the future market values of these investments.

B. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and other financial assets.

- **Trade Receivables**

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major trade receivables.

- **Other Financial Assets**

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy. Investments of surplus funds are made only in highly marketable debt instruments with appropriate maturities to optimise the cash return on instruments while ensuring sufficient liquidity to meet its liabilities.

C. Excessive risk concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry. In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

D. Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31st March, 2023 and 31st March, 2022. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis. The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing term deposits and other highly marketable debt investments with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

The Company manages its liquidity requirement by analysing the maturity pattern of Company's cash flows of financial assets and financial liabilities. The Company's objective is to maintain a balance between continuity of funding and flexibility. The Company invests its surplus funds in debt schemes of mutual funds, which carry low mark to market risks.

Other Risks

Due to rapid changes in the technologies, business dimensions and complexities, regulatory changes and environmental concerns, new and various types of risks have emerged. Financial firms are now increasingly focused on asset-liability risk. Asset-liability risk is a leveraged form of risk. So, in the era of fast changing global economy, multiplicity of legal compliances, cross border business transactions and to ensure the survival, viability and sustainability of business, the management of various types of risks have gained utmost importance

All such risks cannot be eradicated completely however can be controlled, mitigated and managed within the Company in order to balance risk and reward. Risk management is an important part of the Company's business strategy, and it is smoothly incorporated into all of the Company's activities. The aim of the Company's framework is to optimize the risk-return equation while also ensuring strict adherence to all current and upcoming laws, rules, and regulations that apply to all of the Company's business activities. Thus, managing risks is not a one-time activity; it's an ongoing process. The Company strives to cultivate a strong and disciplined risk management culture across all of its business operations and at all levels of the organization.

The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a core Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly.

OUTLOOK

NBFCs have come a long way in terms of their scale and diversity of operations. They now play a critical role in financial intermediation and promoting inclusive growth by providing last-mile access of financial services to meet the diversified financial needs of less-banked customers. The sector has also seen advent of many non-traditional players leveraging technology to adopt tech-based innovative business models. The regulatory approach of the Reserve Bank of India has adapted to the increase in complexity of the entities within the NBFC sector as well as the growing significance of NBFCs within the financial sector. With the growth in size and interconnectedness, NBFCs have increasingly become systemically significant and the prudential regulations for NBFC sector have evolved to give greater focus to the theme of financial stability. Ensuring good corporate governance in NBFCs is at the core of any regulatory change. This is not an easy objective to meet, as good governance is essentially an aspirational achievement for an entity and it can seldom be founded only on regulatory prescriptions. A consumer of financial services provided by any regulated entity, whether a bank or NBFC, nurtures similar expectation of fair treatment and avenues for grievance redressal. A transparent and self-disciplining mechanism has to be imagined for the future where the changing business models and newer credit delivery mechanisms do not deviate from the objective of fair treatment of the customer.

The NBFC sector has become extremely diverse. The business model, customer profile and nature of financial products vary substantially depending on the category of the NBFC. The uniqueness of this sector lies in the inherent diversity of activities carried out by different NBFCs and thus, there can be no 'one-size-fits-all' prescription in the regulatory approach for NBFCs. Perhaps a calibrated and graded regulatory framework proportionate to the systemic significance of entities concerned is the way forward.

DISCLOSURE OF ACCOUNTING TREATMENT

The Company has complied the prescribed accounting treatment while preparation of financial statements as per Accounting Standard, thus no disclosure is required to be made there under.

CAUTIONARY STATEMENT

Certain statements made in the Management Discussion and Analysis Report relating to the Company's objectives, projections, outlook, expectations, estimates and others may constitute 'forward looking statements', within the meaning of applicable laws and regulations. Actual results may differ from such expectations, whether expressed or implied. Several factors could make a significant difference to the Company's operations. These include climatic and economic conditions affecting demand and supply, government regulations and taxation, any epidemic or pandemic, natural calamities over which the Company may not have any direct/indirect control.

The management of the Company has used estimates and judgments relating to the financial statements on a prudent and reasonable basis, in order that the financial statements reflect a true and fair manner, the state of affairs and profit / loss for the year. The narrative on our financial condition and result of operations should be read together with the notes to the financial statements included in the annual report. Important factors that could make a difference to the Company's operations include changes in Government regulations and tax regime, economic developments within India and abroad, financial markets, etc.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
Comfort Fincap Limited**

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of Comfort Fincap Limited (“the Company”), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss, statement of changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

The Company has not provided for defined benefit obligation in the nature of gratuity based on the requirement of Ind AS 19 i.e. “Employee Benefit”, which requires defined benefit obligation to be recognised based on actuarial valuation basis. In absence of valuation we are unable to quantify the impact of above on the net profit for the year and liabilities as on reporting date.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Except for the matter described in the Basis for Qualified Opinion Section, we have determined that there are no other key audit matters to communicate in our report.

Information other than the Financial Statements and Auditors report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Director's Report is not made available to us at the date of this auditor's report and hence we have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of The Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

ANNEXURE B TO AUDITORS'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Comfort Fincap Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting.

A company's internal financial control over financial reporting is a process designed to provide reasonable

assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies

and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Standalone Notes to financial statements for the year ended March 31, 2023

NOTE - '1'

SIGNIFICANT ACCOUNTING POLICIES:

A. Basis of Preparation:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction – Non-Banking Financial Company– Non-Systemically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016 (‘the NBFC Master Directions’) issued by RBI. The financial statements have been prepared on a going concern basis.

The Company uses accrual basis of accounting except in case of significant uncertainties. These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

B. Presentation of financial statements

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

C. Critical Accounting Estimates and Judgments

The preparation of financial statements in conformity with generally accepted principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

D. Revenue Recognition:

i) Interest Income

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial

asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets [as set out in note no.H(i)(d)], the Company recognises interest income as per the management's estimates of its recoverability. If the financial asset is no longer credit-impaired [as outlined in note no. H(i)(d)], the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/non-payment of contractual cashflows is recognised on realization if any.

ii) Dividend Income

Dividend income on equity shares is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

iii) Other Revenue from Operations

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

a) Net gain on fair value changes

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognises gains/losses on fair value change of financial assets measured as FVTPL and realised gains/losses on derecognition of financial asset measured at FVTPL and FVOCI.

b) Recoveries of financial assets written off

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

E. Property, Plant and Equipment:

Property, plant and equipment are shown at historical cost inclusive of incidental expenses less accumulated depreciation.

Depreciation in fixed assets is calculated on straight-line basis over the estimated useful lives of the assets as follows:

Sr No	Category	Estimated Useful life
1	Motor Vehicle	8 years
2	Air Condition	10 years

Depreciation on Property, plant and equipment are added or sold during the year, is provided on pro-rata basis with reference to the date of addition/deletion.

F. Impairment of Non-financial assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Profit & Loss Account in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

G. Employee Benefits :

- Short terms employee benefits are charged to the profit and loss account as and when incurred
- Payments to defined contribution plan are charged to profit & loss account when contributions to respective funds are due.
- Gratuity and Leave encashment payments are accounted for on Payment basis.

H. Non-current assets held for sale :

Non-current assets and disposal groups are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset (or disposal group) and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets and disposal groups classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.

I. Financial instruments:

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments.

i) Financial Assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

a. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

b. Subsequent Measurement

For the purpose of subsequent measurement, financial assets are classified into three categories:

1. Debt instruments at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

2. Equity Instruments at FVTPL

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt instruments are recognised on net basis through profit or loss.

3. Equity investments designated under FVOCI

All equity investments in scope of Ind AS 109 'Financial Instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognised in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

c. Derecognition of Financial Assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

d. Impairment of Financial Assets

Expected Credit Loss (ECL) is recognised for financial assets held under amortised cost and certain loan commitments.

Expected Credit Loss is recognized and measured as per the Asset Provisioning norms prescribed by the Reserve Bank of India or as per Company's assessment, at the end of each reporting period, of increase/decrease in credit risk at borrower level and accordingly the Company recognizes a financial asset to be credit impaired by considering relevant objective evidence, primarily whether:

- Contractual payments of either principal or interest are past due for more than 6 months
- The loan is otherwise considered to be in default

Restructured loans, where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to remain credit impaired until they exhibit regular payment of renegotiated principal and interest over a minimum observation period, typically 12 months- post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be removed from the credit impaired category and a fresh assessment of the risk of default be done for such loans.

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial Liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

a. Initial Measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

b. Subsequent Measurement

After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

c. Derecognition

The Company derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

iii) Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

iv) Investment in subsidiaries and associates

Investment in subsidiaries and associates is recognised at cost and are not adjusted to fair value at the end of each reporting period. Cost of investment represents amount paid for acquisition of the said investment.

The Company assesses at the end of each reporting period, if there are any indications that the said investment may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

J. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether :

- i) the contract involves the use of an identified asset
- ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii) the Company has the right to direct the use of the asset

The Company applies a single recognition and measurement approach for all leases, except for short term leases and leases of low-value assets. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets as below :-

- i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the underlying assets (i.e. 30 and 60 years)

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

“Lease liability” and “Right of Use” asset are separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

K. Borrowing Costs:

- (a) Borrowing costs that are attributable to the acquisition, construction, or production of a qualifying asset are capitalized as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over twelve months) to get ready for its intended use or sale.
- (b) All other borrowing costs are recognized as expense in the period in which they are incurred.

L. Taxation:

Provision for income tax has been made in accordance with normal provisions of Income Tax Act, 1961. The deferred tax for timing differences between the book and tax profits for the year is accounted for, using tax

rates and laws that have been substantively enacted as of the balance sheet date. Current and Deferred tax is recognised in Statement of Profit and Loss, except when it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

M. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculation diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

N. Provisions and Contingent Liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

O. Fair Value Measurement

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole. For detailed information on the fair value hierarchy, refer note no. 23 and note no. 24.

For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

**Note 23- Fair Value**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

Valuation Framework

The Group has an internal fair value assessment team which assesses the fair values for assets qualifying for fair valuation.

Benchmarking prices against observable market prices or other independent sources;

Development and validation of fair valuation models using model logic, inputs, outputs and adjustments.

These valuation models are subject to a process of due diligence and validation before they become operational and are continuously calibrated. These models are subject to approvals by various functions including risk, treasury and finance functions. Finance function is responsible for establishing procedures, governing valuation and ensuring fair values are in compliance with accounting standards.

Valuation Framework

Fair values of financial assets, other than those which are subsequently measured at amortised cost, have been arrived at as under: Fair values of Investments held for trading under FVTPL have been determined under level 1 (refer note no. 24) using quoted market prices of the underlying instruments;

Fair values of other investments under FVOCI have been determined under level 1 using quoted market prices of the underlying instruments;

The Group has determined that the carrying values of cash and cash equivalents, bank balances, trade receivables, short term loans, floating rate loans, trade payables, short term debts, borrowings, bank overdrafts and other current liabilities are a reasonable approximation of their fair value and hence their carrying value are deemed to be fair value.

Note 24- Fair Value Hierarchy

The Company determines fair values of its financial instruments according to the following hierarchy:

Level 1: valuation based on quoted market price: financial instruments with quoted prices for identical instruments in active markets that the Company can access at the measurement date.

Level 2: valuation based on using observable inputs: financial instruments with quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in inactive markets and financial instruments valued using models where all significant inputs are observable.

Level 3: valuation technique with significant unobservable inputs: – financial instruments valued using valuation techniques where one or more significant inputs are unobservable.

36. Analytical Ratios

SN	Particular	Numerator	Denominator	2022-23	2021-22	% Variance	Reason for variance (if above 25%)
(a)	Capital to risk-weighted assets ratio (CRAR)	Tier I CRAR + Tier II CRAR	Risk Weighted Assets	36.03%	15.92%	126.30	Reduction in Exposure to the Group Companies
(b)	Tier I CRAR	Tier I	Risk Weighted Assets	35.73%	15.62%	128.82	
(c')	Tier II CRAR	Tier II	Risk Weighted Assets	0.29%	0.30%	-3.15	NA

“**Tier I Capital**” means owned fund as reduced by investment in shares of other non-banking financial companies and in shares, debentures, bonds, outstanding loans and advances including hire purchase and lease finance made

to and deposits with subsidiaries and companies in the same group exceeding, in aggregate, ten per cent of the owned fund.

“Owned Fund” means paid up equity capital, preference shares which are compulsorily convertible into equity, free reserves, balance in share premium account and capital reserves representing surplus arising out of sale proceeds of asset, excluding reserves created by revaluation of asset, as reduced by accumulated loss balance, book value of intangible assets and deferred revenue expenditure, if any.

“Tier II capital” includes the following –

(a) preference shares other than those which are compulsorily convertible into equity;

(b) revaluation reserves at discounted rate of fifty five percent;

(c) General provisions (including that for Standard Assets) and loss reserves to the extent these are not attributable to actual diminution in value or identifiable potential loss in any specific asset and are available to meet unexpected losses, to the extent of one and one fourth percent of risk weighted assets. 12 month expected credit loss (ECL) allowances for financial instruments i.e. where the credit risk has not increased significantly since initial recognition, shall be included under general provisions and loss reserves in Tier II capital within the limits specified by extant regulations. Lifetime ECL shall not be reckoned for regulatory capital (numerator) while it shall be reduced from the risk weighted assets.

(d) hybrid debt capital instruments; and

(e) subordinated debt to the extent the aggregate does not exceed Tier I capital.

Aggregate Risk Weighted Assets –

Under RBI Guidelines, degrees of credit risk expressed as percentage weightages have been assigned to each of the on-balance sheet assets and off- balance sheet assets. Hence, the value of each of the on-balance sheet assets and off- balance sheet assets requires to be multiplied by the relevant risk weights to arrive at risk adjusted value of assets. The aggregate shall be taken into account for reckoning the minimum capital ratio.

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS,
COMFORT FINCAP LIMITED**

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of Comfort Fincap Limited (hereinafter referred to as the 'Holding Company') and its associate (together referred to as 'Group') which comprise the consolidated Balance Sheet as at March 31, 2023, and the consolidated statement of Profit and Loss, the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended March 31, 2023 and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2023, of consolidated profit, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

The Holding Company has not provided for defined benefit obligation in the nature of gratuity based on the requirement of Ind AS 19 i.e. "Employee Benefit", which requires defined benefit obligation to be recognised based on actuarial valuation basis. In absence of valuation we are unable to quantify the impact of above on the net profit for the year and liabilities as on reporting date.

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Except for the matter described in the Basis for Qualified Opinion Section, we have determined that there are no other key audit matters to communicate in our report.

Responsibilities of Management for the Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Holding Company including its Associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of Holding company and its associates are responsible for assessing the ability of the Holding Company and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Holding company and of its associates and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Holding Company and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Holding Company and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities of the Holding Company and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The consolidated financial statements also include the Group's share of profit/(loss) of Rs (0.04) Lakhs for the year ended 31st March, 2023, as considered in the consolidated financial statements, in respect of one associate, whose financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures in respect of these associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid associates, is solely based on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. (A) As required by Section 143(3) of the Act, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of consolidated financial statements.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 except as described in the Basis for Qualified Opinion paragraph.
 - e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2023 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its associate company, none of the directors of the Holding Company and its associate company is disqualified a none of the disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure.
- (B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Holding Company and its associate. Refer Note 25 to financial statements
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary company incorporated in India to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company or its subsidiary company incorporated in India or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries

(b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Holding Company or its subsidiary companies incorporated in India from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary companies incorporated in India shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
- provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (iv) (a) and (iv) (b) contain any misstatement.

v. According to information and explanation given to us, the Holding Company has not declared any dividend during the year in terms of provision of section 123 of Companies Act, 2013.

(C) With respect to the matter to be included in the Auditor’s Report under Section 197 (16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Holding Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

2. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor’s Report) Order, 2020 (the “Order”/ “CARO”) issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor’s report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and issued by the respective auditor of its associate included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF COMFORT FINCAP LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of Comfort Fincap Limited (hereinafter referred to as "the Holding Company") and its associate company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies and its associate company which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)]. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable

assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in Other Matters paragraph, the Holding Company and its associate company which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company, in so far as it relates to separate financial statements of its associate which are companies incorporated in India, is based on the corresponding report of the auditor of such associate incorporated in India.

- ii) The financial statements of the Company and its associate have been prepared in accordance with the Ind AS 110-‘Consolidated Financial Statements’ as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (“the Act”) and the other relevant provisions of the Act.
- iii) The Consolidated financial statements have been prepared on the following basis:
 - a) Investment made by the Company in an associate company is accounted under the equity method, in accordance with the Indian Accounting Standard 28 on ‘Investments in Associates and Joint Ventures’.
 - b) The policies of the associate company are consistent with those of the Company.
- iv) The list of associates which are included in the consolidation and the Group’s holdings therein are as under:

Name of the Company	% Shareholding of Comfort Fincap Ltd.	
	F.Y. 2022-2023	F.Y. 2021-2022
Lemonade Share & Securities Private Limited	46.81	46.81

B. Basis of Preparation:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and notified under section 133 of the Companies Act, 2013 (the Act) along with other relevant provisions of the Act and the Master Direction – Non-Banking Financial Company– Non-Systemically Important Non-Deposit taking Company (Reserve Bank) Directions, 2016 (‘the NBFC Master Directions’) issued by RBI. The financial statements have been prepared on a going concern basis.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

C. Presentation of financial statements

The Company presents its Balance Sheet in order of liquidity.

The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

D. Critical Accounting Estimates and Judgments

The preparation of financial statements in conformity with generally accepted principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

E. Revenue Recognition:

i) Interest Income

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets [as set out in note no.H(i)(d)], the Company recognises interest income as per the management's estimates of its recoverability. If the financial asset is no longer credit-impaired [as outlined in note no. H(i)(d)], the Company reverts to calculating interest income on a gross basis.

Delayed payment interest (penal interest) levied on customers for delay in repayments/non-payment of contractual cashflows is recognised on realization if any.

ii) Dividend Income

Dividend income on equity shares is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

iii) Other Revenue from Operations

The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

a) Net gain on fair value changes

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognises gains/losses on fair

value change of financial assets measured as FVTPL and realised gains/losses on derecognition of financial asset measured at FVTPL and FVOCI.

b) Recoveries of financial assets written off

The Company recognises income on recoveries of financial assets written off on realisation or when the right to receive the same without any uncertainties of recovery is established.

F. Property, Plant and Equipment:

i) Property, plant and equipment are shown at historical cost inclusive of incidental expenses less accumulated depreciation.

ii) Depreciation in fixed assets is calculated on straight-line basis over the estimated useful lives of the assets as follows:

Sr No	Category	Estimated Useful life
1	Motor Vehicle	8 years
2	Air Condition	10 years

iii) Depreciation on Property, plant and equipment are added or sold during the year, is provided on pro-rata basis with reference to the date of addition/deletion.

G. Impairment of Non-financial assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Profit & Loss Account in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

H. Employee Benefits :

- Short terms employee benefits are charged to the profit and loss account as and when incurred
- Payments to defined contribution plan are charged to profit & loss account when contributions to respective funds are due.
- Gratuity and Leave encashment payments are accounted for on Payment basis.

I. Non-current assets held for sale :

Non-current assets and disposal groups are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset (or disposal group) and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets and disposal groups classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.

J. Financial instruments:

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments.

i) Financial Assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

a. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

b. Subsequent Measurement

For the purpose of subsequent measurement, financial assets are classified into three categories:

1. Debt instruments at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

2. Equity Instruments at FVTPL

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt instruments are recognised on net basis through profit or loss.

3. Equity investments designated under FVOCI

All equity investments in scope of Ind AS 109 'Financial Instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.

All fair value changes of the equity instruments, excluding dividends, are recognised in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

c. Derecognition of Financial Assets

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

d. Impairment of Financial Assets

Expected Credit Loss (ECL) is recognised for financial assets held under amortised cost and certain loan commitments.

Expected Credit Loss is recognized and measured as per the Asset Provisioning norms prescribed by the Reserve Bank of India or as per Company's assessment, at the end of each reporting period, of increase/decrease in credit risk at borrower level and accordingly the Company recognizes a financial asset to be credit impaired by considering relevant objective evidence, primarily whether:

- Contractual payments of either principal or interest are past due for more than 6 months
- The loan is otherwise considered to be in default

Restructured loans, where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to remain credit impaired until they exhibit regular payment of renegotiated principal and interest over a minimum observation period, typically 12 months- post renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be removed from the credit impaired category and a fresh assessment of the risk of default be done for such loans.

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial Liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

a. Initial Measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other

payables, debt securities and other borrowings.

b. Subsequent Measurement

After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

c. Derecognition

The Company derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

iii) Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

iv) Investment in subsidiaries and associates

Investment in subsidiaries and associates is recognised at cost and are not adjusted to fair value at the end of each reporting period. Cost of investment represents amount paid for acquisition of the said investment.

The Company assesses at the end of each reporting period, if there are any indications that the said investment may be impaired. If so, the Company estimates the recoverable value/amount of the investment and provides for impairment, if any i.e. the deficit in the recoverable value over cost.

K. Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether :

- i) the contract involves the use of an identified asset
- ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii) the Company has the right to direct the use of the asset

The Company applies a single recognition and measurement approach for all leases, except for short term leases and leases of low-value assets. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets as below :-

i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the underlying assets (i.e. 30 and 60 years)

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset. The right-of-use assets are also subject to impairment.

ii) Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

“Lease liability” and “Right of Use” asset are separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

L. Borrowing Costs:

- (a) Borrowing costs that are attributable to the acquisition, construction, or production of a qualifying asset are capitalized as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over twelve months) to get ready for its intended use or sale.
- (b) All other borrowing costs are recognized as expense in the period in which they are incurred.

M. Taxation:

Provision for income tax has been made in accordance with normal provisions of Income Tax Act, 1961. The deferred tax for timing differences between the book and tax profits for the year is accounted for, using tax rates and laws that have been substantively enacted as of the balance sheet date. Current and Deferred tax is recognised in Statement of Profit and Loss, except when it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

N. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculation diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

O. Provisions and Contingent Liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

P. Fair Value Measurement

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date. Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input

that is significant to the fair value measurement as a whole. For detailed information on the fair value hierarchy, refer note no. 23 and note no. 24.

For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

**Note 23- Fair Value**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique.

In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques.

This note describes the fair value measurement of both financial and non-financial instruments.

Valuation Framework

The Group has an internal fair value assessment team which assesses the fair values for assets qualifying for fair valuation.

Benchmarking prices against observable market prices or other independent sources;

Development and validation of fair valuation models using model logic, inputs, outputs and adjustments.

These valuation models are subject to a process of due diligence and validation before they become operational and are continuously calibrated. These models are subject to approvals by various functions including risk, treasury and finance functions. Finance function is responsible for establishing procedures, governing valuation and ensuring fair values are in compliance with accounting standards.

Valuation Framework

Fair values of financial assets, other than those which are subsequently measured at amortised cost, have been arrived at as under: Fair values of Investments held for trading under FVTPL have been determined under level 1 (refer note no. 24) using quoted market prices of the underlying instruments;

Fair values of other investments under FVOCI have been determined under level 1 using quoted market prices of the underlying instruments;

The Group has determined that the carrying values of cash and cash equivalents, bank balances, trade receivables, short term loans, floating rate loans, trade payables, short term debts, borrowings, bank overdrafts and other current liabilities are a reasonable approximation of their fair value and hence their carrying value are deemed to be fair value.

Note 24- Fair Value Hierarchy

The Company determines fair values of its financial instruments according to the following hierarchy:

Level 1: valuation based on quoted market price: financial instruments with quoted prices for identical instruments in active markets that the Company can access at the measurement date.

Level 2: valuation based on using observable inputs: financial instruments with quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments in inactive markets and financial instruments valued using models where all significant inputs are observable.

Level 3: valuation technique with significant unobservable inputs: – financial instruments valued using valuation techniques where one or more significant inputs are unobservable.

- (c) General provisions (including that for Standard Assets) and loss reserves to the extent these are not attributable to actual diminution in value or identifiable potential loss in any specific asset and are available to meet unexpected losses, to the extent of one and one fourth percent of risk weighted assets. 12 month expected credit loss (ECL) allowances for financial instruments i.e. where the credit risk has not increased significantly since initial recognition, shall be included under general provisions and loss reserves in Tier II capital within the limits specified by extant regulations. Lifetime ECL shall not be reckoned for regulatory capital (numerator) while it shall be reduced from the risk weighted assets.
- (d) hybrid debt capital instruments; and
- (e) subordinated debt to the extent the aggregate does not exceed Tier I capital.

Aggregate Risk Weighted Assets –

Under RBI Guidelines, degrees of credit risk expressed as percentage weightages have been assigned to each of the on-balance sheet assets and off- balance sheet assets. Hence, the value of each of the on-balance sheet assets and off- balance sheet assets requires to be multiplied by the relevant risk weights to arrive at risk adjusted value of assets. The aggregate shall be taken into account for reckoning the minimum capital ratio.
